Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

- Educational Materials**
- Special Services** contracts for financial, economic, accounting, legal or administrative services

**Memorandum of Understanding 2017-2018
Between Oakland Unified School District and
Safe Passages**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 232/Coliseum College Prep Academy under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")

2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for Safe Passages is \$234,286.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2017-2018**).
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$234,286.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses

paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 232/Coliseum College Prep Academy, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2017-2018. This shall include the following required activities:

5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. SECTION 1: School Site Information

School Site: COLISEUM COLLEGE PREP ACADEMY	Lead Agency: SAFE PASSAGES
Principal Signature: 	Lead Agency Signature: 
After School Site Coordinator Name (if known at this time): Robert Campbell	Date: 4/24/17

SECTION 2: PROGRAM OPERATIONS: Average Daily Attendance, Program Dates, Minimum Days

To be compliant with grant requirements, high school after school programs must operate for a total of at least 15 hours per week. This can consist of any combination of after school, before school, weekend, intercession, and summer programming. Program activities cannot take place during any part of the regular school day hours (as documented on the school's bell schedule), including lunch time.

Recommendation: The after school program should commence immediately upon the conclusion of the regular day, operate a minimum of 3 hours/day, and be open until at least 6pm to meet student needs. To meet attendance targets, programs should operate every day of the school year.

** CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

Projected Daily Attendance during School Year 2017-2018	120
First Day of Program Operations for the 2017-18 school year	8/21/2017
Last Day of Program Operations for the 2017-18 school year	6/7/2018
Anticipated total number of days of program operation, from July 1, 2017 - June 30, 2018	180
List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.	N/A

<p>Minimum Days When a school holds minimum days, the after school program should begin as soon as the school day ends, and operate for at least 3 hours; though programs are recommended to operate until 6pm to meet student needs. Minimum days can have a significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.</p>	
<p>Projected Number of Minimum Days for School Year 2017-2018</p> <p><i>*School should provide lead agency with a calendar of minimum days before the 1st day of school.</i></p>	<p>33</p>
<p>Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any).</p>	<p>Funding for minimum days is scheduled into our budget and includes funding for enrichment and academic activities on minimum days.</p>
<p>Please note that the 21st Century grant from CDE does not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school funds will be utilized to fund these additional hours of program?</p>	
<p>SECTION 3: Program Model and Lead Agency Selection</p>	
<p>For 2017-2018, my site will operate the following program model:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Traditional After School: <i>voluntary program open to all students, with enrollment priorities targeting certain students</i> <input type="checkbox"/> Extended Day Program: <i>additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)</i> <input checked="" type="checkbox"/> Blended/Hybrid: <i>combination of some extended day and some traditional after school programming</i> 	
<p>Description and Rationale for Selection of Lead Agency</p> <p>Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.</p> <p>In alignment with the spirit of the OUSD Strategic Plan, the Safe Passages After School Program partnership with the school community is a "true, authentic collaboration" that supports the goals of a thriving student community. Among other goals, Safe Passages After School program supports the school's Full Service Community School Quality Indicator 1 goal – to provide quality learning experiences for students by ensuring that students are provided a quality extended day program. The program also furthers the efforts to support broader enrichment goals beyond academic intervention with youth leadership opportunities, sports, creative opportunities for artistic expression, such as art, music, and dance. In addition, the program supports the goal of balanced literacy and targeted intervention by providing targeted intervention to students through the COST process and in the one hour of academic programming each day. Safe Passages uses the SRI and Benchmark data to personalize instruction during intervention sessions.</p>	

SECTION 4: SCHOOL PRIORITIES AND GOALS IN SPSA	
In collaboration with school leadership, review the school's focal areas and annual school goals listed in its 2017-18 SPSA school site plan (See SPSA Section for Annual School Goals). All after school programs are expected to support the school's goals for Culture and Climate.	
Additionally, identify at least 1 other focal area from the list below that your afterschool program will intentionally support. For each priority area marked below, fill in the school's long-term goal as written in Section 4 of the school's SPSA plan.

SECTION 5: OUSD STRATEGIC TARGETS - HIGH SCHOOL

OUSD strives to prepare all students to graduate college, career, and community ready. After school programs play a key role in supporting this district goal. The following target is part of OUSD's Pathway to Excellence Strategic Plan for 2015 - 2020. Our entire Oakland school system, together with community partners, will work collaboratively to achieve this target for all students.

Cohort Graduation Rate: *By 2020, the cohort graduation rate will increase to 85 percent.*

Supporting high school students to graduate college, career, and community ready begins well before 12th grade. Starting with supports for incoming 9th graders and their families, high school after school programs can play an important role, in collaboration with the school day, to support students' success throughout their high school journey toward graduation.

Discuss with your Site Administrator possible ways your after school program can support the cohort graduation rate strategic target. Complete the following matrix to indicate how your after school program will work in partnership with your school to support students to meet the goal of graduating on time.

SECTION 6: ADDITIONAL ACADEMICS

Use this section to list any other academic program activities not already listed in Sections 4 and 5 above that will be offered.

Your site should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program. Please include the following OUSD High School After School requirements, if not already listed above:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th – 12th grade students taking credit recovery

For Alternative Ed high schools:

SECTION 7A: CAREER-RELATED ACADEMIC ENRICHMENT, College Preparation and WORK-BASED LEARNING

Career-related enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to learn and practice technical skills, employability skills and career planning skills. **Technical skills** are job related and technical skills and knowledge related to anticipate labor market conditions. **Employability skills** are behaviors, attitudes and habits of the mind that have been referred to as 'soft skills'. **Career planning skills** are skills and competencies that can be used for lifelong learning, career management, and negotiating transitions throughout a working lifetime. Enrichment activities should intentionally and creatively build skills that supported students' success in school and in life.

<p>After school programs should provide structured opportunities for youth to engage in enrichment activities that may not be included in the school day such as leadership, social and emotional learning, financial literacy, Technology/Computer Science, Arts, and Health and Wellness. These opportunities not only engage students but provide skills to support them to become "community ready". This includes preparing students with the skills they need in order to actively participate in a civil society in the digital age.</p>

<p>SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above. Please include the following required Family Engagement activities for all high school programs:</p> <p>OUSD High After School Family Engagement Required Activities (click link for additional information on these requirements):</p> <ul style="list-style-type: none"> Partner with school day faculty to provide one Fall meeting for 9th graders and families to review graduation requirements and cover essential components to deepen parents' understanding of how to support their children's learning Partner with school day faculty to provide one Spring orientation meeting for incoming 9th graders and families to discuss high school expectations Help school organize a "Family Resource Zone" to provide a safe space for parents to access information, ask questions, etc. Additionally, after school staff should participate in site-based Professional Development on family engagement, and be part of the school's family engagement team. <p>After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with the school's family engagement strategy, and support school goals for family involvement.</p>				

<p>Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. Integration with the school's registration efforts allows the ASP Coordinator to connect with every family at the school to inform them of the After School program offerings.	
Communicate regularly with families to ensure student success.	Build effective partnerships with families.	Program staff communicates regularly with families regarding student progress.	100% of students' families of enrolled in After School will communicate with an After School staff person 3-10 times.	After School communication with families supports the schools efforts to raise attendance and to partner with families in their child's education.

<p>SECTION 9: PROGRAM SCHEDULE</p>			
<p>a) Submit your program schedule as an attachment, using the standard <u>program schedule template</u>. The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.</p> <p>b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.</p> <p>c) Make sure program schedule clearly shows when the following middle school program requirements will take place:</p> <ul style="list-style-type: none"> ● MESA programming one hour/week (sites will receive support with MESA implementation) ● STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided) ● Career exploration programming <p>d) Submit a copy of the school bell schedule for the 2017-18 school year.</p> <p>Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)</p> <p>Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends</p>			

at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
<p>a) Recruit and address the needs of students who are at risk of chronic absenteeism.</p>	<p>By analyzing previous school-day attendance data at the start of the school year, the school ASP Coordinator, in collaboration with the site leadership team and COST, will identify students' at risk of chronic absenteeism. Those families will be invited to enroll their students in After School at the school wide registration session.</p>
<p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>	<p>The ASP Coordinator or other program staff will contact families daily if their child is enrolled but does not attend the After School program. The importance of program attendance will be discussed with families in all correspondence.</p>
<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p>	<p>The ASP Coordinator, in collaboration with site leadership, will utilize the Coordination of Services Team meeting to intervene with students and increase attendance.</p>

<p>d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<p>The After School Program will highlight students with perfect attendance with certificates at the end of each quarter.</p>	
<p>SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.</p> <p>The following are strategies that OUSD schools are taking to create positive school culture and climate:</p> <ul style="list-style-type: none"> ● Positive Behavioral Intervention and Supports (PBIS) ● Restorative Justice/Restorative Practices (RJ) ● Social and Emotional Learning (SEL) <p>After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.</p> <p>a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting at least one strategy that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may include any of the following action steps for alignment:</p> <ul style="list-style-type: none"> ● Participate in site-level professional development (PD) together with school day staff ● Participate in district-sponsored PD, including PD offered by the Expanded Learning Office ● Participate in relevant school committees (ie. Culture and Climate Committee, COST, ILT, etc.) ● Align with school day curriculum and practices ● Align with school day routines and structures ● Observe school day classrooms to align expectations and practices ● Other ways to align (please specify) 		
<p>Select at least 1 strategy:</p>	<p>Strategy</p>	<p>What will the after school program do to align with school day efforts in this area?</p>
<p>X</p>	<p>Positive Behavioral Intervention and Supports (PBIS)</p>	<p>The After School Coordinator will continuously communicate with both extended day and regular day instructors as well as the COST. Coordinators will help facilitate communication between morning and afternoon instructors to ensure the program is integrated and services are coordinated for students and families.</p>

<p>X</p>	<p>Restorative Justice/Restorative Practices (RJ)</p>	<p>The After School Coordinator will continuously communicate with both extended day and regular day instructors as well as the COST. Coordinators will help facilitate communication between morning and afternoon instructors to ensure the program is integrated and services are coordinated for students and families.</p>
<p>X</p>	<p>Social and Emotional Learning (SEL)</p>	<p>Through PD we will teach staff about SEL skills and have them participate in reflective practices on development of SEL skills in themselves. We will then have coaching meetings to continue the reflection process in order to grow SEL skills.</p>
<p>b) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (i.e. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.).</p>		
<p>The Safe Passages After School Program supports these OUSD efforts to ensure equity in behavioral practices, maximize every students' school engagement, social-emotional well-being, and academic success by: (1) using culturally competent instructional strategies, (2) incorporating critical pedagogy and youth participatory action research (YPAR) as curricular foundations for resiliency, transformation, and student engagement, (3) training staff and students in cultural asset instruction, cultural asset mapping, and related counter-narrative resiliency strategies, and by (4) building upon a strong youth development framework with sufficient alternative to exclusionary discipline practices.</p>		
<p>SECTION 12: Coordination with Other Service Providers In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families. The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> COST team (Coordination of Services Team) <input checked="" type="checkbox"/> SST (Student Study Team) <input type="checkbox"/> SSC (School Site Council) <input checked="" type="checkbox"/> ILT (Instructional Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> SPSA Site Planning team <input checked="" type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> School Safety Committee <input type="checkbox"/> Other (specify)

Section 13: 2017-18 After School Enrollment Policy for Coliseum College Prep Academy

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Priority Enrollment and Transitions Support for High Need Populations of Students

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.

- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program 9-12

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies	Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population

Follow up meetings as necessary to encourage enrollment.	Mandatory

13b) MODIFICATIONS AND SUPPORTS FOR HIGH NEED TRANSITIONAL STUDENTS:

- How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?
- Additionally, how will you work with your school day partner to support these students, as well as other students transitioning into your high school mid-year, including students transferring from other schools or from the juvenile justice system?

Transitioning 9th Graders: All 9th grade students will receive support geared toward helping with the transition to High School in their Pathway classes. This will include academic support, the opportunity to discuss challenges of High School and strategies that successful students have used to overcome them, and engaging program activities. After School instructors will also refer students who need additional support to the COS Team for additional support.

Mid-year Transfers: Through COST, the after school program will be included in the plan to help transitioning students feel welcome and included in the culture of CCPA. This will include being involved in Pathways and/or Make the Road, being involved in enrichment activities, and academic support.

Graduating Students: Students who are graduating from CCPA will receive substantial help after school with their college application process and with transitional support to college. The Family and College Resource Center works hard with parents and students alike to make the process of graduating and starting college as smooth as possible.

13c) ENROLLMENT PROCESS AND TIMELINE:

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017 and into the new school year.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May 2017	16-17 participants will have the opportunity to re-enroll	After School Coordinator, AS staff, CCPA staff, and parents.
Spring & Summer 2017	Outreach and enrollment of new students and rising 6 th graders during summer school, summer mailings, and orientation events.	After School Coordinator, AS staff, CCPA staff, and parents.
August 2017	Mandatory Back to School registration.	After School Coordinator, AS staff, CCPA staff, and parents.

Important dates to include in your timeline:

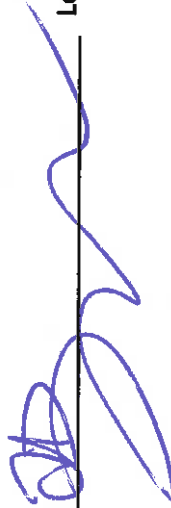

- May – June: Early outreach and recruitment for 2016-17 school year program; including outreach during Spring orientation for incoming 9th graders
- August – September: New school year enrollment of students
- After school programs begin on 1st Day of school
- Parents are notified about their student’s participation in program at beginning of school year (and throughout year)
- Recruitment push during Back to School Night and Fall 9th grade meeting
- Ongoing recruitment and enrollment over course of school year
- All programs must maintain waitlists after program slots are filled

13d) School Support for Program Recruitment

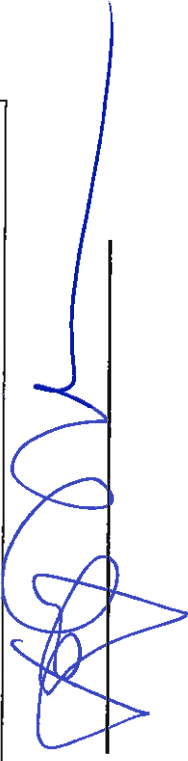

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

CCPA administration makes after school mandatory for all students. After school program information and enrollment forms are included in the mandatory registration process creating a seamless integration with the regular school day. Older High School students attend internships with CBOs and attend college classes at Peralta Colleges. Students requiring additional academic support receive additional small group tutoring. Additionally, the Family Resource Center is a hub for college readiness, parent education and ongoing school events that keeps families updated on what’s happening on the campus throughout the year.

2017 – 2018 Section 15: After School Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* continuous quality improvement processes by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, curriculum, instructional strategies, data, and strategies to ensure positive school culture and climate.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards.
- Provide on-site coaching to after school staff implementing literacy and math curriculum.

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The required budget allocation for this position is \$2,500 for the year, equivalent to 72 hrs/year at a Paid-in-Service contract rate of \$34.67/hour. (Note this pay rate may change if there are district pay raises next year.)

Quality Support Coaching Planning

a) Please identify who will fulfill the Quality Support Coach role for 2017-18:

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): _____

If known, please specify the name of the person who will fill the Quality Support Coach role, and identify his/her role in the school:
 Rachel Korschun, Resource Specialist

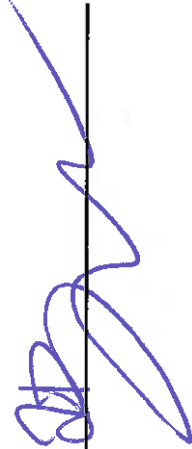

Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract. Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.

Section 17: Professional Development and Staff Wellness

<p>Professional Development Expectation After school staff will receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs will utilize data, including YPOA/SAPQA program quality data, to determine the areas of focus for professional development. Providing after school staff with meaningful professional development is a shared opportunity & responsibility for both the lead agency and host school site.</p> <p>Additionally, the OUSD Expanded Learning Office will provide extensive professional development throughout the year including: mandatory After School August Institute (week of July 31 - Aug. 4); mandatory monthly site coordinator meetings (2 hrs/month); continuous quality improvement (CQI) trainings; monthly agency director meetings; various professional learning communities (time commitment varies); local conferences (ie. annual Bridging the Bay conference), and other relevant district trainings (ie. safety, PBIS, etc.).</p>
<p>a) What professional development, coaching, and training supports will be provided by the lead agency partner? Safe Passages After School will provide quarterly professional development for Site Coordinators and Instructors and weekly coaching will be provided by the Supervisors of the Site Coordinators.</p> <p>b) What professional development opportunities will be provided by the school site? The After School Coordinator and Instructors will be invited to participate in PD activities provided by the school site as appropriate.</p>
<p>Please review and sign off on the following:</p> <p>My lead agency and school partner understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year). <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p>
<p>Staff Wellness Please describe ways your program will work to support staff wellness over the course of the year: Profession development trainings will focus on SEL skills, self-care topics including stress management and wellness techniques. Additional health and wellness benefits are accessible for full-time Safe Passages staff as part of their benefits package.</p>
<p>Social and Emotional Learning (SEL) Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.</p>

Describe how you will work intentionally to develop SEL skills in program staff, so that they can model SEL skills to students:

SEL strategies will continue to be embedded into our model of creating peaceful, effective, and professional learning environments. Staff will practice and model self-management, self-awareness, social awareness, relationship skill and responsible decision-making. In addition, staff will be trained on and practice cultural competency in program management and all service delivery in the after school program services. These strategies are discussed in Safe Passages professional development sessions and employee coaching. Staff has opportunities to model for each other, sharing ideas and innovative new ways of implementing these strategies. On a daily basis, staff will utilize their SEL skills to model for students and support SEL skill development for students.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based **Assess-Plan-Improve** CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- year-end self-assessment and QAP progress check

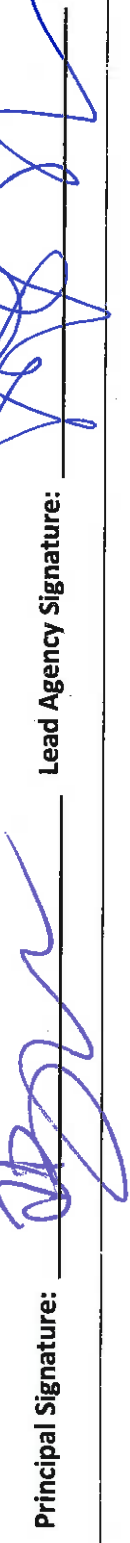

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- Site coordinator will share CQI data with Site Administrator and school staff.
- Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

Section 18: Addendum for 21st Century Community Learning Center Grantees Only
21st Century Equitable Access and Supplemental Programming

<p>Equitable Access: (must be completed by all programs that receive 21st Century Equitable Access funding) Some 21st Century programs receive extra Equitable Access funding. The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:</p> <ul style="list-style-type: none"> - additional academic interventions/supports to struggling students (ie. English Language Learners, students with special needs, etc.) - mental health support services that enable students to fully participate in the after school program - translation services, bus tickets, and other supports that make it possible for students to participate in program 	<p>How will your 21st Century program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. <i>Your plans must align with your Equitable Access budget.</i></p> <p>Safe Passages and CCPA know that the barriers to learning often stem from the home and the community. By hiring members of the community to work with students and parents, our program will seek to help families overcome those barriers so that students are ready to learn and be engaged in their school community. At CCPA these barriers do not face just a subset of our student population. Over 90% of our students qualify for free or reduced lunch. The vast majority of our student population lives within a 2 mile radius of our campus. All of our students need support in order to have equitable access to what students who come from wealthier families or live in wealthier neighborhoods have at their fingertips.</p> <p>The Parent Liaison will work with parents to make sure they have what they need in order to support their students' success. This may take place through managing the food pantry on site, translating for a parent, connecting parents with resources, or just giving the parent a place to talk about their goals for their child with another parent who understands the working of the school system better than they do. The Intervention Specialist will work with students who are underperforming, truant, in conflict with their peers, or otherwise distracted from their studies in order to help them gain access to the supports they need to overcome the barriers which are affecting their success at school.</p>
<p>21st Century Supplemental Programming during 2017-18 School Year Describe your planned programming on weekends, intercession breaks, and other non-school days during the 2017-18 school year. Your supplemental program plans must match your proposed supplemental program budget. (Please do NOT include summer program plans here; there will be a separate summer planning template.)</p>	<p>Number of supplemental program days you plan to offer during the 2017-18 school year: N/A</p>

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment) whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment) whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Safe Passages' Agency History and Qualifications

Safe Passages disrupts the cycle of poverty by engaging youth and families to build and drive a continuum of services that supports student success and community development.

Who We Are:

Safe Passages is a minority women led nonprofit that advocates for, researches, evaluates, develops and incubates culturally appropriate, cross-agency strategies designed to improve the lives of vulnerable populations, including youth at risk of dropping out of school, at risk or involved in gangs or the Juvenile Justice system, and likely to be involved in other risky behaviors. For 20 years, SP has worked with public and private partners to strengthen the safety net for poor people within and across systems by maximizing and leveraging resources to implement proven strategies.

Where We Work:

We work with disadvantaged communities in Alameda County where up to 80% of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where students score far below proficiency and have high rates of school suspension, drop-outs and truancy. 98% of the populations served are students and families of color.

What We Do:

Programs and services are woven together to serve the entire age continuum of children and youth, from birth to college/career, including economic development strategies to fuel economic self-sufficiency for youth and families.

Early Childhood Initiative – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children (0-5), who are exposed to violence. Services include Baby Learning Playgroups and workshops, case management, mental health services and mental health consultations at pre-school sites.

School Linked Services – Aims to integrate education and social services at school sites in order to make school communities catalysts for social change within the larger neighborhood context. Through multiple funding streams, Safe Passages has led the effective development and sustainability of full service community schools (FSCS) across the Oakland flatlands. Initially, this work began as the Safe Passages Middle School Strategy, a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. From the beginning, afterschool programming was a major prong of the strategy. The initial seven highest need middle schools were selected as partners in 2000 to implement the strategy: Frick, Havenscourt (CCPA) and Calvin Simmons (UFSA) were all part of the first cohort of implementation schools and 16 years later continue in sustained partnership to work towards improved outcomes for students and families.

The partnership survived many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's FSCS Initiative.

Juvenile Justice Initiative – Brings courts, school districts, police departments, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders.

Career Development – Work closely with government, universities and private entities to develop new job opportunities for youth during and after school hours, and in the summer time. Students are provided opportunities to learn about diverse career tracks including careers in the arts, teaching, law enforcement, legal services, social work and in the health profession.

Successes:

- 91% of students in the academic support programs experienced academic success.
- Implemented the Elev8 Oakland Initiative, a \$40 Million full service community school model at five high need middle schools in Oakland.
- Elev8 school based health centers reach 3,000 students plus their families annually.
- Quality after school programs serve over 1,000 students annually.
- 172 Safe Passages AmeriCorps members have served over 1170 high need students through intensive academic supports.
- Placed hundreds of young people in career pathways jobs through Mayor's Summer Jobs Program and AmeriCorps Programs since 2011.

Safe Passages partnerships with the school communities that are the focus of the contracts currently before the OUSD Board embody 16 years of partnership.
