Subject: LBU Memo - Hoover Elementary School - Turf Field Installation Services

Greetings Ms. More and Mr. Ortega,
Please see the LBU Recommendation for the following:

Project(s): 25104

Project Site (s): Hoover Elementary School

Project Name: Turf Field Replacement Project

Company: Tencate

Scope: Turf Field Installation Services

The services listed above are being procured through a CMAS agreement, thereby foregoing the traditional RFP procurement process. A California Multiple Award Schedule (CMAS) contract is a statewide agreement that allows state and local government agencies to purchase products and services from a pool of suppliers maintained by the California Department of General Services (DGS). CMAS contracts are managed by DGS and offer a wide variety of commodity, non-IT Services, and information technology products and services at prices which have been assessed to be fair, reasonable and competitive.

Based on the District's decision to utilize a CMAS agreement to procure services, it is recommended to waive the LBU requirements for the above referenced projects.

OAKLAND UNIFIED SCHOOL DISTRICT
CMAS PURCHASE AND INSTALLATION AGREEMENT

This CMAS PURCHASE AND INSTALLATION AGREEMENT (“**Agreement**”) is made this **11th day of June 2026**, by and between **Oakland Unified School District (“District”)** and **VALLEY PRECISION GRADING, INC., (“Contractor”)** with respect to the following recitals:

RECITALS

A. District is a public school district organized and existing under the laws of the State of California.

B. Contractor has entered into a California Multiple Award Schedule Contract No. **4-23-05-1021**, adopted by the General Services Administration, effective from **May 8, 2023 to July 31, 2026**, for the procurement of information synthetic turf installation services, under the applicable CMAS General Provisions (the “**CMAS Contract**”).

C. The Board of the District under Public Contract Code sections 10290 et seq. and 10298 et seq. may, without competitive bidding, contract with suppliers that have been awarded contracts, master agreements, multiple award schedules, cooperative agreements or other types of agreements, including agreements with entities outside the state or other agreements that leverage the state’s buying power, for acquisitions authorized under Chapter 2 (commencing with Section 10290) and Chapter 3 (commencing with Section 12100) of the Public Contract Code.

E. The District plans to carry out the work as more particularly described in the proposal provided by Contractor, attached hereto as **Exhibit A** (“**Project**”).

F. The District intends to procure the items (“**Items**”) and services as more particularly described in the proposal provided by Contractor, attached hereto as **Exhibit A** (“**Proposal**”).

G. The Board of the District has determined that it is in the best interest of the District to utilize the CMAS Contract to complete the Project.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

1. **REFERENCE AND DEFINITION.**

A copy of the CMAS Contracts is attached hereto as **Exhibit B** and incorporated herein by reference. To the extent any term or condition of this Agreement is inconsistent with the CMAS Contracts, the CMAS Contracts shall control, except for Section 2 “Scope of Work”, Section 3

“Contract Time”, Section 4, “Liquidated Damage”, and Section 5 “Contract Price” provisions in this Agreement which shall control over all other contradictory delivery or payment provisions. For the purposes of this Agreement, all references to the “State of California”, “State” and/or “Local Agency” in the CMAS Contracts shall be interpreted to apply to the District and all duties and obligations with respect to the “State of California”, “State”, and/or “Local Agency” under the CMAS Contracts shall apply to the District under this Agreement.

2. **SCOPE OF WORK.**

Contractor shall procure and deliver the Items and provide all materials, supplies, services and equipment necessary to complete the work as more particularly described in the Proposal attached hereto and incorporated herein as **Exhibit A** (collectively, the “**Work**”) for the District in connection with the Project.

3. **CONTRACT TIME.**

Contractor shall commence and complete the Work pursuant to the following:

3.1 **Commencement of Work**

Contractor shall commence the Work upon receipt of a written Notice to Proceed (“NTP”) issued by the District following execution of this Agreement.

3.2 **Completion of Work**

Contractor shall complete all Work for the Project, within two hundred (200) calendar days from the date of the NTP (the “**Scheduled Completion Date**”).

3.3 **District’s Right to Postpone**

The District reserves the right to postpone issuance of the NTP upon reasonable notice to Contractor. Contractor shall not be entitled to any claim of additional compensation as a result of District’s postponement of giving any notice to proceed.

4. **LIQUIDATED DAMAGES.**

Liquidated damages shall be enforced in accordance with the CMAS Contracts. Failure by Contractor to complete the Work by the Scheduled Completion Date, as set forth in Article 3 of this Agreement and in the manner required by the Contract Documents, shall subject Contractor to liquidated damages. The actual occurrence of damages and the actual amount of the damages which District would suffer if the Work were not satisfactory completed within the contract time set forth in Article 3 hereof, or if any specified portion of the Work were not completed by the Schedule Completion Date, are dependent upon many circumstances and conditions which could prevail in various combinations and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages. Damages which District would suffer in the event of such delay include, but are not limited to, loss of the use of the Work, disruption of activities, costs of

administration and supervision, third party claims, and the incalculable inconvenience and loss suffered by the public. Accordingly, the parties agree that the liquidated damages for the Contractor's failure to complete the Work by the Scheduled Completion Date and in the manner provided for by the Contract Documents are established in the amount of One Thousand Dollars and no/100 (\$1,000.00) per calendar day and as further set forth in the CMAS Contracts.

If liquidated damages accrue as described above, District, in addition to all other remedies provided by law, shall have the right to assess the liquidated damages at any time, and to withhold liquidated damages (and any interest thereon) at any time from any and all retention or progress payments, which would otherwise be or become due Contractor. In addition, if it is reasonably apparent to District before liquidated damages begin to accrue that they will accrue, District may assess and withhold, from retention or progress payments, the estimated amount of liquidated damages that will accrue in the future. If the retained percentage or withheld progress payments are not sufficient to discharge all liabilities of Contractor incurred under this Article, the Contractor and its sureties shall continue to remain liable to District until all such liabilities are satisfied in full. In the event liquidated damages are not paid, Contractor further agrees that District may deduct such amount thereof from any money due or that may become due Contractor under this Agreement or the CMAS Contracts.

If District accepts any Work or makes any payment under the Contract Documents after a default by reason of delays, the payment or payments shall in no respect constitute a waiver or modification of any provision in the Contract Documents regarding contract time, milestone deadlines, or liquidated damages.

5. **CONTRACT PRICE.**

As full compensation for Contractor's complete and satisfactory performance of the Work and activities described in the Contract Documents, District agrees to pay Contractor the price listed in the Proposal attached hereto as **Exhibit A** ("**Contract Price**") pursuant to the payment terms and conditions set forth in the Contract Documents. Contractor shall provide payment and performance bonds, each in the amount of one hundred percent (100%) of the Contract Price.

Contractor hereby represents and warrants that the prices indicated herein are the prices as accepted by the California Department of General Services ("**DGS**") for the identical items under the CMAS Contracts or are "Not Specifically Priced" items as that term is defined by the DGS.

Contractor acknowledges that the Contract Price includes all costs necessary for the delivery and installation of the Items and performance of the Work within the time allowed under Section 3 of this Agreement. Contractor further represents that it has thoroughly reviewed the Project scope, site conditions, and schedule requirements and agrees that the Contract Price is inclusive of all costs required to fully perform the Work. Contractor shall not be entitled to any additional compensation, claims, or damages, including but not limited to costs related to acceleration, overtime, or supervision, due to delays not caused by the District or its agents.

6. **PAYMENTS.**

The District shall make payments to the Contractor in accordance with the payment milestones set forth in the Proposal. Upon the occurrence of each milestone, the Contractor shall issue an invoice to the District, and payment of each invoice shall be due within forty-five (45) days of the invoice date. If the Contract Time is sixty (60) days or more, the Contractor may submit monthly invoices for the value of Work completed in the prior month. Upon receipt of each such invoice, the District shall promptly verify that the Work has been completed as represented. The District's Board has not determined that the Project is substantially complex, the standard five percent (5%) of the Contract Price ("**Retention**") shall apply and shall be withheld by the District. Within forty-five (45) days of the date of such verification, the District shall make payment equal to ninety-five percent (95%) of the value of the verified Work. The Retention shall be disbursed as part of the Final Payment. Final Payment of the Contract Price, including the Retention, shall be made upon completion of all Work, the Contractor's full performance of all other obligations under the Contract Documents, and submission of a properly itemized final invoice. Upon receipt of the final invoice, the District Representative will promptly verify completion and performance. Within forty-five (45) days of such confirmation, the District shall make Final Payment. All amounts previously retained from progress payments shall be released to the Contractor within sixty (60) days of completion of the Work and all other contractual obligations. The District may, in its sole discretion, condition payment of any portion of the Contract Price on the Contractor's preparation and District acceptance of a Schedule of Values, submittal of executed lien waivers and releases (for Progress or Final Payment, as applicable) from the Contractor and all Subcontractors receiving payment, and/or delivery of Certified Payroll records for the Contractor and Subcontractors. The District may withhold payment of any portion of the Contract Price at a rate of one hundred fifty percent (150%) of the value in question if there are claims or the likelihood of claims from subcontractors, suppliers, or others in connection with the Work; if there is defective or non-conforming Work that is not remedied; in the event of damages to the District; for liquidated damages; or in the case of any uncured default by the Contractor under the Contract Documents..

7. **TERMINATION.**

If the Contractor fails to perform the Work to the satisfaction of the District, fails to fulfill its obligations under this Agreement in a timely and professional manner, or violates any of the terms or provisions of this Agreement, the District shall have the right to terminate this Agreement effective immediately upon providing written notice to the Contractor. Additionally, the District may, at its sole discretion, terminate this Agreement for convenience by providing the Contractor with at least thirty (30) days' prior written notice. In the event of any termination, the District shall be obligated to pay the Contractor any outstanding undisputed invoices up to the effective date of termination. No early termination fees or penalties will apply. The District shall incur no liability for undelivered Items, Work or services beyond the effective termination date.

8. **CONFORMANCE TO CONTRACT DOCUMENTS.**

Contractor agrees that the Items and Work to be furnished pursuant to this Agreement shall conform to all of the requirements set forth in the Contract Documents, as defined below.

9. **TRANSPORTATION CHARGES.**

Contractor agrees to deliver all Items and Work prepaid unless otherwise specified. All costs for delivery of Items are the responsibility of Contractor unless otherwise stated in the Contract Documents, as defined below.

10. **INSURANCE.**

10.1 **Comprehensive General Liability and Automobile Insurance.**

Without in any way limiting the Contractor's liability or indemnification obligations set forth in the Contract Documents, the Contractor shall, at its sole cost and expense, secure and maintain throughout the Term of this Agreement the following insurance coverages: (i) comprehensive general liability insurance with limits of not less than \$2,000,000.00 per occurrence and \$4,000,000.00 in the aggregate, including coverage for bodily injury, personal injury, property damage, and contractual liability; (ii) commercial automobile liability insurance with limits of not less than \$1,000,000.00 in the aggregate, covering all owned, non-owned, and hired vehicles, if applicable; and (iii) product liability insurance with limits of not less than \$4,000,000.00 in the aggregate, covering liability for products provided under this Agreement, including software, hardware, and intellectual property claims. All policies shall name the District and the District Parties as additional insureds (except for workers' compensation), be primary and non-contributory to any insurance or self-insurance maintained by the District, and include a waiver of subrogation in favor of the District and the District Parties. Certificates of insurance and endorsements evidencing the required coverages shall be provided to the District prior to the commencement of any work and shall include a declaration that the insurance shall not be suspended, voided, canceled, or reduced in coverage or limits without thirty (30) days' prior written notice to the District. The Contractor shall ensure that subcontractors performing work under this Agreement maintain equivalent insurance coverages, and the failure to maintain the required insurance or to provide proof of insurance shall constitute a material breach of this Agreement.

10.2 **Workers' Compensation.**

Contractor shall maintain a policy of workers' compensation insurance as required by Labor Code section 3200 et seq. during the duration of this Agreement. The District shall be named as an additional insured on the policy by endorsements, which will become a part of the Contract Documents. A certificate evidencing this coverage shall be filed with the District prior to the commencement of work under this Agreement. Notification by the carrier to the District at least thirty (30) days prior to cancellation, failure to renew, or other termination, is required.

10.3 **Fire Insurance.**

Before the commencement of the work, the Contractor shall procure, maintain, and cause to be maintained at the Contractor's expense, fire insurance on all work included within the scope of this Agreement, insuring the full replacement value of such work as well as the cost of any removal and demolition necessary to replace or repair all work damaged by fire. The amount of fire insurance shall be subject to approval by the District and shall be sufficient to protect the Work against loss or damage in full until termination of this Agreement. Should the Work being

constructed be damaged by fire or other causes during construction, it shall be replaced in accordance with the requirements of this Agreement, the drawings and specifications without additional expense to the District.

11. **DSA OVERSIGHT PROCESS.**

To the extent applicable, the Contractor must comply with the applicable requirements of the DSA Construction Oversight Process (“**DSA Oversight Process**”), including but not limited to (a) notifying the District’s Inspector of Record/Project Inspector (“**IOR**”) upon commencement and completion of each aspect of the Work as required under DSA Form 156; (b) coordinating the Work with the IOR’s inspection duties and requirements; (c) submitting verified reports under DSA Form 6-C; and (d) coordinating with the District, District’s architect, any construction manager, any laboratories, and the IOR to meet the DSA Oversight Process requirements without delay or added costs to the Work or Project.

Contractor shall be responsible for any additional DSA fees related to review of proposed changes to the DSA-approved construction documents, to the extent the proposed changes were caused by Contractor’s wrongful act or omissions. To the extent applicable, if inspected Work is found to be in non-compliance with the DSA-approved construction documents or the DSA-approved testing and inspection program, then it must be removed and corrected. Any construction that covers unapproved or uninspected Work is subject to removal and correction, at Contractor’s expense, in order to permit inspection and approval of the covered work in accordance with the DSA Oversight Process.

12. **INDEPENDENT CONTRACTOR STATUS.**

Contractor is engaged in an independently established trade, occupation, or business to provide the Items required by this Agreement and is hereby retained to provide specialized services for District that are outside the usual course of District’s business. Contractor is free from the control and direction of District in connection with the manner in which it provides the Items to District. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District’s employees are normally entitled.

13. **PREVAILING WAGES.**

The Work is a public work, the Work shall be performed as a public work and pursuant to the provisions of Section 1770 et seq. of the Labor Code of the State of California, which are hereby incorporated by reference and made a part hereof, the Director of Industrial Relations has determined the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which the Work is to be performed, for each craft, classification or type of worker needed to execute this Contract. Per diem wages shall be deemed to include employer payments for health and welfare, pension, vacation, apprenticeship or other training programs, and similar purposes. Copies of the rates are on file at the District's principal office. The rate of prevailing wage for any craft, classification or type of workmanship to be

employed on the Work is the rate established by the applicable collective bargaining agreement which rate so provided is hereby adopted by reference and shall be effective for the life of this Agreement or until the Director of the Department of Industrial Relations determines that another rate be adopted. It shall be mandatory upon the Contractor and on any subcontractor to pay not less than the said specified rates to all workers employed in the execution of this Agreement.

The Contractor and any subcontractor under the Contractor as a penalty to the District shall forfeit not more than Two Hundred Dollars (\$200.00) for each calendar day or portion thereof for each worker paid less than the stipulated prevailing rates for such work or craft in which such worker is employed. The difference between such stipulated prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage rate shall be paid to each worker by the Contractor.

The Contractor and each subcontractor of the Contractor shall keep or cause to be kept an accurate record for Work showing the names, addresses, social security numbers, work classification, straight time and overtime hours worked and occupations of all laborers, workers and mechanics employed by them in connection with the performance of this Agreement or any subcontract thereunder, and showing also the actual per diem wage paid to each of such workers, which records shall be open at all reasonable hours to inspection by the District, its officers and agents and to the representatives of the Division of Labor Standards Enforcement of the State Department of Industrial Relations. The Contractor and each subcontractor shall furnish a certified copy of all payroll records directly to the Labor Commissioner.

Public works projects shall be subject to compliance monitoring and enforcement by the Department of Industrial Relations. For all projects over Twenty-Five Thousand Dollars (\$25,000), a contractor or subcontractor shall not be qualified to submit a bid or to be listed in a bid proposal subject to the requirements of Public Contract Code section 4104 unless currently registered and qualified under Labor Code section 1725.5 to perform public work as defined by Division 2, Part 7, Chapter 1 (§§1720 et seq.) of the Labor Code. For all projects over Twenty-Five Thousand Dollars (\$25,000), a contractor or subcontractor shall not be qualified to enter into, or engage in the performance of, any contract of public work (as defined by Division 2, Part 7, Chapter 1 (§§1720 et seq.) of the Labor Code) unless currently registered and qualified under Labor Code section 1725.5 to perform public work.

14. **WORKING HOURS.**

In accordance with the provisions of Sections 1810 to 1815, inclusive, of the Labor Code of the State of California, which are hereby incorporated and made a part hereof, the time of service of any worker employed by the Contractor or a Subcontractor of the Contractor doing or contracting to do any part of the Work contemplated by this Agreement is limited and restricted to eight hours during any one calendar day and forty hours during any one calendar week, provided, that work may be performed by such employee in excess of said eight hours per day or forty hours per week provided that compensation for all hours worked in excess of eight hours per day, and forty hours per week, is paid at a rate not less than one and one-half (1½) times the basic rate of pay. The Contractor and every subcontractor of the Contractor shall keep an accurate record showing the name of and the actual hours worked each calendar day and each calendar week by each worker

employed by them in connection with the Work. The records shall be kept open at all reasonable hours to inspection by representatives of the District and the Division of Labor Law Enforcement. The Contractor shall as a penalty to the District forfeit Twenty-five Dollars (\$25.00) for each worker employed in the execution of this Agreement by the Contractor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight hours in any one calendar day, and forty hours in any one calendar week, except as herein provided.

15. **APPRENTICES.**

The Contractor agrees to comply with Chapter 1, Part 7, Division 2, Sections 1777.5 and 1777.6 of the California Labor Code, which are hereby incorporated and made a part hereof. These sections require that contractors and subcontractors employ apprentices in apprenticeable occupations in a ratio of not less than one hour of apprentice's work for each five hours of work performed by a journeyman (unless an exemption is granted in accordance with Section 1777.5) and that contractors and subcontractors shall not discriminate among otherwise qualified employees as indentured apprentices on any public works solely on the ground of sex, race, religious creed, national origin, ancestry or color. Only apprentices as defined in Labor Code Section 3077, who are in training under apprenticeship standards and who have signed written apprentice agreements, will be employed on public works in apprenticeable occupations. The responsibility for compliance with these provisions is fixed with the Contractor for all apprenticeable occupations.

16. **TAXES.**

All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. District will not withhold any money from fees payable to Contractor, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor and the Contractor Parties and otherwise in connection with this Agreement.

17. **SEVERABILITY.**

If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

18. **MODIFICATION OF CONTRACT.**

Delivery sites may be changed, deleted or added as deemed necessary by the District's Purchasing Department. The District's Purchasing Department will inform the Contractor of the changes by telephone call followed up with a written notice.

19. **AMENDMENTS.**

The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by both parties and approved by the District's governing board.

20. **GOVERNING LAW.**

This Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Alameda, subject to transfer of venue under applicable State law, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

21. **WRITTEN NOTICE.**

Written notice shall be deemed to have been duly served if delivered in person to Contractor at the address located next to the party signatures below, or if delivered at or sent by registered or certified or overnight mail to the last business address known to the person who sends the notice.

22. **COMPLIANCE WITH LAW.**

Each and every provision of law and clause required by law to be inserted into this Agreement shall be deemed to be inserted herein and this Agreement shall be read and enforced as though it were included therein. Contractor shall comply with all applicable federal, state, and local laws, rules, regulations and ordinances.

23. **NON-DISCRIMINATION.**

There shall be no unlawful discrimination in the contracting of persons under this Agreement because of race, color, national origin, age, ancestry, religion, sex, or sexual orientation of such persons.

24. **ATTORNEYS' FEES.**

If any legal action is taken to interpret or enforce the terms of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and other reasonable costs and expenses incurred in connection with that legal action.

25. **LIABILITY OF DISTRICT.**

Notwithstanding anything stated herein to the contrary, District shall not be liable for any special, consequential, indirect or incidental damages, including but not limited to lost profits in connection with this Agreement.

26. **TIME.**

Time is of the essence to this Agreement.

27. **WAIVER.**

No delay or omission by District in exercising any right under this Agreement shall operate as a waiver of that or any other right and no single or partial exercise of any right shall preclude the District from any or further exercise of any right or remedy.

28. **ENTIRE AGREEMENT.**

The Contract Documents are intended by the parties as the final expression of their agreement with respect to such terms as are included herein and as the complete and exclusive statement of its terms and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement, nor explained or supplemented by evidence of consistent additional terms.

29. **EXECUTION OF OTHER DOCUMENTS.**

The parties to this Agreement shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may be necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

30. **EXECUTION IN COUNTERPARTS.**

This Agreement may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

31. **WARRANTY OF AUTHORITY.**

The persons who have signed this Agreement warrant that they are legally authorized to do so on behalf of the respective parties, and by their signatures to bind the respective parties to this Agreement.

32. **CONTRACT DOCUMENTS.**

The following documents are incorporated into the Contract as the "Contract Documents":

Exhibit A – Proposal

Exhibit B – CMAS Contract.

33. **MEDIATION.**

A party to this Agreement shall, as a condition precedent to initiating any litigation against the other party, demand mediation of any dispute. The parties shall endeavor to include any third-party claimant in the mediation. The parties shall select a mediator and schedule the mediation within thirty (30) days of the initial demand for mediation. If the parties cannot agree on a mediator, the mediator shall be appointed by JAMS. The parties to the mediation, including the

parties to this Agreement, shall pay equal shares of the mediator's fees. Each party shall bear its own attorney's fees related to the mediation.

34. **FINGERPRINTING REQUIREMENTS.**

Contractor shall comply with the fingerprinting requirements of Education Code section 45125.2, otherwise it shall comply with Education Code section 45125.1.

35. **PROJECT LABOR AGREEMENT.**

This Project IS NOT subject to the District's Project Labor Agreement. Contractor is responsible for familiarizing itself with the terms of such agreement and executing an agreement to be bound by its terms.

36. **SAFETY REGULATIONS.**

All equipment and supplies furnished, and/or all work performed, shall meet all applicable safety regulations of the Division of Industrial Safety of the State of California, and Health & Safety code of the State of California.

Proposal Date: 04/09/2026

Attn: Administrator – Oakland Unified School District

RE: Hoover Elementary – New Pivot Field (CONCEPT 2A – Rev 1)

We are pleased to submit the following CMAS proposal (**CMAS Contract Number 4-23-05-1021**) for the supply & installation of the requested synthetic turf field system at Hoover Elementary School in Oakland, CA.

All pricing includes all union/prevaling wage labor, materials, taxes, tools, and equipment:

BASE SCOPE INCLUDES THE FOLLOWING:

1. (1) Mobilization/Demobilization included in proposed pricing. Additional mobilizations will incur additional costs.
2. **NOTE:** CMAS/TIPS Fees and Bonding are included in this proposal's pricing.
3. Planarity testing included in proposed pricing.
 - **Planarity of base stone section must meet manufacturer's and installer's requirements.**
 - +/- 1/8" tolerance in any 10' direction.
 - Any additional visits will cost a remobilization fee of \$6,500 to retest.
 - **NOTE:** No work or changes to subgrade drainage system has been included in this proposal.
4. Supply & install approximately 15,300 SF of new **maxFLO+** 15 mm pad.
5. Supply & install approximately 15,300 SF of TenCate's **PIVOT® Performance Turf 100 oz.** blended fiber (biaxial face yarn with texturized and semi-textured support yarns) synthetic turf system with the noted installation options listed below:
 - U9-U10 (1ea) & U6-U7 (3ea) soccer line markings as shown on Verde Design's Rendering Concept 2A.
 - Supply & install new logo in center of field as shown on Verde Design's Rendering Concept 2A.
 - Supply & install PivotCool™ Cooling Agent.
6. Supply an operation and maintenance orientation for care of the turf field upon project completion.
7. Supply GMAX testing and standard 12-year Manufacturer Warranty on synthetic turf system upon project completion.

Base Scope Pricing – Pivot® 100 (Concept 2A – Rev 1):

\$248,062.00

EXCLUSIONS:

- Any/All Access Compliance and/or ADA Path of Travel Upgrades are excluded from this proposal.
- This proposal has been submitted without approved DSA drawings and may need to be revised pending DSA review.
- **Any surface or subbase/subgrade grading and/or drainage modifications whatsoever.**
- Any soil stabilization or subgrade remediation whatsoever.
- Any nailer board supply or installation whatsoever.
- Any surveying, engineering, permitting, fees, QA/QC, testing, traffic control, dewatering, or landscaping restoration.
- Any geotechnical engineering or testing, nor any soil stabilization or subgrade remediation whatsoever.
- Any asphalt or concrete work including supply, installation, patching, replacement, or repair whatsoever.
- Any field graphics, logos or sports line packages *not listed above*.
- Any sports event, goals, sports netting, or any other athletic equipment installation or supply whatsoever.
- Any demolition not specifically listed in this proposal.
- (1) mobilization and de-mobilizations are included. Any additional mobilization/demobilization costs will incur additional costs and can be provided and accepted prior.
- SWPPP measures, permitting, reporting, or egress/handling of stormwater of any kind.
- **ANY WORK, LABOR, MATERIALS OR OTHER ITEMS NOT DIRECTLY INCLUDED IN ABOVE SCOPE.**

Thank you again for this opportunity! We look forward to working with you to get this project complete as quickly and as efficiently as possible. We are available at any time to answer any questions or review this proposal.

Please contact Robert Belleci at (925) 864-2839 at any time with any questions or concerns regarding this proposal.

Please note due to current economic supply constraints/conditions that this proposal's material pricing is valid for a period of no more than 15 days from the date listed above.

Sincerely,

Jeff Wasson – Lead Estimator, TenCate West

CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2

This supplement is to extend this CMAS through 7/31/2026. In addition, this supplement replaces the existing CMAS. The most current Ordering Instructions, General Provisions, CMAS Special Provisions, and products and/or services are included herein. All purchase orders issued by State agencies shall incorporate these Ordering Instructions, General Provisions, and CMAS Special Provisions. Review these provisions carefully as they have changed.

Any reference to a specific manufacturer's or publisher's warranty or terms and conditions as shown in the base contract are not applicable to this CMAS.

Buyers must verify that the CMAS contractor has a letter of authorization from the manufacturer or an authorized distributor for the sale of the products covered by this CMAS. Service specific letters of authorization from the manufacturer are required if the CMAS contractor is providing installation and repair services.

The services provided under this CMAS are only available in support of the products covered by this CMAS.

Agency non-compliance with the requirements may result in the loss of CMAS program delegated purchasing authority.

CMAS contractor non-compliance with the requirements may result in termination.

TOP 500 DELINQUENT TAXPAYERS

In accordance with Public Contract Code (PCC) 10295.4, and prior to placing an order for non-IT goods and/or services, **agencies must verify** with the Franchise Tax Board and the California Department of Tax and Fee Administration that this CMAS contractor's name does not appear on either list of the 500 largest tax delinquencies pursuant to Revenue and Taxation Code 7063 or 19195. The Franchise Tax Board's list of Top 500 Delinquent Taxpayers is available at their website. The California Department of Tax and Fee Administration's list of Top 500 Sales & Use Tax Delinquencies in California is available at their website.

CALIFORNIA SELLER'S PERMIT

The CMAS contractor's California Seller's Permit Number is 240-382656. Prior to placing an order with this company, agencies must verify that this permit is still valid at the CDTFA Online Services website.

MINIMUM ORDER LIMITATION

The minimum dollar value of an order to be issued under this CMAS is \$100.

CMAS PRICES

The maximum prices allowed for the available products and/or services are those set forth in the base contract.

The ordering agency is encouraged to seek prices lower than those in the base contract. When responding to an agency's Request for Offer (RFO), the CMAS contractor can offer lower prices to be competitive.

PRICE DISCOUNTS

This CMAS contains significant price discounts. See the base contract for the specific discount percentage.

DARFUR CONTRACTING ACT

This CMAS contractor has certified compliance with the Darfur Contracting Act, per PCC 10475. It is the agency's responsibility to verify that the contractor has a Darfur Contracting Act Certification on file.

IRAN CERTIFICATION

This CMAS contractor has certified compliance with the Iran Contracting Act, per PCC 2001-2008. It is the agency's responsibility to verify that the contractor has an Iran Contracting Act Certification on file.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

CALIFORNIA CIVIL RIGHTS LAW CERTIFICATION

Pursuant to PCC 2010 applicants must certify their compliance with the California Civil Rights laws and Employer Discriminatory Policies (Civil Code 51, GC 12960). It is the agency's responsibility to verify that the contractor has a California Civil Rights Law Certification on file.

WARRANTY

For warranties, see the base contract and the State Of California General Provisions.

DELIVERY

As negotiated between agency and CMAS contractor and included in the purchase order.

LIQUIDATED DAMAGES FOR LATE DELIVERY

The value of the liquidated damages cannot be a penalty, must be mutually agreed upon by agency and contractor and included in the purchase order to be applicable.

SHIPPING INSTRUCTIONS

F.O.B. (Free On Board) Destination. Seller pays the freight charges.

PURCHASING AUTHORITY DOLLAR THRESHOLD

Order limits for the purchase of goods and/or services are determined by the individual agency purchasing authority threshold.

No CMAS order may be executed by a State agency that exceeds that agency's purchasing authority threshold, unless an exemption is granted by the Department of General Services (DGS) Statewide Procurement Oversight and Consulting Unit (SPOC). State agencies with approved purchasing authority, along with their dollar thresholds can be obtained at the List of State Departments with Approved Purchasing Authority website.

HOW TO USE CMAS

State agencies must adhere to the requirements in the State Contracting Manual (SCM) Volume 2, Chapter 1600 and CMAS Ordering Instructions and Special Provisions when using CMAS.

- Develop an RFO, which includes a Scope of Work (SOW) and Bidder Declaration form. For information on the Bidder Declaration requirements see SCM, Volume 2, Sections 305 and 1202.
- Clearly defined Tasks (what needs to be done) and Deliverables (outcome of each task, i.e., reports, procedures manual, etc.) must be included in the State's SOW.
- A Work Order Authorization (WOA) may be used to document completion of pre-determined tasks, but only if the tasks are clearly defined in the SOW. The WOA may be used to approve release for the next phase of the agreement but cannot be used to identify any tasks other than the ones called out in the SOW. The WOA will be signed by all parties and may be submitted for progress payments under the award.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

- Projects can be performed on a Fixed Price Per Deliverable (FP/D). Fixed Price; FP/D: A defined service, or set of services, performed by Contractor in response to a defined task, or set of tasks, at a specific fixed price, and delivered per a specific schedule. Note: When using FP/D the Statement of Work must describe in detail the particular project and the work that the selected Qualified Contractor will be required to perform.
- For Consulting or Personal services, do not include any labor categories/job titles or number of hours limit in the RFO Requirements or the SOW. The CMAS Contractor provides this information in their Attachment B Cost Worksheet. The State does not have the expertise to make this decision (GC 19130(b)).
- Search for potential CMAS contractors on the CMAS website by selecting “Find California Multiple Award Schedules (CMAS) Contractor.”
- Request offers from a minimum of 3 CMAS contractors including one small business (SB) and/or Disabled Veteran Business Enterprise (DVBE), if available, who are authorized to sell the products and/or able to perform the services needed. (Government Code 14846(b)).
- A valid attempt must be made to secure offers from viable CMAS contractors who are able to supply the goods and/or provide the services. Neither a lack of sufficient CMAS contractors nor the use of restrictive requirements meets the intent for obtaining offers (SCM Volume 2, Section 1670.2).
- If requesting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Standard 843) in the RFO. This declaration must be completed by the DVBE prime contractor and/or any DVBE subcontractors and submitted with the offer (SCM Volume 2, Section 1201).
- This is not a bid transaction, so the small business preference, DVBE incentives, protest language, intent to award, evaluation criteria, advertising, Administrative and Technical Requirements, etc. are not applicable. (SCM Volume 2, Section 1603).
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers did not respond with an offer. The reason must come from the CMAS contractor.
- Assess the offers received using best value criteria including cost as one of the criteria (SCM Volume 2, Section 1603).
- Issue a Purchase Order to the selected CMAS contractor.
- For CMAS transactions under \$20,000, only one offer is required if the State agency can establish and document that the price is Fair and Reasonable. The Fair and Reasonable (F&R) Acquisition Method can only be used for non-customizable purchases. See SCM Volume 2, Section 1510 for Fair and Reason criteria.

Local agencies must follow their own procurement regulations. For more information see the Local Government Agency Guide available online.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

AGENCY RESPONSIBILITY

Each agency is responsible for its own contracting program and purchasing decisions, including use of the CMAS program and associated outcomes. This responsibility includes, but is not limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's best interests, obtaining required approvals, and documenting compliance with GC 19130.b(3) for outsourcing services.

It is the responsibility of each agency to consult with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order. If legal services are not available within your agency, DGS Office of Legal Services is available to provide services.

CONFLICT OF INTEREST

Agencies must evaluate the proposed purchase order to determine if there are any potential conflict of interest issues. See the CMAS Special Provisions, Conflict of Interest, for more information.

SPLITTING ORDERS

Splitting orders to avoid any monetary limitations is prohibited. Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders per PCC 10329. Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited per State Administrative Manual (SAM) 4819.34.

This provision does not apply to local government agencies.

ORDERING PROCEDURES

1. Purchase Orders

All Ordering Agency purchase order documents executed under this CMAS must contain the applicable CMAS number as show on page 1.

a. State Departments:

Standard 65 Purchase Documents – State departments not transacting in FISCal must use the Purchasing Authority Purchase Order (Standard 65) for purchase execution. An electronic version of the Standard 65 is available at the Department of General Services (DGS), Procurement Division (PD) website, select Standard (STD) Forms.

FISCAL Purchase Documents – State departments transacting in FISCal will follow the FISCal procurement and contracting procedures.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

b. Local Government Agencies:

Local government agencies may use their own purchase order document for purchase execution.

The agency is required to complete and distribute the purchase order. For services, the agency shall modify the information contained on the order to include the service period (start and end date), the monthly cost (or other intermittent cost), and any other information pertinent to the services. The cost for each line item must be included in the order, not just system totals.

The contractor must immediately reject purchase orders that are not accurate. Discrepancies must be negotiated and incorporated into the purchase order prior to product delivery and service implementation.

2. Service and Delivery after CMAS Expiration

The purchase order must be issued before the CMAS expires. However, delivery of the products or completion of the services may be after the CMAS expires (unless otherwise specifically stated in the purchase order). Amending the purchase order to add quantity, time, or money is not possible if the CMAS expired.

3. Multiple CMAS Agreements on a Single Purchase Order

State agencies wishing to include multiple CMAS agreements on a single FISCAL purchase order must adhere to the following guidelines:

- All CMAS agreements must be for the same CMAS contractor.
- The purchase order must go to one contractor location.
- Enter the word "CMAS" in the space reserved for the Leveraged Procurement Agreement (LPA) number. The word "CMAS" signifies that the purchase order contains items from multiple CMAS agreements. The purchasing agency may only use one bill code.
- For each individual CMAS, the agency must identify and group together the CMAS number with the line items and subtotal per CMAS number (do not include tax in the subtotal), and sequentially identify each individual CMAS as Sub #1, Sub #2, Sub #3, etc. This facilitates accurate billing of administrative fees by the Procurement Division.
- The total of all items on the purchase order must not exceed the State agency's purchasing authority dollar threshold granted by DGS SPOC.
- Do not combine items from IT and non-IT CMAS agreements. An Information Technology CMAS begins with the number "3" and a non-IT CMAS begins with the number "4." The purchase order limits are different for these CMAS agreements.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

4. Amendments to State Agency's Purchase Orders

Agency purchase orders cannot be amended if the CMAS has expired.

SCM, Volume 2, Section 1605 provides the following directions regarding amendments to all types of LPA purchase orders:

Original orders, which include options for changes (e.g., quantity or time), that were assessed and considered in the selection for award during the RFO process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then amendments are not allowed unless a Non-Competitively Bid is approved for those amendments.

Amendments unique to Non-IT Services:

If the original contract permitted amendments, but did not specify the changes, (e.g., quantity or time), it may be amended. Per PCC 10335 (d)(1), a contract may only be amended once under this exemption. The time shall not exceed one year, or add not more than 30 percent of the original order value and may not exceed \$250,000. If the original contract did not have language permitting amendments, the Non-Competitively Bid process must be followed.

CMAS CONTRACTOR OWNERSHIP INFORMATION

The CMAS contractor is a large business enterprise.

SMALL BUSINESS MUST BE CONSIDERED

Prior to placing orders under the CMAS program, State agencies must first consider offers from small businesses that have established CMAS agreements (GC 14846(b)). NOTE: DGS auditors will request substantiation of compliance with this requirement when agency files are reviewed.

All state departments are required to make continuous efforts to expand the Small Business (SB)/ Microbusiness (Micro)/Disabled Veteran Business Enterprise (DVBE) pool of bidders and to regularly seek and include in their solicitations SB/Micro that have not been used either regularly by the department issuing the solicitation, or at all by the state (AB1574).

CMAS Small Business and Disabled Veteran Partners can be found on the CMAS website by selecting "Find a CMAS Contractor".

In response to our commitment to increase participation by small businesses, the Department of General Services waives the administrative fee (charged to customer agencies to support the CMAS program) for orders to California certified small business enterprises.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

SMALL BUSINESS/DVBE - TRACKING

State agencies are able to claim subcontracting dollars towards their SB or DVBE goals whenever the CMAS contractor subcontracts a commercially useful function to a certified SB or DVBE. The CMAS contractor will provide the ordering agency with the name of the SB or DVBE used and the dollar amount the ordering agency can apply towards its SB or DVBE goal.

SMALL BUSINESS/DVBE - SUBCONTRACTING

1. The amount an ordering agency can claim towards achieving its SB or DVBE goals is the dollar amount of the subcontract award made by the CMAS contractor to each SB or DVBE.
2. The CMAS contractor will provide an ordering agency with the following information at the time the order is quoted:
 - a. The CMAS contractor will state that, as the prime contractor, it shall be responsible for the overall execution of the fulfillment of the order.
 - b. The CMAS contractor will indicate to the ordering agency how the order meets the SB or DVBE goal, as follows:
 - i. List the name of each company that is certified by the Office of Small Business and DVBE Services that it intends to subcontract a commercially useful function to; and
 - ii. Include the SB or DVBE certification number of each company listed and attach a copy of each certification; and
 - iii. Indicate the dollar amount of each subcontract with a SB or DVBE that may be claimed by the ordering agency towards the SB or DVBE goal; and
 - iv. Indicate what commercially useful function the SB or DVBE subcontractor will be providing towards fulfillment of the order.
3. The ordering agency's purchase order must be addressed to the prime contractor, and the purchase order must reference the information provided by the prime contractor as outlined above.

CONTRACTORS ACTING AS FISCAL AGENTS ARE PROHIBITED

When a subcontractor ultimately provides all of the products or performs all of the services that a CMAS contractor has agreed to provide, and the prime contractor only handles the invoicing of expenditures, then the prime contractor's role becomes that of a fiscal agent because it is merely administrative in nature and does not provide a Commercially Useful Function. It is unacceptable to use fiscal agents in this manner because the agency is paying unnecessary administrative costs.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

WITHHOLD LANGUAGE (SB588)

Upon delivery or completion of ordered goods or services for which the Contractor committed to DVBE subcontractor participation, state departments must require the Contractor to certify all the following:

1. The amount and percentage of work the Contractor committed to provide to one or more DVBEs under the requirements of the contract and the amount each DVBE received from the Contractor.
2. That all payments under the contract have been made to the DVBE. Upon request, the Contractor must provide proof of payment for the work.

In accordance with the Military and Veterans Code 999.7, state departments shall withhold \$10,000 from the final payment, or the full final payment if less than \$10,000, if the Contractor fails to meet the certification requirements identified above. State departments shall notify the Contractor of their failure to meet the certification requirements and give the Contractor an opportunity to comply with the certification requirements. If after 30 calendar days from the date of notice, the Contractor refuses to comply with the certification requirements, the state department shall permanently deduct \$10,000 from the final payment or the full payment if less than \$10,000.

PRODUCT SUBSTITUTIONS

Substitution of Deliverables may not be tendered without advance written consent of the Buyer. The Contractor must offer an equivalent or newer model of the product from the same manufacturer at the same or lower price. Contractor cannot use any specification in lieu of those contained in the Contract without written consent from the Buyer.

NEW EQUIPMENT REQUIRED

The State will procure new equipment. All equipment must be new (or warranted as newly manufactured) and the latest model in current production. Used, shopworn, demonstrator, prototype, or discontinued models are not acceptable.

Where Federal Energy Management Program (FEMP) standards are available, all State agencies shall purchase only those products that meet the recommended standards. All products displaying the Energy Star label meet the FEMP standards.

SPECIAL MANUFACTURED GOODS

Any CMAS for goods to be manufactured by the CMAS contractor specifically for the State and not suitable for sale to others may require progress payments.

For a Non-IT goods CMAS, see the CMAS Non-IT Commodities Special Provisions, Provision #9, CMAS - Progress Payments.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

TRADE-IN EQUIPMENT

Trade-ins at open market price may be considered. The product description and trade-in allowance must be identified on the purchase order.

Agencies are required to adhere to SAM 3520 through 3520.6, Disposal of Personal Property and Surplus Personal Property, as applicable, when trade-ins are considered. A Property Survey Report, Standard 152, must be submitted for approval prior to disposition of any State owned personal property, including general office furniture regardless of the acquisition value, or if the property was recorded or capitalized for accounting purposes.

STATE AGENCY BUY RECYCLED CAMPAIGN

State ordering agencies are required to report purchases made within the eleven product categories in the California Department of Resources Recycling and Recovery's State Agency Buy Recycled Campaign per PCC 12200 through 12217.

Contractor will be required to complete and return a Recycled-Content Certification form upon request by the state ordering agency.

PRODUCT INSTALLATION

The CMAS contractor is fully responsible for all installation services performed under the CMAS. Product installations must be performed by manufacturer authorized personnel and meet manufacturer documented specifications.

The prime contractor, as well as any subcontractors, must hold any certifications and/or licenses required for the project.

PILOT PROGRAM: ALTERNATIVE CONTRACTING PROCEDURES FOR PUBLIC WORKS INSTALLATION

Public Contract Code (PCC) 10298.5 establishes a pilot program for alternative contracting procedures for certain public works installations not including new construction. This program only applies to the installation, or purchase and installation, of resilient flooring, carpet, lighting fixtures, and synthetic turf. The program modifies existing rules which restrict State agencies from using CMAS agreements for public works contracts wherein the cost of the public works services exceeds the cost of the materials being purchased. State and local agencies should refer to PCC Section 10298.5 for additional requirements including the requirement to notify the Department of Industrial Relations in accordance with Section 1773.3 of the Labor Code.

This program expires January 1, 2028.

Suppliers and contracting agencies must comply with all requirements for this program as defined in Public Contract Code 10298.5.

PUBLIC WORKS (INSTALLATION SERVICES ONLY)

A public works contract is defined as an agreement for “the erection, construction, alteration, repair, or improvement of any public structure, building, road, or other public improvement of any kind” in accordance with PCC 1101. State agencies planning these types of projects need to review SCM, Volume 1, Chapters 10 and 11 for applicable guidelines and regulations. Visit the DGS, [Real Estate Services Division \(RESN\) website](#) if you have questions about public works transactions.

Agency CMAS purchase orders may allow for public works installation only when it is in support of the products covered by this CMAS.

Agencies are to ensure that the applicable laws and codes pertaining to the contractor and subcontractor licensing, prevailing wage rates, bonding, labor code requirements, etc. are adhered to by the prime contractor as well as any subcontractor during performance under the CMAS purchase order.

The bond amount for public works is not less than 100% of the purchase order price.

NOTE: In accordance with Labor Code (LC) 1773.2, the ordering agency is responsible for determining the appropriate craft, classification or type of worker needed for any contract for public works. Also, the agency is to specify the applicable prevailing wage rates as determined by the Director of the Department of Industrial Relations (DIR). In lieu of specifying the prevailing wage rates, the agency may include a statement on the order that the prevailing wage rates are on file at the agency’s office and will be made available upon request. The prevailing wage rates are available from DIR at [Director's General Prevailing Wage Determinations](#).

Bonds: For guidelines, see CMAS, Special Provisions, Public Works Requirements.

State Contractor’s License: Public works services can be obtained through CMAS only if incidental to the overall purchase order. If incidental public works services are included in the purchase order, prior to issuing the order agencies should visit the [Check A License - CSLB](#) website to verify that the Contractor’s License shown below is still active and in good standing.

The CMAS contractor’s California Contractor's License number is 783244. This is a Class A - General Engineering and C-61 / D12 - Synthetic Products license that is valid through 8/31/2026.

NOT SPECIFICALLY PRICED ITEMS

The only time that open market/incidental, non-contract items may be included in a CMAS order is when they fall under the parameters of the Not Specifically Priced (NSP) Items provision.

CMAS contractors must be authorized providers of the hardware, software and/or services they offer under the NSP Items provision.

Agency and CMAS contractor use of the NSP provision is subject to the following requirements:

1. Purchase orders containing only NSP items are prohibited.
2. A purchase order containing NSP items may be issued only if it results in the lowest overall alternative to the State.
3. NSP items shall be clearly identified in the order. Any product or service already specifically priced and included in the base contract may not be identified as an NSP item.
4. NSP Installation Services: The CMAS contractor is fully responsible for all installation services performed under this CMAS. Product installations must be performed by manufacturer authorized personnel and meet manufacturer documented specifications. The prime contractor, as well as any subcontractors, must hold any certifications and/or licenses required for the project. The total dollar value of all installation services included in the purchase order cannot exceed the dollar value of the products included in the purchase order, nor can they exceed the NSP Maximum Order Limitation.
5. Maximum Order Limitation: For orders \$250,000, or less, the total dollar value of all NSP items included in a purchase order shall not exceed \$5,000. For orders exceeding \$250,000, and at the option of the contractor, the total dollar value of all NSP items in a purchase order shall not exceed 5% of the total cost of the order or \$25,000 whichever is lower.
6. An NSP item included in an order issued against this CMAS is subject to all of the terms and conditions set forth in the CMAS.
7. Trade-ins, upgrades, involving the swapping of boards, are permissible, where the contract makes specific provisions for this action. In those instances, where it is permitted, the purchase order must include the replacement item and a notation that the purchase involves the swapping of a board.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

The following NSP items **are specifically excluded** from any order issued under this CMAS:

1. Items not intended for use in direct support of the priced items included in the same order. An NSP item must be subordinate to the specifically priced item that it is supporting. For example, a cable, which is not otherwise specifically priced in the base contract, is subordinate to a specifically priced printer and is eligible to be an NSP item subject to that cable meeting the remaining NSP requirements. However, a printer that is not otherwise specifically priced in the base contract, is not subordinate to a specifically priced cable and is not eligible to be an NSP item.
2. Supply type items, except for the minimum amount necessary to provide initial support to the priced items included in the same order.
3. Items that do not meet the Productive Use Requirements for information technology products, per Statewide Information Management Manual Section 195.
4. Any other item or class of items specifically excluded from the scope of this CMAS.
5. Public Works and other services NOT in support of the products covered by this CMAS.
6. Products or services the CMAS contractor is NOT factory authorized or otherwise certified or trained to provide.
7. Follow-on consultant services that were previously recommended or suggested by the same CMAS contractor.

The CMAS contractor is required to reject purchase orders containing NSP items that do not comply with the above requirements. The CMAS contractor will promptly notify the agency issuing the noncompliant order of its rejection and the reasons for its rejection.

STATE AND LOCAL GOVERNMENTS CAN USE CMAS

State and local government agency use of CMAS is optional. A local government is any city, county, city and county, district, or other local governmental body or corporation, including Universities of California, California State Universities, K-12 schools, and community colleges empowered to expend public funds. While the State makes this CMAS available, each local government agency should make its own determination whether the CMAS program is consistent with its procurement policies and regulations.

PCC 10298 allows any city, county, city and county, district, or other local governmental body or corporation empowered to expend public funds to contract with suppliers awarded CMAS without further competitive bidding. See complete PCC 10298 language at the California Legislative Information website.

PCC 10299 allows any school district empowered to expend public funds to utilize CMAS without further competitive bidding. See complete PCC 10299 language at the California Legislative Information website.

SELF-DELETING BASE CONTRACT TERMS AND CONDITIONS

Instructions or terms and conditions that appear in the Special Items or other provisions of the base contract and apply to the purchase, license, or rental (as applicable) of products or services by the US Government in the United States and/or to any overseas location shall be self-deleting. (Example: "Examinations of Records" provision).

Federal regulations and standards, such as Federal Acquisition Regulation, Federal Information Resources Management Regulation, Federal Information Processing Standards, General Services Administration Regulation, or Federal Installment Payment Agreement shall be self-deleting. Federal blanket orders and small order procedures are not applicable.

ORDER OF PRECEDENCE

The CMAS Special Provisions take precedence if there is a conflict between the terms and conditions of the contractor's base contract, packaging, invoices, catalogs, brochures, technical data sheets or other documents. (Also see State of California General Provisions, ORDER OF PRECEDENCE)

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies, and guidelines are applicable. The use of CMAS does not relieve state agencies of their responsibility to meet statewide requirements regarding contracting or the procurement of goods or services. Most procurement and contract codes, policies, and guidelines are incorporated into CMAS agreements; however, there is no guarantee that every requirement that pertains to all State processes has been included.

PAYMENTS AND INVOICES

1. Payment Terms

Payment terms for this CMAS are net 45 days.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, GC 927. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (1) the date of acceptance of goods or performance of services; or (2) receipt of an undisputed invoice, whichever is later.

2. Payee Data Record (Standard 204)

State Agencies must obtain a copy of the Payee Data Record (Standard 204) in order to process payments. State Ordering Agencies must forward a copy of the Standard 204 to their accounting offices. Without the Standard 204, payment may be unnecessarily delayed. State Agencies should contact the CMAS contractor for copies of the Payee Data Record.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

3. DGS Administrative and Incentive Fees

Orders from State Agencies:

DGS will bill each State agency directly an administrative fee for use of CMAS. The administrative fee should NOT be included in the order total or remitted before an invoice is received from DGS. This administrative fee is waived for CMAS purchase orders issued to California certified small businesses.

Orders from Local Government Agencies:

CMAS contractors, who are not California certified small businesses, are required to remit to DGS an incentive fee equal to a percentage of the total of all local government agency orders (excluding sales tax and shipping) placed against their CMAS.

The incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

For more information on the incentive fees see the [CMAS Management Guide](#).

4. Contractor Invoices

Unless otherwise stipulated, the CMAS contractor must send their invoices to the agency address set forth in the purchase order. Invoices shall be submitted in triplicate and shall include the following:

- CMAS number
- Agency purchase order number
- Agency Bill Code (State Only)
- Line item number
- Unit price
- Extended line item price
- Invoice total

State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

The company name on the CMAS, purchase order and invoice must match, or the State Controller's Office will not approve payment.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
VALLEY PRECISION GRADING, INC.
CMAS NUMBER 4-23-05-1021, SUPPLEMENT NUMBER 2**

5. Advance Payments

Advance payment is allowed for services only under limited, narrowly defined circumstances, i.e., between specific departments and certain types of non-profit organizations, or when paying another government agency (GC 11256 through 11263 and 11019).

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription and may be paid in advance if a provision addressing payment in advance is included in the purchase order.

Software warranty upgrades and extensions may also be paid for in advance, one time.

6. Credit Card

The CMAS contractor does not accept the State of California credit card (VISA CAL-Card).

7. Leasing/Financing

California State Agencies should use the Golden State Financial Marketplace (GS SMarT) program for all financing and leasing needs. California Local Government Agencies (counties, cities, K-12 school districts, community colleges, California State Universities, Universities of California, etc.) may utilize the GS SMarT program for financing and leasing according to PCC 14937. The minimum dollar amount for Local Government Agency financing and leasing is \$100,000.

8. Leasing

The State reserves the right to select the form of payment for all procurements, whether it is an outright purchase with payment rendered directly by the State, or a financing/lease-purchase or operating lease via the State Financial Marketplace (GS SMarT and/or Lease SMarT). If payment is through the financial marketplace, the CMAS contractor will invoice the State and the State will approve the invoice. The selected Lender/Lessor for all product listed on the State's procurement document will pay the supplier on behalf of the State. Buyers may contact the GS SMarT Unit via e-mail at SFM@dgs.ca.gov for further information.

OBTAINING COPY OF CMAS

A copy of this CMAS can be obtained at State Leveraged Procurement Agreements. Links to the CMAS Special Provisions and base contract are available on the front page of this CMAS agreement.

It is important for the agency to confirm that the required products, services, and prices are included in the CMAS and are at or below base contract rates. To streamline verification that the needed items are in the base contract, the agencies should ask the CMAS contractor to identify the specific location in the base contract that include the required products, services, and prices. Once verified, agencies should save the information for their file documentation.

FEDERAL DEBARMENT

When federal funds are expended, the agency is required to obtain (retain in file) a signed "Federal Debarment" certification from the CMAS contractor before the purchase order is issued. This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants; responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

FINGERPRINTING AND CRIMINAL BACKGROUND CHECK CERTIFICATION

One of the boxes below **must** be checked, and an executed copy of this form must be provided to the District:

☐ Contractor's employees will have no contact or interaction with District pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee. Accordingly, the fingerprinting and criminal background investigation requirements of Education Code section 45125.1 shall not apply to Contractor's services under this Agreement.

☐ Contractor's employees will have contact or interaction with District pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee. Accordingly, the fingerprinting and criminal background investigation requirements of Education Code section 45125.1 apply to Contractor's services under this Agreement, and Contractor certifies its compliance with these provisions as follows: "Contractor certifies that it has complied with the fingerprinting and criminal background investigation requirements of Education Code section 45125.1 with respect to all Contractor's employees, subconsultants, agents, and subconsultants' employees or agents ("Employees") regardless of whether those Employees are paid or unpaid, concurrently employed by the District, or acting as independent contractors of the Contractor, who may have contact with District pupils, outside of the immediate supervision and control of the pupil's parent or guardian or a school employee, in the course of providing services pursuant to the Agreement, and the California Department of Justice has determined that none of those Employees has been convicted of a felony, as that term is defined in Education Code section 45122.1. A complete and accurate list of all Employees who may come in contact with District pupils during the course and scope of the Agreement is attached hereto."

☐ Contractor's services under this Agreement shall be limited to the construction, reconstruction, rehabilitation, or repair of a school facility, and Contractor's employees shall have only limited contact with students. Accordingly, the requirements of Education Code section 45125.2 shall not apply to Contractor's services under this Agreement.

☐ Contractor's services under this Agreement shall be limited to the construction, reconstruction, rehabilitation, or repair of a school facility, and Contractor's employees will have contact, other than limited contact, with District pupils. Pursuant to Education Code section 45125.2, District shall ensure the safety of the pupils by at least one of the following as marked:

The ☒ installation of a physical barrier at the worksite to limit contact with pupils.

☐ Continual supervision and monitoring of all Contractor's on-site employees of Contractor by an employee of Contractor, _____, whom the Department of Justice has ascertained has not been convicted of a violent or serious felony.

☐ Surveillance of Employees by District personnel.

Megan's Law (Sex Offenders). Contractor shall verify and continue to verify that the employees of Contractor that will be on the project site and the employees of the subconsultant(s) that will be on the project site are not listed on California's "Megan's Law" Website (<http://www.meganslaw.ca.gov/>).

MUST BE COMPLETED BY CONTRACTOR'S AUTHORIZED REPRESENTATIVE:

I am a representative of the Contractor entering into this Agreement with the District and I am familiar with the facts herein certified and am authorized and qualified to execute this certificate on behalf of Contractor.

GUARANTEE

Project: **Manzanita Elementary School Turf Field Replacement**

The Contractor hereby warrants and guarantees to the Oakland Unified School District ("District") that all work, materials, equipment and workmanship provided, furnished or installed by or on behalf of Contractor in connection with the above referenced Project (the "Work") have been provided, furnished and installed in strict conformity with the Contract Documents for the Work, including, without limitation, the Drawings and the Specifications. Contractor further warrants and guarantees that all work, materials, equipment and workmanship as provided, furnished and/or installed are fit for use as specified and fulfill all applicable requirements of the Contract Documents including, without limitation, the Drawings and the Specifications. Contractor shall, at its sole cost and expense, repair, correct and/or replace any or all of the work, materials, equipment and/or workmanship of the Work, together with any other items which may be affected by any such repairs, corrections or replacement, that may be unfit for use as specified or defective within a period of one (1) year from the date of the District's Final Acceptance of the Work, ordinary wear and tear and unusual abuse or neglect excepted.

In the event of the Contractor's failure and/or refusal to comply with the provisions of this Guarantee, within the period of time set forth in the Contract Documents after the District's issuance of the Notice to the Contractor of any defect(s) in the Work, materials, equipment or workmanship, Contractor authorizes the District, without further notice to Contractor, to repair, correct and/or replace any such defective item at the expense of the Contractor. The Contractor shall reimburse the District for all costs, expenses or fees incurred by the District in providing or performing such repairs, corrections or replacements within ten (10) days of the District's presentation of a demand to the Contractor for the same.

The provisions of this Guarantee and the provisions of the Contract Documents for the Work relating to the Contractor's Guarantee(s) and warranty(ies) relating to the Work shall be binding upon the Contractor's Performance Bond Surety and all successors or assigns of Contractor and/or Contractor's Performance Bond Surety.

The provisions of this Guarantee are in addition to, and not in lieu of, any provisions of the Contract Documents for the Work relating to the Contractor's guarantee(s) and warranty(ies) or any guarantee(s) or warranty(ies) provided by any material supplier or manufacturer of any equipment, materials or other items forming a part of, or incorporated into the Work, or any other guarantee or warranty obligation of the Contractor, prescribed, implied or imposed by law.

The undersigned individual executing this Guarantee on behalf of Contractor warrants and represents that he/she is duly authorized to execute this Guarantee on behalf of Contractor and to bind Contractor to each and every provision hereof.

DESIGNATED SUBCONTRACTORS LIST

In compliance with the "Subletting and Subcontracting Fair Practices Act," California Public Contract Code sections 4100 to 4114, and any amendments thereto, each Contractor shall provide the information requested below for each subcontractor who will perform work, labor or render service to Contractor in or about the construction of the Work in an amount in excess of one-half of one percent (greater than 0.5%) of the Contractor's Total Contract Price and shall further set forth the portion of the Work which will be done by each subcontractor. Contractor shall list only one subcontractor for any one portion of the Work.

If the Contractor fails to specify a subcontractor for any portion of the Work to be performed under the Contract, it shall be deemed to have agreed to perform such portion itself, and shall not be permitted to subcontract that portion of the Work except under the conditions hereinafter set forth below.

Subletting or subcontracting of any portion of the Work in excess of one half of one percent (greater than 0.5%) of the Total Contract Price for which no subcontractor was designated in the original Contract Documents shall only be permitted in cases of public emergency or necessity, and then only after District approval.

Pursuant to California Labor Code § 1725.5, for any project exceeding Twenty-Five Thousand Dollars (\$25,000), each listed subcontractor must be registered as a Public Works Contractor with the California Department of Industrial Relations (DIR) at the time of Contract execution. Each Contractor shall provide the DIR Public Works Contractor Registration Number for each subcontractor listed. Failure to comply with this requirement may result in rejection.

If the Contractor fails to specify a subcontractor for any portion of the Work to be performed under the Contract in excess of one-half of 1 percent (0.5%) of the Contractor's total Contract Price, the Contractor shall be deemed to have agreed to perform such portion itself, and shall not be permitted to subcontract that portion of the Work except under the conditions hereinafter set forth.

Subletting or subcontracting of any portion of the Work as to which no subcontractor was designated in the Contract Documents shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the legislative body of the District.

Failure of a listed subcontractor to be registered shall be grounds under Public Contract Code section 4107 for the Contractor, with the District's consent, to substitute a registered subcontractor for the unregistered subcontractor.

WORKERS' COMPENSATION CERTIFICATE

Labor Code section 3700, in relevant part, provides:

"Every employer except the state shall secure the payment of compensation in one or more of the following ways:

- (a) By being insured against liability to pay compensation by one or more insurers duly authorized to write compensation insurance in this state.
- (b) By securing from the Director of Industrial Relations a certificate of consent to self-insure either as an individual employer, or as one employer in a group of employers, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his or her employees.
- (c) For any county, city, city and county, municipal corporation, public district, public agency, or any political subdivision of the state, including each member of a pooling arrangement under a joint exercise of powers agreement (but not the state itself), by securing from the Director of Industrial Relations a certificate of consent to self-insure against workers' compensation claims, which certificate may be given upon furnishing proof satisfactory to the director of ability to administer workers' compensation claims properly, and to pay workers' compensation claims that may become due to its employees. On or before March 31, 1979, a political subdivision of the state which, on December 31, 1978, was uninsured for its liability to pay compensation, shall file a properly completed and executed application for a certificate of consent to self-insure against workers' compensation claims. The certificate shall be issued and be subject to the provisions of Section 3702."

I am aware of the provisions of Labor Code section 3700 which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this Contract and will require all Subcontractors to do the same.

I, Kristofer Olson, am the President of Valley Precision Grading, Inc.
(Print Name) (Title) (Contractor Name)

I declare, state and certify to all of the following:

1. I am aware of the provisions and requirements of California Government Code § 8350 *et seq.*, the Drug-Free Workplace Act of 1990.
2. I am authorized to certify, and do certify, on behalf of Contractor that a drug free workplace will be provided by Contractor by doing all of the following:
 - a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in Contractor's workplace and specifying actions which will be taken against employees for violation of the prohibition.
 - b. Establishing a drug-free awareness program to inform employees about all of the following: (i) the dangers of drug abuse in the workplace; (ii) Contractor's policy of maintaining a drug-free workplace; (iii) the availability of drug counseling, rehabilitation and employee-assistance programs; and (iv) the penalties that may be imposed upon employees for drug abuse violations.
 - c. Requiring that each employee engaged in the performance of the Contract be given a copy of the statement required above, and that as a condition of employment by Contractor in connection with the Work of the Contract, the employee agrees to abide by the terms of the statement.
3. Contractor and I understand that if the District determines that Contractor has either: (i) made a false certification herein, or (ii) violated this certification by failing to carry out and to implement the requirements of California Government Code § 8355, the Contract awarded herein is subject to termination, suspension of payments, or both. Contractor and I further understand that, should Contractor violate the terms of the Drug-Free Workplace Act of 1990, Contractor may be subject to debarment in accordance with the provisions of California Government Code §§ 8350 *et seq.*
4. Contractor and I acknowledge that Contractor and I are aware of the provisions of California Government Code § 8350 *et seq.* and hereby certify that Contractor and I will adhere to, fulfill, satisfy and discharge all provisions of and obligations under the Drug-Free Workplace Act of 1990.

ASBESTOS-FREE MATERIALS CERTIFICATION

The undersigned declares that he or she is the person who executed the submission for Manzanita Elementary School Turf Field Replacement ("Project"), and submitted it to the Oakland Unified School District on behalf of Valley Precision Grading, Inc., ("Contractor").

To the best of my knowledge, information and belief, in completing the Contractor's work for the Project, no material furnished, installed or incorporated into the Project will contain, or in itself be composed of, any materials listed by the federal or state Environmental Protection Agency ("EPA") or federal or state health agencies as a hazardous material.

Any disputes involving the question of whether or not material installed with asbestos-containing equipment is settled by electron microscopy; the cost of any such tests shall be paid by the Contractor.

All work or materials installed by the Contractor which is found to contain asbestos, or work or material installed with asbestos-containing equipment, will be immediately rejected and this work shall be removed and replaced by the Contractor at no additional cost to the District. Decontamination and removal of work found to contain asbestos or work installed with asbestos-containing equipment shall be done only under supervision of a qualified consultant, knowledgeable in the field of asbestos abatement and accredited by the EPA.

Asbestos and/or asbestos-containing material shall be defined as all items containing but not limited to chrysotile, crocidolite, amosite, anthophyllite, tremolite, and actinolite. Any or all material containing greater than one-tenth of one percent (.1%) asbestos shall be defined as asbestos-containing material.

The Asbestos Removal Contractor shall be an EPA-accredited contractor qualified in the removal of asbestos and shall be chosen and approved by the Asbestos Consultant who shall have sole discretion and final determination in this matter.

The Asbestos Consultant shall be chosen and approved by the Construction Manager/Architect or the District who shall have sole discretion and final determination in this matter.

The work will be not accepted until asbestos contamination is reduced to levels deemed acceptable by the Asbestos Consultant.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

LEAD-BASED MATERIALS CERTIFICATION

PROJECT/CONTRACT NO. Hoover Elementary School between Oakland Unified School District ("District") and Valley Precision Grading, Inc. ("Contractor") ("Contract" or "Project").

This certification provides notice to the Contractor that:

- 1) Contractor's work may disturb lead-containing building materials.
- 2) Contractor shall notify the District if any work may result in the disturbance of lead-containing building materials.
- 3) Contractor shall comply with the Renovation, Repair and Painting Rule, if lead-based paint is disturbed in a six-square-foot or greater area indoors or a 20-square-foot or greater area outdoors.

1. Lead as a Health Hazard

Lead poisoning is recognized as a serious environmental health hazard facing children today. Even at low levels of exposure, much lower than previously believed, lead can impair the development of a child's central nervous system, causing learning disabilities, and leading to serious behavioral problems. Lead enters the environment as tiny lead particles and lead dust disburses when paint chips, chinks, peels, wears away over time, or is otherwise disturbed. Ingestion of lead dust is the most common pathway of childhood poisoning; lead dust gets on a child's hands and toys and then into a child's mouth through common hand-to-mouth activity. Exposures may result from construction or remodeling activities that disturb lead paint, from ordinary wear and tear of windows and doors, or from friction on other surfaces.

Ordinary construction and renovation or repainting activities carried out without lead-safe work practices can disturb lead-based paint and create significant hazards. Improper removal practices, such as dry scraping, sanding, or water blasting painted surfaces, are likely to generate high volumes of lead dust.

Because the Contractor and its employees will be providing services for the District, and because the Contractor's work may disturb lead-containing building materials, CONTRACTOR IS HEREBY NOTIFIED of the potential presence of lead-containing materials located within certain buildings utilized by the District. All school buildings built prior to 1978 are presumed to contain some lead-based paint until sampling proves otherwise.

2. Overview of California Law

Education Code section 32240 et seq. is known as the Lead-Safe Schools Protection Act. Under this act, the Department of Health Services is to conduct a sample survey of schools in the State of California for the purpose of developing risk factors to predict lead contamination in public schools. (Ed. Code, § 32241.)

Any school that undertakes any action to abate existing risk factors for lead is required to utilize trained and state-certified contractors, inspectors, and workers. (Ed. Code, § 32243, subd. (b).) Moreover, lead-based paint, lead plumbing, and solders, or other potential sources of lead contamination, shall not be utilized in the construction of any new school facility or the modernization or renovation of any existing school facility. (Ed. Code, § 32244.)

CMAS PURCHASE AND INSTALLATION AGREEMENT- Valley Precision Grading, Inc. – Hoover ES Turf Field Replacement Project - \$248,062.00
Rev. 05-21-2025

Both the Federal Occupational Safety and Health Administration ("Fed/OSHA") and the California Division of Occupational Safety and Health ("Cal/OSHA") have implemented safety orders applicable to all construction work where a contractor's employee may be occupationally exposed to lead.

The OSHA Regulations apply to all construction work where a contractor's employee may be occupationally exposed to lead. The OSHA Regulations contain specific and detailed requirements imposed on contractors subject to those regulations. The OSHA Regulations define construction work as work for construction, alteration, and/or repair, including painting and decorating. Regulated work includes, but is not limited to, the following:

- a. Demolition or salvage of structures where lead or materials containing lead are present;
- b. Removal or encapsulation of materials containing lead;
- c. New construction, alteration, repair, or renovation of structures, substrates, or portions thereof, that contain lead, or materials containing lead;
- d. Installation of products containing lead;
- f. Lead contamination/emergency cleanup;
- g. Transportation, disposal, storage, or containment of lead or materials containing lead on the site or location at which construction activities are performed; and
- h. Maintenance operations associated with the construction activities described in the subsection.

Because it is assumed by the District that all painted surfaces (interior as well as exterior) within the District contain some level of lead, it is imperative that the Contractor, its workers and subcontractors fully and adequately comply with all applicable laws, rules and regulations governing lead-based materials (including title 8, California Code of Regulations, section 1532.1).

Contractor shall notify the District if any Work may result in the disturbance of lead-containing building materials. Any and all Work that may result in the disturbance of lead-containing building materials shall be coordinated through the District. A signed copy of this Certification shall be on file prior to beginning Work on the Project, along with all current insurance certificates.

3. Renovation, Repair and Painting Rule, Section 402(c)(3) of the Toxic Substances Control Act

The EPA requires lead safe work practices to reduce exposure to lead hazards created by renovation, repair and painting activities that disturb lead-based paint. Pursuant to the Renovation, Repair and Painting Rule (RRP), renovations in homes, childcare facilities, and schools built prior to 1978 must be conducted by certified renovations firms, using renovators with training by a EPA-accredited training provider, and fully and adequately complying with all applicable laws, rules and regulations governing lead-based materials, including those rules and regulations appearing within title 40 of the Code of Federal Regulations as part 745 (40 CFR 745).

The RRP requirements apply to all contractors who disturb lead-based paint in a six-square-foot or greater area indoors or a 20-square-foot or greater area outdoors. If a DPH-certified inspector or risk assessor determines that a home constructed before 1978 is lead-free, the federal certification is not required for anyone working on that particular building.

4. Contractor's Liability

Contractor shall comply with all applicable laws, rules, and regulations governing work with, and disposal, of lead. If the Contractor fails to comply with any applicable laws, rules, or regulations, and that failure results in a site or worker contamination, the Contractor will be held solely responsible for all costs involved in any required corrective actions, and shall defend, indemnify, and hold harmless the District, pursuant to the indemnification provisions of the Contract, for all damages and other claims arising therefrom.

If lead disturbance is anticipated in the Work, only persons with appropriate accreditation, registrations, licenses, and training shall conduct this Work.

It shall be the responsibility of the Contractor to properly dispose of any and all waste products, including, but not limited to, paint chips, any collected residue, or any other visual material that may occur from the prepping of any painted surface. It will be the responsibility of the Contractor to provide the proper disposal of any hazardous waste by a certified hazardous waste hauler. This company shall be registered with the Department of Transportation (DOT) and shall be able to issue a current manifest number upon transporting any hazardous material from any school site within the District.

The Contractor shall provide the District with any sample results prior to beginning Work, during the Work, and after the completion of the Work. The District may request to examine, prior to the commencement of the Work, the lead training records of each employee of the Contractor.

THE UNDERSIGNED WARRANTS THAT HE/SHE HAS THE AUTHORITY TO SIGN ON BEHALF OF AND BIND THE CONTRACTOR. THE DISTRICT MAY REQUIRE PROOF OF SUCH AUTHORITY.

HAZARDOUS MATERIALS PROCEDURES & REQUIREMENTS

1. Summary

This document includes information applicable to hazardous materials and hazardous waste abatement.

2. Notice of Hazardous Waste or Materials

a. Contractor shall give notice in writing to the District, the Construction Manager, and the Architect promptly, before any of the following materials are disturbed, and in no event later than twenty-four (24) hours after first observance, of any:

1) Material that Contractor believes may be a material that is hazardous waste or hazardous material, as defined in section 25117 of the Health and Safety Code, that is required to be removed to a Class I, Class II, or Class III disposal site in accordance with provisions of existing law;

2) Other material that may present a substantial danger to persons or property exposed thereto in connection with Work at the site.

b. Contractor's written notice shall indicate whether the hazardous waste or material was shown or indicated in the Contract Documents to be within the scope of Work, and whether the materials were brought to the site by Contractor, its Subcontractors, suppliers, or anyone else for whom Contractor is responsible. As used in this section the term "hazardous materials" shall include, without limitation, asbestos, lead, Polychlorinated biphenyl (PCB), petroleum and related hydrocarbons, and radioactive material.

c. In response to Contractor's written notice, the District shall investigate the identified conditions.

d. If the District determines that conditions do not involve hazardous materials or that no change in terms of Contract is justified, the District shall so notify Contractor in writing, stating reasons. If the District and Contractor cannot agree on whether conditions justify an adjustment in Contract Price or Contract Time, or on the extent of any adjustment, Contractor shall proceed with the Work as directed by the District.

e. If after receipt of notice from the District, Contractor does not agree to resume Work based on a reasonable belief it is unsafe, or does not agree to resume Work under special conditions, then District may order such portion of Work that is in connection with such hazardous condition or such affected area to be deleted from the Work, or performed by others, or District may invoke its rights to terminate the Contract in whole or in part. District will determine entitlement to or the amount or extent of an adjustment, if any, in Contract Price or Contract Time as a result of deleting such portion of Work, or performing the Work by others.

f. If Contractor stops Work in connection with any hazardous condition and in any area affected thereby, Contractor shall immediately redeploy its workers, equipment, and materials, as necessary, to other portions of the Work to minimize delay and disruption.

3. Additional Warranties and Representations

a. Contractor represents and warrants that it, its employees, and its subcontractors and their employees, shall at all times have the required levels of familiarity with the Site and the Work, training, and ability to comply fully with all applicable laws and contractual requirements for safe and expeditious performance of the Work, including whatever training is or may be required regarding the activities to be performed (including, but not limited to, all training required to address adequately the actual or potential dangers of Contract performance).

b. Contractor represents and warrants that it, its employees, and its subcontractors and their employees, shall at all times have and maintain in good standing any and all certifications and licenses required by applicable federal, state, and other governmental and quasi-governmental requirements applicable to the Work.

c. Contractor represents and warrants that it has studied carefully all requirements of the Specifications regarding procedures for demolition, hazardous waste abatement, or safety practices, specified in the Contract, and prior to submitting its Project proposal, has either (a) verified to its satisfaction that the specified procedures are adequate and sufficient to achieve the results intended by the Contract Documents, or (b) by way of approved "or equal" request or request for clarification and written Addenda, secured changes to the specified procedures sufficient to achieve the results intended by the Contract Documents. Contractor accepts the risk that any specified procedure will result in a completed Project in full compliance with the Contract Documents.

4. Monitoring and Testing

a. District reserves the right, in its sole discretion, to conduct air monitoring, earth monitoring, Work monitoring, and any other tests (in addition to testing required under the agreement or applicable law), to monitor Contract requirements of safe and statutorily compliant work methods and (where applicable) safe re-entry level air standards under state and federal law upon completion of the job, and compliance of the work with periodic and final inspection by public and quasi-public entities having jurisdiction.

b. Contractor acknowledges that District has the right to perform, or cause to be performed, various activities and tests including, but not limited to, pre-abatement, during abatement, and post-abatement air monitoring, that District shall have no obligation to perform said activities and tests, and that a portion of said activities and tests may take place prior to the completion of the Work by Contractor. In the event District elects to perform these activities and tests, Contractor shall afford District ample access to the Site and all areas of the Work as may be necessary for the performance of these activities and tests. Contractor will include the potential impact of these activities or tests by District in the Contract Price and the Scheduled Completion Date.

c. Notwithstanding District's rights granted by this paragraph, Contractor may retain its own industrial hygiene consultant at Contractor's own expense and may collect samples and may perform tests including, but not limited to, pre-abatement, during abatement, and post-abatement personal air monitoring, and District reserves the right to request documentation of all such activities and tests performed by Contractor relating to the Work and Contractor shall immediately provide that documentation upon request.

5. Compliance with Laws

a. Contractor shall perform safe, expeditious, and orderly work in accordance with the best practices and the highest standards in the hazardous waste abatement, removal, and disposal industry, the applicable law, and the Contract Documents, including, but not limited to, all responsibilities relating to the preparation and return of waste shipment records, all requirements of the law, delivering of all requisite notices, and obtaining all necessary governmental and quasi-governmental approvals.

b. Contractor represents that it is familiar with and shall comply with all laws applicable to the Work or completed Work including, but not limited to, all federal, state, and local laws, statutes, standards, rules, regulations, and ordinances applicable to the Work relating to:

(1) The protection of the public health, welfare and environment;

(2) Storage, handling, or use of asbestos, PCB, lead, petroleum based products, radioactive material, or other hazardous materials;

(3) The generation, processing, treatment, storage, transport, disposal, destruction, or other management of asbestos, PCB, lead, petroleum, radioactive material, or hazardous waste materials or other waste materials of any kind; and

(4) The protection of environmentally sensitive areas such as wetlands and coastal areas.

6. Disposal

a. Contractor has the sole responsibility for determining current waste storage, handling, transportation, and disposal regulations for the job Site and for each waste disposal facility. Contractor must comply fully at its sole cost and expense with these regulations and any applicable law. District may, but is not obligated to, require submittals with this information for it to review consistent with the Contract Documents.

b. Contractor shall develop and implement a system acceptable to District to track hazardous waste from the Site to disposal, including appropriate "Hazardous Waste Manifests" on the EPA form, so that District may track the volume of waste it put in each landfill and receive from each landfill a certificate of receipt.

c. Contractor shall provide District with the name and address of each waste disposal facility prior to any disposal, and District shall have the express right to reject any proposed disposal facility. Contractor shall not use any disposal facility to which District has objected. Contractor shall document actual disposal or destruction of waste at a designated facility by completing a disposal certificate or certificate of destruction forwarding the original to the District.

7. Permits

a. Before performing any of the Work, and at such other times as may be required by applicable law, Contractor shall deliver all requisite notices and obtain the approval of all governmental and quasi-governmental authorities having jurisdiction over the Work. Contractor shall submit evidence satisfactory to District that it and any disposal facility:

1) have obtained all required permits, approvals, and the like in a timely manner both prior to commencement of the Work and thereafter as and when required by applicable law; and

2) are in compliance with all such permits, approvals and the regulations.

For example, before commencing any work in connection with the Work involving asbestos-containing materials, or PCBs, or other hazardous materials subject to regulation, Contractor agrees to provide the required notice of intent to renovate or demolish to the appropriate state or federal agency having jurisdiction, by certified mail, return receipt requested, or by some other method of transmittal for which a return receipt is obtained, and to send a copy of that notice to District. Contractor shall not conduct any Work involving asbestos-containing materials or PCBs unless Contractor has first confirmed that the appropriate agency having jurisdiction is in receipt of the required notification. All permits, licenses, and bonds that are required by governmental or quasi-governmental authorities, and all fees, deposits, tap fees, offsite easements, and asbestos and PCB disposal facilities expenses necessary for the prosecution of the Work, shall be procured and paid for by Contractor. Contractor shall give all notices and comply with the all applicable laws bearing on the conduct of the Work as drawn and specified. If Contractor observes or reasonably should have observed that Plans and Specifications and other Contract Documents are at variance therewith, it shall be responsible for promptly notifying District in writing of such fact. If Contractor performs any Work contrary to applicable laws, it shall bear all costs arising therefrom.

b. In the case of any permits or notices held in District's name or of necessity to be made in District's name, District shall cooperate with Contractor in securing the permit or giving the notice, but the Contractor shall prepare for District review and execution upon approval, all necessary applications, notices, and other materials.

8. Indemnification

To the fullest extent permitted by law, the indemnities and limitations of liability expressed throughout the Contract Documents apply with equal force and effect to any claims or liabilities imposed or existing by virtue of the removal, abatement, and disposal of hazardous waste. This includes, but is not limited to, liabilities connected to the selection and use of a waste disposal facility, a waste transporter, personal injury, property damage, loss of use of property, damage to the environment or natural resources, or "disposal" and "release" of materials associated with the Work (as defined in 42 U.S.C. § 9601 et seq.).

9. Termination

District shall have an absolute right to terminate for default immediately without notice and without an opportunity to cure should Contractor knowingly or recklessly commit a material breach of the terms of the Contract Documents, or any applicable law, on any matter involving the exposure of persons or property to hazardous waste. However, if the breach of contract exposing persons or property to hazardous waste is due solely to an ordinary, unintentional, and non-reckless failure to exercise reasonable care, then the procedures for termination for cause shall apply without modification.

PERFORMANCE BOND

WHEREAS, the Board of Education of the Oakland Unified School District ("District"), at its meeting on May 28th, 2026 has awarded to Valley Precision Grading, Inc. ("Principal"), the Contract for performance of the following project ("Project"): Hoover Elementary School Turf Field Replacement].

WHEREAS, the Principal is required under the terms of the Contract to furnish a bond to the District as obligee ensuring its full and faithful performance of the Contract Documents, which are fully incorporated herein by this reference,

NOW, THEREFORE, we, the Principal and Atlantic Specialty Insurance Company as Surety, hereby guarantee the Principal's full, faithful and complete performance of the Contract Document requirements in the penal sum of Two Hundred Forty-Eight Thousand Sixty-Two and 00/100 dollars (\$ 248,062.00) for the payment of which sum will and truly be made; we bind ourselves, our heirs, executors, administrators and successors, jointly, severally, and firmly by this agreement to perform or have performed all of the work and activities required to complete the Project pursuant to the Contract Documents and to pay to the District all damages the District incurs as a result of the Principal's failure to fully perform in accordance with the Contract Documents.

The condition of the obligation is such that if the Principal, its heirs, executors, administrators, successors or assigns shall in all things abide by, and well and truly keep and perform the covenants, conditions and agreements in the Contract Documents and any amendment thereof made as therein provided, on its or their parts to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall insure, indemnify, defend, and hold harmless the District, its Board, officers, employees, agents, and assigns, as therein stipulated, then this obligation shall become null and void. Otherwise, it shall be and remain in full force and effect.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the Contract Documents shall in any way affect its obligations on this bond and it does hereby waive notice of any such change, extension of time, alteration or addition.

In the event of the District's termination of the Contract due to the Principal's breach or default of the Contract Documents, within twenty (20) days after written notice from the District to the Surety of the Principal's breach or default of the Contract Documents and District's termination of the Contract, the Surety shall notify District in writing of Surety's assumption of obligations hereunder by its election to either remedy the default or breach of the Principal or to take charge of the work of the Contract Documents and complete the work at its own expense ("Notice of Election"); provided, however, that the procedure by which the Surety undertakes to discharge its obligations under this Bond shall be subject to the advance written approval of the District, which approval shall not be unreasonably withheld, limited or restricted. The insolvency of the Principal or the Principal's mere denial of a failure of performance or default under the Contract Documents shall not by itself, without the Surety's prompt, diligent inquiry and investigation of such denial, be justification for Surety's failure to give the Notice of Election or for its failure to promptly remedy the failure of performance or default of the Principal or to complete the work.

In the event the Surety fails to issue its Notice of Election to District within the time specified herein, the District may take all such action or actions necessary to cure or remedy the Principal's failure of performance or default or to complete the work. The Principal and the Surety shall be each jointly and

severally liable to the District for all damages and costs sustained by the District as a result of the Principal's failure of performance under the Contract Documents or default in its performance of obligations thereunder, including, without limitation, the costs of cure or completion exceeding the then remaining balance of the Contract Price; provided that the Surety's liability hereunder for the costs of performance, damages and other costs sustained by the District upon the Principal's failure of performance under or default under the Contract Documents shall be limited to the penal sum hereof, which shall be deemed to include the costs or value of any Changes of any work which increases the Contract Price.

Principal and Surety further agree to pay all costs incurred by the District in connection with enforcement of this bond, including, but not limited to all of the District's attorney's fees, costs and expenses incurred, with or without suit, in addition to any other sum required by this bond. Surety further agrees that death, dissolution, or bankruptcy of the Principal shall not relieve the Surety of its obligations hereunder.

[Remainder of page intentionally left blank]

In witness whereof, two (2) identical counterparts of this instrument, each of which shall for all purposes be deemed an original thereof, have been duly executed by the Principal and Surety on the 28th day of May, 2026

WHEREAS, the Contract is a public works contract involving an expenditure in excess of twenty-five thousand dollars (\$25,000.00), pursuant to California Civil Code section 9550 et seq.; and

WHEREAS, Contractor/Principal is required by California Civil Code section 9550 et seq. to furnish a bond in connection with the Contract.

NOW, THEREFORE, we, the Contractor/Principal and Atlantic Specialty Insurance Company as Surety, are held firmly bound unto District in the penal sum of Two Hundred Forty-Eight Thousand Sixty Two and 00/100 Dollars (\$248,062.00), lawful money of the United States of America for the payment of which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that if the Contractor/Principal, his/her or its heirs, executors, administrators, successors, or assigns, or a Subcontractor, shall fail to pay any person or persons named in Civil Code section 9100 or fail to pay for any materials or other supplies used in, upon, for, or about the performance of the work contracted to be done, or for any work or labor thereon of any kind, or for amounts due under the Unemployment Insurance Code with respect to work or labor thereon of any kind, or shall fail to deduct, withhold, and pay over to the Employment Development Department any amounts required to be deducted, withheld, and paid over by Unemployment Insurance Code section 13020 with respect to work and labor thereon of any kind, then said Surety will pay for the same, in or to an amount not exceeding the amount set forth above, and in case suit is brought upon this bond Surety will also pay such reasonable attorney's fees as shall be fixed by the court, awarded and taxed as provided in California Civil Code section 9550, et seq.

This bond shall inure to the benefit of any of the persons named in California Civil Code section 9100 so as to give a right of action to such person or their assigns in any suit brought upon this bond.

It is further stipulated and agreed that the Surety of this bond shall not be exonerated or released from the obligation of the bond by any change, extension of time for performance, addition, alteration, or modification in, to, or of any contract, plans, specifications, or agreement pertaining or relating to any scheme or work of improvement described above or pertaining or relating to the furnishing of labor, materials, or equipment therefor, nor by any change or modification of any terms of payment or extension of the time for any payment pertaining or relating to any scheme or work of improvement described above, nor by any rescission or attempted rescission of the contract, agreement, or bond, nor by any conditions precedent or subsequent in the bond attempting to limit the right of recovery of claimants otherwise entitled to recover under any such contract or agreement or under the bond, nor by any fraud practiced by any person other than the claimant seeking to recover on the bond, and that this bond be construed most strongly against the Surety and in favor of all persons for whose benefit such bond is given, and under no circumstances shall Surety be released from liability to those for whose benefit such bond has been given, by reason of any breach of contract between the District and

original contractor or on the part of any obligee named in such bond, unless permitted pursuant to law.

In witness whereof, this instrument has been duly executed by the Principal and Surety this
28th day of May, 2026.

Power of Attorney

KNOW ALL MEN BY THESE PRESENTS, that ATLANTIC SPECIALTY INSURANCE COMPANY, a New York corporation with its principal office in Plymouth, Minnesota, does hereby constitute and appoint: **Amy Wickett, James Moore, Jennifer J. Mc Comb, Kelly A. Gardner, Martin Moss, Melissa A. Schmidt, Stephen Kazmer**, each individually if there be more than one named, its true and lawful Attorney-in-Fact, to make, execute, seal and deliver, for and on its behalf as surety, any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof; provided that no bond or undertaking executed under this authority shall exceed in amount the sum of: **unlimited** and the execution of such bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof in pursuance of these presents, shall be as binding upon said Company as if they had been fully signed by an authorized officer of the Company and sealed with the Company seal. This Power of Attorney is made and executed by authority of the following resolutions adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the President, any Senior Vice President or Vice-President (each an "Authorized Officer") may execute for and in behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and affix the seal of the Company thereto; and that the Authorized Officer may appoint and authorize an Attorney-in-Fact to execute on behalf of the Company any and all such instruments and to affix the Company seal thereto; and that the Authorized Officer may at any time remove any such Attorney-in-Fact and revoke all power and authority given to any such Attorney-in-Fact.

Resolved: That the Attorney-in-Fact may be given full power and authority to execute for and in the name and on behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and any such instrument executed by any such Attorney-in-Fact shall be as binding upon the Company as if signed and sealed by an Authorized Officer and, further, the Attorney-in-Fact is hereby authorized to verify any affidavit required to be attached to bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof.

This power of attorney is signed and sealed by facsimile under the authority of the following Resolution adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the signature of an Authorized Officer, the signature of the Secretary or the Assistant Secretary, and the Company seal may be affixed by facsimile to any power of attorney or to any certificate relating thereto appointing an Attorney-in-Fact for purposes only of executing and sealing any bond, undertaking, recognizance or other written obligation in the nature thereof, and any such signature and seal where so used, being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

IN WITNESS WHEREOF, ATLANTIC SPECIALTY INSURANCE COMPANY has caused these presents to be signed by an Authorized Officer and the seal of the Company to be affixed this first day of January, 2023.
