Items so removed from a General Consent Report shall be considered separately in the agenda immediately after that General Consent Report (unless otherwise moved with other items by a Board member) and there shall be no additional or separate public comment on those items. Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other than routine items on the agenda.

An

item on a General Consent Report which a member has requested be removed, shall be removed, without debate for separate consideration and vote or other disposition. All items remaining on the General Consent Report(s), thereafter, shall be adopted in a single motion per consent report.
