ON PREMISES

KIPP Bridge has had the privilege of serving students and families in West Oakland since 2002.

Fewer than 10% of low-income students nationally graduate from college compared to 30% of the population overall.

As of 2014, 95% of students who graduated from KIPP Bridge have gone on to graduate from high school, 85% of these graduates have matriculated to college, and 64% are on track to graduate from college.

WE STAND FOR WHAT IS TRUE

Transform

Respect

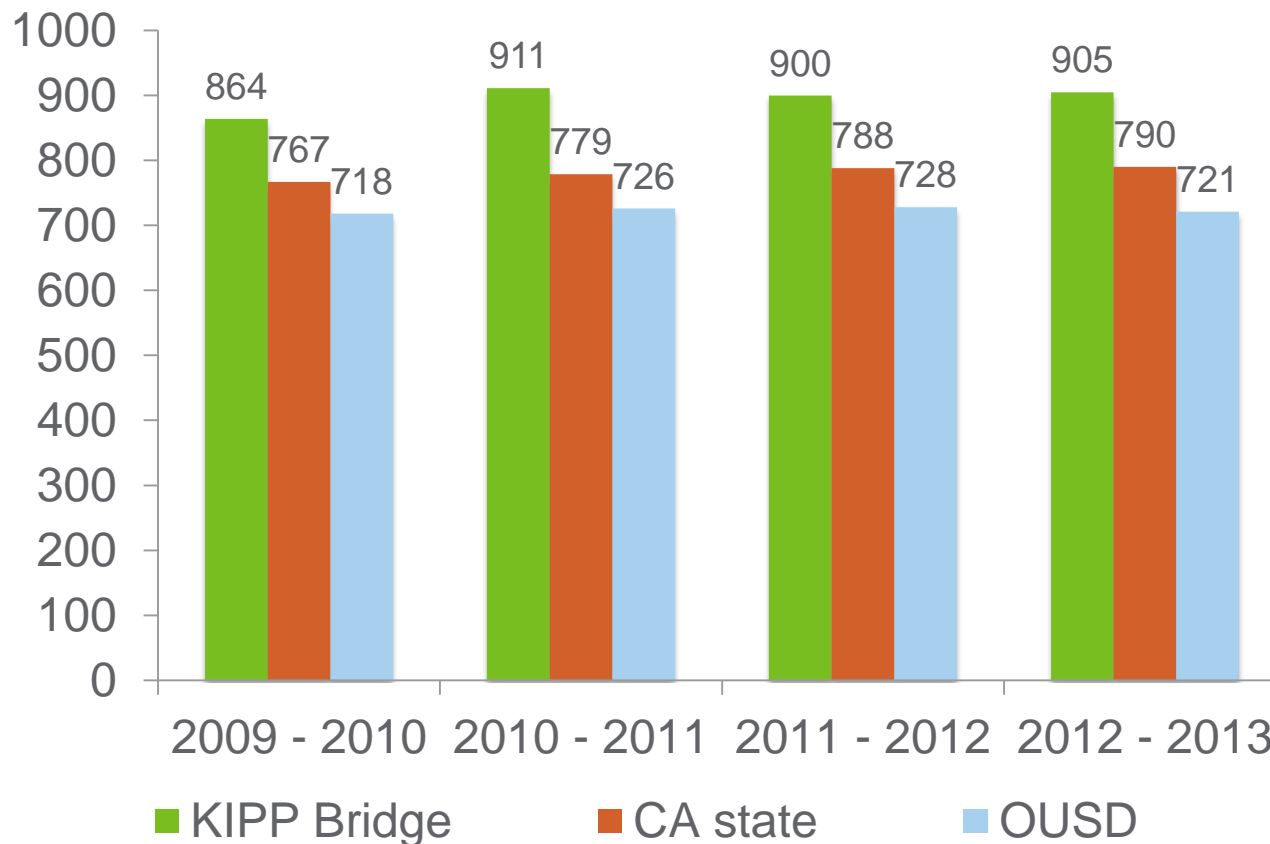

Unify

Empower

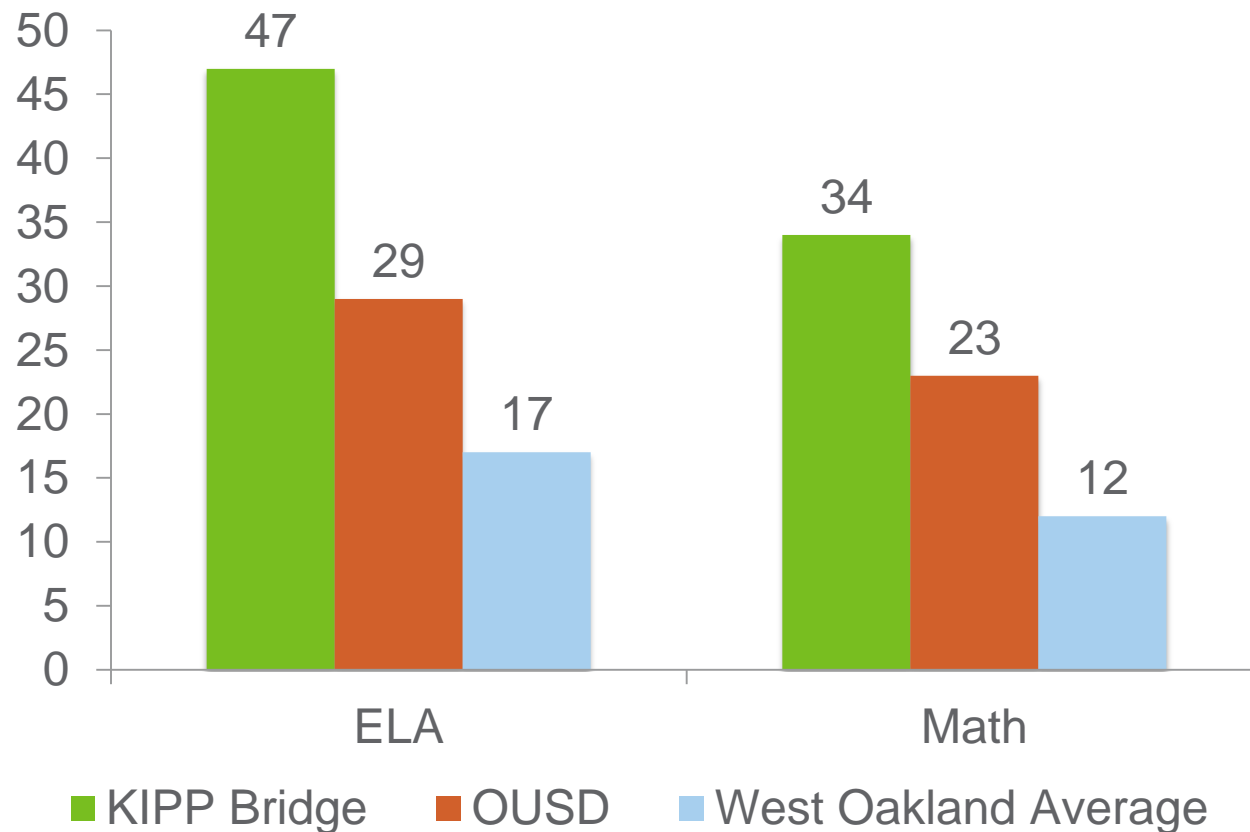

A TRACK RECORD OF SUCCESS

API Scores, 2010-2013

OUR RECENT SBAC RESULTS

2014-15 SBAC results: percent of students meeting or exceeding standards

We start with a rigorous academic model...

- **Common Core**
- **K-8 alignment**
- **College-focused culture**
- **Arts and enrichment**

...and combine high expectations with nurturing and support

- Character development**
- Social and emotional learning**
- Restorative justice practices**

KIPP Bridge serves all students

- Open enrollment
- English Language Learners
- Special Education students

Talented, mission-driven educators are core to our success

We believe that, in order to educate our children, there must be strong partnership between family, school and the community

We deeply value partnering with the broader Oakland education community to strengthen West Oakland

Together, we can empower all students to thrive!
