Measure N Recommendations for 2020-2021 Carryover Funds, Part II

Date:

November 19, 2021

OVERVIEW & OBJECTIVE

Seventeen OUSD district schools, nine charter schools and the District Administrative 10% have unspent Measure N funds from the 2020-2021 fiscal year. For the December 7, 2021 Measure N Commission meeting, 15 sites have submitted their 2020-2021 Measure N Carryover Justification Form that articulates the context that contributed to the carryover, the amount of carryover, the percentage of Measure N funds that are being carried over, and a clear budget for the carryover funds. The Measure N Commission approved the Measure N Carryover Justification Forms of eight sites at their November 16, 2021 meeting, and the remaining schools will submit their 2020-2021 Measure N Carryover Justification Forms to the January 2022 Measure N Commission meeting.

Per Measure N Commission policy, Measure N commission approval is required for all carryover justification forms. Measure N staff have reviewed the submitted 2020-2021 Measure N Carryover Justification Forms and provided feedback to school sites that were addressed before submission to the Measure N Commission.
