EXHIBIT "A" SCOPE OF WORK

Description of Services to be Provided and Specific Expected Outcomes: Highlight each program that you provide to OUSD. Attach a separate document if more space is needed.

Kids Carpentry is an afterschool enrichment program that allows kids to work with hand tools such as rasps, clamps, saws, hand drills, hammers etc. Students complete projects that they take home, I have many example projects, but many students move on to designing their own projects.

I offer classes at Chabot Elementary on Wednesdays from 2pm - 5:45pm.

I have three separate one hour classes that have about 7 paying students and one scholarship student per class.

Classes follow the school schedule so I am planning on offering these classes on Wednesdays through early June, and then again in the Fall. I do not do any summer programs at Chabot.

I use the Art Room for my classes, i have been given one shelf to store some projects and tools.

Classes typically cost about \$25-\$27 per kid, per class.
