Cohort 2015-16 data is from California Dept. of Education (CDE) data file dated **March 28, 2017**. Discrepancies between this dashboard and the CDE DataQuest online "Cohort Outcomes" report are due to DataQuest inclusion of additional OSD students with disabilities who were enrolled at non-public school sites. Prior cohort data files were provided by the California Department of Education on **June 1, 2016**. For more information about the data in this report, please contact **Jay Tharp** at [james.tharp@ousd.org](mailto:james.tharp@ousd.org).
