Action Requested Approval of professional services contract between Oakland Unified School District and Learning for Life/S.F Bay Area Council. Services to be primarily provided to Laurel Elementary for the period of 09/01/2014 through 06/15/2015.

Background
A one paragraph explanation of why the consultant's services are needed.

Laurel has a diverse student population with 85% Free and Reduced Meals and 44% English Language Learners. 14% of students are FFB/BB in ELA and Math. At Laurel we recognize the important role the family plays in the social emotional development and academic growth of students. We also acknowledge that we have struggled to engage and involve the families of students, especially those who are at greatest risk, in a meaningful way as measured by parent turn out at events like Back to School Night and Parent/Teacher Conferences. For that reason, we have created the position of Family Partner, a position to be filled by a parent leader and a member of our own school community whose role will include contacting parents to serve on school committees or attend special events, serve as a contact person for parents to call with question about school services, serve as a resources to families in need, and help us develop a plan for creating effective partnerships.

Discussion
One paragraph summary of the scope of work.

Laurel's Family Partner role and responsibility will include contacting parents to serve on school committees or attend special events, serving as a contact person for parents to call with question about school services, serving as a resource to families in need, and helping us develop a plan for creating effective partnerships.

Recommendation Approval of professional services contract between Oakland Unified School District and Learning for Life/S.F Bay Area Council. Services to be primarily provided to Laurel Elementary for the period of 09/01/2014 through 06/15/2015.
