Measure N Commission Recommendation*:

On June 20th, 2017 the Measure N Commission voted 5-0 to endorse staff recommendation of “Approved-Developing and Implementing” for the 2017-18 school year based on the progress made, observations, site visits, and presentations over the past two years. The Commission agreed with the feedback included within the report and agreed to forward this recommendation to the governing board for final approval.

Measure N Commission Final Recommendation to School Board	Funding
Approved-Developing and Implementing	\$850 per student

Strengths:

- Much greater coherence and focus in the 17-18 Measure N plan than in the previous plan
- Identified a clear pathway theme and a plan for integrating the theme into the pathway is in place
- Strong evidence of staff collaboration to create and develop Measure N plan
- Leveraged their strengths as a school to identify and develop their pathway theme

Key Questions:

- What are the key learning experiences students will have in a Technology pathway?
- What do you want students to know and be able to do when they graduate from a Technology Pathway?
- How can you leverage your uniqueness as an independent-studies based school and the benefits associated with less seat time requirements to create your pathway?

Possible Supplanting:

- None
