SECTION 1: School Site Information

School Site: Garfield	Lead Agency: East Bay Asian Youth Center
Principal Signature: 	Lead Agency Signature: 
After School Site Coordinator Name (if known at this time): Nikita Williams	Date: April 14, 2015

SECTION 2: Alignment with Site Plan (SPSA), Major Improvement Priorities

In collaboration with school leadership, identify the school's Major Improvement Priorities where this after school program is identified for its high leverage practices.

There are two Major Improvement Priorities where the EBAYC@Garfield After School Program is identified for high leverage practices: Literacy and Blended Learning. In Literacy, we will support the school in reaching it's main goal to increase by 10 percentage points the percent of students (2nd-5th grade) reading at or above grade level as measured by SRI. For Blended Learning we will support the following goal to adopt a blended learning approach (utilizing technology as well as direct teacher instruction) to support students increase proficiency in reading and math.

LCAP Strategic Priorities

In collaboration with school leadership, identify the specific LCAP goal(s) that this afterschool program will intentionally support.

- X College & Career Readiness (LCAP Goal 1)
- X Literacy (Proficiency on Standards, Grade Level Reading, English Learners Reading Fluency-LCAP Goals 2, 3, 4)
- X Mathematics/STEM Proficiency (Proficiency on State Standards—LCAP Goal 2)
- X Student Engagement (LCAP Goal 5)
- X Parent/Family Engagement (LCAP Goal 6)
- X Safe, Healthy & Supportive Schools (LCAP Goal 7)

State 3 – 4 primary goals of the After School Program and intended impacts for participating students. Describe how these after school goals align with the school's Major Improvement Goals and Strategies identified in its SPSA plan.

Our after school program goals are as follows:

1. Student demonstrates:

- a. belief he/she will be a college graduate;
- b. work ethic;
- c. perseverance;

as indicated by a pre/post self-assessment.

2. Student demonstrates knowledge of the education pathway to a desired career, as indicated by a project presentation.

3. Student demonstrates proficiency in reading, as indicated by test scores.

SECTION 3: OUSD Strategic Questions

Complete the matrix for *at least two* of the following four OUSD Strategic questions.

Strategic Questions/Desired Outcomes <i>As a result of our ASP efforts...</i>	Strategic Activities <i>What after school strategic activities will support the desired outcomes?</i>	Outcomes of Strategic Activities <i>What short-term outcomes will you expect from your efforts by the end of the school year?</i>	Data used to assess the strategic activities <i>What data will be collected to measure these outcomes?</i>
High School Graduation: How many more Oakland children are graduating from high school?	Academic intervention and homework assistance	All children will matriculate to the next grade level by the end of the school year	Transcript
Satisfactory School Day Attendance: How many more Oakland children are attending school 95% or more?	After school mentoring and academic support	All children will achieve an attendance rate of 95% or above	Attendance report

Job Skills/Career readiness: How many more students have meaningful internships and/or paying jobs?			
Health and Well-being: How many more Oakland children have access to, and use, the health services they need?			

SECTION 4: Program Model and Lead Agency Selection

For 2015-2016, my site will operate the following program model:

Traditional After School: *voluntary program open to all students, with enrollment priorities targeting certain students*

Extended Day Program: *additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must **not** appear on the school bell schedule)*

Blended/Hybrid: *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency
 Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

The East Bay Asian Youth Center is a youth development organization based in Oakland's historic Chinatown and San Antonio neighborhood districts. EBAYC's mission is to inspire young people to be life-long builders of a just and compassionate multicultural society. EBAYC serves a racially and ethnically diverse membership of 1,500 children, youth and young adults.

Our goals are to help young people be safe, smart and socially responsible. Our theory of change is that if EBAYC engages residents to lead the organization to achieve results, provides children, youth and young adults a seamless continuum of support services, and catalyzes policy and system changes that help create better schools, safer neighborhood, and greater economic opportunities for families, then young people will safe, smart and socially responsible.

EBAYC Service Strategies

Juvenile Justice

EBAYC works with juvenile probationers move toward a healthy and productive life pathway to keep them safe, get off court probation and earn their high school diploma . We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

High Quality Schools

EBAYC partners with twelve Oakland schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Community Development

EBAYC works with residents and merchants to increase public safety, reduce street level prostitution, improve physical environment, and expand job opportunities for residents.

SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

Required # of Program Days your program will operate during School Year 2015-2016 (programs are required to operate between 177 – 180 days of the school year)	180
Projected Daily Attendance during School Year 2015-2016	120 Franklin, 170 Garfield, 150 Lincoln 80
Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.	TBD

Minimum Days

Elementary and middle school after school programs are required to operate from the end of the school day to 6pm. When a

school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.

Projected Number of Minimum Days for School Year 2015-2016

Up to 30 days

Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days:

The Principal will seek available funds to support the after school program operation based on the number of minimum days over the course of the school year. The Principal will also identify credentialed support staff who may be able to support staff during these days.

Program Schedule

1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year.
2. Submit a copy of the school bell schedule for the 2015-16 school year.

Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

Required Elementary Academic Programming: Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students. (Curriculum and PD will be provided by OUSD After School Literacy Learning Community.) Programs are highly encouraged to provide after school math and science instruction. There will be learning communities to provide math and science curriculum and PD.

SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

Recommended Middle School Program Components: Middle schools are highly encouraged to provide after school STEM instruction and youth leadership programming for students. (These program components are required for 21st Century middle school programs.) STEM and Building Intentional Communities youth leadership curriculum and PD will be provided by OUSD after school learning communities.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: ***The activities listed below must align to your 21st Century Family Literacy budget plan.***

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Five EBAYC Parent Meetings	Meaningful Family Engagement	After School Program parents will be informed and engaged in decisions that impact student learning after school.	85% of parents will attend EBAYC parent meetings.	Content of meetings are aligned with school day focus on Reading and Math.
Two Academic Parent Teacher Team and Two Report Card One-to-Ones	Meaningful Family Engagement	After School Program parents will be informed and engaged in setting academic goals and progress monitoring achievement.	85% of parents will attend at least four of five activities.	ASP promotes school day activities to ensure high participation

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
----------------------------------	--------------

a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Monthly meeting to inform the parents of their children's academic progress
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Daily phone call to follow up with students' absences
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Periodic awards during program assembly to recognize good attendance

SECTION 10: Transforming School Culture and Climate
 After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

X PBIS (Positive Behavioral Interventions and Support)
 ___ Restorative Justice
 ___ Social and Emotional Learning
 ___ Bullying Prevention
 ___ Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

The Principal, Community Schools Manager, Academic Liaison and ASP Site Coordinator will ensure coordination of coaching and professional development, COST and SST meetings and PBIS.

The ASP Site Coordinator is an active member of the planning committees for the Parent Action Team and African-American Advisory Council.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please

describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

The ASP Site Coordinator is the lead facilitator of the African American Advisory Council. The AAAC works to “improve academic achievement of African American students”. Composed of parents, teachers, principal and support staff, the AAAC meets monthly to engage in research-based Cycles of Action.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

See checklist.

- X COST team (Coordination of Services Team)
- X SST (Student Study Team)
- X SSC (School Site Council)
- ELT (Educational Leadership Team)
- PTA
- X Attendance Team/Workgroup
- SPSA Site Planning team
- School Culture/Climate Committee
- X Other: Parent Action Team and African American Advisory Council

2015-16 After School Enrollment Policy for Garfield Elementary School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and intervention to improve or sustain academic performance.	Scholastic Reading Inventory, Guided Level Reading Assessments	
English language learners	ADEPT	
Students from socio-economically disadvantaged families/backgrounds.	FRL data	
Students with siblings already enrolled in after school program based on above priorities.	Program intakes	

Which grade levels will you serve in this program? 2nd – 5th

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)

- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2015. Indicate how families will be notified of 2015-16 enrollment before the last day of school, June 11, 2015.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
March 2015	Program enrollment announcement	EBAYC ASP Director
April 2015	Release of application	EBAYC ASP Director
May 2015	Recruitment and intake	EBAYC ASP Director
June 2015	Parent Orientation	EBAYC ASP Director

Important dates to include in your timeline:

- April – June: Spring enrollment for 2015-16 programs.
- Families will be notified of 2015-16 after school enrollment before the last day of school, June 11, 2015.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2015.
- All programs must maintain waitlists after program slots are filled.

School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

There are several ways the school will support program recruitment efforts:

- Teachers, Principal and Literacy Coach will make recommendations to the Site Coordinator and help outreach families
- Teachers will support recruitment by making time for classroom presentations and distributing/collecting registration forms
- End of Year events will include presentation time or tabling
- Registration forms will be kept in the main office

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program’s *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. - Other individual (please specify in detail): _____

If known, please specify the name of the person who will fill the Quality Support Coach role, and identify his/her role in the school: Tentatively, Katie Wolfram will return in this role.

b) Some schools are challenged in finding a qualified individual on staff who can fulfill the Quality Support Coach role. In this case, the OUSD After School Programs Office will work actively to try to find an OUSD coach to match with the school. Please mark:

My school needs support in finding an individual who can effectively fulfill the role of Quality Support Coach.

Yes No

Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.

The East Bay Asian Youth Center (EBAYC) is a youth development organization based in Oakland's historic Chinatown and San Antonio neighborhoods. EBAYC envisions all young people growing to be life-long builders of a just and compassionate multicultural society. Our mission supports young people to be safe, smart, and socially responsible. EBAYC serves a diverse membership of over 1,500 children, youth and young adults.

EBAYC was created in Berkeley in 1976 by Asian American Youth who wanted a place to help each other and their community. EBAYC expanded to Oakland in 1988 to help reduce and prevent gang violence among Southeast Asian immigrant youth. In 1996, EBAYC co-creates the 1996 Kids First Initiative, the successful ballot initiative that requires the City of Oakland to protect and expand funding for children and youth services. EBAYC opens the Roosevelt Village Center at Roosevelt Middle School in 1988 and became a place based organization.

Our theory of change is that if EBAYC partners with public and private institutions to provide young people a continuum of high-quality supports and opportunities; and if EBAYC engages families to actively participate in the public arena to improve the quality of neighborhood life; then EBAYC will support young people to be safe, smart, and socially responsible.

EBAYC Service Strategies

Juvenile Justice

EBAYC works with juvenile probationers move toward a healthy and productive life pathway to keep them safe, get off court probation and earn their high school diploma. We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

High Quality Schools

EBAYC partners with thirteen Oakland schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Community Development

EBAYC works with residents and merchants to increase public safety, reduce street level prostitution, improve physical environment, and expand job opportunities along the International Boulevard corridor.

Memo

To Board of Education

From Antwan Wilson, Superintendent

Board Meeting Date June 24, 2015
(To be completed by Procurement)

Subject Master Memorandum of Understanding between Oakland Unified School District and East Bay Asian Youth Center

Action Requested Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with East Bay Asian Youth Center, on behalf of the District to provide services to students. This establishes a one year relationship with East Bay Asian Youth Center, and a not-to-exceed amount of \$3,003,240.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

Background
A one paragraph explanation of why the consultant's services are needed.

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

Discussion
One paragraph summary of the scope of work.

Vendor: East Bay Asian Youth Center

Overview of Services: East Bay Asian Youth Center contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$3,003,240.00

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that East Bay Asian Youth Center will provide services to 28 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with East Bay Asian Youth Center, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding. In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

Fiscal Impact

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with East Bay Asian Youth Center. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

Recommendation

Approval of the Master MOU between East Bay Asian Youth Center and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute the Master Memorandum of Understanding and Individual Service Agreement(s) with East Bay Asian Youth Center in an amount not-to-exceed \$3,003,240.00.

The East Bay Asian Youth Center (EBAYC) is a youth development organization based in Oakland's historic Chinatown and San Antonio neighborhoods. EBAYC envisions all young people growing to be life-long builders of a just and compassionate multicultural society. Our mission supports young people to be safe, smart, and socially responsible. EBAYC serves a diverse membership of over 1,500 children, youth and young adults.

EBAYC was created in Berkeley in 1976 by Asian American Youth who wanted a place to help each other and their community. EBAYC expanded to Oakland in 1988 to help reduce and prevent gang violence among Southeast Asian immigrant youth. In 1996, EBAYC co-creates the 1996 Kids First Initiative, the successful ballot initiative that requires the City of Oakland to protect and expand funding for children and youth services. EBAYC opens the Roosevelt Village Center at Roosevelt Middle School in 1988 and became a place based organization.

Our theory of change is that if EBAYC partners with public and private institutions to provide young people a continuum of high-quality supports and opportunities; and if EBAYC engages families to actively participate in the public arena to improve the quality of neighborhood life; then EBAYC will support young people to be safe, smart, and socially responsible.

EBAYC Service Strategies

Juvenile Justice

EBAYC works with juvenile probationers move toward a healthy and productive life pathway to keep them safe, get off court probation and earn their high school diploma. We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

High Quality Schools

EBAYC partners with thirteen Oakland schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Community Development

EBAYC works with residents and merchants to increase public safety, reduce street level prostitution, improve physical environment, and expand job opportunities along the International Boulevard corridor.
