All City Council High School Meeting

We held our High School Meeting on February 16th at Oakland Tech. We had 40 students from 10 schools: Castlemont, CCPA, Skyline, McClymonds, Bunche, Sojourner Truth, Oakland Tech, Oakland High, Fremont, and Met West. At this meeting we focused on making sure our delegates had the tools they need to finish their student-teacher feedback projects. We role modeled how to run a fishbowl for the feedback session with teachers. All 10 schools present committed to completing their project at their school by our next ACC meeting on March 15th (which will be at Skyline, from 1-3pm)
