	Elementary & Middle Schools
SECTION 1: School Site Information	2012 - 2013
SECTION 1: School Site Information	
School Site: Grass Valley Elementary School	Date:5/23/12
Principal Signature:	Lead Agency Signature:
After School Site Coordinator Name (if known at this tin	
SECTION 2: After School Alignment with Community	School Strategic Site Plan (CSSSP)
	of's CSSSP where this after school program is identified as a high leverage strategy.
1) Accelerating Students through Targeted Approache	
2) School Culture (including Meaningful Student Enga	gement)
3) Family and Student Engagement	
4) Strategic Operational Practices	
5) Balanced Literacy and Literacy Across the Curriculu	
6) Science, Technology, Engineering, and Mathematic	S (STEM)
7) Leadership Development	
State 3 – 4 primary goals of the After School Program a	nd intended impacts for participating students.
1) Youth in the Grass Valley After School Program will	feel physically and emotionally safe
, , , , , , , , , , , , , , , , , , , ,	engage in intentional, meaningful and exciting environments of learning.
3) The Grass Valley After School Program will support	
SECTION 3: OUSD Strategic Questions	
Complete the matrix for at least two of the following for	
Strategic Questions/Desired Strategic Acti	
Outcomes	spanegic activities!

As o result of our ASP efforts .	What after school strategic activities will support the desired putcomes?	What short-term outcomes will you expect from viter efforts by the end of the school year?	What dots will be collected to measure these outcomes?
High School Graduation: How many more Octifand children are graduating from high school? Using the following strategic activities like Grass Valley After School Program will incruse the academic aputude of their students, souting them to middle school ready to anademically succeed Students will also engage in social and emotional developmental currentifum and sinive to become mature young adults. By entering misdle school prepared and emotionally stable they will be more to likely thride. This will lead to youth entering high school prepared and emotionally stable increasing their chances of graduating high school	 Targeted Academic Plans and programing for youth who are identified through data Increased Academic Assessments Social and Emotional experiences and classes Intentional process to track homework completion and a process of communicating student progress to stakeholders Enrichment classes with an academic lens based on pacing guide 	 Increased alignment with state standards Increased alignment with school day Increased support efforts to improve youth's academic achievements The majority of youth will understand, complete and turn in all homework 	 District benchmark testing Pre/Post assessment when necessary Dibels Data SAYPQA Evaluation results OFCY/OUSD Survey data Homework Logs
Satisfactory School Day Attendance: How many more Daktand children are attending school 95% or more? By increasing the Grass Valley After School Programs ADA, it is more likely that students will attend the school day. In order to do this, it will take a three fired approach 11 Engaging	 A youth centered program with activities youth like and want to participate in Aligned incentive Processes (Ex: Awards to youth and classes who have the best attendance) After School Day staff efforts 	Increased after school ADA	 Monthly School day and city span data Clear attendance policies present Tracked and timely enforcement of attendance policies SAYPQ Scores and

Activities 2) A high level of value blaced on coming to program everytlay	to track and inform parents regarding absences	OFCY/OUSD survey
 Clear Policies and Procedures that are enforced 		
bb Skills/Career readiness: How nany more students have meaningful nternships and/or paying jobs?		
Health and Well-being: How many more Oakland children have access to, and use, the health services they need?		
SECTION 4: Program Model and Lead A	gency Selection	
For 2012-2013, my site will operate the	following program model: rogram open to all students, with enrollment priorities t	taraeting certain students
Extended School Day: additional class and/or all students of the school	ss periods added to the bell schedule during after schoo	ol hours for students of a particular grade
Description and Rationale for Selection		
Describe how the selected Load Agency	partner will support the school's plans for Full Service (Community School development. Note: If

The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our customers, and we believe it is our responsibility to understand and meet their needs.

This approach to after school programs is consistent with the BACR mission of serving youth and families, fostering volunteerism, and building community. As a large diverse community agency, BACR has the organizational capacity and infrastructure to maintain high quality while expanding our services.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 8483) High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2012-2013:	180 days required*	
Projected Daily Attendance during School Year 2012-2013:	83	_
Program Schedule Submit program schedule as an attachment, using the standard program schedule template.		

* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development.

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, and coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

	Target Population	Academic Support (choose one)	CSSSP goal(s) og school need subnorsed by activity	Measurable Outcomes	Description of program/activity	Instructional Strategies
1	All ASP participants	 Homework Support Tutoring Skill Building Academic Intervention Other 	 High School Graduation Rate Every grade level testing at grade level in both math and reading 	Most students will understand their homework and the majority of program participants will complete their homework on a daily basis.	 Providing Time for Homework Support Quality Homework Support Track Completion and turn in rates Provide an amount of time for group academics, prior to homework time 	 Up to date on pacing schedule Follow homework process set by the school day Enforce all homework procedures

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services, and increase their ability to support their student's learning and development.

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literary efforts or resources
Parent Volunteers	Grass Valley ASP parent support in their students learning along with bridging communities	Parents will sign up to be volunteers and tutors.	Increased number of volunteers and hours recorded	Parent surveys and monthly meetings
Grass Valley ASP Parent Association	Bridging communities	Parents will come and discuss various topics regarding the program. They will be our parent voice.	Increase Parent Participation in the After School Program	Parent surveys and monthly meetings follow PTA processes

Bridging Communities	Parents/families will show their skills, talents and/or creativeness to the ASP. They will be able to see their students talents and/or hidden talents	Most after school families will attend	Parent surveys and monthly meetings follow PTA processes, school space
Bridging Communities	 Learn together nights Showcases/expo Sporting events Lights On After School Presentations of Learning 	Most after school families will attend	Parent surveys and monthly meetings follow PTA processes, school spaces
Strategic Operational Practices	 Review program policies procedures Build community 	100% of families will attend original event, make up event or have a phone orientation	Multi-purpose Room
	Bridging Communities Strategic Operational	their skills, talents and/or creativeness to the ASP. SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select *at least two* of the following strategies below, and identify specific action steps that your program will implement for each strategy.

ANNA STORE

a) Recruit and address the needs of students who are at risk of chronic absenteeism.	After data review, accept referrals and recommendations made by school principal, academic liaison, teachers, counselors and other school staff
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Distribute information about OUSD/ASP attendance policies and guidelines
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Collaborating with school day attendance clerk and referrals and/or recommendations from teachers, counselors and other school staff.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Promote "Student of the Month" awards/recognition
SECTION 10: Coordination with Other Service Providers In the Full Service Community School model, the school becomes a hu work together, and coordinate their efforts to meet the holistic needs	
The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts? <u>Coordinator will sit in on meetings as necessary.</u>	 COST team (Coordination of Services Team) SST (Student Study Team) SSC (School Site Council) ELT (Educational Leadership Team) PTA Attendance Team/Workgroup CSSSP (Community School Strategic Site Planning) team School Culture/Climate Committee Other (specify)
List key community partners whom you will actively collaborate with to accomplish the goals of your program. Glenview faculty, teachers, counselors, principal, academic liaison and program staff (also those who play a part in students development)	Principal PTA Academic Liaison Program staff Grass Valley Teachers
Identify other service providers and support personnel at your school (i.e. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.	School counselor

2012-13 After School Enrollment Policy for Grass Valley School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and intervention to improve or sustain academic performance.	CST scores and end of year benchmarks. Referrals and recommendations made by teachers, counselors and other school staff.	
Students committed to the attendance policy (both school day and after school).	Attendance records	
Students with siblings already enrolled in after school program.	Registration forms	

Grade levels prioritized for programming: N/A

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

 Lan (Sp: Am Lan Dra Det Mu Cre 	nce nguage banish, nerican Sign nguage, etc.) ama bate usic eative Writing ar Book Club	identified that they are actively engaged in positive physical health routines Most youth surveyed identified that they are actively engaged in positive social emotional routines
--	--	--

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services, and increase their ability to support their student's learning and development.

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Parent Volunteers	Grass Valley ASP parent support in their students learning along with bridging communities	Parents will sign up to be volunteers and tutors.	Increased number of volunteers and hours recorded	Parent surveys and monthly meetings
Grass Valley ASP Parent Association	Bridging communities	Parents will come and discuss various topics regarding the program. They will be our parent voice.	Increase Parent Participation in the After School Program	Parent surveys and monthly meetings follow PTA processes

ASP Fundraising projects/programs	Bridging Communities	Parents/families will show their skills, talents and/or creativeness to the ASP. They will be able to see their students talents and/or hidden talents	Most after school families will attend	Parent surveys and monthly meetings follow PTA processes, school space	
Special Events Bridging Communities Parent Orientation Strategic Operational Practices Practices		 Learn together nights Showcases/expo Sporting events Lights On After School Presentations of Learning 	Most after school families will attend	Parent surveys and monthly meetings follow PTA processes, school spaces	
		 Review program policies procedures Build community 	100% of families will attend original event, make up event or have a phone orientation	Multi-purpose Room	

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select *at least two* of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Sectore and Alternation Action Store

a) Recruit and address the needs of students who are at risk of chronic absenteeism.	After data review, accept referrals and recommendations made by school principal, academic liaison, teachers, counselors and other school staff			
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Distribute information about OUSD/ASP attendance policies and guidelines			
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Collaborating with school day attendance clerk and referrals and/or recommendations from teachers, counselors and other school staff.			
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Promote "Student of the Month" awards/recognition			
SECTION 10: Coordination with Other Service Providers In the Full Service Community School model, the school becomes a hu work together, and coordinate their efforts to meet the holistic needs				
The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts? <u>Coordinator will sit in on meetings as necessary.</u>	 COST team (Coordination of Services Team) SST (Student Study Team) SSC (School Site Council) ELT (Educational Leadership Team) PTA Attendance Team/Workgroup CSSSP (Community School Strategic Site Planning) team School Culture/Climate Committee Other (specify) 			
List key community partners whom you will actively collaborate with to accomplish the goals of your program. Glenview faculty, teachers, counselors, principal, academic liaison and program staff (also those who play a part in students development)				
Identify other service providers and support personnel at your school (i.e. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.				

2012-13 After School Enrollment Policy for Grass Valley School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and intervention to improve or sustain academic performance.	CST scores and end of year benchmarks. Referrals and recommendations made by teachers, counselors and other school staff.	
Students committed to the attendance policy (both school day and after school).	Attendance records	
Students with siblings already enrolled in after school program.	Registration forms	

Grade levels prioritized for programming: N/A

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2012. Indicate how families will be notified of 2012-13 enrollment before the last day of school, June 16, 2012.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible		
May 29 – June 1, 2012	After School staff will request relevant information from AL and other school staff (most recent test scores and other referral/recommendation information).	ASP school staff, AL, and other staff.		
June 4 – June 15 <u>,</u> 2012	Coordinator and after school staff pre-register students (75% of total enrollment goal). Pre- registration information sessions will be held and applications will be given out to parents/families	Coordinator and ASP staff Coordinator and/or Program manager and ASP staff		
August, 2012	Before school starts the ASP will have a parent orientation to go over policies, rules and structure and/or any comments/concerns and /or suggestions			
August 27, 2012	ASP will begin on first day of school 2012 at a minimum of 75% of total enrollment goal and ASP will continue to register students during the first week of school 2012 in order to reach 100% enrollment.	Coordinator and ASP staff		

Important dates to include in your timeline:

- April June: Spring enrollment for 2012-13 programs. Schools that are receiving students from School Closures must also outreach to these new families in the Spring, so that they also have a fair chance to participate in the After School program at their new school.
- Families will be notified of 2012-13 after school enrollment before the last day of school, June 15, 2012.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2012.
- All programs must maintain waitlists after program slots are filled.

OAKLAND UNIFIED SCHOOL DISTRICT Office of the Board of Education June **27**, 2012

ACTION REQUESTED

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a Not-To-Exceed amount of \$2,974,784.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

BACKGROUND

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement will be submitted to the board for ratification. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

DISCUSSION

Vendor: Bay Area Community Resources

<u>Overview of Services:</u> Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities family literacy and targeted Equitable Access services to students that are high risk to meet grant compliance of ASES and 21st Century grants.

Not-To-Exceed Amount: \$2,974,784.00

Determination of Not-to-Exceed Amount: Based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 26 school sites.

The District contracts with agencies to provide various activities and after-school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the RBB Budget, and a review of State and Federal compliance funding when applicable.

RECOMMENDATION

Approval of Master MOU between the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute a Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount Not-To-Exceed \$2,974,784.00.

Community Schools, Thriving Students

MEMORANDUM OF UNDERSTANDING BETWEEN OAKLAND UNIFIED SCHOOL DISTRICT and Bay Area Community Resources 2012-2013

1. INTENT

1.1 Intent of this Memorandum of Understanding. This Memorandum of Understanding (hereinafter "MOU") establishes the Oakland Unified School District's (hereinafter "OUSD") intent to establish a relationship with Bay Area Community Resources (hereinafter "CONTRACTOR"), to provide services to OUSD as described and stated in full in the Individual Service Agreement(s).

Cumulative Amount of ISA(s) NOT TO EXCEED \$ 2.974.784.00

1.2 This Master MOU shall include an Individual Services Agreement (hereinafter "ISA") developed for each OUSD site CONTRACTOR is to provide services. It is understood that this Master MOU does not commit OUSD to pay for services provided by any CONTRACTOR, unless and until an authorized OUSD representative approves the service, and a Purchase Order is issued by OUSD's Procurement department and the ISA(s) are ratified by the Board of Education.

2. TERMS AND CONDITIONS

- 2.1 Term of Agreement. The term of this agreement shall be <u>July 1, 2012 to June 30, 2013</u> and may be extended by written agreement of both parties. **iSA's are void upon termination or expiration of the** Master MOU.
- 2.2 All terms and conditions apply jointly and severally to all CONTRACTOR'S employees, agents, partners, subcontractors, and/or volunteers acting on behalf of, and by the direction of CONTRACTOR.
- 2.3 Notice of Termination. OUSD may, at any time, terminate this Agreement upon not less than five (5) days written notice to CONTRACTOR. OUSD shall compensate CONTRACTOR for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this agreement for cause should CONTRACTOR fail to perform any part of this Agreement. In the event of termination for cause, OUSD may secure the required services from another contractor. If the cost to OUSD exceeds the cost of providing the services pursuant to this Agreement, CONTRACTOR shall pay the additional cost.
- 2.4 Choice of Law. This Agreement shall be performed in Oakland, CA and is governed by the laws of the State of California.
- 2.5 Licenses and Permits. CONTRACTOR shall obtain and keep in force all licenses, permits, and certificates necessary for the performance of this Agreement.
- 2.6 Counterparts. This Agreement and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.
- 2.7 Conflict of Interest. CONTRACTOR shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of Interest. CONTRACTOR shall not hire any officer or employee of OUSD to perform any service by this Agreement without first obtaining the prior written approval of OUSD. CONTRACTOR affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between CONTRACTOR's family, business or financial interest and the services provided under this Agreement, and in the event of change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD's attention in writing.
