Budget Justification and Narrative

In the following sections, please review the self-assessment and discuss your team's plan to address the following:

The Goals of the Measure

- Increase access to courses in arts, music, and world languages in grades 6-8

- Improve student retention during the transition from elementary to middle school
- Create a more positive and safe middle school learning environment

1. You **MUST** describe the current programmatic narrative for **EACH** section of the budget narrative based on the Measure G1 Initial Self-assessment and data analysis. Please highlight what G1 specifically supported in the 2017-18 school year.
2. Please explain how you plan to use the Measure G1 funds to develop strategic changes that meet the goals of the measure and that will lead to improved student outcomes.
3. Add additional lines if you would like to add additional budget items.
4. All budget items should total up to the recommended grant amount based on actual 2017-18 LCFF 20 day enrollment.

1. Music Program

Programmatic Narrative Based on Rubric		
Currently MPA offers 1 drama, 1 dance section, 1 choir section and 1 theater section for the 2017-18 school year.		
Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>
38,482.50	.4 FTE Music Teacher for MS Electives	This teacher will continue to teach and support our music, art, and theater program in our middle school.

2. Art Program

Programmatic Narrative Based on Rubric		
MPA Middle School Elective teacher will continue to teach and support our music, art, drama, and theater program.		
Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>
38,482.50	.4 FTE Art Teacher for MS Electives	This teacher will continue to teach and support our music, art, and theater program in our middle school.

3. World Language Program

Programmatic Narrative Based on Rubric

Currently MPA does not offer a World Language Program. While several of our advisories regularly study world language with the Duolingo application, we do not plan to launch a formal World Language Program for the 2018-19 School Year. With limited funds we will not apply our fund to this year. However, we hope to build out a World Language Program in the next couple of years.

Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>

4. 5th to 6th Grade Enrollment Retention

Programmatic Narrative Based on Data Analysis		
<p>All of our middle school students took a survey, that included a variety of questions about how they like the current electives being offered, and what they would like to see in future. We learned our students are very interested in the arts, and enjoy music, dance and drama. We are expanding the exposure of these option to our rising 5th graders, and potentially working together on a campus production for 2018-19. Our parents also agreed our students should continue to participate in the options for electives.</p>		
Budget	Description of 2018-19 Proposed Expenditures	Anticipated Student Outcome <i>(Include measurable student outcomes for each proposed activity. For example, number of students served, or percent increase in math achievement for specific student group.)</i>

5. Safe and Positive School Culture

Programmatic Narrative Based on Data Analysis		
<p>Although many of our elective classes have been larger in size that our regular PE program, our teacher is strong and very talented. The school culture and climate has improved with the variety of elective options, and the students ability to participate in programs not recently offered. Our attendance has improved over the previous year, and our schools Climate Culture Team is excited about how the G1 dollars have supported our students and their desire to participate in middle school electives like drama, dance, choir, and theater.</p>

Please submit your 2018-19 Measure G1 application to Mark Triplett (mark.triplett@ousd.org) and Linda Pulido-Esquivel (linda.esquivel@ousd.org).

Madison Park Academy Staff Engagement Meeting Notes
Measure G1 2/13/18

Briefly reflect on our program so far this year. How have electives gone? What should our electives program look like next year? Should we continue to use our G1 allocation for electives?

Lauren	lauren.brown@ousd.org	Ice Breaker and sharing ideas	idk people were GRRRUMMPYYYY	I love electives. I think we need more electives.
Filiberto Chavez	filiberto.chavez@ousd.org	Having a modeling of conferences.	Have lots of coffee.	I think it has worked well. I would like to see more choices for students like art and typing.
Elisha Davis	elisha.davis@asu.edu	Compromising, listen to different ideas and wanting to be efficient.	Nothing. Keep the good vibe and continue sharing different perspectives.	Electives are okay. Constant class switches out the deadlines so having an additional deadline or extension for special cases.
JUAN RODRIGUEZ		Students demonstration of parent conference.	So far , so good.	This is a work in progress. We will develop newer strategies as go move on.
Agnes Marcelo	agnes.marcelo@ousd.org	Modeling the student-led conference and planning time by grade level	I think that it is great having the CC discuss issue relevant to the school	It's great that students have a choice. Yes.
Colette	colette.west@ousd.org	6th grade developed a way to get	Nothing	We need room for electives. Some students need to have the option to take math/english intervention, instead of electives
Edith Torres	edithdejesus.torres@ousd.org	N/A	N/A	N/A
Katie Alton	katherine.alton@ousd.org	It was great to talk about parent teacher conferences, and have it modeled for us.	not sure	It seemed like the students really loved being able to choose electives.
Pilar	pmendezcruz@fordham.edu	planning time	nothing	students need art class. if this is an art and design track students need to be working in the arts in middle school
Nicole Green	nicole.green@ousd.org	Seeing examples of conferences	Have a survey where teachers can report what they need most for PD	I think electives are really important. Giving students a chance to suggest some, as well as surveying teachers to see what skills and content they may be able to teach as an elective (for example, I'm aching for a horror literature class, or a cognition class [yaaaaas I also science]). It would be fun to connect with students over topics we share passion for!

				And I firmly believe student choice can be really powerful. Choice + Rigor = Kickass School.

Madison Park Academy
Meeting Minutes for February 12, 2018
Measure G 1 Information Meeting
12:30pm

Dr. Taylor discussed -

This meeting is to inform you, how we would like to use our Measure G1 Money for the 2018-19, \$66,447 to fund a 1.0FTE for Middle School Electives. We talked about MPA Elective student data, collected on January 17, 2018, that had been collected by all 369 middle school students, and their suggested options for the second semester electives. We then took feedback on this year's program. Parent were happy to see students participating in drama, music and dance. We then began a discussion about next years elective plans. That's when parent opted to let students determine options, like this year.

Esta reunión es para informarle cómo nos gustaría utilizar nuestra Medida G1 Money para el 2018-19, \$ 66,447 para financiar un 1.0FTE para las Electivas de la Escuela Secundaria. Hablamos acerca de los datos de los estudiantes, recopilados el 17 de enero de 2018, que habían sido recopilados por los 369 estudiantes de escuela intermedia, y sus opciones sugeridas para las materias optativas del segundo semestre. Luego recibimos comentarios sobre el programa de este año. Los padres estaban felices de ver a los estudiantes participar en el drama, la música y el baile. Luego comenzamos una discusión sobre los planes electivos del próximo año. Es entonces cuando los padres optaron por dejar que los estudiantes determinen las opciones, como este año.
