OAKLAND UNIFIED
SCHOOL DISTRICT

Community Schools, Thriving Students

OAKLAND UNIFIED SCHOOL DISTRICT
Office of the Board of Education
June 27, 2012

TO: Board of Education

FROM: Dr. Anthony Smith, Ph.D., Superintendent

SUBJECT: Master Memorandum of Understanding between OUSD and ASPIRANET

ACTION REQUESTED

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Aspiranet, on behalf of the District to provide services to students. This establishes a one year relationship with Aspiranet, and a Not-To-Exceed amount of \$1,578,696.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

BACKGROUND

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services between like schools. Each Individual Service Agreement will be submitted to the board for ratification. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

DISCUSSION

Vendor: Aspiranet

Overview of Services: Aspiranet contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities family literacy and targeted Equitable Access services to students that are high risk to meet grant compliance of ASES and 21st Century grants.

Not-To-Exceed Amount: \$1,578,696.00

Determination of Not-to-Exceed Amount: Based on historical data and projections for the coming school year, it is anticipated that Aspiranet will provide services to 10 school sites.

The District contracts with agencies to provide various activities and after-school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Aspiranet, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Aspiranet. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the RBB Budget, and a review of State and Federal compliance funding when applicable.

RECOMMENDATION

Approval of Master MOU between the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute a Master Memorandum of Understanding and Individual Service Agreement(s) with Aspiranet in an amount Not-To-Exceed \$1,578,696.00.
