**Is Vendor a local Oakland business?** Yes  No

**Why was this Vendor selected?**

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**Summarize the services this Vendor will be providing.**

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

**Was this contract competitively bid?** Yes  No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

- Special Services** contracts for financial, economic, accounting, legal or administrative services

Memorandum of Understanding 2017-2018  
Between Oakland Unified School District and  
Girls Inc. of Alameda County**

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Girls Inc. of Alameda County ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 193/Reach Academy under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21<sup>st</sup> CCLC funds.
  - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
  - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation.** The ASESP and 21<sup>st</sup> CCLC grant award amount for Girls Inc. of Alameda County is \$81,221. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed **\$81,221** in accordance with Exhibit B. Exhibit B ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2017-2018").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASESP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 193/Reach Academy, will be responsible for operations and management of the ASESP, 21<sup>st</sup> CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2017-2018. This shall include the following required activities:

<b>SECTION 1: School Site Information</b>	
School Site: REACH Academy	Lead Agency: Girls Incorporated of Alameda County
Principal Signature: 	Lead Agency Signature: 
After School Site Coordinator Name (if known at this time): Xavier Buster	Date: 4/21/2017
Name of After School Program: Reach Extended Learning Program	
<p><b>SECTION 2: PROGRAM OPERATIONS: Average Daily Attendance, Program Dates, Minimum Days</b>                  To be compliant with grant requirements, the after school program must commence immediately upon the conclusion of the regular day, operate a minimum of 3 hours/day, and be open until at least 6pm on every school day for elementary and middle schools. (EC 8483) Programs are required to operate all 180 days of the school year.                  * CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.</p>	
Projected Daily Attendance during School Year 2017-2018	85
First Day of Program Operations for the 2017-18 school year	8/21/17
Last Day of Program Operations for the 2017-18 school year	6/7/18
List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.	10/12, 3/16, 6/7

<p><b>Minimum Days</b> When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.</p>	
Projected Number of Minimum Days for School Year 2017-2018	18
*School should provide lead agency with a calendar of minimum days before the 1st day of school.	Girls Inc. will cover the costs to cover all additional program hours caused by minimum days. This will ensure that program starts directly after school and until 6pm daily.
Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any).	
Please note that the ASES grant from CDE does not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school funds will be utilized to fund these additional hours of program?	
<p><b>SECTION 3: Program Model and Lead Agency Selection</b></p> <p>For 2017-2018, my site will operate the following program model:</p> <p><input type="checkbox"/> Traditional After School: voluntary program open to all students, with enrollment priorities targeting certain students</p> <p><input type="checkbox"/> Extended Day Program: additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)</p> <p><input checked="" type="checkbox"/> Blended/Hybrid: combination of some extended day and some traditional after school programming</p>	
<p><b>Description and Rationale for Selection of Lead Agency</b> Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.</p> <p>REACH Academy's After School Program is a collaboration between Girls Inc. of Alameda County and REACH Academy Elementary. Girls Inc. has a longstanding partnership with OUSD (since 1999) providing afterschool, summer and mental health services for children and families. Girls Inc. has contracted with numerous OUSD schools, including serving as the lead agency, providing comprehensive afterschool services for elementary,</p>	

<p>middle and high schools. Girls Inc.'s dedication to the youth and families of Oakland, their high quality programming, and vast experience serving East Oakland schools is well aligned with REACH's own vision and mission. In addition, Girls Inc. has an excellent reputation within the District and throughout Alameda County as a service provider and as a responsible recipient of public grant funds.</p>			
<p><b>SECTION 4: SCHOOL PRIORITIES AND GOALS IN SPSA</b></p> <p>In collaboration with school leadership, review the school's priorities and goals listed in its 2017-18 SPSA school site plan. All after school programs are expected to support the school's goals for: 1) Culture and Climate and 2) Family and Student Engagement</p> <p>Additionally, identify at least 1 other priority area from the list below that your afterschool program will intentionally support. **SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY**

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.*

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Program Orientation	Family engagement	Parents will attend the mandatory orientation to meet staff, review curriculum/unit plans and review attendance and behavior policies and procedures.	100% of parents/guardians will participate or attend a one on one make up session with the after school program coordinator	Policies and procedures will align with cool day goals.
Family Read Night	Family engagement	Annual Read Night will help parents to value reading and storytelling in their home as the best means for supporting their children's literacy development.	70% families will participate in the event	Family Read Night is a school wide event and all students and families will have access to it.

EXPO nights	Family Engagement	Presentations of Learning Students will display the work created during the after school programming hours.	70% of families will participate in the event.	Expo nights will align with school day back to school nights and other school day events.
<b>SECTION 9: PROGRAM SCHEDULE</b>				
<p>a) Submit your program schedule as an attachment, using the standard <a href="#">program schedule template</a>. The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.</p> <p>b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.</p> <p>c) Make sure program schedule clearly shows when the following elementary program requirements will take place:</p> <ul style="list-style-type: none"> <li>● One hour/week of literacy instruction for students in grades K-5</li> <li>● One hour/week of math instruction for students in grades K-5</li> </ul> <p>d) Submit a copy of the school bell schedule for the 2017-18 school year.</p> <p><b>Important Notes:</b> The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)</p> <p>Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)</p>				
<p><b>SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN</b></p> <p>Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.</p> <p><i><b>in partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing</b></i></p>				

<p><i>that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.</i></p> <p>Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select at least two of the following strategies below, and identify specific action steps that your program will implement for each strategy.</p>	
Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Program Coordinator will work with office attendance staff/office clerk to identify students who are at risk of chronic absenteeism and target them for recruitment.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	All parents will attend a mandatory orientation to review attendance policy. Parents will sign the program handbook, acknowledging their understanding and agreeing to the attendance requirement
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	The Program Coordinator/assistant will check daily attendance and contact every family of students who were missing from program to find out why they're absent.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	The after school program will hold monthly attendance recognition assemblies recognizing students with improved and perfect attendance. Each class will have an individual attendance incentive program.
<p><b>SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE</b>            After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.</p> <p>The following are strategies that OUSD schools are taking to create positive school culture and climate:</p> <ul style="list-style-type: none"> <li>• Positive Behavioral Intervention and Supports (PBIS)</li> </ul>	

<ul style="list-style-type: none"> <li>● Restorative Justice/Restorative Practices (RJ)</li> <li>● Social and Emotional Learning (SEL)</li> </ul> <p>After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.</p> <p>a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting <b>at least one strategy</b> that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may include any of the following action steps for alignment:</p> <ul style="list-style-type: none"> <li>● Participate in site-level professional development (PD) together with school day staff</li> <li>● Participate in district-sponsored PD, including PD offered by the Expanded Learning Office</li> <li>● Participate in relevant school committees (i.e. Culture and Climate Committee, COST, ILT, etc.)</li> <li>● Align with school day curriculum and practices</li> <li>● Align with school day routines and structures</li> <li>● Observe school day classrooms to align expectations and practices</li> <li>● Other ways to align (please specify)</li> </ul>	<p><b>Select at least 1 strategy:</b></p>	<p><b>Strategy</b></p> <p>Positive Behavioral Intervention and Supports (PBIS)</p>	<p><b>What will the after school program do to align with school day efforts in this area?</b></p> <p>The afterschool program is rooted in positive youth development practices. All staff are well trained in positive behavior strategies that help redirect students and help them modify their behavior. The after school program coordinator will meet with the Principal to co-develop a behavior system that aligns with the school day. In addition, the after school staff will meet monthly with school day teachers to discuss individual student successes, challenges and goals. The after school staff will formally communicate with parents monthly to address challenges and highlight successes and growth.</p> <p>An After School Family Handbook will be co-created with the Principal so that it aligns with the school day. The handbook will be reviewed with all incoming students and their families during a mandatory family orientation. Families will sign acknowledging their understanding and agreement of behavior policies, which includes an anti-bullying pledge that aligns with school day culture.</p>
--	---	--	---

<p>The after school program coordinator will meet regularly with the Principal to discuss students in need of case management, counseling services, or other referrals. The after school program collaborates with Pathways Counseling Center to provide resources to staff in trauma informed behavior management. The after school coordinator will also communicate with the After School Program Manager and OUSD Behavioral Health Manager supporting the school.</p>	<p>Restorative Justice/Restorative Practices (RJ) Social and Emotional Learning (SEL)</p> <p>Our after school program encourages positive, supportive relationships and builds a classroom environment that that promotes and supports SEL skills by utilizing the Building Intentional Communities curriculum regularly throughout the school year, as well as including SEL competencies in our lessons and curriculum. Program staff help students to make classrooms a safe and inclusive environment that promotes learning by demonstrating respect, listening to students, and conveying positive expectations about respectful and caring behavior. This creates a safe space for students to practice talking about feelings, managing friendships, handling conflicts and thinking through problems part of the everyday conversation. Our program provides meaningful leadership opportunities through roles and responsibilities which build students' sense of capability as well as their motivation. Our curriculum, lessons, and academic discussions give students the opportunity to think about and discuss their own thoughts and feelings as well as the feelings and emotions of others related the books they're reading and topics they're learning about in program, which focus on strong, smart and bold qualities. We provide students with academic and enrichment activities that encourage positive communication and cooperation by giving youth regular opportunities to work in pairs and/or small groups. Our use of trauma informed behavior management and PBIS supports students to meet behavior expectations by giving them immediate and frequent feedback that is positive and encouraging, and provides students with opportunities to learn and practice new skills.</p>

b) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American

students at your school (i.e. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.).

All students in the after school program will be held accountable for their behaviors and get help managing their emotions by meeting with their mentors/group leaders, coordinator, and parents about the root of behaviors. Suspensions and expulsion will be a last resort. A behavior reflection form will be given to all students with challenging behavior and it will include a section asking all group leaders/instructors to detail the preventative steps taken to modify a student's behavior. The after school program will need supporting evidence (behavior reflection forms, meeting notes, behavior contracts) proving that steps were taken to modify a student's behavior prior to any reflection form. Prior to any suspension and/or expulsion, the Principal and coordinator will meet to discuss the behavior and the fairness and consistency by all staff involved.

We will also support this priority group of students through our use of curriculum and training supports from the One Circle Foundation's The Council for Boys and Young Men. The Council meets a core developmental need in boys for strong, positive relationships. In this structured environment, boys and young men gain the vital opportunity to address masculine definitions and behaviors and build their capacities to find their innate value and create good lives - individually and collectively.

### Section 13: 2017-18 After School Enrollment Policy for REACH Academy School

OUSD has established [district-wide guidelines for Target Population and Enrollment](#) in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

#### **Priority Enrollment and Transitions Support for High Need Populations of Students**

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

#### **Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

**13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:**

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

**Which grade levels will you serve in this program? 1 - 5 \_\_\_\_\_**

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Homeless youth	Teacher or counselor referral/recommendation, parents/guardian feedback	One or more of the following strategies will be used: informational flyers/invitation to join program home to families, school referral forms, Coordinator outreach to families, school outreach/follow-up (when needed), open house/orientation
Foster youth	Teacher or counselor referral/recommendation, parents/guardian feedback	One or more of the following strategies will be used: informational flyers/invitation to join program home to families, school referral forms, Coordinator outreach to families, school outreach/follow-up (when needed), open house/orientation
English language learners and/or Newcomers	Teacher or counselor referral/recommendation, parents/guardian feedback	One or more of the following strategies will be used: informational flyers/invitation to join program home to families, school referral forms, Coordinator outreach to families, school outreach/follow-up (when needed), open house/orientation
Students in need of academic support and intervention to improve or sustain academic performance.	Fountas & Pinnell, SBAC, SRI, performance, grades	One or more of the following strategies will be used: informational flyers/invitation to join program home to families, school referral forms, Coordinator outreach to families, school

Students in need to social-emotional support.	Teacher or counselor referral/recommendation, parents/guardian feedback	outreach/follow-up (when needed), open house/orientation
Students with siblings already enrolled in program based on priorities.	parents/guardian feedback	One or more of the following strategies will be used: informational flyers/invitation to join program home to families, school referral forms, Coordinator outreach to families, school outreach/follow-up (when needed), open house/orientation
		Coordinator outreach to families, open house/orientation

**13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:**

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

Our Program Coordinator and Manager will work with the school Principal, Quality Support Coach and/or other identified school personnel to identify students who are high need and what supports (academic, SEL, language, etc.) are needed both in transitioning into the program and once they are in program. Student updates will be discussed and assessed regularly at collaborative meetings to ensure that both after school program and school day staff are aware of students' successes, areas of concern, and/or additional supports needed to help them be successful. These monthly collaborative meetings will also be a time where we work together to identify any additional incoming students who are at high need and space within the program. Modification to attendance policies will be made in collaboration with COST team on a case by case basis based on student & family needs.

**13c) ENROLLMENT PROCESS AND TIMELINE:**

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017. Indicate how families will be notified of 2017-18 enrollment before the last day of school, June 9, 2017.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
<b>May-June</b>	Enrollment; teacher referrals	Site Coordinator Principal Literacy Specialist Quality Support Coach
<b>August (early)</b>	Summer mailing	Site Coordinator
<b>August (late)</b>	Mandatory family orientation Families sign Family Handbook After school program begins on the 1 <sup>st</sup> day of school, with enrollment at a minimum 75% capacity.	Site Coordinator Assistant
<b>August-September</b>	New school year enrollment of families for remaining program slots. Remaining program slots will be filled by September 2016. Program will maintain a waitlist after program slots are filled.	Site coordinator Assistant

**Important dates to include in your timeline:**

- April – June: Spring enrollment for 2017-18 programs.
- Families will be notified of 2017-18 after school enrollment before the last day of school, June 9, 2017.
- After school programs begin on 1<sup>st</sup> Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2017, except for slots reserved for transitional students (ie. Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain waitlists after program slots are filled.

**13d) School Support for Program Recruitment**

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

The Principal will be given a list of potential returning students by June 2017. The After School Program Coordinator will give all teachers an after school program referral form (based on literacy, SEL & targeted population need) by May 2017. The After School Program Coordinator will confirm student needs with the Principal and they will work together to finalize the 2017-18 roster. Parents will be notified of after school decisions by July 2017 and will have to attend a mandatory Family Orientation before the first day of school. Teachers will support filling vacancies occurring midyear by referring eligible students. Quality Support Coach and/or Principal will support by following up with families who have been whose students have been identified as targeted populations that would benefit from after school program and/or have been referred but have not responded.

**Section 15: After School Quality Support Coach**

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* continuous quality improvement processes by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, curriculum, instructional strategies, data, and strategies to ensure positive school culture and climate.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards.
- Provide on-site coaching to after school staff implementing literacy and math curriculum.

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The required budget allocation for this position is \$2,500 for the year, equivalent to 72 hrs/year at a Paid-In-Service contract rate of \$34.67/hour. (Note this pay rate may change if there are district pay raises next year.)

**Quality Support Coaching Planning**

a) Please identify who will fulfill the Quality Support Coach role for 2017-18:

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): \_\_\_\_\_

If known, please specify the name of the person who will fill the Quality Support Coach role, and identify his/her role in the school:

**Teachers on Extended Contract for Direct Service**

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

**Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract. Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.**

After School staff will participate in site-level faculty safety trainings.

School will provide after school staff with access to disaster supplies and other resources in case there is an emergency after school.

Site Administrator and ASP Site Coordinator will meet regularly to review after school incidences and update safety plans as needed.

Other. Specify:

- Yes
- No

If no, indicate how the school campus will be secured if crisis should occur during after school hours and if lockdown is necessary:

**SSO Staffing: (check one)**

**Section 17: Professional Development and Staff Wellness**

**Professional Development Expectation**

After school staff will receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs will utilize data, including YPQA/SAPQA program quality data, to determine the areas of focus for professional development. Providing after school staff with meaningful professional development is a shared opportunity & responsibility for both the lead agency and host school site.

Additionally, the OUSD Expanded Learning Office will provide extensive professional development throughout the year including: mandatory After School August Institute (week of July 31 - Aug. 4); mandatory monthly site coordinator meetings (2 hrs/month); continuous quality improvement (CQI) trainings; monthly agency director meetings; various professional learning communities (time commitment varies); local conferences (ie. annual Bridging the Bay conference), and other relevant district trainings (ie. safety, PBIS, etc.).

a) What professional development, coaching, and training supports will be provided by the lead agency partner?

Program staff will receive 2.5 hours of PD weekly. Topics for the PD include but are not limited to: behavior management, effective facilitation, safety procedures and protocol, relationship building with students/families, literacy and STEM instruction (with developed curriculum). Sessions are led by experts in their field such as a Literacy Specialist who will provide in depth training in the fundamentals of literacy, implementing curriculum components like read aloud, word work, developmentally appropriate teaching and strategies for ELL. In addition, staff will participate in 2 hours monthly of consultation where they will discuss and learn about child development stages, addressing behavior challenges and positive youth development.

Staff engages in regular coaching with their supervisor. Weekly meetings are established to discuss various topics which include implementing curriculum, giving and receiving feedback as well as providing best practices. Supervisors work with staff to set goals to improve program and reassess on their progress each week. Supervisors provide formal feedback each quarter or as needed and provide informal observations as time allows during program. The Literacy Specialist, Program Manager, Director, and Girls Inc.'s Directors of Evaluation and Training will conduct formal observations quarterly to provide program staff and coordinators feedback about individual groups and site trends and develop training that respond to challenges.

b) What professional development opportunities will be provided by the school site?

The Principal will meet with the Coordinator to review Emergency Procedures/protocol prior to the first day of school. The Coordinator and Academic Group Leaders will also attend any relevant school day PD

**Please review and sign off on the following:**

My lead agency and school partner understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year).  Yes  No

**Staff Wellness**

**Please describe ways your program will work to support staff wellness over the course of the year:**

Pathways Counseling Center will provide an average of 2 hours a month of consultation to all after school staff at REACH Academy. Consultation will give staff a structured space to discuss challenges, successes, and ways to support each other throughout the year.

All REACH Academy staff will have access to Girls Inc. facility and resources, which include a gym, yoga classes, a full kitchen, and mindfulness trainings.

**Social and Emotional Learning (SEL)**

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

**Describe how you will work intentionally to develop SEL skills in program staff, so that they can model SEL skills to students:**

Our agency is committed to hiring and training quality after school program staff to create and foster safe and caring classroom environments that promote a love of learning while helping students in mastering common core standards. We provide training and supports that focus on youth development principals, trauma informed positive behavior management practices, lesson plans and facilitation, building intentional communities, meaningful participation, building youth leadership and other areas necessary to empower staff to best respond to students' needs.

**Continuous Quality Improvement (CQI)**

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based **Assess-Plan-Improve CQI** process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- year-end self-assessment and QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

**Review and mark all commitments:**

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- Site coordinator will share CQI data with Site Administrator and school staff.
- Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. **By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.**

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

**I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.**

Statement of Qualifications

**INSERT HERE**

**girls  
inc.**

of Alameda County

## Statement of Qualifications

### **Mission and Vision:**

Girls Inc. of Alameda County's mission is to inspire all girls to be strong, smart, and bold. Since 1958, we have responded to the unique needs of girls in the least resourced Alameda County communities, equipping them to navigate gender, economic, and racial barriers and grow into healthy, educated, and independent adults. Our cost-free continuum of programs and counseling services are developmentally appropriate, recognizing girls' changing needs as they grow. From literacy activities in elementary school, to exciting hands-on science projects in middle school, to building college readiness in high school, Girls Inc. girls receive the support and the opportunities they need to thrive.

### **What We Do:**

Girls Inc.'s **elementary programs** support girls' success by helping them master foundational academic skills, learn to stay healthy, and build positive relationships with peers and adults. Girls gain reading fluency, practice healthy living habits, and engage together on hands-on, minds-on STEM-based projects.

Girls Inc.'s **middle school programs** support girls' success by providing a supportive pro-girl space, where they can develop a positive identity and access a wide variety of challenging academic and physical activities. Girls build sisterhood, participate in design-based STEM projects and field trips, gain necessary knowledge to make healthy decisions, and begin to think about their future post-high school graduation.

Girls Inc.'s **high school programs** support girls' success through a focus on college- and workplace-readiness, sisterhood, and community leadership. Girls deepen their exploration of STEM subjects, connect further with career options, learn how to apply to and pay for college, educate their peers on reproductive health issues, develop an understanding of social change, and work towards the goals they have set for themselves.

Girls Inc.'s **Pathways Counseling Center** provides girls, boys and families with accessible, culturally and linguistically appropriate mental health and case management services, as well as providing mental health consultation for youth-serving adults.

## **Who We Serve:**

Girls Inc.'s programs are offered free of charge in twelve underperforming public schools in Oakland and San Leandro, and at two Girls Inc. community centers in Oakland. Girls served are overwhelmingly girls of color, with 39% identifying as Latina, 30% as African American, 10% as Asian American, 8% as White, 4% as Filipina, and 10% as multi-ethnic/racial or of another ethnicity/race (2015/16 data). Most girls live in the East Bay's least resourced neighborhoods, resulting in 91% percent of our participants participating in the Federal Free or Reduced-Priced Meals program. In addition, 40% of girls speak a language other than English at home, 30% live in a single parent home, and 25% of participants' caregivers did not complete high school- all of which can make it more of a challenge to provide needed academic support after school. Girls Inc.'s programs currently impact over 10,000 girls, families, and community members each year.

## **Accomplishments:**

Girls Inc.'s primary accomplishment is the impact programs are having on the youth we serve. The following are examples of impact from the 2015-16 program year:

- Participants in GIRLStart are **three times more likely to read at or above grade level** in 3rd grade than their peers.
- 100% of caregivers reported that WOW! increased their 4th or 5th grade daughter's **interest and confidence in science**.
- 100% of caregivers reported Girls Inc. helped their middle school daughter develop positive relationships with other girls, and **supported her in becoming a role model**.
- Nine in ten girls in our Eureka! program now believe **women can have successful careers in a variety of fields**, including STEM.
- **100% of Girls Inc. seniors enrolled in college** and 97% were the first in their families to do so.

In addition, Girls Inc. appreciates outside recognition for our work in the community. Most recently, this includes: 2015- ranked as one of six "highly recommended" organizations to serve as an after school lead in OUSD elementary schools; 2016- profiled among eight "exemplary organizations" nationally in the Thrive Foundation for Youth report, "Nine Principles of Highly Effective Youth Service Organizations"; and 2016- awarded a Four Star rating from Charity Navigator for 8 of the last 11 years.
