However, Charter School specifically acknowledges, understands, and agrees that District is neither responsible for nor has the obligation to supply, provide, establish, maintain, or operate District's Safety Measures for either Charter School or the Designated Space. Charter School further expressly acknowledges and agrees that District shall not be liable for and is hereby released from any and all responsibility for any damage, loss, or injury to Charter School or its personal property resulting or arising out of any criminal activity (including, but not limited to, any damage, loss, or injury resulting from intrusions, petty theft, vandalism, or other similar acts) that may occur on or near the Designated Space, regardless of whether District was able to, actually did, or failed to provide notice to Charter School of a safety incident or situation occurring on the Designated Space which led to the damage, loss, or injury. District makes no warranties or representations as to the safety or security of Charter School, the Designated Space, the School Site, or District's Safety Measures. Unless expressly agreed to by District and Charter School, Charter School shall be responsible, at its sole cost, for supplying, providing, establishing, maintaining, and operating its own safety measures, protocols, personnel, or systems to encourage and ensure the security of Charter School, its agents, officers, employees, licensees and invitees, and the Designated Space ("Charter School's Safety Measures"); provided, however, that Charter School must obtain prior written approval from District prior to employing Charter School's Safety Measures and provided that all of Charter School's Safety Measures are compatible with District's safety system or protocol.

- 6.2. Charter School acknowledges that neither District nor District's agents have made any representation or warranty as to the suitability of the Dedicated Space for Charter School or Charter School's Program. Any agreements, warranties or representations not expressly contained in this Agreement shall in no way bind the District or Charter School, and District and Charter School expressly waive all claims for damages by reason of any statement, representation, warranty, promise or agreement, if any, not contained in this Agreement.
- 6.3. The Parties agree that if the structural elements of the Dedicated Space become damaged to a lesser condition than currently exists, and if the structural damage is due to no fault or negligence of Charter School, then District will repair the damage in order to bring it back to a condition which is similar to the condition which exists at the time Charter School takes possession of the Dedicated Space. District may, however, terminate this Agreement if the cost to repair the Premises exceeds Five Hundred Thousand dollars (\$500,000) per incident. District will pro-rate the Rent during the "repair" period, if the resulting structural damage prohibits Charter School from carrying out its normal daily Activities. If District elects not to perform a repair estimated to cost in excess of One Hundred Fifty Thousand dollars (\$150,000) per incident, Charter School may elect to remain in possession of the Dedicated Space and pay the Rent, unless revised through mutual agreement of the Parties, or Charter School may elect to terminate this Agreement. If necessary and to the extent practicable, the District shall provide the Charter School temporary housing on the School Site, or another school site that is near to the Dedicated Space for any part of the Charter School program that is displaced by the partial damage and/or the repair work of the same.
- 6.4. 7. Title to School Site/Dedicated Space. The Parties acknowledge that title to the School Site/ Dedicated Space is held by District.

8. Term.

- 8.1. The term shall be three (3) years, for the period from July 1, 2015 to June 30, 2018, with an option to renew for one additional five (5) year term at option, subject to earlier termination if LEADERSHIP PREPARATORY SCHOOL program ceases to operate after a revocation, nonrenewal or surrender of the charter to the granting agency, and all appeals have been exhausted. If the Parties wish to

renew this Agreement after expiration of the option term, this can only be done by a separate writing executed by the Parties that complies with Education Code section 17534(b) (which requires capital outlay improvements by LEADERSHIP PREPARATORY SCHOOL to exceed the term beyond five (5) years).

- 8.2. If the Parties intend to renew this Agreement after the Term, the Parties shall execute a separate writing signed by both Parties.
- 8.3. On the last day of the Term hereof Charter School shall surrender to District the Dedicated Space and improvements in good order, condition and repair, reasonable wear and tear excepted, free and clear of all liens, claims and encumbrances. If the Dedicated Space is not so surrendered, Charter School shall indemnify District against loss or liability resulting from delay by Charter School in so surrendering the Dedicated Space including, without limitation, any claims made by any succeeding tenant or loss to District due to lost opportunities.

9. Facility Use Fee

- 9.1. For 2015-16, 2016-17 and 2017-18, the fee shall be \$3.80 per square foot, based upon 24,292 square feet or a total of \$154,207.00. If LEADERSHIP PREPARATORY SCHOOL exercises the option to extend the term an additional five years, during the five year option period the rate shall be the 2018-19 Prop 39 or equivalent rate.
- 9.2. Rent for the first month shall be due on or before the Commencement Date. Thereafter, Rent shall be due on the first of each month during the Term, without deduction, setoff, prior notice or demand.
- 9.3. Charter School acknowledges that late payment by Charter School to District of the Rent and other sums due hereunder will cause District to incur costs not contemplated by this Agreement, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. Accordingly, if District does not receive any installment of rent or any other sum due from Charter School by 4:00 p.m. within ten (10) days after such amount is due, Charter School shall pay to District, as additional rent, a late charge equal to five percent (5%) of such overdue amount or the maximum amount allowed by law, whichever is less. The parties hereby agree that such late charges represent a fair and reasonable estimate of the costs District will incur by reason of late payment by Charter School. Acceptance of such late charge by District shall in no event constitute a waiver of Charter School's default with respect to such overdue amount, nor prevent District from exercising any of its other rights and remedies granted hereunder.
- 9.4. Taxes, costs, expenses, assessments, levies, possessory interest taxes, late charges, and other charges and governmental fees, general and special, ordinary and extraordinary, unforeseen, as well as foreseen, of any kind or nature whatsoever, which prior to or during the Term of this Agreement, assessed,

levied, or imposed upon or become due and payable which Charter School is required to pay hereunder, together with all interest and penalties that may accrue thereon in the event of Charter School's failure to pay such amounts, and all reasonable damages, costs, and attorneys' fees and expenses which District may incur by reason of any default of Charter School or failure on Charter School's part to comply with the terms of this Agreement, shall be deemed to be additional rent ("Additional Rent") and, in the event of nonpayment by Charter School, District shall have all of the rights and remedies with respect thereto as District has for the nonpayment of the Rent. The provisions of this Section shall survive the expiration or earlier termination of this Agreement.

- 9.5. Any amount due to District not paid when due shall bear interest at one and one-half percent (1.5%) per month commencing thirty (30) days after the due date, but not to exceed the maximum rate permitted by law. Payment of interest shall be in addition to any late charges owing pursuant to this Agreement and shall not excuse or cure any default by Charter School under this Agreement.

10. Utilities.

- 10.1. District shall furnish or cause to be furnished to the Dedicated Space the utilities necessary for Charter School's Activities. For purposes of this Agreement, utilities include electrical, natural gas, sewer, waste disposal/recycling and water services ("Utilities"). The District's failure to furnish or cause to be furnished Utilities when the failure is caused by (i) acts beyond the reasonable control of the District; (ii) strikes, lockouts, labor disturbances or labor disputes of any kind; (iii) any laws, rules, orders, ordinances, regulations, requirements or any other action by federal, state, county or municipal authority; or (iv) any other unavoidable delay, shall not cause the District to be in default of this Agreement and shall not result in any liability of the District. Charter School shall comply with all District energy conservation policies relating to use of the Dedicated Space.
- 10.2. The Charter School shall pay the District's costs to provide the Utilities in an amount equal to the percentage of the Charter School's use of the School Site ("Use Percentage") multiplied by the total cost of Utilities provided to the School Site. The Use Percentage shall be calculated based on the square footage of the Dedicated Space plus the Charter School's proportional use of Shared Space, if applicable, as shown in Exhibit "A". Charges for Utilities shall be paid by Charter School on a quarterly basis as billed by the District.
- 10.3. The Charter School shall obtain its own internet service and telephone provider and shall assume sole responsibility for upkeep and maintenance of all telephone systems, data lines, and related equipment, software and hardware. Charter School may use any pre-existing T-1 Line located in the Dedicated Space, if any. In the event Charter School uses a pre-existing T-1 Line, Charter School shall transfer billing of the line to Charter School upon approval from the District's Technology Services Department.

11. Taxes and Assessments.

- 11.1. With the exception of assessments related to any improvements completed by District prior to the Commencement Date, Charter School shall pay a proportional share of any assessment on the Dedicated Space, including any Improvements which Charter School constructs or causes to be constructed on the Dedicated Space, whether real estate, general, special, ordinary or extraordinary, or rental levy or tax, improvement bond, and/or fee imposed upon or levied against the Dedicated Space or Charter School's legal or equitable interest created by this Agreement, and the taxes assessed against and levied upon Charter School's alterations and utility installations that may be imposed by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Dedicated Space's address and where the proceeds so generated are applied by the city, county or other local taxing authority having jurisdiction. The provisions of this Section shall survive the expiration or earlier termination of this Agreement. Nothing in this provision shall be construed to override the requirement in this Agreement that Charter School obtain the express written consent of the District to perform any improvements on the Designated Space or School Site, unless expressly permitted by this Agreement.

12. Maintenance and Repairs.

- 12.1. District shall maintain the Dedicated Space in a good condition consistent with the condition of the Dedicated Space existing on the Commencement Date, including all custodial duties and pest abatement. Charter School acknowledges and accepts that the Dedicated Space are leased in "AS IS" condition. District shall keep and maintain the structural elements of the buildings, as hereinafter defined, on the Dedicated Space in the condition existing at the time Charter School takes possession of the Dedicated Space excepting normal wear, tear and damage by casualty.
- 12.2. District shall have no maintenance or repair obligations with respect to the Dedicated Space except as expressly provided in this Section. Charter School hereby expressly waives the provisions of California Civil Code sections 1932(1), 1941 and 1942, and all rights to make repairs at the expense of District as provided in Civil Code section 1942.
- 12.3. If Charter School intends to have any improvements, alterations, work, or other services performed on the Dedicated Space that are not part of the maintenance or repair services indicated herein, Charter School shall request that work via the attached Work Order form in **Exhibit "C,"** attached hereto and made a part of this Agreement.
- 12.3.1. The type of work that would be subject to this provision includes, for example, painting that is requested that is neither repainting nor painting to bring the facility to its original condition, new room dividers, installing or removing casework, whiteboards, or other fixtures, and similar Charter School-requested improvements.

12.3.2. The District shall prepare and provide to Charter School an estimate for that work. If Charter School accepts that estimate, the District shall perform that work as indicated in the estimate and Charter School shall pay for that work as indicated in the estimate, which shall be due and owing with the next month's Rent, unless otherwise agreed to in writing by the Parties.

solely by Charter School. These items shall remain the personal property of Charter School and shall not be treated as real property or become a part of the School Site(s) unless District accepts or Charter School abandons any of this personal property at the end of the Term.

- 13.6. On or before the expiration of this Agreement, or within thirty (30) days after any earlier termination of this Agreement, Charter School shall remove Charter School's Improvements, at its sole expense. In the event that District chooses to accept ownership of Charter School's Improvements, Charter School shall execute any necessary documents to effectuate the change in ownership of Charter School's Improvements. In the event that District removes Charter School's Improvements, Charter School shall pay all invoices for the removal of Charter School's Improvements within thirty (30) days of receipt of such invoices.

The signage shall not require any Improvement to the School Site in order to erect such signage. Any signage shall be in compliance with any District standards previously made available to Charter School and Charter School's receipt of any applicable permits and approvals required under any municipal or other governmental laws, ordinances, rules or regulations; provided, that in the event of any conflict between the District's standards and any applicable municipal or governmental permit and/or approval, the terms and conditions of the municipal or governmental permit and/or approval shall prevail. At the termination of this Agreement, Charter School shall remove any signs which it has placed on the School Site and shall repair any damage caused by the installation or removal of those signs.

Code § 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at the Site. If Charter School or any employee of Charter School is convicted or pleads nolo contendere to a criminal drug statute violation occurring at the Site, Charter School within five (5) days thereafter shall notify the District.

17. Inspection of Dedicated Space.

District agrees to provide Charter School with a set of keys for the Dedicated Space. The District and its authorized representatives shall have the right, after forty-eight (48) hours prior written notice to the Charter School, to enter the Dedicated Space during normal business hours for the purpose of inspection and audit; or to perform Repairs and Maintenance in or on the Dedicated Space. Nothing in this section shall prevent the District from entering the Dedicated Space to address an emergency nor shall this provision restrict the District's authority to enter the Dedicated Space without advanced notice to perform its general oversight responsibilities pursuant to applicable law. An "emergency" shall be defined to include circumstances that risk the health and safety of students, personnel or other persons on the Dedicated Space and/or Site, or circumstances that risk further imminent damage or destruction to the Dedicated Space and/or Site, or otherwise jeopardizes the operation of the Site including, but not limited to, the safety and sanitary condition of the Dedicated Space.

18. Termination.

18.1. **Termination for Cause.** Either Party may terminate this Agreement immediately for cause. Cause shall include, without limitation:

18.1.1. The failure of Charter School to pay any charges or fees due and payable hereunder;

18.1.2. The failure of Charter School to observe or perform any of its covenants or obligations hereunder. The District shall provide Charter School with written notice of default and Charter School shall have ten (10) business days to provide a response to the District either evidencing compliance with the terms of this Agreement or a plan to cure the default and a reasonable timeline acceptable by the District within which Charter School will diligently prosecute the same to completion. In no event shall such default continue for more than ninety (90) days after written notice thereof by the District to Charter School without prior written agreement by the District;

18.1.3. Charter School's abandonment of the Dedicated Space for a period of thirty (30) consecutive days, it being agreed that the fact that any of Charter School's property remains in the Dedicated Space shall not be evidence that Charter School has not vacated or abandoned the Dedicated Space; provided, however, any normal school holidays including summer and inter-term breaks shall not constitute abandonment of the Dedicated Space;

- 18.1.4. Upon receipt of District's notice of termination, Charter School shall surrender and vacate the Dedicated Space in the condition required under this Agreement, and District may re-enter and take possession of the Dedicated Space and all the remaining improvements or property and eject Charter School or any of Charter School's assignees or other person or persons claiming any right under or through Charter School or eject some and not others or eject none. This Agreement may also be terminated by a judgment specifically providing for termination. Any termination under this Section shall not release Charter School from the payment of any sum then due District or from any claim for damages or rent previously accrued or then accruing against Charter School.
- 18.3. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District and/or Charter School.

19. Indemnification.

To the fullest extent permitted by California law, Charter School shall defend, indemnify, and hold harmless District, its agents, representatives, officers, consultants, employees, trustees, and volunteers (the "indemnified parties") from any and all losses, liabilities, claims, suits, and actions of any kind, nature, and description, including, but not limited to, attorneys' fees and costs, directly or indirectly arising out of, on account of, connected with, or resulting from, the operation, condition, use or occupancy of the Dedicated Space, all improvements thereon, and all areas appurtenant thereto; and in case any action or proceeding be brought against District, Charter School shall defend the same at Charter School's sole expense. This Agreement is made on the express condition that District shall not be liable for, or suffer loss by reason of, injury to person or property, from whatever cause in any way connected with the condition, use or occupancy of the Dedicated Space specifically including, without limitation, any liability for injury to the person or property of the Charter School, its agents, officers, employees, licensees

and invitees. Charter School shall keep the School Site and Dedicated Space clear of all liens, encumbrances and/or clouds on District's title to any portion of the School Site and Dedicated Space.

20. Insurance.

- 20.1. Insurance is to be placed with insurers with a current A.M. Best Insurance rating of no less than A-minus: VII and subject to the approval of District. Charter School shall furnish District with the original certificates and amendatory endorsements effecting coverage required.
- 20.2. Charter School acknowledges that the insurance to be maintained by District on the Dedicated Space will not insure any of Charter School's property or improvements made by Charter School.
- 20.3. Charter School shall, at Charter School's expense, obtain and keep in force during the term of this Agreement a policy of commercial general liability insurance and a comprehensive auto liability policy insuring District and Charter School against claims and liabilities arising out of the operation, condition, use, or occupancy of the Dedicated Space and all areas appurtenant thereto, including parking areas. Charter School's comprehensive auto liability policy shall insure all vehicle(s), whether hired, owned or non-owned. Charter School's commercial general insurance shall be at least as broad as the Insurance Service Office (ISO) CG 00-01 form and in an amount of not less than One Million dollars (\$1,000,000) for bodily injury or death and property damage as a result of any one occurrence and a Two Million dollar (\$1,000,000) general aggregate policy limit. In addition, Charter School shall obtain a products/completed operations aggregate policy in the amount of One Million dollars (\$1,000,000). The insurance carrier, deductibles and/or self insured retentions shall be approved by District, which approval shall not be unreasonably withheld. Prior to the Commencement Date Charter School shall deliver to District a certificate of insurance evidencing the existence of the policies required hereunder and copies of endorsements stating that such policies shall:
 - 20.3.1. Not be canceled or altered without thirty (30) days prior written notice to District;
 - 20.3.2. State the coverage is primary and any coverage by District is in excess thereto;
 - 20.3.3. Contain a cross liability endorsement; and

- 20.4. During the Term of this Agreement, District shall maintain at its cost a policy of standard fire and casualty insurance limited to the value of the buildings and improvements located on the School Site as of the Commencement Date. In the event of loss or damage to the School Site, the buildings, the Dedicated Space or any contents, the Parties hereto, and all persons claiming under each of the Parties, shall look first to any insurance in its favor before making any claim against the other Party, and to the extent possible without adding additional costs, each party shall obtain for each policy of insurance provisions permitting waiver of any claim against the other Party for loss or damage within the scope of the insurance and each Party, to the extent permitted, for itself and its insurers, waives all such insurance claims against the other Party.
- 20.5. During the Term of this Agreement, Charter School shall comply with all provisions of law applicable to Charter School with respect to obtaining and maintaining workers' compensation insurance. Prior to the Commencement Date and any renewal of this Agreement and Charter School's occupancy of the Dedicated Space, Charter School shall provide District, as evidence of this required coverage, a certificate in a form satisfactory to District on or before the Commencement Date or any renewal or extension thereof, providing that insurance coverage shall not be canceled or reduced without thirty (30) days prior written notice to District

21. Surrender of Agreement Not Merger. The voluntary or other surrender of this Agreement by Charter School, or a mutual cancellation thereof, shall not work a merger and shall, at the option of District, terminate all or any existing subleases or subtenancies, or operate as an assignment to District of any or all subleases or subtenancies.

OAKLAND UNIFIED SCHOOL DISTRICT Administrative Regulation

AR 3514.2

Business and Noninstructional Operations

Integrated Pest Management

The Superintendent or Deputy Superintendent of Business Services shall develop and implement an integrated pest management program that incorporates effective least toxic pest management practices.

Integrated pest management is a strategy that focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using nonchemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. (Food and Agricultural Code 13181)

Procedures

In the control and/or management of pests at district facilities, the Superintendent or Deputy Superintendent of Business Services shall:

1. Carefully monitor and identify the pest and the site of infestation. Strategies for managing the pest shall be influenced by the pest species and whether that species poses a threat to people, property or the environment.
2. Consider a full range of possible alternatives. Such alternatives include not taking any action or controlling the pest by physical, mechanical, chemical, cultural or biological means.
3. Select nonchemical pest management methods over chemical methods, whenever they are effective to provide the desired control. Cost or staffing considerations alone will not be adequate justification for use of chemical control agents.
4. Use the least toxic material when it is determined that a chemical method of pest management must be used. The least toxic material shall be chosen and applied in accordance with law.
5. Limit pesticide purchases to amounts needed for the year. Pesticides shall be stored at a secure location that is not accessible to students and unauthorized staff, and they shall be stored and disposed of in accordance with state regulations and label directions registered with the Environmental Protection Agency.

(cf. 3514.1 - Hazardous Substances)

6. Ensure that persons applying pesticides follow label precautions and are trained in the principles and practices of integrated pest management.

(cf. 4231 - Staff Development)

Notification

The Superintendent or Deputy Superintendent of Business Services shall annually notify staff and parents/guardians of students enrolled at a school site, in writing, regarding pesticide products expected to be applied at the school facility in the upcoming year. The notification shall include at least the following: (Education Code 17612)

1. The Internet address used to access information on pesticides and pesticide use reduction developed by the Department of Pesticide Regulation pursuant to Food and Agricultural Code 13184.
2. The name of each pesticide product expected to be applied in the upcoming year and the active ingredient(s) in it.
3. An opportunity for interested persons to register to receive notification of individual pesticide application at the school site. The Superintendent or Deputy Superintendent of Business Services shall notify such registered persons of individual pesticide applications at least 72 hours prior to the application.
4. Other information deemed necessary by the Superintendent or Deputy Superintendent of Business Services.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

(cf. 5145.6 - Parental Notifications)

If a pesticide product not included in the annual notification is subsequently intended for use at the school site, the Superintendent or Deputy Superintendent of Business Services shall provide written notification of its intended use to staff and parents/guardians of students enrolled at the school, at least 72 hours prior to the application. (Education Code 17612)

Posting of Warning Signs

The Superintendent or Deputy Superintendent of Business Services shall post a warning sign at each area of the school site where pesticides will be applied, at least 24 hours prior to the application and until 72 hours after the application. The warning sign shall display the following: (Education Code 17612)

1. The term "Warning/Pesticide Treated Area"

2. The product name, manufacturer's name, and the Environmental Protection Agency's product registration number
3. Intended areas and dates of application
4. Reason for the pesticide application

Notification During Emergency Conditions

Whenever the Superintendent or Deputy Superintendent of Business Services deems that the immediate use of a pesticide is necessary to protect the health and safety of students, staff, or other persons, or the school site, he/she shall make every effort to provide the required notifications prior to the application of a pesticide. In such a case, the warning sign shall be posted immediately upon application and shall remain posted until 72 hours after the application. (Education Code 17609, 17612)

(cf. 3514 -Environmental Safety)

Records

Each school site shall maintain records of all pesticide use at the school for four years, and shall make the information available to the public, upon request, in accordance with the California Public Records Act. Such records may be maintained by retaining a copy of the warning sign posted for each pesticide application with a recording of the amount of the pesticide used. (Education Code 17611)
