Subject

Memorandum of Understanding Amendment - 1
Safe Passages, Oakland, CA (contractor, City State)
Colliseum College Prep Academy (site/department)

Action Requested

Approval of the Amendment to the Memorandum of Understanding between Oakland Unified School District and Safe Passages. Services to be primarily provided to Colliseum College Prep Academy for the period of July 1, 2013 through 8/31/2014.

Background

A one paragraph explanation of why an amendment is needed.

Agency will provide translation services for teachers and families and facilitate our English class for families four times weekly; college preparation work and transition support for first generation college students and families; build parent leadership and community ownership of school; build community leadership and safer community; hold data conferences with parents, teachers and students; support six workshops aimed at teaching parents how to use the Achieve 3000 software at home with their children; support families in getting their children enrolled in at least 6 weeks of summer school and summer programming to avoid the summer slide; English Language Learners (ELL) are served by our Family Resource Center (FRC) because the Achieve 3000 intervention is appropriately implemented due to training for their parents. ELL are held to higher expectations due to parent engagement in their education. Students perform at higher levels because of their parent's communication with teachers and use of online grade book program taught by FRC.

Statement of Qualifications Agency Description

Founded in 1995, Safe Passages was created as part of the five-city, ten-year Urban Health Initiative (UHI) funded by the Robert Wood Johnson Foundation. Over the last sixteen years, Safe Passages has helped government work together with community-based agencies, holding each other accountable, to redirect government and private resources to implement strategies proven to reduce youth violence and help level the playing field for the most vulnerable and marginalized students, families and communities in Alameda county. These strategies, along a continuum of services from birth through college and career include: Early Childhood, School-Linked Services, Juvenile Justice and College to Career. Safe Passages leverages our history and deep capacity in partnership with school communities to implement afterschool programs.

The organization focused on three main strategies: Early Childhood, Middle School Strategy and Juvenile Justice. The Safe Passages Middle School Strategy was a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. From the beginning, afterschool programming was one of the five prongs of the strategy. Initially, the seven highest need middle schools were selected as partners in 2000 to implement the strategy: Frick, Havenscourt (CCPA) and Calvin Simmons (UFSA) were all part of the first cohort of implementation schools.

The partnership withstood the test of time, surviving many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's Full Service Community Schools Initiative.

Safe Passages partnerships with the school communities that are the focus of these contracts embody 13 years of partnership. Within those thirteen years of partnership, Safe Passages has collaborated with dozens of community based partners and independent contractors. Currently, Safe Passages partners with 45 public and private agencies to implement the Elev8 Full Service Community Schools Initiative. Safe Passages partners with school communities in Oakland and San Lorenzo to implement quality programs.

As a result of these partnerships, hundreds of students and families are served each year at target schools. Safe Passages has also successfully led the implementation of Elev8, a \$25 million initiative at five middle schools in Oakland. Finally, Safe Passages has leveraged millions of dollars for services for Oakland youth and families.

AGENCY understands that the ASSETS program has three required elements that must be offered in every funded program: academic assistance, enrichment, and family literacy services. AGENCY understands that the academic and enrichment elements must provide

additional support for pupils and be coordinated with the regular academic program requirements, standards-aligned curriculum and instructional materials, and assessments of pupil progress. AGENCY agrees to provide programming consistent with grant guidelines, including, but not limited to:

5.4.3.1.1. **Academic Assistance.** ASSETs programs will include tutoring, homework assistance, Credit Recovery, and CAHSEE Prep in their academic assistance element. The assistance will be aligned with the regular academic programs of the students and will assist them in meeting state and local academic achievement standards in core academic subjects, such as reading, mathematics, and science.

5.4.3.1.2. **Enrichment.** Each ASSETs program will provide an enrichment element that offers participating students a broad array of additional services, programs, and activities designed to reinforce and complement the regular academic program. Services will be actively coordinated with the students' regular high school day program. It is strongly encouraged that programs include an Internship Program to develop Career Skills. In particular, the enrichment element activities must be developed in alignment with appropriate California content standards and standards-aligned instructional materials, related California curriculum frameworks, and other research-based practices.

5.4.3.1.3. **Family Literacy Services.** AGENCY shall assess the need for family literacy services among adult family members of the high school students to be served by the program. AGENCY, as they view necessary, will initiate and establish additional cleanliness, safety, and security policies and protocol sufficient to ensure staff, student and family member safety.
- 5.7. **Meeting Participation.** AGENCY will participate in technical assistance, training, orientation, monthly meetings and other support and resource development activities provided by OUSD and collaborative partners in conducting program planning, implementation, and evaluation. These include required regular meetings with the school principal or other identified designee to ensure collaboration with the school vision. AGENCY staff will participate in meetings facilitated by the OUSD After School Programs Office to address program quality, program improvement and general troubleshooting.
- 5.8. **Relationships.** AGENCY will maintain six essential collaborative relationships to ensure partnerships towards effective program implementation:
- Administration, faculty, and staff of _____ 232/Coliseum College Prep Academy _____
 - OUSD After School Programs Office
 - OUSD central administration departments
 - Parents/Guardians

adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** Due to result-based budgeting, the grant will remain as part of the site budget. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee

SECTION 2: After School Alignment with Community School Strategic Site Plan (CSSSP)
 Mark the following Strategic Priority areas of the school's CSSSP where this after school program is identified as a high leverage strategy.

- Balanced Literacy and Literacy Across the Curriculum
- Science, Technology, Engineering, and Mathematics (STEM)
- Transitions and Pathways Pre-K to 12
- College, Career and Workforce
- Accelerating Students through Targeted Approaches
- Extended Learning Time
- School Culture (including Meaningful Student Engagement)
- Health and Wellness

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.

1. Youth who participate in the Safe Passages Afterschool Program will improve and strengthen their academic skills. The Afterschool Program Coordinator with the support of the Program Assistant and Academic Instructors will track and monitor the academic progress of enrolled youth on a regular basis using benchmark and other assessments. Data from the assessments will be used in cycles of inquiry to monitor the effectiveness of academic interventions and to re-evaluate and reconfigure flexible groups in order to provide personalized learning and balanced literacy to students that attend the afterschool program.
2. The Safe Passages Afterschool Program will provide innovative and engaging enrichment activities that will support the academic, social, and emotional development of enrolled youth.
3. The Safe Passages Afterschool Program will develop a strong collaborative partnership with clear and consistent lines of communication between the lead agency team members, parents, and school site staff to ensure the Safe Passages Afterschool Program maintains a consistent high quality program that will support the healthy development of all enrolled youth.
4. The Safe Passages Afterschool Program will engage all participating youth in processes that build their self-efficacy. In order to facilitate these students' efficacious feelings of accomplishment and success, youth will showcase their work to others during the year at school events and the Safe Passages Afterschool Showcase/Portfolio Presentation.

SECTION 4: Program Model and Lead Agency Selection

For 2013-2014, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

In alignment with the spirit of the OUSD Strategic Plan, the Safe Passages Afterschool Program partnership with the school community is a "true, authentic collaboration" that supports the goals of a thriving student community. Among other goals, Safe Passages Afterschool program supports the school's Full Service Community School Quality Indicator 1 goal – to provide quality learning experiences for students by ensuring that students are provided a quality

extended day program. The program also furthers the efforts to support broader enrichment goals beyond academic intervention with youth leadership opportunities, sports, creative opportunities for artistic expression, such as art, music, and dance. In addition, the program supports the goal of balanced literacy and targeted intervention by providing targeted intervention to students through the COST process and in the one hour of academic programming each day. Safe Passages uses the SRI and Benchmark data to personalize instruction during intervention sessions.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports and **MUST** include:

1) CAHSEE Prep 2) Credit Recovery 3) Tutoring

Other possible supports may include computer lab, STEM Programs, Academic Intervention, project-based learning, and coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 7: CAREER-RELATED ACADEMIC ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Career-related enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to develop 21st Century Skills, explore career-related fields, and apply learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support Career Pathways, school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services, and increase their ability to support their student's learning and development. All high school programs will fund a Parent Liaison position to support family literacy programming.

PARENT LIAISON:

Describe the anticipated duties of the Parent Liaison in your program. Also identify what supports your school site will provide the Parent Liaison, including training and materials.

Maria Robles will return to her role of CCPA Parent Liaison, supporting families in becoming more engaged with their student's learning as well as becoming an active participant in the school culture, attending events, taking part in decision making and parent leadership activities. The Parent Liaison supports families in getting their basic needs met with referrals to additional services, food pantries, medical care, benefits enrollment and other community based organizations.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select at least two of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	By analyzing previous school-day attendance data at the start of the school year, the school site coordinator, in collaboration with the site leadership team and COST, will identify students' at risk of chronic absenteeism whose families they will invite to enroll their students in afterschool at the school wide registration session.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	The Site Coordinator or other program staff will contact families daily if their child is enrolled but does not attend the afterschool program. The importance of program attendance will be discussed with families in all correspondence.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved	The Site Coordinator, in collaboration with site leadership, will utilize the Coordination of Services Team meeting to intervene for increased attendance.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our	The Afterschool Program will highlight students with perfect attendance with certificates at the end of each

quarter.

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

PBIS (Positive Behavioral Interventions and Support)

Restorative Justice

Social and Emotional Learning

Bullying Prevention

Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate?

Afterschool Coordinators will continuously communicate with both extended day and regular day instructors.

Coordinators will help facilitate communication between morning and afternoon instructors to ensure the program is integrated and services are coordinated for students and families.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

The Safe Passages Afterschool Program supports these OUSD efforts to ensure equity in behavioral practices, maximize every students' school engagement, social-emotional well-being, and academic success by: (1) using culturally competent instructional strategies, (2) incorporating critical pedagogy and youth participatory action research (YPAR) as curricular foundations for resiliency, transformation, and student engagement, (3) training staff and students in cultural asset instruction, cultural asset mapping, and related counter-narrative resiliency strategies, and by (4) building upon a strong youth development framework with sufficient alternative to exclusionary discipline practices.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.	
The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?	<input type="checkbox"/> COST team (Coordination of Services Team) <input type="checkbox"/> SST (Student Study Team) <input type="checkbox"/> SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> CSSSP (Community School Strategic Site Planning) team <input type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)
List key community partners whom you will actively collaborate with to accomplish the goals of your program.	Safe Passages has a long history of aligning extended day with school and OUSD goal and site administration. Safe Passages has engaged and will continue to engage site administration on the programmatic layout of after school to ensure that the transition from morning to afternoon is seamless. After school coordinators will monitor and facilitate this programmatic transition on a daily basis. Finally, Coordinators will create an afterschool bulletin board centrally located at the school with program information and updates. All instructors can check the bulletin board for daily updates.
List all subcontractors who will be paid to deliver after school services.	
Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.	Students, parents, school staff, Principal, OUSD AS Program Office, and other CBO and public partners implementing afterschool programming, COST coordinator, school counselor, Clinical Case Manager, mental health therapist, parent engagement staff, and School Based Health Center Staff as available.

2013-14 After School Enrollment Policy for College Coliseum Prep Academy High School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Grade levels prioritized for programming: 10-12

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)

- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: Summarize your enrollment timeline below. Describe ongoing program outreach and recruitment efforts, beginning in Spring 2013.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May 2013	11-12 participants will have the opportunity to re-enroll.	After School Coordinator, after school staff, school site staff, and parents.
Spring & Summer 2013	Outreach and enrollment of new students during summer school, summer mailings, and orientation events.	After School Coordinator, after school staff, school site staff, and parents.
August 2013	Mandatory Back to School registration.	After School Coordinator, after school staff, school site staff, and parents.

Important dates to include in your timeline:

- May – June: Early outreach and recruitment for summer program and 2013-14 school year program.
- August – September: New school year enrollment of students for remaining program slots.
- After school programs begin on 1st Day of school.
- Parents are notified about their student’s participation in program at beginning of school year (specify date).
- All programs must maintain waitlists after program slots are filled.

School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

CCPA administration makes after school mandatory for all students. After school program information and enrollment forms are included in the mandatory registration process creating a seamless integration with the regular school day. Older High School students attend internships with CBOs and attend college classes at Peralta Colleges. Students requiring additional academic support receive additional small group tutoring. Additionally, the Family Resource Center is a hub for college readiness, parent education and ongoing school events that keeps families updated on what’s happening on the campus throughout the year.

Academic Liaison/Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Academic Liaison (now called "Quality Support Coach") is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Academic Liaison/Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Academic Liaison/Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

Teachers on Extended Contract for Direct Service

In addition to an Academic Liaison/Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, Credit Recovery or CAHSEE prep classes, and academic enrichment.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. Beginning in 2013-14, the Academic Liaison/Quality Support Coach cannot provide direct service to students. The Academic Liaison is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.

STATEMENT OF QUALIFICATIONS

Statement of Qualifications Agency Description

Founded in 1995, Safe Passages was created as part of the five-city, ten-year Urban Health Initiative (UHI) funded by the Robert Wood Johnson Foundation. Over the last sixteen years, Safe Passages has helped government work together with community-based agencies, holding each other accountable, to redirect government and private resources to implement strategies proven to reduce youth violence and help level the playing field for the most vulnerable and marginalized students, families and communities in Alameda county. These strategies, along a continuum of services from birth through college and career include: Early Childhood, School-Linked Services, Juvenile Justice and College to Career. Safe Passages leverages our history and deep capacity in partnership with school communities to implement afterschool programs.

The organization focused on three main strategies: Early Childhood, Middle School Strategy and Juvenile Justice. The Safe Passages Middle School Strategy was a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. From the beginning, afterschool programming was one of the five prongs of the strategy. Initially, the seven highest need middle schools were selected as partners in 2000 to implement the strategy: Frick, Havenscourt (CCPA) and Calvin Simmons (UFSA) were all part of the first cohort of implementation schools.

The partnership withstood the test of time, surviving many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's Full Service Community Schools Initiative.

Safe Passages partnerships with the school communities that are the focus of these contracts embody 13 years of partnership. Within those thirteen years of partnership, Safe Passages has collaborated with dozens of community based partners and independent contractors. Currently, Safe Passages partners with 45 public and private agencies to implement the Elev8 Full Service Community Schools Initiative. Safe Passages partners with school communities in Oakland and San Lorenzo to implement quality programs.

As a result of these partnerships, hundreds of students and families are served each year at target schools. Safe Passages has also successfully led the implementation of Elev8, a \$25 million initiative at five middle schools in Oakland. Finally, Safe Passages has leveraged millions of dollars for services for Oakland youth and families.
