**WHEREAS**, Public Contract Code Section 22050(a)(1) provides that in the case of an emergency, a public agency, pursuant to a four-fifths vote of its governing body, may repair or replace a public facility, take any directly related and immediate action required by that emergency, and procure the necessary equipment, services, and supplies for those purposes, without giving notice for bids to let contracts; and

**WHEREAS**, the District is the owner of several abandoned and unoccupied sites located within the District's boundaries, specifically the Paul Robeson Administration Building, Ethel Moore Memorial Building, Ralph J.
