Budget Justification and Narrative

In the following sections, please review the self-assessment and discuss your team’s plan to address the following:

The Goals of the Measure

- Increase access to courses in arts, music, and world languages in grades 6-8
- Improve student retention during the transition from elementary to middle school
- Create a more positive and safe middle school learning environment

1. You **MUST** describe the current programmatic narrative for **EACH** section of the budget narrative based on the Measure G1 Initial Self-assessment and data analysis. Please highlight what G1 specifically supported in the 2017-18 school year.
2. Please explain how you plan to use the Measure G1 funds to develop strategic changes that meet the goals of the measure and that will lead to improved student outcomes.
3. Add additional lines if you would like to add additional budget items.
4. All budget items should total up to the recommended grant amount based on actual 2017-18 LCFF 20 day enrollment.

1. Music Program

Programmatic Narrative Based on Rubric		
<p>For the 17-18 school year Montera thanks to G1 funding added a 7yh & 8th grade Choir, 2 semesters of 6th Grade Music Exploratory, 2 semesters of 6th Grade Choir and 2 semesters of 7th grade Music Exploratory, intermediate and beginning band. This gave has increased the number of students taking music from 149 during the 2016-2017 school year to 500 for the 2017-2018 school year. The plan for 2018-2019 is to continue to use G1 to support the music program to help the school reach its goal of a minimum of 50 hours of music instruction for all students.</p>

Measure G1 Community Engagement Meeting Notes
Montera Middle School
February 12, 2018

Staff Present: Darren Avent, Principal

Community Members Present: Suzy Hovland, Kat Verani, Maggie Rogers, Heidi Killeen

Mr. Avent presented the agenda and explained that this meeting was required to enable Montera to receive its allotted/requested G1 funds. He then explained/discussed the following with all present:

Measure G1 is a 10 year bond measure that provides funds for art, music, world languages, and improvement to school climate and culture.

For 2017-18, Montera was expected to receive approximately \$150,000, but due to the tax collection process not being fully considered, Montera only received approximately \$92,000. This money was used to pay for a second music teacher and art supplies. The original proposal included using G1 funds to pay for a second art teacher, but with the allotment cut, this was not possible. Hence, the remaining funds went to art supplies.

For 2018-19, Montera is expected to receive the same amount (approx \$92,000), but there is a possibility of an extra \$5000 in the allotment. Montera will use the G1 funds in a similar manner. The bulk of the funds will pay for the 2nd music teacher. The remaining funds will be used to purchase art supplies. After some questions and discussion with community members, it was determined that a line item for wood shop supplies will be added to the proposal. If the extra \$5000 is received, it will be allotted to the wood shop.

The original proposal (for the 2017-2018) year also included spending some G1 funds to cover a portion of the salary of a teacher for 3 classes supporting Achievement of African American Girls and Young Women (Black Girls Brilliance). Due to the unexpected mid-year district budget cuts, this program was amended and G1 funds were not used for this purpose. Montera is not expected to receive enough funds to cover this program again for 2018-19, so it will not be included in this year's proposal.

In 2019-20, Montera anticipates receiving the original allotment of approximately \$150,000. If so, then Mr. Avent expects to use the additional funding to support the World Languages program.

Mr. Avent presented the G1 school assessment rubric, which clearly shows improvement in the areas that G1 funding was applied (music and art). Especially in music, in one year, Montera's student enrollment in music classes moved from 149 students in 2016-17, to 500 students in 2017-18.

The meeting included questions and answers, and discussion about G1 funding and the process to request and obtain the funding. An important question was raised about what happens to G1 funds that are allotted to an individual school if that school does not apply for the funds.
