Subject Amendment to Board Bylaw 9130 - Board Committees

Ask of the Board Approval by the Board of Education of amendments to Board Bylaw 9130 - Board Committees

Background Board Bylaw 9130 - Board Committees (“BB 9130”) is the bylaw by which the Board establishes committees of the Board. One of those committees is the Charters Committee. Its current purpose is to “to consider charter matters for recommendation to the Board, and . . . to review and select charter board members from among applicants for approval by the Board.”

Discussion The proposed amendment to BB 9130 would change the name of the Charters Committee to the “Charter Matters Committee”. It would also change the purpose of the committee to: “make recommendations to the Board relating to Charter Schools and review and recommend charter board members from among applicants for approval by the Board. Recommendations may include, but are not limited to, charter school authorization and renewal decisions, with guidance and review from the Superintendent or her designee, potential advice to Oakland’s state legislative delegation regarding state policies regarding charter schools, land use decisions involving charter schools, the process for authorizing, renewing, or evaluating OUSD-authorized charter schools, and material revisions to existing charters. The committee shall also receive presentations from the Office of Charter Schools related to effective charter oversight and authorization.”
