SUBJECT: School Portfolio Management Attendance Area Boundary Modification for Crocker Highlands Elementary and Glenview Elementary Schools

ACTION REQUESTED

Approval by the Board of Education of Resolution No. 1112-0187 - Amendment of Board Policy – Students – BP 5116 – School Attendance Boundaries –Cocker Highlands Elementary School and Glenview Elementary School Attendance Areas Effective July 1, 2012, modifying the Crocker Highlands Elementary and Glenview Elementary school attendance boundaries to reflect the map and list of affected addresses included herein.

DISCUSSION

On January 11, 2012, the Board of Education approved school attendance boundary changes as a result of the school restructuring decision made by the Board of Education on October 26, 2011. Included in those approved changes was the Crocker Highlands Elementary attendance area. Subsequent analysis by staff following the January 11, 2012 has determined that Trestle Glen Road, which traverses the interior of the Crocker Highlands Elementary attendance area, currently hosts one block where only those addresses on one side (even numbers) is included in the Crocker Highlands Elementary attendance area. The remaining section of the block (odd numbers) of Trestle Glen Road resides in the Glen View attendance area.

The staff recommendation addresses this anomaly by adjusting the Crocker Highlands Elementary attendance area to include the odd-numbered addresses on Trestle Glen Road as reflected in the attached map and list of affected addresses. Staff has determined that the inclusion of the affected addresses is not likely to cause an undue burden on the enrollment demands of Crocker Highlands Elementary attendance area. Signatures have been received by the district from a majority of the residence affected agreeing with the proposed change.

The attached attendance area maps and list of affected addresses is incorporated as effective, July 1, 2012 and for enrollment purposes for the 2012-13 school year.
