Subject	Professional Services Contract Amendment - 1 Julia Bernd San Francisco CA (Contractor, City/State) - Research, Assessment and Data (RAD) (site/department)
Action Requested	Ratification by the Governing Board of the amendment to the professional services contract between the District and <u>Julia Bernd</u> . Services to be primarily provided to <u>Research, Assessment and Data (RAD)</u> for the period of <u>09/06/2011</u> through <u>06/30/2012</u> , in an amount not to exceed \$ 725.00
Background A one paragraph explanation of why an amendment is needed.	The consultant completed a study and report on the 2010-2011 Focal 15 district-wide initiative, which established an inquiry team focusing on 15 students at each school who were outside the sphere of success. By focusing on specific academic and social or emotional needs, these teams sought to move these 15 students into the sphere of success at their respective schools. The report turned out to be rich and detailed, but also quite long. It was determined that the report would be more useful if it included an Executive Summary that concisely communicated the major lessons and findings from this work.
Discussion One paragraph summary of the amended scope of work.	Amendment No#1 of a contract for services between OUSD and Julia Bernd, San Francisco, California, for the latter to provide an Executive Summary of the study, documentation of OUSD's Focal 15 initiative, final editing and formatting of the report through the period of September 06, 2011 through June 30, 2012 increasing to Not to Exceed Amount from \$5,000.00 to \$5,725.00.
