## **Statement of Qualification**

Pro Arts supports the arts within communities by serving the ongoing needs of artists. Our vision is to inspire change, creativity and community. As an organization we are driven by the values of equity, inclusion, connection and access. For nearly 40 years Pro Arts has contributed significantly to the infrastructure of a thriving artist community and brought visibility to thousands of artists in Oakland and the Bay Area. Annually we produce over 20 exhibitions, exhibit over 600 artists, conduct over 700 art classes for youth, and reach an audience of over 72,000.

Pro Arts was founded in 1974 as the Alameda County Neighborhood Arts Program, and soon became a national model for utilizing CETA funds for artists and arts projects. By 1983 the organization was renamed and the focus area was further developed in the visual arts including residencies, exhibitions, and public art projects. In the years that followed exhibitions and artist services became the cornerstone of programming.

Our arts education programming fosters creativity, self-expression, and civic participation for youth. Pro Arts' Youth Arts programming includes Youth Fellows Arts Training Intensives, collaborations with Youth Speaks on youth-directed performance in the gallery, and the management of Opera Piccola's Art Gate artists-in-the-schools programming providing service to eight Oakland Public Schools.

Pro Arts is committed to supporting access, inclusion and the development of audiences for artistic expression to ensure arts engagement as a means to safe, healthy and vibrant communities. Our Youth Arts program integrates arts education, exhibition opportunities, professional arts training, and youth development for underserved youth in eight Oakland public schools. Providing art instruction in Oakland public schools fills gaps in limited arts programming and nurtures creativity in Oakland's next generation. 2013 sample activities: Youth Fellows (high school after-school programming); Arts Integration Residencies (elementary and middle school programming); Professional Development on Arts Integration (teacher training); Summer Art Intensives (scholarships for pre-college classes for high school juniors)
