BUDGET ACTION NUMBER	BUDGET JUSTIFICATION	соѕт	OBJECT CODE	OBJECT CODE DESCRIPTION	POSITION TITLE	FTE	WHOLE SCHOOL / PATHWAY NAME
309-1	Pupil Support Salaries/Counselor: Hire a Counselor at .10 FTE. The counselor will support Ralph J. Bunche Academy students with postsecondary timelines and lists, financial aid/scholarship applications, and community college applications. In addition, the school counselor will co-plan and co-lead the senior seminar/senior capstone course, which includes developing an in-depth post-secondary plan and presentation. All students will be impacted because they will create a post-secondary plan while exploring college and career opportunities, which will lead to motivation toward graduation. This portion of the FTE is supplemental because it exceeds the Central Base allocation of .20 FTE and .10 FTE from Title I funding. PCN 6295, Dulce Hsu (Salary & Benefits Costs)	\$13,759.98	1205	Pupil Support Salaries / Counselor	Counselor	.10 FTE	Hospitality, Tourism, Recreation
309-2	Teachers Salaries: Hire a Pathway Teacher at .15 FTE to offer Hospitality, Tourism, and Recreation Elective classes once per week. The pathway teacher will teach our pathway elective course (Hospitality, Tourism, and Recreation) curriculum for all our students. The curriculum will offer students opportunities to personalize their education based on their career interests and unique learning needs. The Pathway Teacher will provide students with career and academic skills and soft skills needed for the modern workplace, college, and general postsecondary success. The Pathway Teacher will also work to ensure their curriculum is current and relevant to today's HTR industry standards. Bunche saw a reduction in Teacher FTE from 24-25 to 25-26, and this position is supplemental as it is no longer funded out of base. PCN 10206, Miriam Hennig (Salary & Benefits Costs)	\$14,290.02	1105	Teacher Salaries	Teacher Structured English Immersion	.15 FTE	Hospitality, Tourism, Recreation
309-3	Consultant Contracts: Contract with Grow Together to provide Garden Education for the Hospitality, Tourism, and Recreation (HTR) pathway during elective classes through June 30, 2026. Grow Together will partner with the HTR pathway elective teachers to provide project-based learning opportunities centered on Garden education. Students will work in the Garden weekly to accomplish various tasks aligned with academic standards. Students will explore the science of plants, the intersection of Art and plants, and careers aligned with HTR. Each week, 20 - 30 students will participate in the garden program. This expenditure supports Strategic Action #1, which is to increase HTR-centered community-based organization partnerships. It will support 80 - 90 students enrolled in the HTR elective classes through June 30, 2026. (Admin Fees Included)	\$8,000.00	5825	Consultant Contracts			

309-4	Teacher Salaries Stipends: Extended Contracts for 2 Teachers to serve as Pathway Co-Leads. The HTR pathway co-leads will support Ralph J. Bunche Academy with onsite pathway leadership over the course of the next year. This expenditure will focus on leading and planning the bi-weekly pathway team meetings over the course of the 2025-26 academic school year. The pathway team meetings occur during the shared prep period for the pathway co-leads. All students will be impacted by this expenditure as all students interact with the pathway through the elective courses, career exploration visits and work based learning opportunities. Budget Calculation: 2 hours x 10 months = 20 hours each x 2 Teachers = 40 hrs total x \$47.50 = \$1,900 + 25% Benefit Costs =\$2,375.00.	\$2,375.00	1120	Teacher Salaries Stipends	
309-5	Teacher Salaries Stipends: Extended Contracts for planning time for Pathway Co-leads The HTR pathway co-leads will support Ralph J. Bunche Academy with school-wide pathway integration over the course of the next year. This planning time will focus on Pathway integration into core classes and indepth planning of the HTR elective course. HTR elective course planning time will include coordinating career exploration visits in alignment with curriculum, culinary lab preparation, and guest speaker coordination. Pathway integration into core classes will consist of working with peer teachers to align projects and lessons and coordinating shared curriculum themes across subjects. 50 - 70 students will be impacted by the continued Pathway integration, teacher development, academic rigor, and Work Based Learning opportunities. Budget Calculation: (2 hours per week) 8 hours x 10 months = 80 hours each x 2 teachers = 160 total hours x \$47.50 = \$7,600 + 25% Benefit Costs = \$9,500.00.	\$9,500.00	1120	Teacher Salaries Stipends	
309-6	Consultant Contracts: Contract with the Oakland Public Ed Fund (OPEF) for the Exploring College, Career, & Community Options Program (ECCCO) to facilitate and pay out the 2025-26 Student Internship Stipends through June 30, 2026. OPEF will be a fiscal sponsor to process ECCCO Stipends for student participants in Summer 2026. The ECCCO summer internship program exposes students to real-world work experience and college courses. ECCCO offers hands-on activities and is specifically designed to help all students, regardless of background, they build the necessary skills and networks for a successful transition beyond high school. This expenditure aligns with our pathway goal to increase the number of students in internships and expose them to more work-based learning opportunities to prepare them for college and their careers. This funding will provide stipends to 10 high school students, focusing on male students, participating in various summer internships for approximately \$500 per stipend. Summer Internship and Peralta Institute stipends through June 30, 2026. (Includes 15% admin fees - \$750) OPEF can only invoice schools for student stipends with 100% participation and completion and the admin fees for those funds. OPEF can not invoice for the full contract amount before the program ends. Under no circumstances can OPEF hold unspent Measures N or H funds for the schools.	\$5,750.00	5825	Consultant Contracts	

Professional Contracted Bus Services: Charter Bus Rentals for students to participate in College and Career Exploration Visits. This expenditure will fund exploratory trips within our pathway domain of Hospitality, Tourism, and Recreation for upwards of 25 students. It supports our students within the pathway by showcasing college programs both within and outside of Oakland that could further support their development as scholars who want careers in these industries. Twenty to thirty students will be impacted by this expenditure as they prepare for graduation.		5826	Professional Contracted Bus Services

In addition, the CTE HTR state standards are integrated and aligned with all Academic core subject standards. Conceptual alignment is explicitly stated in the Pathway curriculum and instructional design and delivery category.	Continue developing strategies to increase concurrent enrollment at Peralta colleges. Continued collaboration time and professional development for teachers to develop more cross-curricular pathway focused alignment.	Our priority will be in the area of Curriculum and Instructional Design and Delivery. We need a teacher with a CTE credential and want to entice multiple teachers with getting the certification necessary to embed CTE with Academics in their unique classroom settings.

We want to hand more students off to Advisory Board partners for job opportunities postgraduation. We also want to incorporate more Community Based Organizations in our West Oakland neighborhood to see community fidelity. Student Self Assessments are a need as well.	Seek out partnerships from West Oakland restaurants and community based establishments. Build a stronger foot print in West Oakland and downtown for Hospitality and Tourism focus.

In addition, some staff members are not as fluent in Social-Emotional Skill Development as others which can negatively affect other support staff. Student leadership would be appreciated to provide a holistic perspective on our community progress	Next Steps consist of building systems to ensure transparent communication with parents, students, and staff regarding students that had a COST form filled out, had a behavior issue, or had a history of behavior issues. This in conjunction with more staff being aware of their SEL and trauma informed practices could help the overall community morale.						
	2023-2024: YE	AR ONE ANALYSIS							
Pathway Strategic Goals									
Pathway Strategic Goals Pathway Quality Strategic 3 Year Goals Based on the standards assessment, your data indicators and root cause analysis, what are your goals, objectives, or intended outcomes for this next 3 year cycle? Write them as SMART goals (Specific, Measurable, Achievable, Relevant & Time-Bound) using language from the Standards as a guide (when relevant). Goals should start with the "By 2026" Example: By 2026 we will create and utilize a WBL reflection form and 100% of students will complete it after any type of WBL activity. We will share responses with students so they can reference for resume and college application development. The teacher team will review responses at least once per year and use information to update the pathway WBL plan.									

By 2026 we would like to have at least 3 strong partnerships with community based organizations in the West Oakland Community that provide students career exploration opportunities centered in HTR and beyond.

BUDGET JUSTIFICATION For All Budget Line Items, enter 3-5 sentences to create a Proper Justification that answers the below questions. Reference the Measures N and H Permissible Expenses document when developing the justification. For Object Codes 1120, 5825, and all FTE, please also make sure to respond to the additional Budget Justification questions outlined in the Measures N and H Instructions for a Proper Budget Justification. - What is the specific expenditure or service type? Please provide a brief description (no vague language or hyperlinks) and quantify if applicable. - How does the specific expenditure impact students in the pathway? (Consider how the expenditure supports your 3-year goals or 2025-2026 strategic actions where possible.) We encourage you to refer to this list of OUSD's Object Codes if you have questions about which object codes to use. Please note that this is NOT a comprehensive list of all OUSD's object codes; not all are permissible uses of Measures N and H funds. Please refer to the Measures N and H Permissible Expenses document to confirm permissibility. **If the justification is adequately detailed to be deemed a proper justification and permissible use of funds, it will be Fully Approved. If additional details are needed, the justification will be conditionally approved and require a justification form. In addition, the school counselor will co-plan and co-lead the senior seminar/senior capstone course, which includes developing an in-depth post-secondary plan and presentation. All students will be impacted because they will create a post-secondary plan while exploring college and career opportunities, which will lead to motivation toward graduation. This portion of the FTE is supplemental because it exceeds the Central Base allocation of .20 FTE and .10 FTE from Title I funding. PCN 6295, Dulce Hsu (Salary & Benefits Costs)	\$13,759.98	1205	Pupil Support Salaries / Counselor	Counselor	.10 FTE	Hospitality, Tourism, Recreation	Approved

The Pathway Teacher will provide students with career and academic skills and soft skills needed for the modern workplace, college, and general postsecondary success. The Pathway Teacher will also work to ensure their curriculum is current and relevant to today's HTR industry standards. Bunche saw a reduction in Teacher FTE from 24-25 to 25-26, and this position is supplemental as it is no longer funded out of base. PCN 10206, Miriam Hennig (Salary & Benefits Costs)	\$14,290.02	1105	Teacher Salaries	Teacher Structured English Immersion	.15 FTE	Hospitality, Tourism, Recreation	Approved	
Consultant Contracts: Contract with Grow Together to provide Garden Education for the Hospitality, Tourism, and Recreation (HTR) pathway during elective classes through June 30, 2026. Students will explore the science of plants, the intersection of Art and plants, and careers aligned with HTR. Each week, 20 - 30 students will participate in the garden program. This expenditure supports Strategic Action #1, which is to increase HTR-centered community-based organization partnerships. It will support 80 - 90 students enrolled in the HTR elective classes through June 30, 2026. (Admin Fees Included)	\$8,000.00	5825	Consultant Contracts				Approved	

Teacher Salaries Stipends: Extended Contracts for 2 Teachers to serve as Pathway Co-Leads. The HTR pathway co-leads will support Ralph J. Bunche Academy with on-site pathway leadership over the course of the next year. This expenditure will focus on leading and planning the bi-weekly pathway team meetings over the course of the 2025-26 academic school year. The pathway team meetings occur during the shared prep period for the pathway co-leads. All students will be impacted by this expenditure as all students interact with the pathway through the elective courses, career exploration visits and work based learning opportunities. Budget Calculation: 2 hours x 10 months = 20 hours each x 2 Teachers = 40 hrs total x \$47.50 = \$1,900 + 25% Benefit Costs =\$2,375.00.	\$2,375.00	1120	Teacher Salaries Stipends		Approved	
Teacher Salaries Stipends: Extended Contracts for planning time for Pathway Co-leads The HTR pathway co-leads will support Ralph J. Bunche Academy with school-wide pathway integration over the course of the next year. This planning time will focus on Pathway integration into core classes and in-depth planning of the HTR elective course. HTR elective course planning time will include coordinating career exploration visits in alignment with curriculum, culinary lab preparation, and guest speaker coordination. Pathway integration into core classes will consist of working with peer teachers to align projects and lessons and coordinating shared curriculum themes across subjects. 50 - 70 students will be impacted by the continued Pathway integration, teacher development, academic rigor, and Work Based Learning opportunities. Budget Calculation: (2 hours per week) 8 hours x 10 months = 80 hours each x 2 teachers = 160 total hours x \$47.50 = \$7,600 + 25% Benefit Costs = \$9,500.00.	\$9,500.00	1120	Teacher Salaries Stipends		Approved

The ECCCO summer internship program exposes students to real-world work experience and college courses. ECCCO offers hands-on activities and is specifically designed to help all students, regardless of background, they build the necessary skills and networks for a successful transition beyond high school. This expenditure aligns with our pathway goal to increase the number of students in internships and expose them to more work-based learning opportunities to prepare them for college and their careers. This funding will provide stipends to 10 high school students, focusing on male students, participating in various summer internships for approximately \$500 per stipend.
