**Is Vendor a local Oakland business?** Yes  No

**Why was this Vendor selected?**

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner for the OUSD Expanded Learning Office.

**Summarize the services this Vendor will be providing.**

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and the California Department of Education's ASES and/or 21st Century Community Learning Centers grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

**Was this contract competitively bid?** Yes  No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Love, Learn, Success ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 235/Melrose Leadership Academy under the following grants:

- After School Education and Safety Program ("ASESP")
- California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21<sup>st</sup> CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2018 through July 31, 2019. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASESP and 21<sup>st</sup> CCLC grant award amount for Love, Learn, Success is \$ 103,458.00.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21<sup>st</sup> CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21<sup>st</sup> CCLC per student. Documentation of attendance must be submitted through the OUSD/OFY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2018-2019")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2018-2019 and will not exceed \$ 103,458.00 in accordance with Exhibit B. **Exhibit B** ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2018-2019").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

### SECTION 1: PROGRAM OPERATIONS

#### Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6pm on every school day for elementary and middle schools. (EC 8483) Programs are required to operate all 180 days of the school year.

*\*CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

## SECTION 1: PROGRAM OPERATIONS, continued

### Minimum Days

When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

#### Projected Number of Minimum Days for School Year 2018–19

53

*\*School should provide lead agency with a calendar of minimum days before the 1st day of school.*

**Describe funding plan** to operate program on the minimum days indicated above, including additional school resources (if any). (560 Characters)

Parent Fees from paying families will help cover operating costs on minimum days.

*Please note that the grants from CDE do not increase funding for minimum days.* If the school adds additional minimum days beyond the projected number above, **what school funds will be utilized** to fund these additional hours of program? (560 Characters)

Parent Fees from paying families will help cover operating costs on minimum days.

### Enrollment Process & Timeline

  **Attach** your enrollment timeline to this document. **Describe** how your school will identify and recruit students beginning in Spring 2018. **Indicate** how families will be notified of 2018-19 enrollment before the last day of school.

Important dates to include in your timeline:

- **April – June:** Spring enrollment for 2018-19 programs.
- Families will be notified of 2018-19 after school enrollment before the **last day of school, June 2018.**
- After school programs begin on **first day of school**, with enrollment at a minimum 75% capacity.
- **August – September:** New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2018**, except for slots reserved for transitional students (i.e., Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain **waitlists** after program slots are filled.

## SECTION 2: PROGRAM DESIGN & PRIORITIES

List **2-3 program goals** for students: 1. All MLA non- newcomer students will be proficient readers of grade-level texts, as measured by SRI/EDL/DRA benchmarks. 2. Students will use the character expectations to guide their actions and interactions with their peers and adults in the classroom and in all other areas of the school. 3. Students will use the character expectations to guide their actions and interactions with their peers and adults in the classroom and in all other areas of the school.

### Modifications For High Need Transitional Students

How will you **modify your enrollment and attendance policies** to make your program accessible for foster, homeless, and newcomer students who transition into the school mid-year? (1,150 Characters)

The after school program will target newcomer and English Language Learners for participation. In collaboration with the school day, after school staff will receive training related to supporting students in both English and Spanish instruction. After school staff will include bilingual instructors and teach academic and enrichment curriculum in both languages so that it mirrors and supports the school day dual immersion language program. We will allot an additional 2-3 spots per grade in order to support any newcomer student that may join the MLA community mid-year.

## SECTION 2: PROGRAM DESIGN & PRIORITIES

### Addressing Needs of Underserved/Vulnerable Populations

Reducing the disproportionate suspension rates of African American students is a key priority for OUSD.

**Please describe any special efforts** your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (*ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.*). (3940 Characters)

At this time, MLA does not reflect the patterns of dis-proportionality is suspensions as represented at the district level. The work of PBIS and RJ is being implemented to support ALL students by creating the positive school climate where teachers and staff to guide students in living up to our positive expectation and repairing harm in a restorative way. A shift away from purely punitive consequences is a deliberate effort to create the environment where all students thrive.

## SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES

### OUSD Strategic Targets

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be *high school ready* by the time they graduate from the 8<sup>th</sup> grade.

#### High School Readiness

OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8<sup>th</sup> grade:

- a 2.5 or better GPA;
- no Ds or Fs in Math or English; no suspensions; and
- at least a 96% attendance rate for their 8th grade year.

**Complete the matrix** to indicate how your after school program will work collaboratively with your school partner to make progress toward achieving this target for the 2018-19 school year.

District Strategic Target	Describe the ASP activities that will support this district strategic target (444 Characters)	Target Population (300 Characters)	Measurable Outcomes (444 Characters)
High School Readiness	Instructors will provide HW support and monitor HW Completion and Submission. Instructors will communicate regularly with school day teachers in order to monitor progress.	MS Students	Attendance data using Cityspan, HW completion and submission tracking
	Including new comer students on sports teams. This will provide opportunities for newcomer students to make new friends, be a part of a team and participate in a positive way during after school program.	MS Students	100% participation in recreation classes, Attendance Data
	Leadership class with a service learning focus. This will help students understand their potential positive impact on their community.	MS Students	Presentations, attendance

## Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Please **indicate which strategies** will be used to support Social Emotional Learning. Check all that apply.

Intentional Skill Development for students

- Instructional Methods and Curriculum
- Targeted program components focused on developing SEL 5 components
- Intentional PD to develop SEL skills in program staff so they can model for students (i.e. 3 Signature Practices)

Describe how you will intentionally **develop SEL skills**: Daily Check-Ins with the students provide the opportunity to share aloud a positive experience of the day as well as a low point of their day. This encourages self-reflection and allows other students to empathize and/or build compassion for another student's experience. Staff praise and appreciate students for sharing their thoughts & experiences and ask students how they can try to turn a low point of their day into a positive one or learn from the experience. This exchange models problem-solving/self-management, self-awareness, and responsible decision-making.

## Coordination to Support the Whole Child

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

**List key community partners** whom you will actively collaborate with to accomplish the goals of your program.

We hire community artists as Enrichment Specialists to provide a variety of high quality enrichment activities.

(320 Characters)

Describe **how you will collaborate** with the partners listed above.

We will maintain active communication with the aforementioned school teams as need arises in their respective fields of expertise. We collaborate when "newcomers" (as labeled by OUSD) enroll in MLA and work the Community Relations Assistant, to help provide families with after-school program care to help integrate new students into the school community. When students in our program experience severe or chronic conflict or behavioral issues we work with the school therapist and the Restorative Justice Team to provide students & their families space to resolve these issues in a healthy, positive way, so the students feel consistently supported and successful in the after-school program time. Additionally, when the PTA schedules events that are shared by the after-school program, we maintain communication in order to create a plan for space sharing.

### Culture & Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate. **Select** at least one strategy to implement:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

What practices does your program have to **support culture and climate**? **How will you align** these practices with school day efforts?

Collaborating with School Administration, ASP staff will participate in professional development opportunities being offered to school day staff including but not limited to Restorative Justice, PBIS, Academic Intervention and School Culture.

1.) Intentional Daily Check-Ins with the students allow students to share aloud with the group a positive experience of the day as well as a low point of their respective day. This encourages self-reflection and allows other students to empathize and/or build compassion for another student's experience. In these group check-ins, Staff praise and appreciate students for sharing their thoughts & experiences with the group and ask students how, if possible, can they try to turn a low point of their day into a positive one or learn from the experience. This exchange models problem-solving/self-management, self-awareness, and responsible decision-making. Staff model positive affirmations and how to support one another in creating positive change in their daily lives through self-reflection.

2.) When students experience conflict, Staff ask students to self-reflect on his/her actions, what the experience for the other party(ies) involved is and if, he/she could have made an alternative choice. Students are encouraged to use words to ask for what they need, to express emotion, and to ask forgiveness if appropriate.

## SECTION 4: PROGRAM COMPONENTS, continued

### Family Engagement / Family Literacy

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs.

After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

<b>Type of Activity and Frequency</b> (195 Characters)	<b>SPSA/QAP goal(s) or school need supported by activity</b> (195 Characters)	<b>Describe how this activity is connected to student achievement</b> (195 Characters)	<b>Measurable Outcome</b> (195 Characters)	<b>Alignment with school day family engagement / efforts or resources</b> (195 Characters)

## SECTION 5: CONTINUOUS QUALITY IMPROVEMENT PROCESS

OUSD ASPO's utilize a Continuous Quality Improvement (CQI) process to improve staff practices with students. We utilize a cycle of assess, plan, and improve to observe staff behavior and student experiences, identify areas of strength and improvement, and then provide staff support to improve.

**Respond** to the following prompts based upon your 2017–18 Program Quality Assessment (PQA) observations and Quality Action Plan (QAP) goals.

What areas did your program identify as **strengths**?

(880 Characters)

### 1. Area of Strength: Reframing Conflict

*Area of Strength: Reframing Conflict—Staff utilize self-reflection and self-assessment verbal prompts with students in order to help students recognize their actions & role in the conflict situation. Staff encourage empathy-building by prompting students to imagine how their actions impacted other parties involved or how their parents/caretakers would be impacted by his/her actions within conflict. Staff encourage students to imagine how different choices given the same situation could possibly have a different outcome and how, if they encounter a similar situation could make a better decision to have a more positive outcome.*

### 2. Area of Strength: Providing Intentional Daily Openings/Check-Ins

*Area of Strength: Providing Intentional Daily Openings/Check-Ins—Staff intentionally create space for students to share a "snapshot" of their daily experiences. This creates a culture of collaboration, idea sharing, empathy building, thoughtful & respectful listening, and the notion that personal stories and voices are powerful.*

What areas did your program identify as **needing improvement**?

(880 Characters)

### 1. Lesson Plans

*Staff will ensure that all lessons are linked to a clear learning objective. They will plan and prepare daily lesson plans for all program activities. Staff would not always have a course of action planned out for their classes. They would often get caught up in allowing "free time" or activities at the last minute that would create a chaotic or disconnected energy in the classroom, leading to behavioral issues and mismanaged classroom time.*

### 2. Activity Facilitation

*Staff will prep for classes daily in order to improve their session flow. Instructors will ensure that they start and end on time, that they keep all students engaged for at least 30 minutes of the schedule time.*

Indicate the priority 2–3 **Youth Work Method Training sessions** that best align with your line staff's professional development needs for 2018–19.

## SECTION 6: PROGRAM SCHEDULE & MODEL

### Program Schedule

  **Submit your program schedule for 2018-19** as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. *Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. The Program Schedule must clearly show when all after school activities listed in this program plan will be taking place.*

Make sure program schedule clearly shows when the following middle school program requirements will take place:

- MESA programming one hour/week
- STEM programming one hour/week
- Career exploration programming

  Also submit a copy of the **school bell schedule** for the 2018-19 school year.

**Important Notes:** *The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned (i.e., if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm; the same is true on minimum days).*

### Program Model

For 2018–2019, **my site will operate** the following program model:

- Traditional After School:** voluntary program open to all students, with enrollment priorities targeting certain students
- Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)
- Blended/Hybrid:** combination of some extended day and some traditional after school programming

### Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

*Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.*

**List after school classes/activities** that will be facilitated by teachers on extended contract. INCLUDE ANTICIPATED HRS/WK. (550 Characters)

## SECTION 7: PROGRAM FEES

Will your after school program **charge program fees** for the 2018–19 school year?  Yes  No

If, "YES, program fees will be charged," please **complete** the following assurances.

## Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement  
QAP: Quality action plan  
SAPQA: School Age Program Quality Assessment  
YPQA: Youth Program Quality Assessment

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. This insurance does not apply to:

1. Any "occurrence" which takes place after you cease to be a tenant in that premises.
2. Any offense which constitutes "personal and advertising injury" which is committed after you cease to be a tenant in that premises; or

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

**B. With respect to the insurance afforded to these additional insured, the following is added to Section III - Limits Of Insurance:**

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**ADDITIONAL INSURED  
PRIMARY AND NON-CONTRIBUTORY ENDORSEMENT  
FOR PUBLIC ENTITIES**

This endorsement modifies insurance provided under the following:

**COMMERCIAL GENERAL LIABILITY COVERAGE PART**

---

**A. SECTION II – WHO IS AN INSURED** is amended to include any public entity as an additional insured for whom you are performing operations when you have agreed in a written contract or written agreement that such public entity be added as an additional insured(s) on your policy, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your negligent acts or omissions; or
2. The negligent acts or omissions of those acting on your behalf; in the performance of your ongoing operations.

No such public entity is an additional insured for liability arising out of the "products-completed operations hazard" or for liability arising out of the sole negligence of that public entity.

**B.** With respect to the insurance afforded to these additional insured(s), the following additional exclusions apply.

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

**C.** The following is added to **SECTION III – LIMITS OF INSURANCE:**

The limits of insurance applicable to the additional insured(s) are those specified in the written contract between you and the additional insured(s), or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

**D.** With respect to the insurance provided to the additional insured(s), **Condition 4. Other Insurance of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

**4. Other Insurance**

**a. Primary Insurance**

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in c. below; or
- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph b. below.

**b. Excess Insurance**

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
  - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
  - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
  - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
  - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE.
  - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages A or B to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
  - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
  - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Methods of Sharing**

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

## **Love. Learn. Success. Afterschool Program**

### **LLS Program Schedule:**

The LLS program schedule is designed to accomplish the following goals:

1. Provide clear and simple routines for students and staff
2. Provide flexibility in the types of academic, enrichment and recreation activities offered
3. Provide the principal and academic liaison (if appointed) the opportunity to provide additional academic support to targeted students
4. Prepare 1<sup>st</sup>-5<sup>th</sup> grade students for a middle school & high school class schedule
5. Exposes students up to four different enrichment/recreation activities per week

*Although the LLS program schedule is designed to provide flexibility and a variety of experiences for students, this is only possible by very clear limitations.*

All classes are offered one or two days per week:

- Monday/Wednesday
- Tuesday/Thursday
- Wednesday/Friday
- Wednesday
- Friday

### **Academic Support:**

In collaboration with the Academic Liaison or the Principal, LLS programs train instructors to provide an academic hour that supports students' academic needs. The academic hour is divided into three parts:

- 15 min – Building Intentional Communities
- 20 min – Academic Skill Building
- 20 min – Homework Support/Silent Sustain Reading

LLS program is not a homework completion program. Academic hour is intentionally scheduled so that there is insufficient time to complete homework. With an assumption that teachers assign daily homework that consists of 30 minutes of independent reading and 30 minutes of homework worksheets, all students will have at least 15 minutes of reading and/or homework to complete at their home.

LLS students are expected to complete all homework assignments at home. In addition, LLS parents are expected to provide a space at home for students to complete their daily homework assignments. These expectations will prevent families from becoming too dependent on afterschool support. LLS strives to create a strong partnership with regular school day staff and parents in order to support the *whole* child. Working together, LLS students will be prepared to succeed in middle school and high school.

For students needing more personalized and small group intervention, LLS may work with the school principal and academic liaison to recruit teachers to work with targeted students during after school hours. These classes are “required academic classes” and all students selected must attend.

### **Enrichment/Recreation Classes:**

Every student deserves to experience and participate in a wide variety of extracurricular activities. Most families would choose to enroll their children into classes such as sports leagues, ballet, karate, music, art, dance, theater and many others if they had the resources to do so. The main reason for many families not participating in these types of activities is the cost of these types of services. It is the goal of LLS to offer high quality extracurricular activities during afterschool programming.

LLS develops afterschool instructors that offer a variety of quality enrichment and recreation classes. Staff develops unit plans and daily lesson plans for each class. LLS works with each instructor to create these plans that culminate at a student showcase 3 times a year. LLS also partners with artists, athletes, and other individuals to provide more specialized and focused activities such as karate, chorus, and art.

### **Policies:**

All policies enforced at LLS programs are created to:

- create a safe and positive learning environment
- maintain the integrity of classes offered
- reinforce the value of learning occurring during afterschool hours
- establish and foster the relationship between day school and afterschool programs
- create an understanding that LLS programs are not babysitting services, but rather a space where students continue to learn

LLS policies include:

- Discipline Policy
- Attendance Policy
- Late Pick-Up Policy
- Early Pick-Up Policy

LLS Site Coordinator will keep track of this information and communicate with teachers, parents, and the principal when necessary.

### **Parent Involvement:**

Parents are expected to participate in a variety of ways throughout the school year. During the parent orientation at the beginning of the school year, parents are informed about how they are expected to participate:

- Provide a quiet homework space at home
- Provide a dish for a community potluck at Student Showcases (if necessary)
- Respect and follow all program policies

In order for students to succeed, it is vital for parents to play a positive role in their child's educational success. LLS programs provide simple ways for them to accomplish this goal. In return, we promise to provide students with high quality academic support and learning experiences in a safe environment.

### **Insurance**

LLS is fully insured with the following insurance coverage:

**Policy Effective: 11/21/2017-11/21/2018**
