Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner for the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and the California Department of Education's ASES and/or 21st Century Community Learning Centers grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

Memorandum of Understanding 2018-2019
Between Oakland Unified School District and
Oakland Kids First**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Oakland Kids First ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 301/Castlemont High School under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")

2. **Term of MOU.** The term of this MOU shall be August 1, 2018 through July 31, 2019. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for Oakland Kids First is \$ 187,024.00. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and **subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2018-2019**).
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2018-2019 and will not exceed \$ 187,024.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses

paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

5. **Scope of Work.** AGENCY will serve as lead agency at 301/Castlemont High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2018-2019. To be compliant with grant requirements, high school after school programs must operate for a total of at least 15 hours per week. This can consist of any combination of after school, before school, weekend, intercession, and summer programming. Program activities cannot take place during any part of the regular school day hours (as documented on the school's bell schedule), including lunch time.

**CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

Minimum Days

When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2018-19

50

*School should provide lead agency with a calendar of minimum days before the 1st day of school.

Describe funding plan to operate program on the minimum days indicated above, including additional school resources, if any. (560 Characters)

A number of the programs coordinated at Castlemont High School will be run by OKF staff who are employed full-time making the ability to provide coverage until 6pm feasible. We also partner with other teachers and organizations to provide additional services.

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, **what school funds will be utilized** to fund these additional hours of program? (560 Characters)

The only additional minimum days at Castlemont are generally during dead week and finals when the school advises the cancellation of all after-school programming.

Enrollment Process & Timeline

 **Attach** your enrollment timeline to this document. **Describe** how your school will identify and recruit students beginning in Spring 2018. **Indicate** how families will be notified of 2018-19 enrollment before the last day of school.

Important dates to include in your timeline:

- **April – June:** Spring enrollment for 2018-19 programs.
- Families will be notified of 2018-19 after school enrollment before the **last day of school, June 2018.**
- After school programs begin on **first day of school**, with enrollment at a minimum 75% capacity.
- **August – September:** New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2018**, except for slots reserved for transitional students (i.e., Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain **waitlists** after program slots are filled.

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Homeless youth	We are not privy to this highly sensitive information at this time but will leverage it towards targeted services if/when we receive it.	Ensure that quality programming exists every day until 6pm for students in need of somewhere safe to be. Additionally, providing supper, as well as monetary incentives for certain programs will help support students financially.
Foster youth	We are not privy to this highly sensitive information at this time but will leverage it towards targeted services if/when we receive it.	Ensure that quality programming exists every day until 6pm for students in need of somewhere safe to be
Newcomers INCLUDES REFUGEES/ASYLEES/ UNACCOMPANIED IMMIGRANT YOUTH (UIY)	Newcomer students are the fastest growing group of students at Castlemont and we need additional programming for this demographic	Partnering with newcomer teachers, ensuring bilingual tutoring spaces exist, and investing in peer translators.

Modifications For High Need Transitional Students

How will you **modify your enrollment and attendance policies** to make your program accessible for foster, homeless, and newcomer students who transition into the school mid-year? (1,150 Characters)

We will hold regular meetings with our afterschool providers and partner teachers to make it known that our programming spaces need to be somewhat fluid in order to accommodate the influx of high need students throughout the year. We pride ourselves on active recruitment throughout the year.

Addressing Needs of Underserved/Vulnerable Populations

Reducing the disproportionate suspension rates of African American students is a key priority for OUSD.

Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. *Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.*). (3940 Characters)

Oakland Kids First strives to engage the most at risk students at school and has invested PD facilitation, advisory curriculum development, school values research, RJ partnership, and PBIS-aligned incentive systems all in order to help pivot Castlemont away from the disproportionate suspensions of African-American males (and other targeted groups) towards a culture of positive reinforcement. Additionally, we will ensure that there are multiple program offerings in which students are given the opportunity to explore and celebrate their identities in a safe and affirming space. Lastly, we will work to ensure that our program staff not only reflects the racial composition of our students, but is able to engage with our African-American students (and all of our students) in culturally relevant and meaningful ways.

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES

OUSD Strategic Targets

Culture & Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate. **Select** at least one strategy to implement:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

What practices does your program have to **support culture and climate**? How will you **align** these practices with school day efforts? (1699 Characters)

OKF has collaborated with PBIS for several years and led the research and creation for the Knight Way. OKF's after school program leadership will continue to stress the importance of positive incentives to students who are attending school and after school programming. Some programs will provide financial incentive, but all programs will be encouraged to dispense Knight Bucks to students who are attending school and upholding the Knight Way.

Additionally, OKF collaborates with Castlemont RJ Coordinator Franky Navarro co-teaching a class that trains students as RJ practitioners. We will use this base of youth leaders to help mediate conflicts that arise during after school hours.

SECTION 4: PROGRAM COMPONENTS, continued

Family Engagement / Family Literacy

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs.

After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

SECTION 6: PROGRAM SCHEDULE & MODEL

Program Schedule

Submit your program schedule for 2018-19 as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. *Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. The Program Schedule must clearly show when all after school activities listed in this program plan will be taking place.*

Also submit a copy of the **school bell schedule** for the 2018-19 school year.

Important Notes: *The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned (i.e., if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm; the same is true on minimum days).*

Program Model

For 2018–2019, my site will operate the following program model:

- Traditional After School:** voluntary program open to all students, with enrollment priorities targeting certain students
- Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)
- Blended/Hybrid:** combination of some extended day and some traditional after school programming

Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

Important note: *Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.*

SECTION 7: PROGRAM FEES

Will your after school program **charge program fees** for the 2018-19 school year? Yes No

If, "YES, program fees will be charged," please **complete** the following assurances.
Both the Principal and Lead Agency partner should initial.

Principal	Lead Agency	Assurances

		Our program will communicate in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to inability to pay.
		Our program will publicize the program fee structure in written program materials for parents/guardians.
		Our program shall not charge a fee to a family for a child if the program knows that the child is a homeless youth , as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a), or for a child who the program knows is in foster care .
		Our program will provide receipts to parents/guardians for each payment made.
		The lead agency will manage funds raised by program fees according to standard accounting practices, and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures.

Please **attach** a copy of written program materials describing the 2018-19 program fee structure (i.e., parent letter, parent handbook, etc.).

After school programming is an excellent opportunity to prolong the school day and provide all types of students with a safe space to develop skills, build community and get up to speed on academics. In years past, this partnership has been fractured, but Oakland Kids First looks forward to leveraging our relationships at Castlemont into a deep partnership that ensures we are able to connect students with the services and spaces they need and desire.

To this end, the administration will build in space for OKF staff to train school staff on the after school offerings and how to refer students to said services. This is particularly important for students who are struggling with academics early in the year. Teachers will be asked to refer students who start the year off behind to academic support programming. Athletic coaches will also ensure student athletes attend study hall when in season.

There will also be space offered to all afterschool providers during advisory period to do outreach presentations for all Knight Time offerings. Knight Time program schedule will also be posted in the hallways of each school and will be included in morning announcements.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement
QAP: Quality action plan
SAPQA: School Age Program Quality Assessment
YPQA: Youth Program Quality Assessment

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Mission Statement:

Oakland Kids First amplifies youth voice, leadership, and power to create engaging and equitable public schools where all students learn and achieve.

Service Description:

Oakland Kids First (OKF) works to ensure that OUSD high schools are places where youth and adults work in partnership to improve student learning, leadership, achievement, and equity. Based on the challenges, needs, and opportunities in Oakland high schools, OKF has worked with youth organizers to come up with innovative solutions to improve school culture and academic resilience.

1. Peers Advising Students 2 Succeed (PASS-2) trains upper classmen to provide 9th graders with peer academic counseling and mentoring through classroom workshops and one-on-one mentoring. As a result of PASS-2, student leaders are developed into skilled facilitators and mentors, and the students they teach learn their A-G requirements, how to read their transcripts, what resources exist on campus, how to make up classes, and how to navigate difficult situations. Much like Kaiser has you screened by an Advice Nurse before seeing a Doctor or specialist, PASS2 mentors ensure every 9th grader receives a baseline of important school navigation information before students seek out counselors for more advanced queries. This ensures that overburdened counselors have some support, 9th graders can learn personal lessons from their peers, and students who won't seek out support get it anyway.

PASS-2 is at Castlemont and Fremont High School this year but has also served Skyline, McClymonds, Oakland High, Street Academy, and Oakland Tech in the past.

2. Representing Educated Active Leaders Having A Righteous Dream (REAL HARD) is an after school youth organizing program that engages 9th–12th grade leaders in positive school culture formation to increase belonging, equity and graduation rates. REAL HARD has ensured students feel a greater sense of safety and belonging on campus, while also inserting themselves into adult decision-making spaces to advocate for student needs. All four of REAL HARD's sites have adopted student created Codes of Respect and REAL HARD students have developed various strategies to uphold and institutionalize these codes via school currency and stores to incentivize the lifting up of positive school culture. This student work has been institutionalized at several sites and continues to grow.

REAL HARD is at Oakland Tech, Fremont, Castlemont, and Oakland High School

3. OKF is also the Lead Agency at Castlemont High School where we work with the school community and outside partners to ensure students are engaged in an extended day culture that meets their various academic and enrichment needs.
