Board Meeting Date April 10, 2019

Subject Enrollment Impact Analysis – Roots After Action Review

Action None – information only.

Background Per board policy 3650 (Enrollment Impact Analysis), we will be providing quarterly reports on pertinent topics to the district along with routine operational enrollment metrics to provide information on seasonal enrollment trends. The topic for April 2018 is an after action review on the Roots closure so that board and public have visibility into the outcomes of this decision after it has been made. Refer to [board policy 3650](#) and [AR 3650](#) for background about this board policy.

Discussion Information only

Fiscal Impact Refer to deck for more information about the fiscal impact of expanding CCPA and closing Roots.
