A. Call to Order**B. Roll Call****C. Modification(s) To Agenda**

Modification(s) to the Agenda allows for any change in the order of business including, but not limited to, an announcement that an agenda item or legislative file will be considered out of order, that consideration of an item has been withdrawn, postponed, rescheduled or "pulled" off of the Committee's General Consent Report for separate discussion and possible action. Additionally, all speaker cards for any item or legislative file appearing on the meeting agenda must be in the hands of the Board staff or Committee Chair by the time item "C" is reached in the agenda. Speaker cards submitted afterwards will be "filed."

D. Adoption of Committee Minutes

None [Next Meeting]

E. Adoption of the Committee General Consent Report

"Adoption of the Committee General Consent Report" means that all legislative items listed under this topic are approved in one motion unless a Member of the Committee requests that an item be removed and voted on separately or otherwise acted upon. Generally, these items are routine in nature and are acted upon in one motion to conserve time and permit focus on other-than-routine legislative items on the agenda.
