Subject: Proposal for Drinking Water Investigation and Sampling
OUSD Project No. 25081
Change Order No. 1
Oakland Unified School District
Oakland, California

Dear Mr. Ortiz:

Rincon Consultants (Rincon) is pleased to submit this proposal to further investigate detections of lead in drinking water for the Oakland Unified School District (OUSD) as discussed below.

Background

As background, OUSD conducted testing for lead in water at drinking fountains and sinks in the Harriet Tubman Preschool. Results from several samples collected in May and June 2025 were inconsistent with each other and exceeded the 5 parts per billion (ppb) limit established by California Assembly Bill 2370 for licensed child care centers. OUSD reached out to Rincon to request assistance with assessing the cause of the elevated levels of lead and developing a plan to reduce levels. During a call on July 2, 2025, Rincon requested additional information about the sampling methodology and water infrastructure at the school to inform our assessment.

On August 12, 2025, Rincon conducted an inspection of Harriet Tubman Preschool with OUSD representatives to assess the on-site water infrastructure and review drinking water analytical data from other schools across OUSD. The evaluation of these additional drinking water results prompted further inquiry and warranted further investigation. Previously reported drinking water data was collected at the point-of-use, following distribution through each school's internal plumbing system. Rincon proposes collecting drinking water samples upstream of each school's internal plumbing to evaluate whether lead contamination originates off-site.

Scope of Work

Rincon will complete the following tasks to further investigate detections of lead in drinking water for OUSD.

Task 1 Desktop Analysis

In collaboration with OUSD, Rincon identified ten (10) schools for targeted investigation and upstream drinking water sampling. Rincon staff will review both public waterline maps and school plumbing layouts to determine where upstream drinking water samples can potentially be collected. This task

focuses on preliminary desktop review of the ten (10) identified schools to and preparation ahead of field sampling.

Task 2 Field Sampling

Rincon will coordinate with the OUSD to schedule visits to each of the ten (10) identified schools in collaboration with on-site personnel. One (1) Rincon staff will travel to and from each school to assess actual on-site conditions and will conduct upstream drinking water sampling where feasible. One (1) upstream drinking water sample is planned to be collected at each of the ten (10) schools which will be analyzed for Total Lead via Environmental Protection Agency (EPA) Method 200.8. This Task includes budget for ten (10) drinking water samples to be analyzed for Total Lead via EPA Method 200.8

Task 3 Data Analysis

Rincon will analyze the drinking water analytical data from the ten (10) schools which will be compared to historical results to evaluate potential data trends. Additionally, Rincon will assess potential geographic patterns or consistencies across the sampled school sites. Rincon will prepare a technical memorandum that summarizes the analytical results from field sampling, any associated findings, and/or provide recommendations for further investigation or corrective action if warranted. This technical memorandum will be submitted to OUSD as electronic files via email.

Task 4 Project Management

General project administration activities will be completed by Rincon staff to effectively manage the project. Additionally, Rincon will provide routine project status updates to OUSD staff. This Task budget accounts for general communication with the OUSD, including calls, meetings, and e-mails.

Assumptions

The following assumptions were used in preparing this proposal:

- Best available information regarding school infrastructure associated with drinking water will be provided to Rincon by OUSD for the Desktop Assessment.
- OUSD will coordinate with the Rincon to ensure timely access to potential sampling locations, facilitating entry and support from on-site personnel as needed.

Cost Estimate

As shown in Table 1 below, Rincon proposes to complete the scope of work described above on a time and materials basis in accordance with the General Services Agreement between Oakland Unified School District and Rincon Consultants, Inc. dated August 12, 2025. Additional services beyond those identified herein will be provided, at your request, for an additional fee. No other services will be provided without your express written authorization.

Contractor will not be compensated for any Basic or Additional Services required as a result of wrongful acts or omissions.

5.1 **Reimbursement for Certain Expenses.** Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

6. **Indemnity.** Contractor shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Contractor, the Contractor Parties or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees in the performance of or failure to perform Contractor's obligations under this Agreement, including, but not limited to Contractor's or the Contractor Parties' use of the site, Contractor's or the Contractor Parties' performance of the Services, Contractor's or the Contractor Parties' breach of any of the representations or warranties contained in this Agreement, or for injury to or death of persons or damage to property or delay or damage to the District or the District Parties. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph. The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Contractor or Contractor Parties under the California Fair Employment and Housing Act ("FEHA").

7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively,

“Equipment”) which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District’s reasonable satisfaction.

8. **Insurance.** Without in any way limiting Contractor’s liability, or indemnification obligations set forth in Section 6 above, Contractor shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with a combined single limit not less than \$1,000,000 each occurrence; (iii) worker’s compensation insurance as required by Labor Code section 3200, et seq.; and (iv) professional liability insurance covering errors and omissions. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days’ prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Contractor’s insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Contractor Status.** The Parties agree that Contractor is free from the control and direction of District in connection with Contractor’s performance of the Services. Contractor is hereby retained to provide the specified Services for District, which are outside the usual course of District’s business. Contractor certifies that it is customarily engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District’s employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. Unless required by law, District will not withhold any money from fees payable to Contractor, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. If applicable, Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor and the Contractor Parties and otherwise in connection with this Agreement.

11. **Fingerprinting/Criminal Background Investigation Certification.** Contractor and the Contractor Parties shall at all times comply with the fingerprinting and criminal background

investigation requirements of the California Education Code (“Education Code”) section 45125.1. Before performing any Services, Contractor shall execute and return the District’s Fingerprinting Notice and Acknowledgement form and the required certification (see *Exhibit C*).

Contractor further agrees and acknowledges that if at any time during the Term of this Agreement Contractor learns or becomes aware of additional information which differs in any way from the information learned or provided pursuant to Section 45125.1, or Contractor or Contractor Parties add personnel who will provide Services under this Agreement, Contractor shall immediately notify District and prohibit any new personnel from interacting with District students until the fingerprinting and background check requirements have been satisfied and District determines whether any interaction is permissible.

12. Tuberculosis Certification. Contractor and the Contractor Parties shall at all times comply with the tuberculosis (“TB”) certification requirements of Education Code section 49406. Accordingly, by checking the applicable boxes below, Contractor hereby represents and warrants to District the following:

A. ☒ Contractor and Contractor Parties will **only have limited contact or no contact** (as determined by District) with District students at all times during the Term of this Agreement.

B. ☐ The following Contractor and Contractor Parties will have **more than limited contact** (as determined by District) with District students during the Term of this Agreement and, at no cost to District, have received a TB test or risk assessment in full compliance with the requirements of Education Code section 49406:

_____. [Attach and sign additional pages, as needed.]

Contractor shall maintain on file the certificates showing that the Contractor and Contractor Parties were examined and found free from active TB. These forms shall be regularly maintained and updated by Contractor and shall be available to District upon request or audit.

Contractor further agrees and acknowledges that all new personnel hired to provide Services under this Agreement after the Effective Date of this Agreement by Contractor and Contractor Parties are subject to the TB certification requirements of Education Code section 49406 and shall be prohibited from having any contact with District students until the TB certification requirements have been satisfied and District determines whether any contact is permissible.

13. Confidential Information. All District information disclosed to Contractor during the course of performance of services under this Agreement shall be treated as confidential and shall not be disclosed to any other persons or parties excepts as authorized by District or required by law. Contractor shall maintain the confidentiality of, and protect from unauthorized disclosure, any and all individual student information received from the District, including but not limited to student names and other identifying information. Contractor shall not use such student information for any purpose other than carrying out the obligations under this Agreement. Upon termination of this Agreement, Contractor shall turn over to District all educational records related to the Services provided to any District student pursuant to this

Agreement.

14. **Assignment/Successors and Assigns.** Contractor shall not assign or transfer by operation of law or otherwise any or all of its rights, burdens, duties or obligations under this Agreement without the prior written consent of District. Subject to the foregoing, this Agreement shall be binding on the heirs, executors, administrators, successors, and assigns of the respective Parties.

15. **Severability.** If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

16. **Amendments.** The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by both Parties and approved by the District's governing board.

17. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Alameda, subject to transfer of venue under applicable State law, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

18. **Written Notice.** Written notice shall be deemed to have been duly served if delivered in person to Contractor at the address located next to the party signatures below, or if delivered at or sent by registered or certified or overnight mail to the last business address known to the person who sends the notice.

19. **Compliance with Law.** Each and every provision of law and clause required by law to be inserted into this Agreement shall be deemed to be inserted herein and this Agreement shall be read and enforced as though it were included therein. Contractor shall comply with all applicable federal, state, and local laws, rules, regulations and ordinances, including but not limited to fingerprinting under Education Code section 45125.1 and confidentiality of records. Contractor agrees that it shall comply with all legal requirements for the performance of duties under this Agreement and that failure to do so shall constitute material breach.

20. **Non-Discrimination.** There shall be no unlawful discrimination in the contracting of persons under this Agreement because of race, color, national origin, age, ancestry, religion, sex, or sexual orientation of such persons.

21. **Attorneys' Fees.** If a party to this Agreement commences a legal action against the other party to enforce a provision of this Agreement or seek damages related to the services provided under this Agreement, the prevailing party in the legal action will be entitled to recover from the other party all of its reasonable litigation expense, costs, and fees actually incurred, including reasonable attorneys' and experts' fees.

22. **Liability of District.** Notwithstanding anything stated herein to the contrary, District shall not be liable for any special, consequential, indirect or incidental damages, including but not limited to lost

profits in connection with this Agreement.

23. **Time.** Time is of the essence for performance of the Services under this Agreement.

24. **Waiver.** No delay or omission by either Party in exercising any right under this Agreement shall operate as a waiver of that or any other right and no single or partial exercise of any right shall preclude either Party from any or further exercise of any right or remedy.

25. **Reports.** Contractor shall maintain complete and accurate records with respect to the Services rendered and the costs incurred under this Agreement, including records with respect to any payments to employees and subcontractors. All such records shall be prepared in accordance with generally accepted accounting procedures. Upon request, Contractor shall make such records available to District for the purpose of auditing and copying such records for a period of five years from the date of final payment under this Agreement.

26. **Ownership of Documents.** All plans, studies, drawings, calculations, reports, specifications, estimates, and other documents or any other works of authorship fixed in any tangible medium of expression, including but not limited to physical drawings, data magnetically or otherwise recorded on computer disks, or other writings prepared or caused to be prepared by the Contractor under this Agreement ("Documents") shall be and shall remain the property of the District for all purposes, not only as they relate or may relate to the Services but as they relate or may relate to any other project. Contractor will provide the District with a complete set of Documents, and will retain, on the District's behalf, the originals or reproducible copies of all Documents, however stored, in the Contractor's files for a period of no less than fifteen (15) years. Contractor shall promptly make available to District any original documents it has retained under this Agreement upon request by the District.

27. **Licensing of Intellectual Property.** This Agreement creates a non-exclusive and perpetual license for the District to copy, use, modify, reuse or sublicense any and all copyrights, designs and other intellectual property embodied in the Documents ("Intellectual Property") not only as they relate or may relate to the Services but as they relate or may relate to other projects. The Contractor shall require any and all subcontractors and subconsultants to agree in writing that the District is granted a similar non-exclusive and perpetual license for the Intellectual Property of such subcontractors or consultants that they provided to Contractor as part of the Services. The compensation for the Services includes compensation not only for any such use of the Intellectual Property in connection with the Services, but also for any re-use of the Intellectual Property by the District in relation to other projects. Contractor represents and warrants that Contractor has the legal right to license the Intellectual Property that Contractor, its subcontractors, or its subconsultants prepare or cause to be prepared under this Agreement.

28. **Entire Agreement.** This Agreement is intended by the Parties as the final expression of their agreement with respect to such terms as are included herein and as the complete and exclusive statement of its terms and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement, nor explained or supplemented by evidence of consistent additional terms.

29. **Ambiguity.** The Parties to this Agreement, and each of them, hereby represent that the language contained herein is to be construed as jointly proposed and jointly accepted, and in the event of any subsequent determination of ambiguity, all Parties shall be treated as equally responsible for such

ambiguity.

30. **Execution of Other Documents.** The Parties to this Agreement shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may be necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

31. **Execution in Counterparts.** This Agreement may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

32. **Warranty of Authority.** The persons who have signed this Agreement warrant that they are legally authorized to do so on behalf of the respective parties, and by their signatures to bind the respective parties to this Agreement.

33. **Mediation.** A party to this Agreement shall, as a condition precedent to initiating any litigation against the other party, demand mediation of any dispute. The parties shall endeavor to include any third party claimant in the mediation. The parties shall select a mediator and schedule the mediation within thirty (30) days of the initial demand for mediation. If the parties cannot agree on a mediator, the mediator shall be appointed by JAMS. The parties to the mediation, including the parties to this Agreement, shall pay equal shares of the mediator's fees. Each party shall bear its own attorney's fees related to the mediation.

Failure to comply may result in the termination of the Contract.

36. **Designation of Key Personnel.** The individuals specified in the attached *Exhibit D* shall provide the services set forth herein, and shall be the persons primarily in charge of such work. No other individuals may provide services for Contractor on the this project without first obtaining the written approval of the City Manager.

38. **Notice to Proceed; Progress; Completion.** Upon execution of this Agreement by the parties

and approval of it by the District’s governing board, District shall give Contractor written notice to proceed with the Services. Such notice may authorize Contractor to render all of the Services contemplated herein, or such portions or phases as may be directed by the District. **Subject: Proposal for Drinking Water Assessment Consultation
Hoover Elementary (Harriet Tubman Preschool)
800 33rd Street, Oakland, California**

Dear Mr. Carter:

Rincon Consultants, Inc. (Rincon) is pleased to provide this proposal to the Oakland Unified School District (OUSD) for environmental consulting services. As background, OUSD recently conducted testing for lead in water at drinking fountains and sinks in the Harriet Tubman Preschool. Results from several samples collected in May and June 2025 were inconsistent with each other and exceeded the 5 parts per billion (ppb) limit established by California Assembly Bill 2370 for licensed child care centers. OUSD reached out to Rincon to request assistance with assessing the cause of the elevated levels of lead and developing a plan to reduce levels. During a call on July 2, 2025, Rincon requested additional information about the sampling methodology and water infrastructure at the school to inform our assessment.

Rincon is prepared to start with the services in this proposal immediately upon authorization and receipt of the additional information. The estimated cost for the scope of work described above is **\$5,139** (Attachment 1). The project will be charged on a time and materials basis and is assumed to be completed in 2025. Any additional work requested by OUSD can be completed for an additional fee following written authorization.

Thank you for your consideration and for this opportunity to support your project. If you have any questions regarding this proposal, please contact James Schwartz at 408-204-8551 or james.schwartz@rinconconsultants.com.

Sincerely,
Rincon Consultants, Inc.
