Peer mediators will work in pairs to help peers involved in a dispute to resolve their differences and repair their relationship. Summary for Board Memo and Board Agenda – Must accurately align with scope of work below.

Ratification by the Board of Education of Amendment No. 1 of the Professional Services Contract between District and Yari Sandel, Lafayette, CA, for the latter to provide 117 additional hours of service as the middle school Conflict Mediation Coordinator at one of the eight schools, Montera Middle School. The increased hours will allow for the consultant to work longer with youth and support them developing and facilitating restorative justice workshops with other students. Under the direction of the Program Manager for Restorative Justice and in coordination with the site administrators, the consultant will recruit, train and oversee a representative group of students reflective of the racial, ethnic, and academic diversity of the school for the period of September 1, 2012 through June 30, 2013, in the amount of \$3393.00, increasing the agreement from \$31,668.00 to a not to exceed amount of \$35,061.00.

SCOPE OF WORK

Yari A. Ojeda Sandel will provide a maximum of 117.00 hours of services at a rate of \$ 29.00 per hour for a total not to exceed \$ 3,393.00. Services are anticipated to begin on 09/01/2012 and end on 06/30/2013.

1. Description of Services to be Provided: Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what *this* Contractor will do.

The Consultant will provide direct on-site services for the Madison Middle School conflict resolution program by collaborating with site staff to identify and recruit 5-10 peer mediators (11-14 years old) that reflect the racial, ethnic, and academic diversity of the school. The Consultant will provide these students with training in the mediation process, effective communication, problem solving and restorative practices. Peer mediators will work in pairs to help peers involved in a dispute to resolve their differences and repair their relationship. The Consultant will coach the peer mediators to conduct an average of 20-35 conflict mediations, and support the school site in creating a safe, healthy and supportive school environment for students through the framework of restorative practices.

2. Specific Outcomes: What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

- The Consultant will provide support to 40-70 youth who are experiencing barriers to learning due to conflict and connect them to conflict mediation services. In previous years, almost 100% of these students have graduated from high school. The Conflict Resolution program augments other efforts within OUSD to reduce truancy and foster academic achievement.
- 5-10 Peer mediators in the program will learn how to: be a peer leader, practice effective communication skills, express personal feelings and needs, listen without taking sides, problem-solve, improve school climate, and gain experience in civic participation within their school community. These efforts support students in the program to be prepared for success in college and future careers.
- Conflict Resolution education is part of the District's strategy to reduce racially disproportionate discipline. The strategy also includes implementing restorative practices. This program will increase the feeling of safety and support in participating schools and aid in raising attendance and graduation rates.

3. Alignment with District Strategic Plan: Indicate the goals and visions supported by the services of this contract: (Check all that apply.)

EXHIBIT "A" Scope of Work

DESCRIPTION OF SERVICES TO BE PERFORMED BY CONTRACTOR

CONTRACTOR's entire Proposal is not made part of this Agreement. [IF A CONTRACTOR PROVIDES AN ACCEPTABLE DESCRIPTION OF SERVICES AS PART OF A PROPOSAL, THAT DESCRIPTION OF SERVICES CAN BE ATTACHED WITHOUT ANY TERMS, CONDITIONS, LIMITATIONS, ETC., FROM THAT PROPOSAL.]

Summary for Board Memo and Board Agenda - Must accurately align with scope of work below.

Ratification by the Board of Education of a Professional Services Contract between District and Yari A. Ojeda Sandel, Lafayette, CA, for the latter to provide 1092 hours of service. As the OUSD Middle School Conflict Mediation Coordinator, the consultant will provide services at Montera Middle School and Bret Harte Middle School - under the direction of the Program Manager for Restorative Justice and in coordination with the site administrators. The Conflict Mediation Coordinators will recruit, train and oversee a representative group of students reflective of the racial, ethnic, and academic diversity of the school. The Consultant will serve in the capacity of Conflict Mediation Coordinator for the period of September 01, 2012 through June 30, 2013, for a total of 1092 hours for an amount not to exceed \$31,668.00.

SCOPE OF WORK

Yari A. Ojeda Sandel will provide a maximum of 1,092.00 hours of services at a rate of \$ 29.00 per hour for a total not to exceed \$31,668.00. Services are anticipated to begin on 09/01/2012 and end on 06/30/2013.

1. Description of Services to be Provided: Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what this Contractor will do.

The Consultant will provide direct on-site services for the Madison Middle School conflict resolution program by collaborating with site staff to identify and recruit 5-10 peer mediators (11-14 years old) that reflect the racial, ethnic, and academic diversity of the school. The Consultant will provide these students with training in the mediation process, effective communication, problem solving and restorative practices. Peer mediators will work in pairs to help peers involved in a dispute to resolve their differences and repair their relationship. The Consultant will coach the peer mediators to conduct an average of 20-35 conflict mediations, and support the school site in creating a safe, healthy and supportive school environment for students through the framework of restorative practices.

2. Specific Outcomes: What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

- The Consultant will provide support to 40-70 youth who are experiencing barriers to learning due to conflict and connect them to conflict mediation services. In previous years, almost 100% of these students have graduated from high school. The Conflict Resolution program augments other efforts within OUSD to reduce truancy and foster academic achievement.
5-10 Peer mediators in the program will learn how to: be a peer leader, practice effective communication skills, express personal feelings and needs, listen without taking sides, problem-solve, improve school climate, and gain experience in civic participation within their school community. These efforts support students in the program to be prepared for success in college and future careers.
Conflict Resolution education is part of the District's strategy to reduce racially disproportionate discipline. The strategy also includes implementing restorative practices. This program will increase the feeling of safety and support in participating schools and aid in raising attendance and graduation rates.
