How will this grant contribute to sustained student achievement or academic standards?	The Kindergarten Readiness grant is a part of First 5's neighborhoods ready for school strategy. The grant provides funding for the coordination of services to: (1) increase alignment between programs/systems to support children and families' readiness for school (kinder-transition plans, family engagement events, K/TK family orientations), (2) cross-department collaboration to nurture school readiness, joint PreK-TK.K teacher meetings and information sharing between ECE and elementary school. (3) position schools as a resource to 0-5 families, support school readiness and enrollment through FRC's and community schools strategies. (4) Four Summer Pre-K classrooms.
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 5.46% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.) Data collection and attendance sheets are used to measure the number of families attending engagement events and pre/post data assessment are administered during Summer PreK program.

Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	No

PROGRAM DESCRIPTION AND REQUIREMENTS

1. Background and Program Description

The California Children and Families First Act of 1998 (Proposition 10) created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. The intent of this act is to enable counties to create and implement an integrated, comprehensive and collaborative system of information and services to enhance optimal early childhood development.

First 5 has approved a Strategic Plan for a comprehensive system of early intervention services for children birth to 5 years of age and families in Alameda County. A key component of the First 5 Strategic Plan is the Neighborhoods Ready for School Strategy, which promotes and strengthens individual, family and neighborhood protective factors through increasing social connections, community capacity building and access to needed services (2017-2021 Strategic Plan, page 26). The services of the Contractor have been retained to support Summer Pre-K (SPK) programs and provide Early Childhood Education (ECE) and K-12 teachers with professional development and orientation to the SPK model. Funding also supports a School Readiness Coordinator (Program Manager) to develop and implement year round school readiness and transition programming including a student passport/snapshot form, and a variety of family/child learning activities.

2. Prohibition on Supplantation

By law, First 5 funding may not be used to supplant other funds. First 5 funding may only be used to expand or enhance existing programs or to initiate new services or programs benefiting children prenatal to age five.

3. Performance Requirements

Contractor's approved performance requirements are included as Attachment 2.0: Results Based Accountability Plan.

4. Reporting Requirements

Contractor will submit program progress reports, expense reports and a final report as outlined on the payment schedule in Exhibit B: Terms and Conditions of Payment and Accountability Requirements. Depending on the type of service provided, Contractor may be required to collect and report on specific measures as identified in the First 5 2017-2021 Strategic Plan.

5. Fiscal Requirements

Contractor's approved budget is included as Attachment 1: Budget.

Contractor may be required to submit General Ledger expense reports and salaries and benefits documentation supporting expenses to be reimbursed during the funded term. First 5 will identify which reporting period(s) Contractor will be required to submit this information and provide prior notice

to the Contractor.

6. ECChange, HIGH5, ECC Online, or Pathways Database Requirements

Contractor will report in HIGH5.

7. Budget and/or Scope Revisions

Contractor may submit one budget and/or scope revision per year no later than April 15th of the fiscal year and may be granted or denied per the review and assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted to existing line items (not including administrative/indirect fees) at the Contractor's discretion once per year. All significant revisions to approved scope must be submitted in writing and may be granted or denied per the review and assessment of First 5 staff. Ineligible and previously unapproved contract expenses may be disallowed per First 5 review and assessment.

8. Federal Office of Management & Budget (OMB) Circular Requirements

Contractor is required to comply with all current OMB Circular requirements during the funded term, including but not limited to conflict of interest, internal controls, procurement and subcontractor monitoring if applicable. First 5 reserves the right to audit and collect from Contractor documentation demonstrating allowable activities and costs, eligibility, reporting, subcontractor monitoring and other special tests as identified.

9. Tuberculosis Testing

The Contractor shall require and ensure that staff who have direct and consistent contact with children through the First 5 funded activities undergo standard tuberculosis testing. Contractor will maintain records and documentation of current tuberculosis clearance and retest as appropriate.

10. Filing reports with Child Protective Services (CPS) / Child Care Licensing (CCL)

If a First 5 Contractor has knowledge of or observes a child who they suspect has been the victim of child abuse or neglect within the course of First 5 funded work, it is expected that they will file a report of the situation to CPS. In accordance with CPS guidelines, the report should be filed by phone within 24 hours of the incident, and in writing within 36 hours of the incident. If the abuse or neglect occurs in a licensed child care facility, it is expected that the Contractor will also file a report immediately to CCL.

Reporting suspected child abuse or neglect to First 5 or other persons is not a substitute for making a report to CPS or CCL. Reporting duties are individual and cannot be delegated to another person.

If First 5 staff become aware of suspected child abuse or neglect while providing consultation and/or contract support, and a report is not filed within the legal timeframe by the contractor, First 5 staff will file a report by phone and in writing within 24 hours.

Failing to report abuse or neglect to the appropriate agencies is not consistent with the mandates of First 5 Alameda County to improve health and development of children ages 0-5. Failure to report may

result in termination of contract funding.

- A. Contractor shall make a good faith effort to ensure that clients receive from all staff members effective, understandable, and respectful care that is provided in a manner compatible with their cultural health beliefs and practices, and preferred language.
