A. Call to Order

B. Roll Call

C. Speaker Request Cards/Modification(s) To Agenda

Members of the public may address the Commission on any item listed on this Agenda, for three minutes per person or less, depending on the number of Speakers for the item, by Registering to Speak on the Agenda Item.

Registering to Speak may be done by one of two methods: by filing an electronic (preferred method) eComment: Sign In To Speak-Request To Speak by Legislative File Id No. or Alpha or by filing a paper Speaker Request Card, clearly identifying the item listed on the Agenda, by Legislative File Id No. or Alpha. A separate Registration to Speak is required for each Agenda Item, except all legislative files listed under the General Consent Report(s) are treated as a single item.

Registering to Speak (electronic or paper) for any and all Agenda Items for this meeting, preferably, must be received by the Commission staff or the presiding officer by the time the Commission has reached this point "C" in the Agenda of the meeting but not later than BEFORE an Agenda item is called for consideration by the presiding officer. A Registration to Speak submitted after the item has been called will be "filed."

Modification(s) to the Agenda allows for any change in the printed order of business including, but not limited to, an announcement that an Agenda item or legislative file will be considered out of Agenda printed order, that consideration of an Agenda item has been withdrawn, postponed, rescheduled or "pulled" or taken off of the General Consent Report for separate discussion and/or possible action.

D. Adoption of Commission Minutes

None this meeting.

E. Adoption of the Commission General Consent Report

"Adoption of the Commission General Consent Report" means that all items appearing under this topic are approved in one motion unless a Member of the Commission requests that an item be removed and voted on separately or otherwise acted upon. Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other-than-routine legislative items on the agenda.
