# Memo

**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Jody Talkington, Senior Director of Strategic Projects  
Joshua Daniels, Chief Governance Officer

**Meeting Date** January 3, 2022

**Subject** Mid Year Board Retreat

**Action** Discuss, as appropriate, the information presented

**Background & Discussion** It is the practice of the Board of Education (and the Superintendent) to follow annual work plans to guide its activities each year. The Board held a retreat on June 29, 2021 in which an initial draft of the Board Work Plan was presented and discussed. A revised Work Plan was presented to the Board at its August 25, 2021 meeting, at which time the Board adopted the Work Plan.

This item is an opportunity for the Board to reflect on the first half of the 2021-22 year—more specifically, to reflect on the progress to date on the Board Work Plan and on Board member assignments—to prioritize for the second half of 2021-22, and to continue to build relational trust among Board members. Time permitting, staff will present a proposal for a Board Visioning session, which would lead into spring and fall study sessions.
