Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Sondra Aguilera, Chief Academic Officer

Meeting Date June 23, 2021

Subject Memorandum of Understanding 2021-2022 – Bay Area Community Resources - After School Program – Life Academy

Ask of the Board Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and Bay Area Community Resources, San Rafael, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Life Academy's comprehensive After School Program, for the period of July 1, 2021 through June 30, 2022, in an amount not to exceed \$194,886.00.

Background The general purpose of the 21st Century Community Learning Centers (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code (EC) section 8421 further defines the purpose of the 21st CCLC High School ASSETS program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

Discussion This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.

Fiscal Impact 21st Century High School After School Safety and Enrichment for Teens (ASSETS) Grant/Resource 4124 in the amount of \$194,886.00

**After School Template for High School
Memorandum of Understanding 2021-2022
Between Oakland Unified School District and
Bay Area Community Resources**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with **Bay Area Community Resources** ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at **335** **Life Academy** under the following grants:

- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
- California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")

2. **Term of MOU.** The term of this MOU shall be July 1, 2021 through June 30, 2022. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of** The 21st Century ASSETS Core Grant, and Direct Access grant award amount for **Bay Area Community Resources** is **\$ 194886.00**. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments**

withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.

- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A** - Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed **\$ 194886.00** in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

Program Fees. The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. . Any site receiving 21st Century Community Learning Center (CCLC) must report all fees collected (i.e.- registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

5. **Scope of Work.** AGENCY will serve as lead agency at **335 Life Academy**, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2021-2022. This shall include the following required activities:

5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.

5.1.1. **Alignment with Single Plan for Student Achievement** ("Site Plan"). AGENCY will ensure the after school program aligns with OUSD and **335 Life Academy** objectives to ensure the success of students as articulated in the Site Plan. AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.

5.1.2. **Continuous Quality Improvement (CQI).** AGENCY must fully engage in continuous quality improvement (CQI) processes and complete the following steps of the CQI cycle each year, and timely submit corresponding CQI deliverables to the After School Programs Office:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- progress check for program quality e.g. quality coaching

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

Agency staff (Site Coordinators and Agency Directors) are also required to participate in any OUSD sponsored CQI training provided by the OUSD After School Programs Office.

- 5.2. **Oversight.** AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. Agency must ensure compliance with 21st Century ASSETS Core and Direct Access funding guideline requirements and follow OUSD after school policies and procedures. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.

- 5.3. **Enrollment.** AGENCY will enroll 9th through 12th grade students at **335 Life Academy** to serve sufficient number of students and run services for a sufficient number of days to earn the full core grant allocation of funding.

5.4. Program Requirements

- 5.4.1. **Program Hours.** Consistent with the 21st Century ASSETS program requirements, AGENCY agrees to operate a minimum of 15 hours per week. This may include after school only OR after school and any combination of before school, weekends, summer intersession and vacation.

- 5.4.2. **Program Days.** AGENCY shall offer a program for a minimum of 177-180 days during the 2021 – 2022 school year.

- 5.4.2.1. **Attendance Targets.** AGENCY will operate the program for a sufficient number of days during the 2021 – 2022 school year to ensure that student attendance targets are met. This can include Summer Session.

- 5.4.2.2. **Program Closure.** AGENCY will close the ASSETS program no more than a maximum of 3 days in any calendar year for staff professional development, as permitted by Education Code.

5.4.3. Program Components

- 5.4.3.1. AGENCY shall provide programming that supports the guidelines as outlined in the ASSETS Core Grant for students at **335 Life Academy**. AGENCY understands that the ASSETS program has three required elements that must be offered in every funded program: academic assistance, enrichment, and family literacy services. AGENCY understands that the academic and enrichment elements must provide additional support for pupils and be coordinated with the regular academic program requirements, standards-aligned curriculum and instructional materials, and assessments of pupil progress. AGENCY agrees to provide programming consistent with grant guidelines understanding that:

- 5.4.3.1.1. **Academic Assistance.** ASSETS programs will include tutoring, homework assistance, and Credit Recovery in their academic assistance element. The assistance will be aligned with the regular academic programs of the students and will assist them in meeting state and local academic achievement standards in core academic subjects, such as reading, mathematics, and science.

- 5.4.3.1.2. **Enrichment.** Each ASSETS program will provide an enrichment element that offers participating students a broad array of additional services, programs, and activities designed to reinforce and complement the regular academic program. Services will be actively coordinated with the students' regular high school day program. It is strongly encouraged that programs include an Internship Program to develop Career Skills. In particular, the enrichment element activities must be developed in alignment with appropriate California content standards and standards-aligned instructional materials, related California curriculum frameworks, and other research-based practices.

- 5.4.3.1.3. **Family Literacy Services.** AGENCY shall assess the need for family literacy services among adult family members of the high school students to be served by the program. All programs will, at a minimum, either refer families to existing services or

coordinate with local service providers to deliver literacy and educational development services.

5.4.3.2. Supplemental and Summer Services. In all programs receiving 21st CCLC Supplemental grant funds or private funding for summer, AGENCY will provide educational and enrichment programming in the summer, on weekends, and/or during intercessions. SECTION 2: PROGRAM OPERATIONS			
Average Daily Attendance, Program Dates, Minimum Days & Enrollment <p>To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.</p>			
Projected daily attendance for 2021-2022 school year program.		<div>139</div>	
Program Operations for the 2021-2022 school year. First Day: August 9, 2021 Last Day: May 26, 2022			
UPDATED ED CODE:	<p>Per CDE Education Code Section 8483 7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. This should be uploaded no later than 5 business days after the closure day.</p>		
Identify the three days (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2021).			
1st:	<div>10/29/2021</div>	2nd:	<div>1/21/2022</div>
		3rd:	<div>3/4/2022</div>
<p>Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.</p>			
Projected Number of Minimum Days for School Year 2021-2022:		<div>0</div>	
<p>Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?</p>			
<p>BACR will budget accordingly for all anticipated minimum days as presented by Life Academy administrators. We will communicate regularly and also budget accordingly for any unexpected minimum days.</p>

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal *McKinney-Vento Homeless Assistance Act* (42 U.S.C. Sec. 11430a), who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. *Subtitle VII-B of the McKinney-Vento Homeless Assistance Act* (42 U.S.C. § 11431 et seq.)
 - Establishes the definition of homeless used by schools
 - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
 - Provides for educational access, stability, and support to promote school success
 - Needed to address the unique barriers faced by many homeless students

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2020-2021 school year?

0

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

We have the capacity to serve all students and will always make room for anyone who wants to join us. We will also be mindful of their needs and operate with an equitable approach to ensure the student/s are being well served and their needs are being met.

SECTION 4: PROGRAM COMPONENTS

CDE requires that programs must provide a safe environment and include an educational component that provides tutoring and/or homework assistance; and an educational enrichment component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for physical activity. (EC Section 8483.3(c)(7))

Educational and Literacy Component that includes tutoring/

Describe how the after-school program will provide the educational & literacy component.

Respond Below:

- Through our program, we will provide individualized academic support and mentoring (0 Period) by creating a healthy, safe, and diverse program. This program will be led by a certified teacher on extended contract.
- Our program will assist students in developing a love for learning and support their efforts in achieving their academic and career goals. In addition, we will provide a digital credit recovery class that will allow students to earn credits they may be lacking in any subject through this Computerized Learning Program.
- We will work in partnership with the administration and OUSD to create a school-aligned health and safety procedure for our program.
- All providers will be expected to start their class with check-ins and Warm Welcomes and end with, and Optimistic Closures. We will continue to use, and model for all staff our Be the Change curriculum and Spark Cards which provide simple and engaging activities that will help facilitate our SEL practices. In addition, facilitators will have access to the SEL practices playbook provided to us by OUSD.

- We will offer ALL 9th-grade students after-school academic support and skill-building strategies to support their HS experience. We will onboard three 9th grade certified teachers from Life Academy HS to support this effort two days a week during the extended day.
- We will once again partner with Reading with Relevance using their curriculum to support literacy during the expanded day program. Our staff will be trained by the founder of RWR D. Lacy Asbill.

Homework assistance in the core subjects (language arts, math, history /social science, etc.)

How are students building academic skills? How are social-emotional academic development being integrated? (Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.)

Respond Below:

We will use a peer tutoring model for students in need of H.W assistance and completion. Our BACR instructors will also support students with their homework during the designated HW time. We will also partner with someday school teachers to supports during the extended daytime for those students in need of support.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill-building, youth voice and leadership and diversity access and equity.)

Respond Below:

Once again we are excited to offer our students multiple opportunities for project-based learning in all of our extended day program offerings. This year we will continue to partner with Rainbow Chefs, Code Nation and Youth Beats to offer programs like: Culinary Arts, Coding and STEM, and Multi-Media. These programs were our most popular and attended programs during the school year.

This year BACR is hoping to set up an expanded learning partnership with The Crucible in West Oakland for all of our High Schoolers offering students off-site technical skills programming like Woodworking, Machine shop, automotive repair, kinetics, and Electronics, and more. We were hoping to launch this in 20.21 but the pandemic put the breaks on it.

Each of our offerings will support 4 key components:

1. Learning content.
2. Understanding how the 4 C's (Collaboration, Creativity, Communication, and Critical Thinking) show up.
3. Exploration (how is what they are learning in after school connect to "real life").

Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)

CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not "free play" or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).

- Plan and evaluate (review fitness test results, track minutes, etc.)
- Include a variety of activities throughout the year

Describe how the after-school program will provide structured physical activity for all participants. (Include specific strategies to promote healthy choices and behaviors.)

Respond Below:

We will partner with America Scores and the Oakland Genesis Soccer program in the 21.22 school year. They will offer soccer and physical activity to all students in our program who enroll in soccer. Our BACR instructors will also offer students planned out physical activity breaks using a coaching corps model for other program offerings. It will be part of our opening rituals, engaging practices, and closing moments. Life Academic has a really great outdoor track and we will encourage students to take walking breaks around the track.

<p>Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.</p> <p>Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?</p>
--

Respond Below:

We have a part-time Family Liaison. Our Bilingual (Spanish speaking) F.L. Ms. Margarita Guzman will connect students and families to services, organizations, and other resources that provide support beyond after-school and summer programming. (e.g food security, health, and mental health services, parent education, and other identified needs). In 20.21 we held Parent/Family academy virtual meetings every Wednesday from 4-6 pm. We avg. 25 family members every week and had guest presenters on various topics of support for family members including: Mental Health, Substance Abuse, Workforce, and more.

<p>Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)</p> <p>How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster <u>skill-building, youth voice and leadership and diversity, access and equity.</u>)</p>
--

Respond Below:

Same as above.

<p>1. Complete the program schedule from or upload your program schedule.</p> <p>a. Make sure your program schedule includes:</p> <p>i. Class/Activity title i.e. African Dance not just enrichment</p> <p>ii. Day and time offered</p> <p>b. Complete this form to design program component <u>attached template</u> to describe program components then link them into this document. Program component description link: linked to the <u>spreadsheet</u> create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".</p> <p><i>*In the fall, sites are required to resubmit updated program schedules. This schedule should be clearly aligned with the supports identified in section 4.</i></p>
<p>Academic Alignment with School Day and <u>District Priorities</u></p>
<p>Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.</p> <p>- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.</p>

- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 2021-22 School Year)

Respond Below:

96% of seniors graduate from Life and 100% of students have clear, achievable post-secondary plans that have been co-created with and are supported by Life staff members. Our senior year is realigned to a graduate profile through which students demonstrate readiness for the next step.

By May 2023, Life will have increased SBAC scores so that 40% or more of our 11th-grade students are scoring proficient on the ELA and 30% or more of our 11th-grade students are scoring proficient on Math.

By May 2023 Life will hold weekly Parent Academy gatherings for *a diverse set of families* to learn 1) about the academic expectations of the school and the language used to talk about these i.e. SBAC, Reclassification, SRI, etc and 2) to foster a sense of belonging and support among families at Life and will have 3) monthly parent observations of classrooms with feedback given to teachers.

By May 2023, all teachers at Life will be familiar with the standards for their content areas and use these along with the Understanding by Design framework to plan strong, grade-level-appropriate units that support the growth of students. Formative and summative assessments will be used in order to inform and adjust instruction to push students to mastery of content.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the *Quality Standards for Expanded Learning in California*—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

TRUTH

What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program

Respond Below:

1. Our truth is we have not been able to serve as many HS students as we would have liked to and it has been challenging serving students virtually especially when quite a few students do not turn their cameras on. We conducted an inquiry and consistently asked students what their interests were and we have been able to provide programs like Culinary Arts and Guitar lessons which were exciting. However, it's challenging to see their progress with cameras off.
2. We work with quite a few partners/subcontractors who provide great content like coding, art, soccer, and more. The Truth is we could do more by supporting them in understanding CDE's 12 quality standards and how they can and should show up during all their program offerings.

HOPE

What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?

Respond Below:

We hope to have all 9th graders enrolled in the program. We hope that all the participants 9-12 grade attend regularly and continue to provide feedback to us about their experience.

We hope for our program to remain consistent with the following elements whether in-person or virtually:

1. Provide a Safe and Supportive Environment.
2. Provide meaningful and engaging programs
3. Consistency with multiple opportunities for presentations and showcasing student work
4. Off-site exploration aligned with program content
5. A committed youth advisory board.
6. Stronger relationships with day school and after-school

We hope that all providers, line staff/instructors, and outside providers fully understand and implement practices that lift up the 12 quality standards.

CHANGE

What steps will be taken to make the shifts needed to realize the HOPE identified above?

Respond Below:

When we go into contract with all subcontractors, we are asking that they attend a training session led by BACR that introduces them to the 12 quality standards and that they clearly show how some of these standards show up in their Scope of Work they are required to submit to us for contracts. We are also asking how they can work with us and pivot accordingly for a Hybrid model program.

CURIOSITY

What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts

Respond Below:

We are curious how we can more intentionally support HS students earning some credits for their participation in expanded learning programs. This year students have struggled not only emotionally, but academically as well. We want to do our best to support students catching up and most of our programs are aligned to core content. I'm curious to learn how we can support their credit recovery with programs like coding, culinary arts, Soccer, and so on.

SECTION 7a: PROGRAM FEES

Will this after-school program charge program fees for 2021-2022

☐ Yes

☒ No

If "YES, program fees will be charged," please complete the following assurances. Both the Principal and Lead Agency boxes must be initialed.

Principal	Lead Agency	ASSURANCES
		Our program will not turn away any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation.
		Our program will communicate in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay. Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. Ensure that all documentation is accessible to families. This means they should be translated into the major languages used by the families in your school.
		Our program will publicize the program fee structure in written program materials for school leaders, parents/guardians, and/or community members (i.e. communication letter, meetings agenda, etc.).
		Our program shall not charge a fee to a family for a child if the program once notified that the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), or for a child who the program knows is in foster care.
		Our program will provide receipts to parents/guardians for each payment made.
		The lead agency will manage funds raised by program fees according to standard accounting practices and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures. This will be turned in quarterly.
		The Use of Fees: Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to "keep accurate records of fees collected, and fees should be tracked separately from the grant funds received." Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

Facility Keys

It is critical that the After-School Site Coordinator has access to facility keys in order to ensure safety after school should a lockdown or lockout be needed. Will the After-School Program have access to facility keys for all areas where after school programming occurs?

Yes ☒ No ☐

If no, indicate how the school campus will be secured if crisis should occur during after school hours and if lockdown is necessary:

SSO Staffing

Check One:

- ☐ Site will utilize after school and/or school day funds to pay Extra time / Over time (ET/OT) for an after school SSO.
- ☒ Site does not need an SSO.
- ☐ Site does not have the resources to fund an after school SSO.

Life Academy (9-12) OUSD Expanded Learning: After-School Programs

2021-2022 Modification Program Plan

ELEMENTARY/MIDDLE & HIGH SCHOOLS

ASES and 21st Century Community Learning Center (21st CCLC)

Modification Program Plan: Given the uncertainty of the school reopening model, this document will:

- Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.
- Support collaboration with schools and Lead agencies to determine their reopening plans.

Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

Possible modified program models:

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
 - If the sites are in any type of hybrid programming where some are on and some students are off-campus. Expanded Learning funds are to be prioritized for in-person programming.
 - This modification occurs when students come back part-time or not all students come back in person. I.E. small pod instruction with only 12-14 students present in each class.

GUIDING QUESTIONS - Staffing

Please answer the following questions to help guide program contingency planning. Staffing is the key ingredient to making these decisions for each site.

☐ How many full-time employees does the expanded learning program employ? (i.e., site coordinators)

☐ How many part-time employees?

☐ How many hours do the part-time employees work?

Hrs

☐ Does the program have subcontractors that provide service?

MODIFIED SCOPE OF WORK

Please Indicate below how the Expanded Learning Program will support each possible modification. Check all that apply. (Keep in mind that Expanded Learning funds should be used to support enrichment for students. If staff is supporting school day make sure to set aside dedicated for them to provide this service.)

Distance Learning :

- ☒ Expanded Learning staff will be generally present (via Zoom) from __am/pm to __am/pm
- ☒ Expanded Learning staff will virtually support 1:1 with a student(s) __ groups of students __.
- ☐ Expanded Learning staff will virtually support teachers directly.
- ☐ Expanded Learning staff will lead and facilitate programming independently of the school day
- ☒ Expanded Learning staff will assist with specific subjects.

List subjects below:

Literacy via Lexia on-line program

Please briefly describe how the program will support distance learning:

Just like this past year, when we did 100% virtual programming, we will partner with staff and outside providers who have quality enrichment and academic support programs. These programs include, but are not limited to: Soccer, Culinary Arts, Guitar Lessons, Service Learning, spoken works, young womens group and more...

In-person Modified by State and County Health Guidelines:

- ☒ Expanded Learning staff are in person with a small cohort, based on county POD guidelines
- ☐ Expanded Learning staff will provide programming for 3 hours after the school day ends.
- ☐ Expanded Learning staff will provide distance learning support for student or 1:1 tutoringExpanded Learning staff will support in-person students daily
- ☐ Expanded Learning staff will virtually support students on days when all students are virtual

Please briefly describe how the program will support distance learning:

Students will participate in in-person activities when they are present at school, including enrichments and academic supports. Students will participate in virtual programs on day when they are not in school. All our providers and staff members have and will be trained and expected to know how to pivot accordingly.

SECTION 3: PARTNERSHIP & COMMUNICATION ASSURANCE

How will the site operationalize communication between the lead agency staff and school faculty? Are there existing spaces that the coordinator or instructors should be invited into to improve alignment between the school faculty and expanded learning staff?

- ☒ PBIS
- ☒ Staff Meetings
- ☐ Grade level Collaboration
- ☒ COST

If a shift happens how do you collaboratively transition from fully remote learning to in-person learning modified?
(i.e. Keep in mind impact, staff readiness, budget, space, and county/state guidelines.) **What are the steps/considerations for the transition?**

If all programs are virtual, coordinator maintains a team of "in person" instructors who support events and distributions and can pivot to in person programs as possible.

Many steps are in place to make sure agency staff and school staff are on the same page, constantly in collaboration: Coordinator participates in on going meetings with School administration to align with school site policies.

On going coaching with district level ASP managers. Coordinator schedules recurring meetings with providers and agency staff to promote alignment with school initiatives and policies.

Coordinator has the opportunity to participate in staff meetings and training's - agency staff receive direct training from coordinator regarding school initiatives.

Coordinator and school admin create opportunities for agency staff participation in meetings with school teachers regarding academic subject gaps and approaches to academic support.

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. - a. Coverage under this provision is afforded until the end of the policy period.
2. Each of the following is also an insured:
- a. **Medical Directors and Administrators** – Your medical directors and administrators, but only while acting within the scope of and during the course of their duties as such. Such duties do not include the furnishing or failure to furnish professional services of any physician or psychiatrist in the treatment of a patient.
 - b. **Managers and Supervisors** – Your managers and supervisors are also insureds, but only with respect to their duties as your managers and supervisors. Managers and supervisors who are your "employees" are also insureds for "bodily injury" to a co-"employee" while in the course of his or her employment by you or performing duties related to the conduct of your business.

This provision does not change Item 2.a.(1)(a) as it applies to managers of a limited liability company.
 - c. **Broadened Named Insured** – Any organization and subsidiary thereof which you control and actively manage on the effective date of this Coverage Part. However, coverage does not apply to any organization or subsidiary not named in the Declarations as Named Insured, if they are also insured under another similar policy, but for its termination or the exhaustion of its limits of insurance.
 - d. **Funding Source** – Any person or organization with respect to their liability arising out of:
 - (1) Their financial control of you; or
 - (2) Premises they own, maintain or control while you lease or occupy these premises.

 - (2) Structural alterations, new construction or demolition operations performed by or on behalf of that person or organization.
 - g. **Lessor of Leased Equipment – Automatic Status When Required in Lease Agreement With You** – Any person or organization from whom you lease equipment when you and such person or organization have agreed in writing in a contract or agreement that such person or organization is to be added as an additional insured on your policy. Such person or

organization is an insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

A person's or organization's status as an additional insured under this endorsement ends when their contract or agreement with you for such leased equipment ends.

With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.

- h. **Grantors of Permits** – Any state or political subdivision granting you a permit in connection with your premises subject to the following additional provision:
 - (1) This insurance applies only with respect to the following hazards for which the state or political subdivision has issued a permit in connection with the premises you own, rent or control and to which this insurance applies:
 - (a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners or decorations and similar exposures;

 - (c) The ownership, maintenance, or use of any elevators covered by this insurance.
- i. **Vendors** – Only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business, subject to the following additional exclusions:
 - (1) The insurance afforded the vendor does not apply to:
 - (a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
 - (b) Any express warranty unauthorized by you;
 - (c) Any physical or chemical change in the product made intentionally by the vendor;
 - (d) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;
 - (e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;
 - (f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

- (g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
 - (h) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
 - (i) The exceptions contained in Sub-paragraphs (d) or (f); or
 - (ii) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.
 - (2) This insurance does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing.
 - j. **Franchisor** – Any person or organization with respect to their liability as the grantor of a franchise to you.

Such person or organization is an additional insured for "bodily injury," "property damage" or "personal and advertising injury" but only for liability arising out of the negligence of the named insured. The limits of insurance applicable to these additional insureds are the lesser of the policy limits or those limits specified in a contract or agreement. These limits are included within and not in addition to the limits of insurance shown in the Declarations.
 - l. **Owners, Lessees or Contractors** – Any person or organization, but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - (1) Your acts or omissions; or
 - (2) The acts or omissions of those acting on your behalf;

BACR TODAY

MISSION

The mission of Bay Area Community Resources (BACR) is to promote the healthy development of individuals, families, and communities. There are three core components to our mission:

- I. Provide direct services to promote healthy development;
- II. Encourage volunteers to provide service to their community; and
- III. Build and strengthen all of the communities we serve, so that community members and institutions can effect change.

I. DIRECT SERVICES

BACR direct services are organized into program industry groups, which have a similar focus and common participant outcomes. These programs serve youth and adults in seven Bay Area counties and numerous communities and (K-12) schools. Direct services are delivered in each of the following program groups:

AFTER-SCHOOL

Our after school programs offer safe and enriching after school opportunities to young people where they can learn to be productive, build positive adult and peer relationships, and participate in meaningful academic and enrichment activities. BACR provides these programs at more than 100 schools in the Bay Area.

BEHAVIORAL HEALTH ADVOCACY, PREVENTION, & TREATMENT

BACR provides direct services to individuals and families needing support to overcome mental health or substance use problems. Alcohol and Drug, Tobacco, and Mental Health programs deliver prevention and treatment services to youth and adults having a broad spectrum of needs, ranging from the need for basic information to treatment for chronic alcoholism and drug recovery. Specifically, BACR offers school-based counseling and education, community-based centralized assessment and referral to treatment, family therapy, DUI programs, and tobacco education and cessation. Our environmental prevention services aim to change community norms about alcohol, drugs, and tobacco use by advocating for private or public policy adoption.

HEALTHY COMMUNITIES

In this industry, school- and community-based health centers serve as hubs of integrated, coordinated services and programs where youth and families can find support, resources, and community. Examples of our hubs include First 5 Centers, Healthy Start programs, high school health centers, community schools, and other family resources and early childhood programs. BACR strives to create vibrant, accessible, inclusive hubs that are safe, open, and nurturing places for participants to belong and call home.

NATIONAL SERVICE

Giving back is vital to healthy development. Through BACR's National Service program, participants achieve personal benefits by having opportunities to contribute to community improvement. Youth benefit as well through a variety of academic and youth development services delivered by BACR's AmeriCorps members. AmeriCorps members are placed at more than 70 local schools and programs where these services are provided.

WORKFORCE & EDUCATION (formerly Youth Workforce)

Our workforce model ensures that youth have access to five interventions, which are 1) Academic support, 2) Workforce skill building and employment, 3) Civic engagement, 4) Connection to support services, and 5) Meaningful participation in youth development activities. Our participants are resilient, facing multiple barriers that prevent them from accessing opportunities that would allow them to transition into adulthood successfully; healthy, self-sufficient; and free from the justice system. To ensure that services are accessible, our projects and outreach activities are delivered in a range of school- and community-based settings.

II. ENCOURAGE VOLUNTEERS TO PROVIDE SERVICE TO THEIR COMMUNITY

171 Carlos Drive

San Rafael, CA 94903
www.bacr.org

415-444-5580

All programs in the BACR family encourage "giving back" to the local communities. We organize community service projects conducted by volunteers, many of whom have been service recipients, who commit to a weekend – or sometimes commit to a year – to mentor or tutor a young person. These projects result in a positive and meaningful experience for thousands of volunteers, as well as build on their skills and commitment to civic responsibility. At the same time, they are making a positive difference in the lives of individuals and in their community.

III. BUILD AND STRENGTHEN ALL OF THE COMMUNITIES WE SERVE SO THAT COMMUNITY MEMBERS AND INSTITUTIONS CAN AFFECT CHANGE.

Building community in all we do is part of the BACR way. Each program sees itself as part of the community and seeks out community partners with whom to collaborate. Our staff represent the agency on numerous coalitions sharing a common vision of community empowerment and capacity building.

ORGANIZATIONAL STRUCTURE AND STAFFING

The Board of Directors is the legal entity responsible for the operation of the agency. It develops agency policy, mission, and goals, and ensures that adequate resources are available to carry out such goals.

BACR is led by a Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, and a program-based team of Project Directors. BACR has approximately 1,300 full- and part-time staff members and AmeriCorps members.

The agency's FY 2019-20 budget is approximately \$45 million including in-kind services. Major funding sources include government, corporate and foundation grants, and school contracts.

SUMMARY OF FY 2019-20 PROJECT SERVICES

We will deliver 1,046,579 staff hours and 335,698 volunteer hours directly serving 32,451 students/ individuals and their families. Twenty-four percent (24%) of all services will be supported by volunteers, interns, or AmeriCorps members. The service distribution is as follows:

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez
