Meeting Date August 24, 2022

Subject Appointment of OUSD Representative to Charter School Governing Board

Ask of the Board Recommendation to Board of Approval of Appointment of OUSD Representative to Charter School Governing Board.

Background

Education Code §47604(c) allows authorizing districts to appoint a district-selected appointee to the governing boards of the charter schools it authorizes. The OUSD Board established that it intended to exercise this right moving forward with OUSD Board Resolution 1718-0168.

Annually, the Office of Charter Schools reviews internal records to identify schools that have received multiple Notices of Concern and/or a Notice of Concern that raised serious concerns about student safety in the previous year. Following this process in 2019, the Office of Charter Schools placed a district-selected appointee on the Oakland Military Institute Charter School Board. This appointee is now leaving their position, requiring a replacement appointee for the charter school to be identified.

To address this need, OCS selected a candidate based on the relevant experience and skill sets they could contribute to the charter school board, as well as a lack of conflict of interest. If appointed, the OUSD-selected candidate would become a voting member of the charter school’s governing board. At the beginning of their term of service, the appointee will be required to complete 3 online trainings on the expectations and role of board members developed by Board on Track and OCS. The appointee is expected to report to the Office of Charter Schools three times per year.

The Charter Matters Committee, upon request of the Office of Charter Schools staff, recommends that the OUSD Board appoint **Annie Washington to the Oakland Military Institute Charter School Governing Board.**

Background information on the recommended appointee is included in the Appendix and corresponding Attachment.
