RE: Grant Agreement for Cross-Age Mentoring Program

Dear Superintendent Johnson-Trammell:

On May 21, 2019, the Alameda County Board of Supervisors provided approval for the Alameda County Probation Department (ACPD) to enter into a memorandum of understanding (MOU) with OUSD to fund the Cross-Age Mentoring Program at Oakland High School, Westlake Middle School, and Roosevelt Middle School. As approved by the Board of Supervisors, ACPD will provide funding in the amount of \$390,000 to OUSD through an MOU to cover all costs associated with program development and implementation. Payment will be made upon execution of the MOU in August 2019.

We are very excited to support this important program, which we expect to reduce suspensions and youth entry into the juvenile justice system.

MEMORANDUM OF UNDERSTANDING
Between
Alameda County Probation Department and Oakland Unified School District
For
Cross-Age Mentoring Program

This is a Memorandum of Understanding (MOU) by and between the Alameda County Probation Department, a division of the County of Alameda (“County”), hereinafter referred to as “PROBATION,” and the Oakland Unified School District, hereinafter referred to as “DISTRICT,” who mutually agree to the following:

I. BACKGROUND

PROBATION is a member of the Youth Ventures Joint Powers Authority (JPA), a partnership of public agencies that are committed to improving outcomes for youth and families in Oakland. To achieve this goal, the JPA has convened groups of public and private stakeholders to advance collaborative policies and programs in five priority areas: health, wealth, education, housing, and safety. The Chief Probation Officer serves as chair of the safety group, known as the Safety Impact Table. The mission of the Safety Impact Table is to identify citywide approaches to reducing violence and incarceration that result from increased collaboration across agencies and organizations, reallocation of public funding, and changes in public policy and procedure. Initiatives of the Safety Impact Table may include activities related to prevention, intervention, or reentry.

As part of its work, the Safety Impact Table has formed a working group in partnership with the Education Impact Table called the Alternatives to Suspension Working Group. The goal of this group is to identify and implement effective strategies for reducing suspensions in DISTRICT schools. The working group reviewed national best practices in suspension reduction and identified the Cross-Age Mentoring Program (CAMP), a school-based peer mentoring program through which high school students provide one-on-one mentoring to middle school students. The program is designed to foster high school students’ leadership and collaboration skills, interest in serving their communities, and academic connectedness while simultaneously promoting middle school mentees’ self-esteem, academic achievement, and connectedness to school, family, and the future. Prior evaluations of the model have demonstrated increases in attendance, academic performance, and behavior at school among program participants.

The Alternatives to Suspension Working Group will implement CAMP during the 2019-2020 school year in 3 DISTRICT schools. Forty (40) students will be recruited from Oakland High School to be mentors; forty (40) mentees will be enrolled from Westlake Middle School and Roosevelt Middle School. Students will be identified for participation in the program based on several indicators of disengagement from school, including total number of F grades, disciplinary actions, and absences during the 2018-2019 school year. High school mentors will be enrolled in a class that will comprise one of their 8 periods and will receive a stipend of up to \$1,000 for their participation. High school mentors who successfully complete the program will also receive a free Chromebook to support

continued educational interest and achievement. From August through December 2019, high school mentors will receive classroom instruction related to leadership and mentoring skills. In January 2020, high school mentors will be matched with their middle school mentees and meet weekly for 1.5 hours. The program will involve excursions and service projects that are designed to expand youths' view of the world and expectations of self. Two program managers will be hired to lead the program; each will manage all mentoring activities between 20 high school students and one middle school.

II. PURPOSE

The purpose of this MOU is to clarify the agreement between PROBATION and DISTRICT concerning disbursement of funds to implement CAMP during the 2019-2020 school year at Oakland High School, Westlake Middle School, and Roosevelt Middle School. This MOU also clarifies District reporting requirements regarding student outcomes.

III. MOU TERM

This MOU will commence on June 1, 2019 and end on September 30, 2020. The term may be extended with the written consent of both parties.

IV. PAYMENT

The compensation payable to DISTRICT hereunder shall not exceed *three hundred ninety thousand dollars (\$390,000)* for the term of this MOU. All payments shall be made upon issuance of an invoice by DISTRICT. PROBATION shall pay approved invoices within 45 days of receipt.

V. RESPONSIBILITIES:

DISTRICT will implement the CAMP at Oakland High School, Westlake Middle School, and Roosevelt Middle School during the 2019-2020 school year. As part of implementation, DISTRICT will, to the extent permitted by applicable law:

- Train two (2) staff members in CAMP curriculum delivery

- Identify and enroll eligible students from Oakland High School in CAMP class
- Identify eligible students from Westlake Middle School and Roosevelt Middle School
- Arrange mentoring logistics, including transportation of Oakland High School students to Westlake and Roosevelt Middle Schools for mentoring sessions

DISTRICT will also collect data pertaining to student outcomes and report data to PROBATION. As part of data collection and reporting, DISTRICT will, to the extent

feasible:

- Identify and contract with a reputable research partner to evaluate CAMP
- Provide research partner with access to student records (attendance, grades, disciplinary record, etc.) as needed to evaluate CAMP, to the extent permitted by law, including but not limited to, the Family Educational Rights and Privacy Act (“FERPA,” 20 U.S.C. § 1232g; 3 CFR Part 99), and the California Education Code.
- Provide research partner with access to students to complete surveys or other assessments as needed to evaluate CAMP, to the extent permitted and in compliance with all applicable state and federal laws and regulations
- Submit final report regarding CAMP evaluation to PROBATION by September 30, 2020

VI. MODIFICATION

This MOU may be modified at any time upon written mutual agreement, executed by both Parties.

VII. TERMINATION

This MOU may be terminated without cause by either party by giving thirty (30) calendar days’ advance written notice to the other party. Such notification shall state the effective date of termination or cancellation. DISTRICT shall be compensated for unpaid services provided up to the final termination date.

VI. RELATIONSHIP OF THE PARTIES

No relationship of employer and employee is created by this MOU; it being understood and agreed that DISTRICT is an independent district. DISTRICT is not the agent or employee of the County in any capacity whatsoever, and County shall not be liable for any acts or omissions by DISTRICT nor for any obligations or liabilities incurred by DISTRICT.

DISTRICT shall have no claim under this MOU or otherwise, for seniority, vacation time, vacation pay, sick leave, personal time off, overtime, health insurance medical care, hospital care, retirement benefits, social security, disability, Workers’ Compensation, or unemployment insurance benefits, civil service protection, or employee benefits of any kind.

DISTRICT shall be solely liable for and obligated to pay directly all applicable payroll taxes (including federal and state income taxes) or contributions for unemployment insurance or old age pensions or annuities which are imposed by any governmental entity in connection with the labor used or which are measured by wages, salaries or other remuneration paid to its officers, agents or employees and agrees to indemnify and hold

County harmless from any and all liability which County may incur because of DISTRICT's failure to pay such amounts.

In carrying out the work contemplated herein, DISTRICT shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and agrees that such officers, agents, and/or employees shall not be treated or considered in any way as officers, agents and/or employees of County.

Notwithstanding the foregoing, if the County determines that pursuant to state and federal law DISTRICT is an employee for purposes of income tax withholding, County may, upon two weeks' notice to DISTRICT, withhold from payments to DISTRICT hereunder federal and state income taxes and pay said sums to the federal and state governments.

VII. INDEMNIFICATION

To the fullest extent permitted by law, DISTRICT shall hold harmless, defend and indemnify the County of Alameda, its Board of Supervisors, employees and agents from and against any and all claims, losses, damages, liabilities and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of services under this MOU, provided that any such claim, loss, damage, liability or expense is attributable to bodily injury, sickness, disease, death or to injury to or destruction of property, including the loss therefrom, or to any violation of federal, state or municipal law or regulation, which arises out of or is any way connected with the performance of this MOU (collectively "Liabilities") except to the extent that such Liabilities are caused by the negligence or willful misconduct of any indemnitee. The County may participate in the defense of any such claim without relieving DISTRICT of any obligation hereunder. The obligations of this indemnity shall be for the full amount of all damage to County, including defense costs, and shall not be limited by any insurance limits.

In the event that DISTRICT or any employee, agent, or subcontractor of DISTRICT providing services under this MOU is determined by a court of competent jurisdiction or the Alameda County Employees' Retirement Association (ACERA) or California Public Employees' Retirement System (PERS) to be eligible for enrollment in ACERA and PERS as an employee of County, DISTRICT shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for ACERA and PERS benefits on behalf of DISTRICT or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.
