VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**

The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

The above program plan lists the school sites identified under 1st round and includes JCC Eastbay who we have had a detailed conversation with and has requested our services in the first round. Each school site will be serviced two days per week, 3 hours per day. All of these school sites have been spoken with directly (except madison park as we are still awaiting a reply) and would like us on campus year round. The above table details 6 weeks total of sessions, but can be adjusted if needed. We have provided the total amount of hours per school in the 6 week span, and have utilized the requested \$100 per staff per hour rate the district has shared with us to determine the budget for the 6 week program. We will have a regional district leader in place visiting all school sites. As there is a 20:1 ratio, the most students we can have at any time is 40. We are aiming to run 3 groups per day, totalling 120 students per day. 2 hours will be used towards programming, with the remaining hour split for prep and clean up times respectively. For the intersession days, we are able to increase capacity and staffing based on enrollment with no hiccups.

- (b) an oral agreement or contract where a Certificate of Insurance showing that person or organization as an additional insured has been issued;

but the written or oral contract or agreement must be an "insured contract," and,

- (i) currently in effect or become effective during the term of this Policy; and
- (ii) executed prior to the "bodily injury," "property damage," "personal and advertising injury."

- 2. With respect to the insurance afforded to the Additional Insured identified in paragraph 1. above, the following additional provisions apply:

- (a) This insurance applies only with respect to the liability arising out of the ownership, maintenance or use of that part of the premises leased to you.
- (b) The Limits of Insurance applicable to the Additional Insured are the lesser of those specified in the written contract or agreement or in the Declarations for this Policy and subject to all the terms, conditions and exclusions for this Policy. The Limits of Insurance applicable to the Additional Insured are inclusive of and not in addition to the Limits of Insurance shown in the Declarations.
- (c) In no event shall the coverages or Limits of Insurance in this Coverage Form be increased by such contract.
- (d) Coverage provided herein is excess over any other valid and collectible insurance available to the Additional Insured whether the other insurance is primary, excess, contingent or on any other basis unless a written contractual arrangement specifically requires this insurance to be primary.
- (e) This insurance applies only to the extent permitted by law.

- 3. This insurance does not apply to:

- (a) Any "occurrence" or offense which takes place after you cease to be a tenant in that premises.
- (b) Structural alterations, new construction or demolition operations performed by or on behalf of the Additional Insured.

P. Additional Insured - Funding Sources

- 1. **SECTION II - WHO IS AN INSURED** is amended to include as an additional insured any Funding Source which requires you in a written contract to name the Funding Source as an additional insured but only with respect to liability arising out of:

- a. your premises; or
- b. "your work" for such additional insured; or
- c. acts or omissions of such additional insured in connection with the general supervision of "your work"

and only to the extent set forth as follows:

- a. The Limits of Insurance applicable to the Additional Insured are the lesser of those specified in the written contract or agreement or in the Declarations for this Policy and subject to all the terms, conditions and exclusions for this Policy. The Limits of Insurance applicable to the Additional Insured are inclusive of and not in addition to the Limits of Insurance shown in the Declarations.
- b. The insurance afforded to the Additional Insured only applies to the extent permitted by law
- c. If coverage provided to the Additional Insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- d. In no event shall the coverages or Limits of Insurance in this Coverage Form be increased by such contract.

Q. Additional Insureds - By Contract

1. **SECTION II - WHO IS AN INSURED** is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract, written agreement or permit. Such person or organization is an additional insured but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of:
- a. your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations for the Additional Insured that are subject of the written contract or written agreement provided that the "bodily injury" or "property damage occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or
 - b. the maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or
 - c. the Additional Insureds financial control of you; or
 - d. operations performed by you or on your behalf for which the state or political subdivision has issued a permit

However:

- 1. the insurance afforded to such additional insured only applies to the extent permitted by law; and
- 2. if coverage provided to the Additional Insured is required by contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide such additional insured.

With respect to paragraph 1.a. above, a person's or organization's status as an additional insured under this Endorsement ends when:

- (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or
- (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to paragraph 1.b. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this Endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage."

We have no duty to defend an additional insured under this Endorsement until we receive written notice of a "suit" by the Additional Insured as required in paragraph b. of Condition 2. **Duties in the Event of Occurrence, Offense, Claim or Suit under SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITION.**

2. With respect to the insurance provided by this Endorsement, the following are added to paragraph 2. **Exclusions under SECTION I - COVERAGE A - Bodily Injury and Property Damage Liability:**

This insurance does not apply to:

- a. "Bodily injury" or "property damage" that occurs prior to your commencing operations at the location where such "bodily injury" or "property damage" occurs.
- b. "Bodily injury," "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - (1) the preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (2) supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that Insured, if the "occurrence" which caused the "bodily injury" or "property damage," or the offense which caused the "personal and advertising injury," involved the rendering of, or failure to render, any professional architectural, engineering or surveying services.

- c. "Bodily injury" or "property damage" occurring after:
 - (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or
 - (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

- d. Any person or organization specifically designated as an additional insured for ongoing operations by a separate additional insured endorsement issued by us and made part of this Policy.
3. With respect to the insurance afforded to these Additional Insureds, the following is added to **SECTION III - LIMITS OF INSURANCE:**

If coverage provided to the Additional Insured is required by a contract or agreement, the most we will pay on behalf of the Additional Insured is the amount of insurance:

- a. required by the contract or agreement; or
- b. available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This Endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

R. Primary and Non-Contributory Additional Insured Extension

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this Policy.

Condition 4. **Other Insurance** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** is amended as follows:

- a. The following is added to paragraph a. **Primary Insurance:**

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

- (1) the Additional Insured is a named insured under such other insurance; and
- (2) you have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the Additional Insured.

- b. The following is added to paragraph b. **Excess Insurance:**

When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the Additional Insured is designated as a named insured.

Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the Additional Insured has been added as an additional insured on other policies.

S. Additional Insureds - Protection of Your Limits

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this Policy.

- 1. The following is added to Condition 2. **Duties in the Event of Occurrence, Offense, Claim or Suit:**

An additional insured under this Endorsement will as soon as practicable:

- a. give written notice of an "occurrence" or an offense that may result in a claim or "suit" under this insurance to us;
 - b. tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the Additional Insured; and
 - c. agree to make available any other insurance which the Additional Insured has for a loss we cover under this Coverage Part.
 - d. we have no duty to defend or indemnify an additional insured under this Endorsement until we receive written notice of a "suit" by the Additional Insured.
2. The Limits of Insurance applicable to the Additional Insured are those specified in a written contract or written agreement or the Limits of Insurance stated in the Declarations of this Policy and defined in **SECTION III - LIMITS OF INSURANCE** of this Policy, whichever are less. These limits are inclusive of and not in addition to the Limits of Insurance available under this Policy.

T. Blanket Waiver of Transfer of Rights of Recovery Against Others to Us (Subrogation)

Under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, the following is added to Condition 8. **Transfer of Rights of Recovery Against Others to Us**:

If required by a written contract or written agreement, we waive any right of recovery we may have against a person or organization because of payment we make for injury or damage arising out of your ongoing operations or "your work" done under a contract for that person or organization and included in the "products-completed operations hazard" provided that the injury or damage occurs subsequent to the execution of the written contract or written agreement.

U. Property Damage Extension with Voluntary Payments

1. The following is added to paragraph 1. **Insuring Agreement** of **SECTION I - COVERAGE A - Bodily Injury and Property Damage Liability**:

At your request we will pay for "loss" to property of others caused by your business operations for which this Policy provides liability insurance. Such payment will be made without regard to your legal obligation to do so. The "loss" must occur during the policy period and must take place in the "coverage territory."

2. With respect to the coverage afforded under paragraph 1. above, paragraph 2. **Exclusions** of **SECTION I - COVERAGES A - Bodily Injury and Property Damage Liability** is amended as follows:

Exclusions j.(3), j.(4), j.(5) and j.(6) are deleted.

3. As respects coverage afforded by this coverage, **SECTION III - LIMITS OF INSURANCE** is replaced by the following:

Regardless of the number of insureds, claims made or "suits" brought or persons or organizations making claims or bring "suits":

1. Subject to 2. Below, the most we will pay for one or more "loss" arising out of any one "occurrence" is \$ 1,000.
2. The aggregate amount we will pay for the sum of all "loss" in an annual period is \$ 5,000. This aggregate amount is part of and not in addition to the General Aggregate Limit described in paragraph 2. of **SECTION III - LIMITS OF INSURANCE**.

V. Who Is an Insured - Fellow Employee Extension - Management Employees

1. The following is added to paragraph 2.a.(1) of **SECTION II - WHO IS AN INSURED**:

Paragraph (a) and (b) above do not apply to "bodily injury" or "personal and advertising injury" caused by an "employee" who is acting in a supervisory capacity for you. Supervisory capacity as used herein means the "employee's" job responsibilities assigned by you, including the direct supervision of other "employee" of yours. However, none of these "employees" are insureds for "bodily injury" or "personal and advertising injury" arising out of their willful conduct, which is defined as the purposeful or willful intent to cause "bodily injury" or "personal and advertising injury," caused in whole or in part by their intoxication by liquor or controlled substances.

This coverage is excess over any other valid and collectable insurance available to your "employee."

W. Broadened Personal and Advertising Injury

1. Unless "Personal and Advertising Injury" is excluded from this Policy, the following is added to **SECTION V - DEFINITIONS** Item 14.:

It is a request by OUSD Dept. of Expanded Learning for organizations to submit their Proposals to be considered as an OUSD sport-based provider for expanded learning programs, after which OUSD will determine which providers are qualified and award contracts based on that determination.

What is a Pre-Bid Conference? A pre-bid conference is conducted to clear up any confusion regarding project details, scope of work and solicitation of documents that outside providers may have. In addition, outside providers will have an opportunity to ask questions.

D. Introduction and Overview

The Oakland Unified School District (OUSD) Department of Expanded Learning (ExLO) and Oakland Athletic League (OAL) invites interested organizations to apply for the sports-based youth development programs serving youth, particularly TK-6th grades, to provide entry point for youth to have the opportunity to participate in middle and high sports activities. Sports-based youth development organizations must support and align with the OUSD's strategic plan to create equitable and joyful schools.

The push for the Expanded Learning Office's to provide sports-based youth development is founded in these local and national data.

- Low-income kids are 6 times more likely to quit sports due to costs (*Source. Project Play*)
- 1 out of 3 girls felt their schools were not offering girls, sports that interested them, and 1 out of 4 had challenges around participating due to family responsibilities or lack of money (*Source. Go Out & Play: Youth Sports in America, WSF, 2008. Coaching Corps*)
- Kids quit most sports by age 11 (*Project Play*)
- Girls, enter sports later, participate in lower numbers and drop out sooner in many settings. Urban and rural girls drop sports at twice the rate of boys. (*Source. Go Out & Play: Youth Sports in America, WSF, 2008. Coaching Corps*)
- High school girls who play sports are less likely to be involved in an unintended pregnancy; more likely to get better grades in school and more likely to graduate than girls who do not play sports. (*Source. Women's Sports Foundations founded by Billie Jean King*)

Therefore, our sports-based youth development program approach primary focus is to increase the menu of sports-based youth development programs to our TK-6th grade students. Secondly, increase access to youth sports programs within our elementary sites across Oakland, which will help increase participation in the middle and high school sports for girls and students who do not usually have access to sports programs. Thirdly, create the condition for "equalable play." The sport-based youth development organizations will be an integral part of our OUSD Full Service Community Schools and make an impactful contribution toward strengthening our district, expanded learning system, and community.

Oakland Unified School District's (OUSD) mission is to build a Full-Service Community District focused on high academic achievement while serving the whole child, eliminating inequity, and providing each child with excellent teachers/coaches every day. Expanded Learning supports this mission while holding our values of equity, joy, and liberation for youth and adults with the express purpose of interrupting inequity, examining biases, creating inclusive, and just conditions for all students to achieve equally high outcomes.

Eligible sports-based youth development organizations will help all students develop strong social-emotional skills, leadership, and foundational knowledge of the sports. In addition foster sportsmanship, teamwork, and an appreciation for an athletes' mindset to further play in middle and high school sports programs.

The two types of sports-based youth development programs that the Expanded Learning Office is hoping to solicit CBOs to apply are (i) the sports-based youth development at the school site, is the **school-based model (SBI)**, and (ii) the **intercession model (IM)** during the 2022-23 school year serving across all of the OUSD elementary schools.

(i) The **School-based Model of Sports-Based Youth Program**. This model provides youth with multiple weeks (ranging from 4 to 8 weeks) of sports program within the context of the after-school hours (Monday-Friday 3-6pm) and working directly with the approved OUSD Expanded Lead Agencies. Interest CBOs must provide 2-days a week, 45-60 minute sessions, of the sports program that meets ASES and 21st CCLC physical activity component; of a warm-up, organize sports activities, and a cool down. Each CBO is required to have a 20:1 ratio (except for TK/K, which is 10:1 ratio). The ratio of students to staff may vary based on the types of the youth-based program (high-risk, high supervision, etc.). The OUSD Expanded Learning Office will approve the students to staff ratio before the contract is agreed upon.

The 51-OUSD elementary schools/programs will select which eligible sports-based programs will be a match for the students/community. *Note: The Expanded Learning Office does not guarantee organization placement to school or the number of school sites that will opt into the sports program.

(ii) The **Intercession Model of Sports-Based Youth Program**. This model provides youth with a weekend or a week-long sports program at a location. The approved organization must “offer a 9-hour of program” for each day of operation. This includes program early admission, registering/checking-in students to signing students out, and programs. The Intercession model is structured like a camp-style format to invite 51-elementary students to register for the “Intercession Model” program.

Organizations can apply both models but must demonstrate the capacity and history of providing the sports-based youth development program.

Term of the List of Qualified Agencies

The Request for Proposals (RFP) for sport-based organizations will result in a list of OUSD vetted sport-based organizations which OUSD will enter into a one-year contract. The selection and scheduling of the sports provider are at the discretion of the Expanded Learning Office, the expanded learning lead agency, and the school site administrator (Principal). School year schedules are created through a partnership between the sport-based organization and the Expanded Learning Office. Once selected to serve as a sport-based provider, the organization will work directly with the Expanded Learning Office to schedule the menu of sports-based youth development programs throughout the year starting in August to May before the contract is agreed upon.

Overview of OUSD Expanded Learning Programs

OUSD Expanded Learning Programs strive to create and sustain "safe haven" environments where Oakland children and youth can access expanded learning opportunities and integrated education, health, cultural, and enrichment programs outside of school hours or the regular school year. OUSD Expanded Learning Programs operate in elementary, middle, and high schools across the city of Oakland.

When programming is conducted in-person, over 9,000 students across 80 schools participate in OUSD expanded learning programs that operate Monday - Friday until 6:00 pm. Students who participate in expanded learning programs every day receive an additional 540 hours of learning by the end of the school year, equivalent to 90 additional days of school. In these valuable after-school hours, students engage in youth development activities that foster their physical health, social-emotional learning/well-being, and support their academic achievement in school. In order to meet these goals, the quality and success of the District's expanded learning programs are critical.

These expanded learning and summer programs are aligned with efforts in Oakland to improve young people's educational outcomes, including Oakland's investment in Kids First! The legislative initiative goal to "Help Children and Youth Succeed in School and Graduate High School" and the Oakland Unified School District's Full-Service Community Schools initiative seeks to provide health, education, and social services to youth, and their families, and the community.

OUSD expanded learning and summer programs offer critical support to schools, students, and their families. In addition to providing children and youth with sanctuary, quality expanded learning programs to support students academically and socially, OUSD expanded learning programs serve a large proportion of youth who typically benefit from additional learning support, including students from low-income households (75%) and English Learners (31%). Additionally, approximately 25% of OUSD after-school participants are African American and 45% are Latino.

OUSD seeks sport-based organizations whose mission and vision closely align and support the District's strategic plan and vision for Full-Service Community Schools.

High-quality sport-based organizations must satisfy the physical activity grant funding requirements— detailed further below and in the MOU—and provide additional opportunities for youth to practice the social skills they need to succeed.

E. Funding

Sports-based youth programs will be funded through the Expanded Learning Opportunity Program (ELO-P). The California Department of Education (CDE). CDE introduced ELO-P funding in 2021 to increase expanded learning opportunities for unduplicated students. The CDE grant required the grantee to record student participation through a database called Aeries, an OUSD's internal attendance tracking system.

- Example of suggested budget when providing a **school-based model**:
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 4 weeks (# of days) = \$1,600 x 5 sites = \$8,000
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 5 weeks (# of days) = \$2,000 x 5 sites = \$10,000
 - Ex: 1-Staff/Sports Coach at \$100 per hours x 2 hours x 2 days a week x 6 weeks = \$2,400 x 5 sites (# of days) = \$12,000
 - Example of suggested budget when providing **intercession model** (i.e. Saturday Camp)
 - \$350 per coach per session (Morning Session and afternoon session) = \$700
 - Propose flat rate to host 9-hours
 - Ex: 1-Staff/Sports Coach at \$350 per session x 2 sessions x 1 days = \$700 x 5 coaches (serving 100 youth) x \$700 = \$3,500

F. Sport Based Programs Operation

Approved sports-based youth program organizations must have an organizational infrastructure to provide sports programs throughout the year. Therefore, interested organizations need to review and consider the list of expectations of each program model before applying to be the sport-based program.

[School-based model (labeled as "SBM" and intercession model labeled as "IM")]

- Interested organizations must be able to provide sports-based programs at a minimum of 2-schools when providing a school-based program model. (SBM)
- Interested organizations must uphold the grant, district compliance, and program quality standards (e.g. attendance, safety training, participation in sports-based learning provided by the district, Positive Coaching Alliance, etc). (SBM & IM)

G. Enrollment, Attendance, and Evaluation Documentation

Approved sport-based youth program organizations will need to consider CDE Guidelines, OUSD Expanded Learning Office expectations, and site-level input (e.g. site administrator) when it comes to student enrollment consideration, attendance protocol, and programmatic evaluation.

- a. **Enrollment:** The approved sport-based organization must work under the umbrella of the expanded learning provider and track all student participation.
- b. **Attendance:** Attendance must be tracked for all camps and must be turned into the expanded learning provider.
- c. **Evaluation:** The expanded learning provides yearly evaluation of programs and works to get feedback from students, community, and partners.

H. Contract and Payments

Sport-based youth program organizations that are approved through the process described in this RFP must enter a 1-year contract with OUSD. They may not begin operating at a school site unless the District and agency have executed a contract on the District's template. Invoices are processed on a cost-reimbursement basis for actual expenditures incurred.

I. RFP Process

Any sport-based youth program organization applying for the 2022 - 23 school year and/or beyond must successfully complete the sport-based RFP process and earn *highly recommended* or *conditionally recommended* status, detailed below. Therefore, an organization that does not successfully complete the RFP process or does not earn a *highly recommended* or *conditionally recommended* status will not be contracted with OUSD to serve in the sport-based organization role in the 2022-23 school year.

Sport-based organizations that submit an RFP by the deadline will be assessed based on their RFP responses. Applications that have the potential to earn the *highly recommended* or *conditionally recommended* status and require additional information may be invited for an interview with the RFP Review Team.

Organizations completing this 2022 RFP process will be assessed and scored into one of the following three categories:

- 1) **Highly Recommended:** Organization has adequately demonstrated its capacity to serve in a sport-based role and fulfill *all* sports camp responsibilities outlined by OUSD and listed in Section III of this RFP and required document. This *highly recommended* status will be valid for up to 2022-2023 school years, depending on the organization's successful implementation of the agreed-upon scope of work.
- 2) **Conditionally Recommended:** Organization has adequately demonstrated its capacity to serve in the sport-based organization role and to fulfill *most, though not all*, of the responsibilities outlined by OUSD and listed in Section III of this RFP and required document. Organizations receiving this *conditionally recommended* status will be provided with specific feedback from the RFP Review Team on areas of responsibility where the organization has not adequately demonstrated effective capacity. This *conditionally recommended* status will be valid for up to one year. Within that

year, the community organization will be asked to provide the OUSD EXLO with additional evidence of its ability to fulfill all sport-based organization responsibilities, including documentation of the organization's efforts to improve based on feedback from the RFP Review Team. At the end of this first conditional year, the community partner will be re-assessed by the OUSD EXLO team and re-categorized as *highly recommended*, *conditionally recommended*, or *not recommended*.

- 3) **Not Recommended:** Organization has not adequately demonstrated its capacity to serve in the sport-based organization role and to fulfill most of the responsibilities outlined by OUSD and listed in Section III of this RFP and required documents. Organizations receiving this *not recommended* status will not be included in the list of qualified sport-based organizations that will be shared with Principals and lead agencies. Organizations can appeal by following the instructions in the appeals process described in Appendix V.

OUSD will notify the sports-based youth development organization of its determination by June 12, 2022 via email. If OUSD determines that an organization is Not Recommended, the organization shall have the opportunity to contest that determination. Additional details regarding this process are contained in Section L.

The granting of any payment by **OUSD**, or the receipt thereof by **VENDOR**, shall in no way lessen the liability of **VENDOR** to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If **OUSD** determines that **VENDOR**'s performance does not conform to the requirements of this Agreement, **VENDOR** agrees to correct its performance without delay.

ASSIST has been providing sports/character education based enrichment for 7 years throughout all of California. We would love to provide services to as many schools as needed, and are able to mobilize quality staff within short time frames to do so because of our thoroughly built out personnel and training departments. The proposed schedules attached towards the end of the packet are based on 1st-6th grade, however if there is a need we are able to incorporate Tk and K upon request. We would also love to provide services during intercession for all options excluding weekends. We would be able to support all intercession days for the same grades as listed above for the school based model.

In the box below, please briefly explain your rationale for this number of sites? Types of space the organization needs to run the sports-based program (Example: Need access to knee-high water tanks to run a water basket weaving program). Types of equips required to run the sports-based program.

We excel at staffing quickly, for example we hired, cleared, and trained upwards of 70 staff for Fresno Unified in less than one month. We also hired, cleared, and training well over 200 staff for Elk Grove Unified across a period of 3 months. We're able to do so quickly due to paying well above minimum wage, hiring people who have a passion for education and want to become an educator down the line, and having very well thought out training procedures. We are able to run programming on the field area (soccer field and basketball field), and would request indoor space during inclement weather such as the MP Room or Gym.

Application Questions

1. Organizational Capacity

ASSIST Academy has been serving school districts for the past 4 years as the non-profit function for our company. ASSIST Team functions mainly as a service provider during school hours and has partnered with over 100 schools and 12 school districts in California over the last 7 years. The two functions are run by the same, expansive back-end team of directors and administrative staff. ASSIST Team is currently providing programming to 66 elementary schools across California, of which 42 of those account for every school in Elk Grove Unified. Average services span across 4 hours per day, 4 days per week where our two certified coaches facilitate a structured recess program and Fitness and Nutrition Class. ASSIST Academy focuses on providing before and after school programming and currently partners with 10 school sites in Fresno Unified for after school services. Along with this, we are partnering to provide programming during the Summer and for the next school year in Fresno Unified as well.

Our vision is to shape our communities' future teachers by developing innovative and impactful programs that benefit all students. Our mission is to provide students with a safe, fun and inclusive environment while building career experience for those pursuing a future in education. ASSIST Academy is committed to working as a team with all stakeholders and engaging in collaborative leadership in order to provide the best experience for the students. This starts with open and continued communication through a variety of avenues such as: email, phone calls and in person. We have worked with a variety of demographics and developed the skill set and the personal team to efficiently differentiate instruction and communication to effectively reach different communities. Our mission includes having all of our programs being inclusive for all, and this is not taken lightly. ASSIST excels at hiring quality staff members, paying well above competitive wages, and effectively training staff to run programming on sites. We set up our team to be successful in providing quality sports-based programs for the students.

2.Fiscal Management and Resource Development

ASSIST Academy is a non-profit 501(c)3 organization and has hired an accounting firm to take care of all invoicing, payroll, bookkeeping, and general accounting needs. Invoices are generally submitted on the last school day of the month, however we can accommodate whatever specific system the district has in place.

ASSIST has a very extensive training and curriculum system. Staff goes through over 40 hours of training before coming onto site, goes through weekly and monthly training focuses, and utilize our curriculum daily to engage students. Trainings cover everything needed when working with kids, from safety, handling adverse situation, fully engaging students, etc.

ASSIST Academy will take care of all supplies and materials needed to run programming including all balls and cones etc. District leaders will be in place to refill/replace as needed as well (their main focus is quality control and training but they are also ensuring all equipment is in good shape).

If OUSD is providing additional items, we will arrange to pick up, track, and return any and all materials to the school site or district.

The full budget and cost breakdown is attached towards the end of the document. As a non-profit 501(c)3, all funds are going to pay direct staff (we pay well above minimum wage in all areas to ensure high quality programming and student safety), pay leadership staff (district leaders will be assigned based on how many schools are allocated - generally 1 district leader is in charge of 4-8 schools), hiring and clearing quality staff, materials for students, tech for staff (ie: iPads, walkie talkies), payroll services, insurances, rent for office, internet expenses, software and other employee platforms. As there are many variables (amount of schools, hours per day, staff per school) a detailed expense report (budget) can be provided upon the district's

request and specific parameters shared. The attached budgeting is a cost breakdown and multiple options that are adjustable.

3. Agency Infrastructure

It is the responsibility of our Program Director to ensure that all staff meet the minimum requirements of the district. We create an updated compliance spreadsheet to keep track of all of our staff. All program staff will be required to maintain ongoing assurance of compliance with OUSD requirements. This includes all non-credentialed staff to have one of the following: high school diploma or the equivalent, and 48 units, or earned an associate degree or higher. All staff are screened for both FBI and DOJ compliance along with TB clearance. Staff are also required to complete mandated reporter training and sexual harassment training. Our staff will all have a minimum of 40 hours of training before on site. Additionally, PD training will be provided every month, weekly campus specific trainings with the site coordinators, and quarterly focused trainings developed based on feedback from students, staff, and parents. Student ratios are always kept at a minimum of 1:20 for first through sixth grade students and a maximum of 1:10 for Transitional Kindergarten and Kindergarten.

The primary points of contact for the OUSD expanding learning partnership will be Denis Delic and Jesse Arora. Denis is our Vice President of Operations and Jesse Arora is our CEO and President. Their contact information can be found on the letter of agreement found at the beginning of this RFP. Both Denis and Jesse are committed to all our programs running smoothly and efficiently while maintaining quality performance of staff and engaging material for students. Beyond that, each staff member will have a direct line of supervisors who they report to and direct their lines of communication. Our expansive team of well-qualified and experienced individuals at the main office oversee all day-to-day aspects to ensure programs run smoothly and efficiently.

4. Youth Development Expertise, Program Quality Assessment Process, and School District Alignment

One of our biggest goals at ASSIST is to try to target the schools who have underrepresented populations or underfunded educational systems. We recognize the importance of having positive mentors in these students lives as well as giving them access to something many may not have otherwise- sports. We recognize the importance this plays on student's lives and try to reach as many students as we can.

ASSIST Academy takes the time to understand the school district and the demographics that are seen there. We demonstrate and celebrate diversity within our programing by highlighting different cultures and utilizing home languages and cultures in our curriculum. We acknowledge and support student's home language and culture. Any form of communication is provided in multiple languages. Equity and inclusion is taken into account every time we write or apply our curriculum. We always implement differentiated learning techniques to reach a wide range of targets and celebrate the differences students may bring. Our activities are built to ensure that all students can partake, no matter ability or skill level. One of our main goals is to provide high-quality care and education for the increasing number of children who are likely to be linguistically and culturally diverse. To start, our program takes the time to acknowledge the unique qualities and characteristics of each individual child. Just like each child is different, our strategies and methods we employ vary as well. We build upon the student's diversity of gifts and skills and provide children opportunities to exhibit these skills in our program. Our learning environment and enrichment programs focus on the learner and allows children an opportunity to express themselves across the curriculum.

Our program fosters character development and social-emotional learning through our program offerings. Sports-based learning opportunities are already engrossed in natural character development tools and strategies as weak as social-emotional learning opportunities. These character development and social-emotional learning opportunities are honed in through our

curriculum through the “word of the day” and our take home missions. Everyday, there will be a word of the day such as “team work” or “inclusive”. The students will learn its definition, and real world application while participating in our activities. They will then be given a “take home mission” such as helping your siblings at home with their chores to show team work. This allows for learning to happen beyond the field and taken in to all aspects of the children’s lives.

Statement of Qualifications and Verification Of Staff Members

Assist academy will directly follow any and all OUSD protocol when it comes to hiring and clearing staff members. This includes fingerprinting through the CA DOJ and FBI, TB testing, mandated reporter, sexual harassment trainings and also first-aid/concussion/CPR certification. Staff will also meet the minimum Instruction Aid qualifications. If any additional parameters are introduced by the district at any time, Assist will implement immediately.

Assist has been providing educational services for the last 7 years and has worked with upwards of 100 schools and 11 districts throughout California. Our goal is to provide students with a safe, fun and inclusive environment while also providing future educators with the direct experience they need to become an amazing teacher. We've trademarked "An Educator's Best First Job" and work directly with schools and districts to hire our staff as teachers once they earn their credentials. Its a unique opportunity to build positive relationships with students before becoming a teacher.

We're extremely confident that our programming is a great fit for Oakland Unified. A list of references can be provided upon request, and we have included a letter of reference as well. We excel at hiring qualified staff, clearing and training them in a timely and efficient manner. As we pay well above minimum wage, our candidate pool's quality ultimately increases as well. Our intricate and thorough personnel and training departments have streamlined processes and ensure our program's quality is constantly increasing. As an example, Assist hired, trained, and cleared over 60 staff for Fresno Unified in less than 30 days, and has hired 200 + staff members for services in the direct Sacramento Area in a span of less than 3 months.

What sets us apart is our willingness to work directly with districts and schools to provide the programming their students' need and deserve. The closer we work together and adapt to fit their specific needs, the longer lasting our influence is.

Thank you for your consideration, we hope to be able to work with your amazing students and make a difference!

To Whom it May Concern,

It is with great pleasure that I share my experience partnering with Assist to bring their services to our district.

I coordinate Federal and State programs and I am always looking for innovative opportunities to support students using federal and state funding. In 2019 I stumbled upon Assist Team and was curious. After meeting with the founder and observing the program in action we decided to pilot Assist Team at an elementary site. The program was met with rave reviews from administrators, staff and students. Since 2019, we have utilized Assist Team at several elementary sites and we are planning to expand our relationship to include additional programming to meet extended day requirements.

Assist is forward-thinking and up to date on educational trends and initiatives. Their coaches are highly trained individuals who understand their complex role and the significance sports plays in social and emotional development. Coaches' training and instructional practices align with PBIS, creating consistency between the classroom and playground.

I have met with Jesse and Denis many times to discuss current programs and brainstorm additional ways Assist can support our district and site needs. Assist's administrative team is eager to ensure our satisfaction and willing to adjust personnel and programming to match the needs of our students and staff.

It is without hesitation that I recommend Assist to your district. I am happy to answer any questions you may have about our experience.

Sincerely,

Such person or organization is an additional insured but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of:
- a. your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations for the Additional Insured that are subject of the written contract or written agreement provided that the "bodily injury" or "property damage occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or

With respect to paragraph 1.a. above, a person's or organization's status as an additional insured under this Endorsement ends when:

- (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or
- (2) that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to paragraph 1.b. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this Endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage."

We have no duty to defend an additional insured under this Endorsement until we receive written notice of a "suit" by the Additional Insured as required in paragraph b. of Condition 2. **Duties in the Event of Occurrence, Offense, Claim or Suit under SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITION.**

- c. "Bodily injury" or "property damage" occurring after:
 - (1) all work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed for or on behalf of the Additional Insured(s) at the location of the covered operations has been completed; or

When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the Additional Insured is designated as a named insured.

Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the Additional Insured has been added as an additional insured on other policies.

The Limits of Insurance applicable to the Additional Insured are those specified in a written contract or written agreement or the Limits of Insurance stated in the Declarations of this Policy and defined in **SECTION III - LIMITS OF INSURANCE** of this Policy, whichever are less. These limits are inclusive of and not in addition to the Limits of Insurance available under this Policy.

T. Blanket Waiver of Transfer of Rights of Recovery Against Others to Us (Subrogation)

Under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, the following is added to Condition 8. **Transfer of Rights of Recovery Against Others to Us**:

If required by a written contract or written agreement, we waive any right of recovery we may have against a person or organization because of payment we make for injury or damage arising out of your ongoing operations or "your work" done under a contract for that person or organization and included in the "products-completed operations hazard" provided that the injury or damage occurs subsequent to the execution of the written contract or written agreement.

The simple hourly and daily breakdown above will be used in the pages to follow that detail the cost for multiple schools across a 4 week, 6 week, 8 week, and 36 week cycle. If the district needs to know a different arrangement of days/weeks the equation is simple:

\$59.50 (hourly rate/staff) X # of staff X # of hours X # of days X # of schools = Cost per cycle
