Subject:	Measures N and H Recommendations for 2022-2023 Carryover Funds
Date:	March 5, 2024

## **OVERVIEW & OBJECTIVE**

Five OUSD district schools have unspent Measures N and H funds from the 2022-2023 fiscal year. Of these 5 sites, 5 submitted their 2022-2023 Measures N and H Carryover Plans at the March 5, 2024, Measures N and H Commission meeting. For the March 5, 2024, Measures N and H Commission meeting, five sites have submitted their 2022-2023 Measures N and H Carryover Plans that articulate the context that contributed to the carryover, the amount of carryover, the percentage of Measures N and H funds that are being carried over, and a clear budget for the carryover funds.

File ID: 24-0491

Per Measures N and H Commission policy, Measures N and H Commission approval is required for all Carryover Plans. Measures N and H staff have reviewed the submitted 2022-2023 Measures N and H Carryover Plans and provided feedback to school sites that were addressed before submission to the Measures N and H Commission.

Consultant Contract: East Bay Consortium (EBC) to support our post-secondary work by increasing students' access to post-secondary educational opportunities, through June 30, 2024. Consultant contract with East Bay Consortium to provide mentoring and college/career guidance to students via College & Career Center at McClymonds. EBC will provide College Advisors to assist students in 12th grade with college applications, FAFSA, and college and career exploration. This expenditure supports students by ensuring increased access for students to explore career and college programs. It also supports the our goals to reduce academic outcome disaparties for LCAP focal students groups by ensuring all students have access to college and career advising in their core classes. Professional Contracted Bus Services: Charter Bus rentals for students to attend College & Career Visits. These visits support students' exposure to success in College and Career. Specifically, provide exposure to Engineering industries in the Bay Area, specifically engineering and adjacent careers in order to ignite student interests and passions. # of students served: approximately 150 students will be able to benefit from these trips. Budget: 5 College Field Trips, 1 bus each trip at \$2,633.12 x 5 = \$13,165.56	\$13,165.56	5826	Professional Contracted Bus Services	Engineering	Career Technical Education (Integrated Program)
Computers: Purchase 25 HP ENVY x360 2-in-1 Laptop 15t-fe000, 15.6" for students to be able to use required industry-specific software (Adobe Suite) to complete unit/quarter projects for Entrepreneurship and Engineering classes; Dual Enrollment Computer Science Class. This expenditure will allow us to build work-based learning opportunities that extend beyond the awareness and exploration parts of the work-based learning continuum. Having production quality equipment will allow class activities (supported by industry mentors) that require students to plan and execute workflows and project management similar to the professional world. This specific expenditure addresses a gap in our current production capabilities: equipment to support the most popular projects our students pursue for capstone projects (textiles and digital fabrication). # of students served: 200 students who are part of both pathways will utilize the equipment. Our current technology is chromebooks. Chromebooks are unable to add software. The software needed supports raspberry PI and coding which are foundational elements of any engineering software program. These laptops allow our engineering students in computer science to have access to current technology and capability that is offered at the community college level and industry level. Correcting Negatives in Measure N & H accounts: These funds are to offset all of the negatives in Measure N - Resource 9333 & Measure H - Resource 9339. The negatives are usually the result of cost differences between what was initially budgeted by the site and the actual Salary & Benefit Costs, as well as Mid-Year Salary Adjustments. This justification is to cover negatives in the 1xxx-3xxx object codes only, throughout the 2023-24 fiscal year.	\$558.59	1xxx-3xxx	Salary & Benefit Costs Negatives	Whole School	Enabling Conditions
Strategic Carryover for Fiscal Year 2024-2025: Funds will be strategically carried over and used in fiscal year 2024-25, via the budget development and Education Improvement Plan approval process, to support expenditures identified as needs at the beginning of the school year.	\$7,213.25	4390	Future - Carryover	Whole School	Enabling Conditions
