Subject Tentative Agreement, as Agreement Between the District and the American Federation of State, County, and Municipal Employees, Local 257, As Delineated

Ask of the Board Approval by the Board of Education of Tentative Agreement, as Agreement between District and American Federation of State, County and Municipal Employees (AFSCME), Local 257, with disclosure of all applicable AB 1200 requirements.

The TA includes an ongoing salary schedule increase of 2.25%, effective February 1, 2024, and is scheduled to be approved by the District's Governing Board (Board) on May 8 2024.

Discussion Government Code 3547.5(a) states: "Before a public school employer enters into a written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement, including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be disclosed at a public meeting of the public school employer in a format established for this purpose by the Superintendent of Public Instruction."

AB 1200 (specifically Government Code section 3540.2) requires: “A school district that has a qualified or negative certification . . . shall allow the county office of education in which the school district is located at least 10 working days to review and comment on any proposed agreement made between the exclusive representative and the public school employer, or designated representatives of the employer, pursuant to this chapter. The school district shall provide the county superintendent of schools with all information relevant to yield an understanding of the financial impact of that agreement.” In response, “[t]he county superintendent of schools shall notify the school district, the county board of education, the district superintendent, the governing board of the school district, and each parent and teacher organization of the district within those 10 days if, in his or her opinion, the agreement reviewed pursuant to subdivision (a) would endanger the fiscal well-being of the school district.”

RE: Public Disclosure of the Collective Bargaining Agreement between OUSD and the American Federation of State, County and Municipal Employees Local 257 (AFSCME)

Dear Superintendent and Members of the Board,

On March 21, 2024, ACOE received a Public Disclosure of Collective Bargaining Agreement (CBA) and Tentative Agreement (TA) between OUSD and AFSCME as required by Government Code (GC) Section 3547.5 and Assembly Bill (AB) 1200 (Statutes of 1991, Chapter 1213). The TA includes an ongoing salary schedule increase of 2.25%, effective February 1, 2024, and is scheduled to be approved by the District's Governing Board (Board) on April 10, 2024.

Per the Public Disclosure, the cumulative fiscal impact of this agreement is:

Description	2023-24	2024-25	2025-26	Cumulative Cost over 3 years
One-Time Fiscal Impact	0	\$0	\$0	0
Ongoing Fiscal Impact	\$281,910	\$676,583	\$676,583	\$1,635,076
Total Fiscal Impact	\$281,910	\$676,583	\$676,583	\$1,635,076

The fiscal impact of this TA further compounds the District's deficit spending and the need for implementation of budget adjustments identified following other settled negotiations, below.

Required Ongoing Budget Adjustments at First Interim as Compared with the District's Public Disclosure Documents:

Description	2024-25	2025-26	Total
Combined "other adjustments" to Certificated &	\$67,397,169	\$12,897,165	\$80,294,334

Classified staff – Public Disclosure			
Combined “other adjustments” to Certificated & Classified staff – First Interim	\$34,129,554	\$7,332,054	\$41,461,608
Increase in OUSD’s required adjustments:	\$33,267,615	\$5,565,111	\$38,832,726

The Public Disclosure states that the salary increase will be funded through further reductions and restructuring building on plans approved in February 2024, which were themselves intended to free up funds for previously promised labor agreements, but as yet fall short of the total needed for the prior agreements. This agreement adds to the total reductions needed.

On February 28, 2024, the Board approved Resolution 2324-0137 Proposed Budget Adjustments for Fiscal Year 2024-25 and Restructuring Recommendations for 2025-26. In addition, the Board has taken the first steps to implement those adjustments by approving:

- Resolution 2324-0118 Classified Reduction in Force Due to Lack of Funds and/or Lack of Work, and
- Resolution 2324-0121 Eliminate Certificated Positions due to a Reduction in Particular Kinds of Service.

Note that while the board has approved the *intent* to restructure, it still must take action in the coming weeks and months to realize the now \$80 million in tradeoffs needed over the next two years.

The AFSCME TA, in Item 1.a.ii., included the following language: *“All compensation included in this section is contingent upon a determination by the Alameda County Office of Education that the combined financial impact of all tentative agreements with OUSD labor partners reached in the 2023-24 school year do not endanger the fiscal well-being of the District.”*

The primary responsibility of a school board is the fiscal stewardship of the school district. After 20 years of external oversight, the current OUSD board has returning to full local control as a stated priority, a goal wholeheartedly shared by ACOE. A self-governing school board takes continuous action toward a balanced budget by identifying reductions and tradeoffs whenever committing to increased expenditures.

If the Board wishes to prioritize compensation increases for all staff, there are many possible paths to doing so in a balanced budget, but all involve following through on

making hard tradeoffs and reductions in other areas. It is the elected board's right and responsibility to decide what to prioritize and how to implement those changes, acknowledging the reality that there are no significant remaining places to cut that do not impact school sites. So long as the board continues to take action on reductions equal to proposed increases, they retain full decision making autonomy. However, as a district in receivership, the Fiscal Oversight Trustee is responsible for preventing the district from taking actions that may negatively affect the financial condition of the school district.

In plain terms, the ball is in the Board's court - where it belongs. It will stay there so long as the board continues to make tradeoffs and reductions that keep pace with new investments and expenditures. This requires the board to avoid the ever present temptation to take action on new expenditures - however valuable - before making progress toward restructuring - however unpleasant.
