OAKLAND UNIFIED SCHOOL DISTRICT GENERAL SERVICES AGREEMENT

This general services agreement (“Agreement”) is made and entered into effective **October 10, 2024** (the “Effective Date”), by and between the Oakland Unified School District (“District”) and **Terraphase Engineering Inc.** (“Contractor” and together with District, the “Parties”).

1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”): CEQA Consulting Services for the Modernization Project at Coliseum College Preparatory Academy 1390 66th Avenue, Oakland CA 94621; Project 21113 project (“Project”), as further described in ***Exhibit A*** to this Agreement. Contractor shall provide services related to the Project other than Basic Services (i.e., “Additional Services”) if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Section 5, below). “Services” shall mean Basic and Additional Services. Contractor agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Services and the Project. All services performed by the Contractor under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by Terraphase Engineering Inc. consultants specially qualified to provide the services required by the District.

2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing Services shall be competent to perform those Services.

3. **Term.** The term for performance of the Services shall be the duration of the Project (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.

4. **Termination.** Either Party may terminate this Agreement at any time by giving thirty (30) days advance written notice to the other Party. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if (1) Contractor materially breaches any of the terms of this Agreement; (2) any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District’s insurance premiums; (3) Contractor is adjudged a bankrupt; (4) Contractor makes a general assignment for the benefit of creditors; (5) a receiver is appointed because of Contractor’s insolvency; or (6) Contractor or Contractor Parties fail to comply with or make material representations as to the fingerprinting, criminal background check, and/or tuberculosis certification sections of this Agreement. Such termination shall be effective immediately upon Contractor’s receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor based on the hourly rates listed in *Exhibit B* for Services satisfactorily performed. Contractor shall not increase these hourly rates over the course of this Agreement. Total fees paid by District to Contractor for Services under the Agreement shall not exceed **Forty-Eight Thousand Thirty-Two Dollars (\$48,032.00)**, which consists of a not-to-exceed amount of **Forty-Three Thousand Seven Hundred Nineteen Dollars (\$43,719.00)** for performance of the Basic Services, and a not-to-exceed contingency amount of **Four Thousand Three Hundred Thirteen Dollars (\$4,313.00)** for performance of any Additional Services. Contractor acknowledges that the not-to-exceed fee for Basic Services, above, includes contingency compensation in the foreseeable event that more time and costs may be necessary to complete the Basic Services. Contractor shall perform all Basic Services required by the Agreement even if the not-to-exceed amount for performance of the Services has already been paid and no more payments will be forthcoming. District agrees to make payment within sixty (60) days of receipt of a detailed invoice from Contractor based on hours worked and hourly rates, including any additional supporting documentation that District reasonably requests. Contractor shall not submit its invoices to District more frequently than monthly. Contractor will not be compensated for any Basic or Additional Services required as a result of wrongful acts or omissions.

5.1 **Reimbursement for Certain Expenses.** Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

6. **Indemnity.** Contractor shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Contractor, the Contractor Parties or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees in the performance of or failure to perform Contractor's obligations under this Agreement, including, but not limited to Contractor's or the Contractor Parties' use of the site, Contractor's or the Contractor Parties' performance of the Services, Contractor's or the Contractor Parties' breach of any of the representations or warranties contained in this Agreement, or for injury to or death of persons or damage to property or delay or damage to the District or the District Parties. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph. The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Contractor or Contractor Parties under the California Fair Employment and Housing Act ("FEHA").

7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, "Equipment") which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is

furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District's reasonable satisfaction.

8. **Insurance.** Without in any way limiting Contractor's liability, or indemnification obligations set forth in Section 6 above, Contractor shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (iii) worker's compensation insurance as required by Labor Code section 3200, et seq.; and (iv) professional liability insurance covering errors and omissions. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Contractor's insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Contractor Status.** The Parties agree that Contractor is free from the control and direction of District in connection with Contractor's performance of the Services. Contractor is hereby retained to provide the specified Services for District, which are outside the usual course of District's business. Contractor certifies that it is customarily engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. Unless required by law, District will not withhold any money from fees payable to Contractor, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. If applicable, Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor and the Contractor Parties and otherwise in connection with this Agreement.

11. **Fingerprinting/Criminal Background Investigation Certification.** Contractor and the Contractor Parties shall at all times comply with the fingerprinting and criminal background investigation requirements of the California Education Code ("Education Code") section 45125.1. Before performing any Services, Contractor shall execute and return the District's Fingerprinting Notice and Acknowledgment form and the required certification (see *Exhibit C*).

Contractor further agrees and acknowledges that if at any time during the Term of this Agreement Contractor learns or becomes aware of additional information which differs in any way from the information learned or provided pursuant to Section 45125.1, or Contractor or Contractor Parties add personnel who will provide Services under this Agreement, Contractor shall immediately notify District and prohibit any new personnel from interacting with District students until the fingerprinting and background check requirements have been satisfied and District determines whether any interaction is permissible.

12. **Tuberculosis Certification.** Contractor and the Contractor Parties shall at all times comply with the tuberculosis (“TB”) certification requirements of Education Code section 49406. Accordingly, by checking the applicable boxes below, Contractor hereby represents and warrants to District the following:

A. ☒ Contractor and Contractor Parties will **only have limited contact or no contact** (as determined by District) with District students at all times during the Term of this Agreement.

B. ☐ The following Contractor and Contractor Parties will have **more than limited contact** (as determined by District) with District students during the Term of this Agreement and, at no cost to District, have received a TB test or risk assessment in full compliance with the requirements of Education Code section 49406:

_____. [Attach and sign additional pages, as needed.]

Contractor shall maintain on file the certificates showing that the Contractor and Contractor Parties were examined and found free from active TB. These forms shall be regularly maintained and updated by Contractor and shall be available to District upon request or audit.

Contractor further agrees and acknowledges that all new personnel hired to provide Services under this Agreement after the Effective Date of this Agreement by Contractor and Contractor Parties are subject to the TB certification requirements of Education Code section 49406 and shall be prohibited from having any contact with District students until the TB certification requirements have been satisfied and District determines whether any contact is permissible.

13. **Confidential Information.** All District information disclosed to Contractor during the course of performance of services under this Agreement shall be treated as confidential and shall not be disclosed to any other persons or parties excepts as authorized by District or required by law. Contractor shall maintain the confidentiality of, and protect from unauthorized disclosure, any and all individual student information received from the District, including but not limited to student names and other identifying information. Contractor shall not use such student information for any purpose other than carrying out the obligations under this Agreement. Upon termination of this Agreement, Contractor shall turn over to District all educational records related to the Services provided to any District student pursuant to this Agreement.

14. **Assignment/Successors and Assigns.** Contractor shall not assign or transfer by operation of law or otherwise any or all of its rights, burdens, duties or obligations under this Agreement without the prior

written consent of District. Subject to the foregoing, this Agreement shall be binding on the heirs, executors, administrators, successors, and assigns of the respective Parties.

15. **Severability.** If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

16. **Amendments.** The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by both Parties and approved by the District's governing board.

17. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Alameda, subject to transfer of venue under applicable State law, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

18. **Written Notice.** Written notice shall be deemed to have been duly served if delivered in person to Contractor at the address located next to the party signatures below, or if delivered at or sent by registered or certified or overnight mail to the last business address known to the person who sends the notice.

19. **Compliance with Law.** Each and every provision of law and clause required by law to be inserted into this Agreement shall be deemed to be inserted herein and this Agreement shall be read and enforced as though it were included therein. Contractor shall comply with all applicable federal, state, and local laws, rules, regulations and ordinances, including but not limited to fingerprinting under Education Code section 45125.1 and confidentiality of records. Contractor agrees that it shall comply with all legal requirements for the performance of duties under this Agreement and that failure to do so shall constitute material breach.

20. **Non-Discrimination.** There shall be no unlawful discrimination in the contracting of persons under this Agreement because of race, color, national origin, age, ancestry, religion, sex, or sexual orientation of such persons.

21. **Attorneys' Fees.** If a party to this Agreement commences a legal action against the other party to enforce a provision of this Agreement or seek damages related to the services provided under this Agreement, the prevailing party in the legal action will be entitled to recover from the other party all of its reasonable litigation expense, costs, and fees actually incurred, including reasonable attorneys' and experts' fees.

22. **Liability of District.** Notwithstanding anything stated herein to the contrary, District shall not be liable for any special, consequential, indirect or incidental damages, including but not limited to lost profits in connection with this Agreement.

23. **Time.** Time is of the essence for performance of the Services under this Agreement.

24. **Waiver.** No delay or omission by either Party in exercising any right under this Agreement shall operate as a waiver of that or any other right and no single or partial exercise of any right shall preclude either Party from any or further exercise of any right or remedy.

25. **Reports.** Contractor shall maintain complete and accurate records with respect to the Services rendered and the costs incurred under this Agreement, including records with respect to any payments to employees and subcontractors. All such records shall be prepared in accordance with generally accepted accounting procedures. Upon request, Contractor shall make such records available to District for the purpose of auditing and copying such records for a period of five years from the date of final payment under this Agreement.

26. **Ownership of Documents.** All plans, studies, drawings, calculations, reports, specifications, estimates, and other documents or any other works of authorship fixed in any tangible medium of expression, including but not limited to physical drawings, data magnetically or otherwise recorded on computer disks, or other writings prepared or caused to be prepared by the Contractor under this Agreement ("Documents") shall be and shall remain the property of the District for all purposes, not only as they relate or may relate to the Services but as they relate or may relate to any other project. Contractor will provide the District with a complete set of Documents, and will retain, on the District's behalf, the originals or reproducible copies of all Documents, however stored, in the Contractor's files for a period of no less than fifteen (15) years. Contractor shall promptly make available to District any original documents it has retained under this Agreement upon request by the District.

27. **Licensing of Intellectual Property.** This Agreement creates a non-exclusive and perpetual license for the District to copy, use, modify, reuse or sublicense any and all copyrights, designs and other intellectual property embodied in the Documents ("Intellectual Property") not only as they relate or may relate to the Services but as they relate or may relate to other projects. The Contractor shall require any and all subcontractors and subconsultants to agree in writing that the District is granted a similar non-exclusive and perpetual license for the Intellectual Property of such subcontractors or consultants that they provided to Contractor as part of the Services. The compensation for the Services includes compensation not only for any such use of the Intellectual Property in connection with the Services, but also for any re-use of the Intellectual Property by the District in relation to other projects. Contractor represents and warrants that Contractor has the legal right to license the Intellectual Property that Contractor, its subcontractors, or its subconsultants prepare or cause to be prepared under this Agreement.

28. **Entire Agreement.** This Agreement is intended by the Parties as the final expression of their agreement with respect to such terms as are included herein and as the complete and exclusive statement of its terms and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement, nor explained or supplemented by evidence of consistent additional terms.

29. **Ambiguity.** The Parties to this Agreement, and each of them, hereby represent that the language contained herein is to be construed as jointly proposed and jointly accepted, and in the event of any subsequent determination of ambiguity, all Parties shall be treated as equally responsible for such ambiguity.

30. **Execution of Other Documents.** The Parties to this Agreement shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may be

necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

31. **Execution in Counterparts.** This Agreement may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

32. **Warranty of Authority.** The persons who have signed this Agreement warrant that they are legally authorized to do so on behalf of the respective parties, and by their signatures to bind the respective parties to this Agreement.

33. **Mediation.** A party to this Agreement shall, as a condition precedent to initiating any litigation against the other party, demand mediation of any dispute. The parties shall endeavor to include any third party claimant in the mediation. The parties shall select a mediator and schedule the mediation within thirty (30) days of the initial demand for mediation. If the parties cannot agree on a mediator, the mediator shall be appointed by JAMS. The parties to the mediation, including the parties to this Agreement, shall pay equal shares of the mediator's fees. Each party shall bear its own attorney's fees related to the mediation.

34. **Forms.** Prior to performing any Services, Contractor shall prepare, execute, and submit all forms that may be required by law for this Agreement, including but not limited to disabled veteran business enterprises ("DVBE") certification (Education Code §17076.11) and an Iran Contract Act certification (Public Contract Code §2204). If a form is necessary, Contractor shall use the District's versions of these forms, which the District shall make available upon request.

35. **Sanctions in Response to Russian Aggression.** The District is using State of California funds for this Contract, and therefore Contractor must comply with the Governor's March 4, 2022, Executive Order N-6-22 ("Order") relating to any existing sanctions imposed by the United States government and the State of California in response to Russia's actions in Ukraine, including additional requirements for contracts of \$5 million or more. Failure to comply may result in the termination of the Contract.

36. **Designation of Key Personnel.** The individuals specified in the attached *Exhibit D* shall provide the services set forth herein, and shall be the persons primarily in charge of such work. No other individuals may provide services for Contractor on the this project without first obtaining the written approval of the City Manager.

37. **Conflict of Interest.** Contractor warrants that neither Contractor nor any of its employees, agents, or subcontractors has an actual or potential conflict of interest with the District in respect to the Services to be performed under this Agreement for the District. None of such individuals shall, during this term of this Agreement, acquire any interest which conflicts, or could potentially conflict, in any manner with the interests of the District.

38. **Notice to Proceed; Progress; Completion.** Upon execution of this Agreement by the parties and approval of it by the District's governing board, District shall give Contractor written notice to proceed with the Services. Such notice may authorize Contractor to render all of the Services contemplated herein, or such portions or phases as may be directed by the District. In the latter event, District shall, in its sole discretion, issue subsequent notices from time to time regarding further portions

or phases of the Services. Upon receipt of such notices, Contractor shall diligently proceed with the Services authorized and complete it within the agreed time period.

39. **California Residency.** Contractor is a resident of the State of California.

A Brief History of the Firm and Types of Business Conducted	
<p>Terraphase Engineering Inc. was incorporated on September 27, 2010, in Oakland, California. The firm was founded by four principals with extensive and varied environmental consulting experience, and significant accomplishments in hazardous material investigations, site investigations, and soil and groundwater remediation throughout the United States and Canada. Since 2010, Terraphase has grown from our four founding principals in Oakland to a staff of 150 professionals spread across 14 offices in the United States. We offer cost-effective solutions to complex environmental and engineering challenges. We specialize in environmental compliance, CEQA and NEPA documentation, hazardous material assessments, remediation design and oversight services, regulatory compliance, due diligence, civil and geotechnical engineering, and litigation support. Terraphase provides services to clients across a wide range of market sectors, including municipalities/counties, education, federal agencies, developers, general industry, construction, chemicals, pharmaceuticals, legal services, utilities/energy, financial/insurance, and food/agriculture.</p> <p>Terraphase is a long-time sponsor of, and advocate for, the Coalition of Adequate School Housing, the preeminent statewide organization representing school facility professionals in both the public and private sectors.</p>	

3.2 Key Subconsultant Information

Terraphase does not anticipate the use of any subconsultants to complete the aforementioned scope of services which is based upon the RFQ/P issued by the District on July 19, 2024.

3.3 Approach

Terraphase understands from the RFQ/P that the CCPA Site Expansion Project at Coliseum College Preparatory Academy ("the Project") has five distinct construction scopes:

- Construction of the new 2-story classroom building totaling 25,700 square feet (s.f.);
- Construction of a new Gymnasium totaling 16,600 s.f.;
- Construction would include an elevator, stairway, and restroom that would serve the New 2-Story Classroom Building;
- Demolition would entail removal of the existing Gymnasium currently known as Building G, as well as demolition of the 8 existing classroom portables that would be replaced with the new 2-story classroom building; and
- Sitework including landscaping and staff parking facilities.

Based on the description in the RFQ/P, Schematic Design, and Bridging Documents, Terraphase understands construction is expected to begin in 2026 and would be expected to conclude in 2028. Terraphase will work with the District to ensure a Project Description is developed for the CEQA document that adequately meets the definition of a "Project" under Section 15378 of the CEQA Guidelines, ensuring all applicable activities associated with the Project are appropriately covered to prevent segmentation under CEQA.

Terraphase will assess the applicability of a Class 1 and/or potentially a Class 2 exemption to the Proposed Project. Assuming that the number of proposed new classrooms is fewer than 10 and additional capacity associated with the new classrooms would not result in a 25 percent or greater increase in student capacity over existing conditions, a CEQA Categorical Exemption (Cat-Ex) would be applicable to the Project. Section 15314 of the CEQA Guidelines states that a Class 14 Exemption from CEQA consists of minor additions to existing schools within existing school grounds where the addition does not increase original student capacity by more than 25 percent or 10 classrooms (whichever is less). However, Section 15300.2 outlines exceptions to the use of a Cat-Ex, even if a proposed project meets the class description. Accordingly, to support the District's CEQA process requirements for the Project, Terraphase proposes to develop a technical memorandum assessing the exceptions in support of the application of the Class 1 (and/or Class 2) and Class 14 Exemption to the Project. This would provide supporting documentation for a recommended Filing of an NOE (Task 2) or MND (Task 3). Based on the scope of the Project and location of new construction, demolition, and sitework, Terraphase assumes that archaeology, historical resources, and biology studies are not necessary to complete the technical memorandum and support the Exemptions or MND.

The tasks associated with the Scope of Work are identified below.

- **Task 1A – Preliminary Assessment:** Terraphase will schedule a kickoff meeting with the District and design team to discuss the whole of the Project with respect to CEQA compliance, scheduling, design details, and data needs. Following the kickoff meeting, Terraphase will submit a draft project schedule and a data request list to the District. Based on the information provided during the kickoff meeting and a review by Terraphase of the data provided by the District, Terraphase will prepare a draft Project Description for the District's review. The Cat-Ex criteria will be evaluated with respect to the draft Project Description to confirm its applicability and ensure compliance with the selected CEQA pathway. This would require confirmation that the Proposed Project meets the definitions presented in Section 15301 and 16302 for the existing facilities or reconstruction/replacement Categorical Exemptions. This would also require confirmation that the Project consists of minor additions to the existing school facility where the addition does not increase original student capacity by more than 25 percent or 10 classrooms, whichever is less; the addition of portable classrooms is also included in this exemption. Following incorporation of one round of District comments, the Project Description will be finalized and will serve as the basis for the environmental analysis.
- **Task 1B – Environmental Analysis:** The Terraphase team will prepare the following technical evaluations to support the environmental analysis needed to support a determination regarding the Cat-Ex or the impact analysis within the IS/MND, if warranted.
 - **Air Quality Technical Evaluation:** Terraphase will prepare an analysis of the air quality, greenhouse gas (GHG), and community risk and hazards associated with construction of the Project. The analysis will be conducted in accordance with the approach outlined in the Bay Area Air Quality Management District (BAAQMD) CEQA Air Quality Guidelines (May 2017). Conformance with applicable air pollution control regulations and GHG reduction programs currently in place under the BAAQMD's Clean Air Plan, California environmental laws, and the City of Oakland's General Plan and Climate Action Plan will also be evaluated. Project construction and operational emissions of air pollutants, toxic air contaminants (TACs) and GHG will be estimated using the CalEEMod model using project-specific information provided by the design team. Exposures of nearby existing pollutant-sensitive receptors to air pollutants and TACs from Project and other influential local sources will be estimated by the application of BAAQMD screening tables or screening models for construction sources, Project operational sources, and other cumulative stationary and mobile TAC sources identified by the BAAQMD within 1,000 feet of each Project site. If applicable, conditions of approval or mitigation measures (if required) will be identified to address potentially significant impacts.
 - **Hydrology and Water Quality Evaluation:** Terraphase will prepare a Hydrology and Water Quality evaluation which will document site-specific issues relating to surface and groundwater hydrology, site drainage, stormwater pollution prevention during construction, post-construction operations, and associated regulatory standards. The evaluation will consider the Project's conformance with the City of Oakland's Storm Drainage Standards and the Alameda Countywide Clean Water Program new development requirements. Terraphase will identify applicable conditions of approval and associated best management practices for the proposed work to address potential temporary construction impacts and long-term operations. Terraphase assumes that

site topographic surveys, as-built drawings of existing roads and drainage utilities, engineering drainage studies, and any other hydrology or geotechnical studies previously conducted will be provided. A detailed hydrologic site survey is not included in this proposal.

- **Noise Technical Evaluation:** Terraphase will evaluate Project construction and operational noise impacts according to the significance criteria specified in the applicable noise exposure standards and noise reduction policies of the City of Oakland Noise Ordinance and General Plan. This scope of work does not include baseline noise monitoring. Terraphase will identify the sensitive receptors nearest Project activities and will assess potential noise impacts. Utilizing predicted noise levels published in the Federal Transit Noise and Vibration Impact Assessment (2006) and standard attenuation rates, Terraphase will calculate anticipated noise exposures during construction and operation of the Project. Where noise levels exceed City standards, mitigation measures will be developed to reduce impacts to less-than-significant levels.
- **Traffic and Traffic Assessment:** Terraphase will include a qualitative discussion of temporary traffic impacts during construction; traffic during operation of the Project is not anticipated to change from baseline conditions. Traffic counts and modeling are not proposed.
- **Hazards and Hazardous Materials:** Terraphase will work closely with the ESA consultant hired under a separate RFP/Q process to support the Cortese List Analysis.
- **Task 2 – Notice of Exemption:** Terraphase will prepare a draft memorandum including the following elements:
 - **Project Overview** – The Project Overview will summarize the Project information, contacts, and applicable categorical exemption.
 - **Project Description** – The Project Description will summarize the purpose and objectives of the Project, the Project elements, access and parking at the Project site, and the anticipated construction schedule.¹
 - **Cat-Ex Analysis** – The analysis will detail how the Project meets the conditions of the Class1 and Class 14 Exemptions and that the Project does not present any of the exceptions to the Exemption as identified in Section 15300.2 of the CEQA Guidelines. The analysis will be supported by the technical evaluations which will be appended to the NOE package.

Terraphase will prepare the NOE form, with the Cat-Ex Analysis included as an attachment, for District review; Terraphase assumes one round of District comments will be incorporated into the final NOE package. Terraphase will provide the District with a final electronic document which can be provided to the School Board and posted to the District's website.

Following District signature and authorization to file the NOE, Terraphase will file the NOE with the Alameda County Clerk on behalf of the District. Terraphase will provide the District with a stamped copy of the NOE package. Terraphase has included the Alameda County Clerk handling fee in our cost estimate. In addition, due to changes by the California Office of Planning and Research, NOEs are required to be submitted to the State Clearinghouse as well as the County Clerk and Terraphase will submit the NOE accordingly.

- **Task 3A – Administrative Draft Initial Study:** If it is determined during Task 1B that a Cat-Ex does not apply to the Project, Terraphase will instead prepare an IS that meets the legal requirements of a complete, adequate, and objective statement of the Project's environmental consequences. The resulting CEQA document will provide a concise, integrated source of information for the public, District staff, and decision makers. The IS will incorporate the Environmental Analysis conducted in Task 1B; no other technical studies are included. Terraphase will prepare the Administrative Draft version of the IS for the Project that will consider all potentially significant environmental effects from implementation and include mitigation recommendations. For each major issue area included within the IS checklist, the general outline of the CEQA impact analysis will include the Environmental Setting, the Standards of Significance, Answers to the Checklist Questions, Mitigation Measures, and Findings. Terraphase will establish the methodology for the analysis, determine and identify thresholds of significance, identify impacts, and

¹ Terraphase assumes that site layout drawings and construction schedule/equipment use will be provided by the project design team.

identify feasible mitigation measures or methods to avoid significant impacts. CEQA Checklist issues required to be addressed include:

- **Task 3B – Draft IS/MND and Notice of Intent (NOI):** Terraphase will incorporate comments from the District on the Administrative Draft IS and prepare the Draft IS for public circulation. Terraphase will prepare a draft NOI to adopt an MND for the Project. It is assumed that the District will distribute the NOI to interested parties, and will post the document on its website. The District will be responsible for the coordination and costs of publishing the NOI in a local newspaper.

Terraphase will prepare a Notice of Completion and file the Draft MND with the State Clearinghouse (SCH) to initiate the 30-day public review period. An electronic copy of the Draft MND will be sent to the SCH for distribution. Terraphase will work with the District to set up an SCH registration for Project submittal as in-person deliveries are no longer accepted.

- **Task 3C – Responses to Comments and Mitigation Monitoring and Reporting Program:** Terraphase will compile the public comment letters received on the IS/MND and identify each comment requiring a response. Terraphase will prepare responses to each bracketed comment received during the public review period for the IS/MND. The proposal assumes a minor level of effort will be required to respond to comments, defined as no more than 4 hours, and no revisions to the IS analysis or conclusions will be necessary to address the comments. Once the mitigation has been approved by District staff, Terraphase will prepare a Mitigation Monitoring Reporting Program that will identify the agency with implementing and monitoring responsibility, compliance standards for the implementation of mitigation measures, and the necessary timing of mitigation measures.
- **Task 3D – File Notice of Determination (NOD):** Terraphase will prepare the NOD to be filed with the SCH following adoption of the Final MND and approval of the Project by the District. The District has five working days to file the NOD and submit payment to the Alameda County Clerk. Terraphase will submit the stamped NOD to the SCH. Payment of fees associated with the filing of the NOD are not within Terraphase's cost estimate.
- **Task 4 – Project Management and Meetings:** In order to efficiently complete these tasks, regular meetings will be scheduled with District staff and the design team. Our budget assumes a maximum of 10 hours of technical time for meetings and project management. This scope of work assumes that Terraphase will not be asked to participate in public hearings or community workshops.

Terraphase is interested in being considered for this Project. We are prepared to serve the District expeditiously with a local team of highly qualified staff who are committed to helping the District achieve its goals.

3.4 Philosophy and Working with District Administration Officials, Community Partners, and District Facilities Staff

Terraphase has a history of successful projects with the District including preparation of the IS/MND for the Central Kitchen, Urban Farm, and Education Center Project. We take great pride in our professional commitment to our clients' needs. Terraphase was founded on what we believe are the key tenets of client service. These principles include dedication to technical quality, responsiveness and flexibility, and cost-effective project management. We

strive to understand and meet our clients' needs and expectations. As a small and local business, we are nimble and able to rapidly respond to project needs.

Terraphase routinely works cooperatively with school districts, cities, counties, and state government in support of development projects throughout the Bay Area. We are very familiar with translating design documents and municipal requirements into complete Project Descriptions, which serve as the basis for all CEQA analysis. Terraphase's philosophy in preparing CEQA documents is to make concise deliverables that can be used as effective communication tools between the District, stakeholders, public, and local, state, and federal agencies for final approval of a project.

For CEQA projects that involve stakeholders from multiple agencies, Terraphase works with the lead agency during the kickoff meeting to identify relevant agencies and contacts. Terraphase then conducts follow-up communications to introduce the agency contacts to the project, understand whether the agency has specific concerns regarding the project, and develop a schedule for agency involvement. Incorporating elements in the project design to address stakeholder concerns can save time and budget throughout the course of the project by avoiding multiple rounds of CEQA analysis, obtaining the necessary technical studies, and reducing the response to comments effort following public review. Therefore, Terraphase will always provide recommendations and suggestions to help facilitate the permitting and CEQA process and keep costs at a minimum. Terraphase knows that project design modifications may alleviate the necessity of securing specific permits, and we will work with the District to resolve these issues efficiently and control costs. Terraphase is also sensitive to projects that could potentially influence state-listed species of special concern and would support the District with required and acceptable mitigation measures.

Key staff presented in this proposal have supported numerous school districts, municipalities, and cities as lead agencies under CEQA. Our work has involved communication and collaboration with the State Water Resources Control Board, Regional Water Quality Control Boards, local Air Quality Management Districts, Department of Toxic Substances Control, California Department of Fish and Wildlife, and the U.S. Army Corps of Engineers. Our approach to assisting school districts is tailored to individual project needs but is always focused on implementing both practical and scientifically defensible evaluations.

3.5 Schedule Management

The Terraphase personnel identified for this contract are well-versed in project management and budgeting requirements and have successfully developed cost-effective project strategies for similar clients. We are committed to supporting our public sector clients and offer discounted rates to support such organizations. Project cost control is achieved using an intranet-based project management and cost accounting system (Ajera) that provides project managers with real-time updates on project costs and expenses to help track spending and ensure that the expectations regarding adherence to our scope of work and cost estimate are met in a timely and efficient manner.

The project kickoff meeting will include a discussion of the District's schedule requirements, the Terraphase team data needs to begin analysis, and the critical path tasks in order to meet the District's schedule. Following the kickoff meeting, Terraphase will submit a draft project schedule, which the District will review and approve. The project schedule will outline the key tasks, including submittal of draft deliverables, District review, submittal of final deliverables, public notification, and District approval. In the past, Terraphase has assisted clients in preparing an updated project schedule based on delays associated with project design and input or approvals from external agencies. Terraphase has also assisted clients in providing consistent follow-up to external agencies to obtain status updates and keep the project moving forward on schedule.

3.6.1 Litigation History

There are no judgments against Terraphase nor any other evidence of liability of Terraphase during the past 5 years preceding this response to the RFQ/P.

Terraphase's 5-year summary of litigation, arbitration, and negotiated/settled history with previous clients is provided below.

Entity Bringing Suit:	Terraphase Engineering Inc.
Complaint:	Breach of contract
Accusation:	Contract was breached; client did not inform Terraphase of any issues with invoices and failed to pay them.
Outcome:	Dispute was resolved without further litigation.

4 Additional Data

Resumes for Alice Hale Price and Trent Wilson are provided in Attachment 3.

5 Professional Fees

5.1 Fee

In accordance with the RFQ/P, the proposed fee for the Project is presented as a "Base Fee" consisting of the scope of work for the preparation of the NOE package and an "Additive Additional Fee" for the preparation of an MND. The cost estimate also includes a 10 percent contingency, subject to District approval.

Based on our experience with similar projects, we understand that out-of-scope tasks may arise due to the need for additional technical studies, changes to the Project Description, etc. Therefore, Terraphase has included a 10 percent contingency in our total budget, which would be authorized by the District's PM if needed for out-of-scope tasks. If additional out-of-scope tasks are identified beyond the 10 percent contingency, an additional proposal would be provided.

We propose to provide the scope-of-services described above for a total of \$48,032, inclusive of a 10 percent contingency of \$4,367 (use of contingency requires District approval). This cost estimate and associated rates schedule assumes that work will be completed prior to January 2025.

	Base Fee (NOE Scope)	Additive Alternate Fee (MND Scope)
Task 1. Preliminary Assessment & Environmental Analysis	\$15,1410	\$-
Task 2. Notice of Exemption	\$1,300	\$-
Task 3. Initial Study/Mitigated Negative Declaration	\$-	\$23,850
Task 4. Project Management & Meetings	\$3,050	\$-
Expenses Pass Through Costs (10%)	\$55	\$-
Contingency Budget (Requires PM Approval)	\$1,982	\$2,385
Project Total	\$21,797	\$26,235

Assumptions:

¹ Terraphase assumes a minor effort will be required to respond to comments if an MND is warranted. A minor effort is defined as no more than five comment letters requiring minor responses (defined as minor clarifications to the text within the IS). Should additional effort be required due to additional letters or extensive responses requiring additional research, a request for additional budget including justification will be submitted to the District.

5.2 Hourly Rates

The following table provides the schedule of fees for Terraphase; rates for support and clerical staff are included. Rates are inclusive of all overhead costs. Terraphase is pleased to offer the District a 10 percent discount from our 2024 Standard Schedule of Charges.

Labor Classification	Standard Hourly Rate	Hourly Rate with 10% Discount

Fingerprinting Notice and Acknowledgement Form

FINGERPRINTING NOTICE AND ACKNOWLEDGEMENT
FOR ALL CONTRACTS EXCEPT WHEN CONSTRUCTION EXCEPTION IS MET
(Education Code Section 45125.1)

Other than business entities performing construction, reconstruction, rehabilitation, or repair who have complied with Education Code section 45125.2, business entities entering into contracts with the District must comply with Education Code sections 45125.1. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist such entities with compliance with the law:

1. You (as a business entity) shall ensure that each of your employees who interacts with pupils outside of the immediate supervision and control of the pupil's parent or guardian or a school employee has a valid criminal records summary as described in Education Code section 44237. (Education Code §45125.1(a).) You shall do the same for any other employees as directed by the District. (Education Code §45125.1(c).) When you perform the criminal background check, you shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. (Education Code §45125.1(a).)
2. You shall not permit an employee to interact with pupils until the Department of Justice has ascertained that the employee has not been convicted of a felony as defined in Education Code section 45122.1. (Education Code §45125.1(e).) See the lists of violent and serious felonies in ***Attachment A*** to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in ***Attachment B*** to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
5. If you are an individual operating as a sole proprietor of a business entity, you are considered an employee of that entity for purposes of Education Code section 45125.1, and the District shall prepare and submit your fingerprints to the Department of Justice as described in Education Code section 45125.1(a).

(Education Code §45125.1(h).)

I, as Vice President of HR *[insert "owner" or officer title]* of Terraphase Engineering Inc.
[insert name of business entity], have read the foregoing and agree that Terraphase Engineering Inc.
[insert name of business entity] will comply with the requirements of Education
Code §45125.1 as applicable, including submission of the certificate mentioned above.

ATTACHMENT A

Violent and Serious Felonies

Under Education Code sections 45122.1 and 45125.1, no employee of a contractor or subcontractor who has been convicted of or has criminal proceedings pending for a violent or serious felony may come into contact with any student. A violent felony is any felony listed in subdivision (c) of Section 667.5 of the Penal Code. Those felonies are presently defined as:

- (1) Murder or voluntary manslaughter.
- (2) Mayhem.
- (3) Rape as defined in paragraph (2) or (6) of subdivision (a) of Section 261 or paragraph (1) or (4) of subdivision (a) of Section 262.
- (4) Sodomy as defined in subdivision (c) or (d) of Section 286.
- (5) Oral copulation as defined in subdivision (c) or (d) of Section 288a.
- (6) Lewd or lascivious act as defined in subdivision (a) or (b) of Section 288.
- (7) Any felony punishable by death or imprisonment in the state prison for life.
- (8) Any felony in which the defendant inflicts great bodily injury on any person other than an accomplice which has been charged and proved as provided for in Section 12022.7, 12022.8, or 12022.9 on or after July 1, 1977, or as specified prior to July 1, 1977, in Sections 213, 264, and 461, or any felony in which the defendant uses a firearm which use has been charged and proved as provided in subdivision (a) of Section 12022.3, or Section 12022.5 or 12022.55.
- (9) Any robbery.
- (10) Arson, in violation of subdivision (a) or (b) of Section 451.
- (11) Sexual penetration as defined in subdivision (a) or (j) of Section 289.
- (12) Attempted murder.
- (13) A violation of Section 18745, 18750, or 18755.
- (14) Kidnapping.
- (15) Assault with the intent to commit a specified felony, in violation of

Section 220.

- (16) Continuous sexual abuse of a child, in violation of Section 288.5.
- (17) Carjacking, as defined in subdivision (a) of Section 215.
- (18) Rape, spousal rape, or sexual penetration, in concert, in violation of Section 264.1.
- (19) Extortion, as defined in Section 518, which would constitute a felony violation of Section 186.22 of the Penal Code.
- (20) Threats to victims or witnesses, as defined in Section 136.1, which would constitute a felony violation of Section 186.22 of the Penal Code.
- (21) Any burglary of the first degree, as defined in subdivision (a) of Section 460, wherein it is charged and proved that another person, other than an accomplice, was present in the residence during the commission of the burglary.
- (22) Any violation of Section 12022.53.
- (23) A violation of subdivision (b) or (c) of Section 11418.

A serious felony is any felony listed in subdivision (c) Section 1192.7 of the Penal Code. Those felonies are presently defined as:

(1) Murder or voluntary manslaughter; (2) Mayhem; (3) Rape; (4) Sodomy by force, violence, duress, menace, threat of great bodily injury, or fear of immediate and unlawful bodily injury on the victim or another person; (5) Oral copulation by force, violence, duress, menace, threat of great bodily injury, or fear of immediate and unlawful bodily injury on the victim or another person; (6) Lewd or lascivious act on a child under the age of 14 years; (7) Any felony punishable by death or imprisonment in the state prison for life; (8) Any felony in which the defendant personally inflicts great bodily injury on any person, other than an accomplice, or any felony in which the defendant personally uses a firearm; (9) Attempted murder; (10) Assault with intent to commit rape, or robbery; (11) Assault with a deadly weapon or instrument on a peace officer; (12) Assault by a life prisoner on a non-inmate; (13) Assault with a deadly weapon by an inmate; (14) Arson; (15) Exploding a destructive device or any explosive with intent to injure; (16) Exploding a destructive device or any explosive causing bodily injury, great bodily injury, or mayhem; (17) Exploding a destructive device or any explosive with intent to murder; (18) Any burglary of the first degree; (19) Robbery or bank robbery; (20) Kidnapping; (21) Holding of a hostage by a person confined in a state prison; (22) Attempt to commit a felony punishable by death or imprisonment in the state prison for life; (23) Any felony in which the defendant personally used a dangerous or deadly weapon; (24) Selling, furnishing, administering, giving, or offering to sell, furnish, administer, or give to a minor any heroin, cocaine, phencyclidine (PCP), or any methamphetamine-related drug,

as described in paragraph (2) of subdivision (d) of Section 11055 of the Health and Safety Code, or any of the precursors of methamphetamines, as described in subparagraph (A) of paragraph (1) of subdivision (f) of Section 11055 or subdivision (a) of Section 11100 of the Health and Safety Code; (25) Any violation of subdivision (a) of Section 289 where the act is accomplished against the victim's will by force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person; (26) Grand theft involving a firearm; (27) carjacking; (28) any felony offense, which would also constitute a felony violation of Section 186.22; (29) assault with the intent to commit mayhem, rape, sodomy, or oral copulation, in violation of Section 220; (30) throwing acid or flammable substances, in violation of Section 244; (31) assault with a deadly weapon, firearm, machine gun, assault weapon, or semiautomatic firearm or assault on a peace officer or firefighter, in violation of Section 245; (32) assault with a deadly weapon against a public transit employee, custodial officer, or school employee, in violation of Sections 245.2, 245.3, or 245.5; (33) discharge of a firearm at an inhabited dwelling, vehicle, or aircraft, in violation of Section 246; (34) commission of rape or sexual penetration in concert with another person, in violation of Section 264.1; (35) continuous sexual abuse of a child, in violation of Section 288.5; (36) shooting from a vehicle, in violation of subdivision (c) or (d) of Section 26100; (37) intimidation of victims or witnesses, in violation of Section 136.1; (38) criminal threats, in violation of Section 422; (39) any attempt to commit a crime listed in this subdivision other than an assault; (40) any violation of Section 12022.53; (41) a violation of subdivision (b) or (c) of Section 11418; and (42) any conspiracy to commit an offense described in this subdivision.
