Student Voices

Student Input on ACC Priorities

Career Exploration

- More choices for pathways
- Events targeted towards careers like: Career days, field trips to a variety of offices, job sites, guest speakers from different professions, shadow days (to shadow professionals/people with jobs the students are interested in)
- College tours of different colleges (not the same ones everyone year)

Student & Staff Relationships

- More student v. Staff events - opportunities to connect with staff
- Proposed “chilling days”
 - community building with staff/teachers, student want a connection to their teachers and want to know their teachers care about them and their success

Culture & Climate

- More school spirit. Smaller schools wanted to see more events like pep rally, sport teams
 - School maintenance - cleanliness and updates to facilities
- Stocking classrooms so it's less of a burden on teachers (school supplies/needs)
- Better implementation of RJ at all schools. RJ is not consistent at schools across the district
- Students want teacher to show up for school events and participate and show support
