Re: 2013 - 2014 Community Schools Strategic Site Plan (CSSSP)

# **Action Requested:**

The Board of Education is requested to approve the 2013-2014 Community Schools Strategic Site Plan for Student Achievement for Fruitvale Elementary School.

# **Background:**

In accordance with Education Code 64001, the Single Plan for Student Achievement (Community Schools Strategic Site Plan CSSSP) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application, by the School Site Council. The plans shall also be annually reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the Single Plan for Student Achievement is to coordinate all educational services at the school. The site plan shall address how funds provided to the school will be used to improve the academic performance of all pupils to the level of the performance goals, as established by the Academic Performance Index. (API).

# **Discussion:**

The Community Schools Strategic Site Plan builds on a premise that students are capable of learning with effective instruction, includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school improvement actions, directs resources where they will most directly improve student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated to student success.

### Fiscal Impact:

The Programs listed below are reported in the Consolidated Application and allocated to school sites through the Community Schools Strategic Site Plan.

### State Programs

- Economic Impact Aid/School Compensatory Education
- Economic Impact Aid/Limited English Proficient
- Quality Education Improvement Act (QEIA)
- School Improvement Grant (SIG)

# Federal Programs

Title I, Part A

# **Recommendation:**

The Board of Education is requested to approve the 2013-2014 Community Strategic Site Plan for Fruitvale Elementary School.

### **COMMUNITY SCHOOLS STRATEGIC SITE PLAN**

# **Superintendent's Letter**

Dear OUSD Staff, Parents, and Community Members:

On behalf of the OUSD leadership, thank you! In our second year of the Community School Strategic Site Plan (CSSSP or C3SP) process, let's celebrate our collaborative efforts in serving all children in every neighborhood by providing high quality community schools where children, adults, and community thrive. We are committed to creating and sustaining a district of community schools capable of supporting the unique needs of each child and to link caring school communities with Oakland neighborhoods across our city. We believe that each child in Oakland must be ready to succeed in college, community, and careers that lead them to healthy and happy lives. With these beliefs, we engage in creating a Full Service Community School District filled with Full Service Community Schools. Every school will act as a resource and service hub that connects with local partners to help build healthy and vibrant schools and communities.

Learning lessons from and building upon the first year's experiences, we continue to strive for alignment, effectiveness, and efficiency. The CSSSP is closely aligned with the larger organizational strategic plan, Community Schools, Thriving Students; but we must also synchronize with other school-based instruments such as the Western Association of Schools & Colleges (WASC) accreditation and our district's pioneering School Quality Review (SQR) process. In addition to satisfying compliance requirements and guiding the allocation of categorical funds, the CSSSP is a multi-year road map for each school to become actualized as a Full Service Community School. This new school site plan has been developed by a team of cross-departmental leaders in OUSD under the advisement of principals and community leaders. The 2011-2012 Community Schools Strategic Site Plans represented our first steps in the development of each site's priorities for the 2012-2015 school years. This next step for 2012-13 will represent the deepening, enhancing, and refinement of each school's groundwork.

Last year, each site created a Community School Leadership Team, incorporating members of the School Site Council (including English Language Advisory Council (ELAC), the principal, parents, teachers, staff), and in secondary schools, student member(s). Additionally, each school recruited their afterschool partner, as well as another key community partner, to become members of the Community School Leadership Team. This leadership team will continue to analyze data, enhance strategies, and drive the development of the CSSSP for their school and supported through a collaborative engagement process that utilizes the recently adopted Meaningful Family Engagement Standards (adopted by OUSD in Spring 2012). In our second year of implementation, we are excited about supporting every school community to collaborate in service of building Full Service Community Schools across Oakland. As leaders of a Full Service Community District, we are committed to providing the conditions for this critical work to happen. I thank you for your engagement, leadership, and commitment to supporting the development of community schools and thriving students across Oakland. Thank you!

#### **COMMUNITY SCHOOLS STRATEGIC SITE PLAN**

### **Context & Vision**

#### **OUSD**

<u>VISION</u>: All students will graduate from high school. As a result, they are caring, competent and critical thinkers, fully-informed, engaged and contributing citizens and prepare to succeed in college and career.

MISSION: Oakland Unified School District is becoming a Full Service Community District that serves the whole child, eliminates inequity, and provides each child with excellent teachers for every day.

#### **GOAL AREAS**:

Every student in the Oakland Unified School District will:

- Attend a SAFE, HEALTHY, and SUPPORTIVE SCHOOL Oakland will become a full-service community district that will collaborate with
  civic and community partners to reduce violence in the community and schools thereby creating secure campuses where a culture of
  calm prevails.
- Learn the knowledge, skills, and abilities to be PREPARED for SUCCESS in COLLEGE and CAREERS when they graduate from high school, to ensure that they can read, write, speak, think critically and reason mathematically for post-secondary success.
- Have HIGH QUALITY and EFFFECTIVE INSTRUCTION with excellent teachers for every day of the school year.

The Oakland Unified School District will:

- Become a FULL SERVICE COMMUNITY DISTRICT that is in service of and fully supporting the success of community schools and thriving students.
- Be ACCOUNTABLE for HIGH QUALITY for its schools and in its work across the organization.

#### **SCHOOL SITE**

#### CONTEXT

Context Fruitvale School offers a Pre-K - 5 program within the Oakland Unified School District. Our students come from a low-income, mainly residential, very culturally diverse area. Approximately 500 students are enrolled in the Kindergarten through fifth grade, plus 40 students in a pre-school established on our site in 2003. Over 85% of our students are on free or reduced lunch. The diversity of the student population is one of the school's unique characteristics. Our population as of Fall 2012 was 39.6% Latino, 33.3% African American, 17% Asian, Pilipino and Pacific Islander, and 10.1% Other. We also are experiencing a growing Arabic population.

### **VISION**

Fruitvale Elementary School's vision is to create a thriving learning community where the students will master the necessary high level academic and social skills to compete on the global stage. We expect that all of our Fruitvale Scholars should be caring, respectful and responsible. These are the principles that guide our students every day at our school and that will help them as they prepare to meet the demands of the 21st Century.

# **Accountable for Quality: Ensuring Thriving Students and Healthy Communities**

# **Strategic Priority: The Accountability Plan**

In June 2011, the OUSD Board of Education adopted our School Quality Standards. These standards include outcome standards that define for OUSD what "good" performance is. These are the standards we use to measure the extent to which our schools are ensuring that all of our students are thriving and likely to contribute to the health of our communities.

- 1. A quality school sets and achieves clear and measurable program goals and student learning objectives.
- 2. All students demonstrate progress on academic and social goals each year and across years.
- 3. All students achieve at similarly high rates and any gaps in achievement are substantially narrowing.
- 4. All students achieve at levels that compare positively with state and national averages and with similar schools.
- 5. All students demonstrate critical thinking skills and apply those skills towards solving complex tasks.
- 6. All students demonstrate skills in and knowledge of the arts and literature.
- 7. All students demonstrate an ability to understand and interact with people from different backgrounds.
- 8. All students achieve and maintain satisfactory physical health including diet, nutrition, exercise, and rest.
- 9. All students demonstrate the attributes and skills of emotional health and well-being.
- 10. All students demonstrate the skills, knowledge, and dispositions needed in the world of work.
- 11. All students demonstrate the skills, knowledge, and dispositions of engaged citizens.

OUSD schools will use these outcome standards to define and assess how they are developing toward quality Full Service Community Schools. School- level goals and metrics in the following sections should explicitly refer to these outcomes standards.

# The School Accountability Plan

In 2013-14, The Fruitvale staff will begin implementing the core components of the Common Core. To determine areas of growth and areas of improvements, the staff will analyze student data on a ongoing basis. We will identify ELA, Math and Science strands that need improvement and plan for the first trimester. Using benchmark data and formative assessments, we will monitor our progress in ELA, Math and Science and make adjustments to intervention groups. PD will be based on needs of teachers and students. On a weekly basis, teachers will administer short quizzes in ELA and math to identify students who need intervention/reteach. Intervention plans will be made for students scoring below grade level and reviewed on an eight week cycle. Our Leadership Team, SSC members and ELAC team will also analyze student performance data and set priority targets.

# Strategic Priority A. Balanced Literacy & Literacy Across the Curriculum

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

We want OUSD students to read, write, speak, and think critically for success in college and careers. We want Oakland students to relish reading, writing, and speaking and to become joyful, as well as competent, around literacy. To reach that goal, we need to develop a clear and common OUSD Literacy Framework. The beginning of our work will ensure that we assess reading levels of all students across the system. Additionally, we will approach literacy from a Response to Intervention Framework, ensuring that students have access to high-quality instruction and that higher tiers of support are provided when needed. OUSD must develop a PreK-12 core curriculum aligned to college and career ready standards and to the Common Core State Standards as they develop.

#### **District-level Goals**

- 1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
- 2. Move CST FBB students to Basic in one year (in two years for MS and HS)
- 3. Move/maintain CST Proficient and Advanced students
- 4. Accelerate reading by 1.5 additional grade levels for 3rd through 5th graders as measure by SRI to reach grade level standard (2 additional grade levels starting with 6th graders for MS, 3 additional grade levels starting with 9th graders for HS)
- 5. Student use of academic language and engagement with grade level content aligned to the Common Core Sate Standard will be increased from fall to spring as evidenced by principal observations.

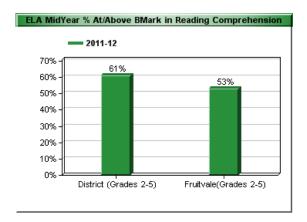

#### **School Federal and State Academic Achievement Goals:**

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

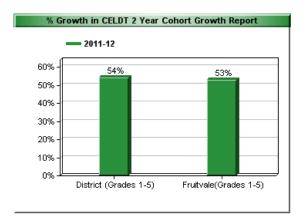

School Quality Standards relevant to this Strategic Priority A quality school...

- provides students with curriculum that is meaningful and challenging to them
- uses instructional strategies that make learning active for students and provide them with different ways to learn
- provides and ensures equitable access to curriculum and courses that prepare all students for college

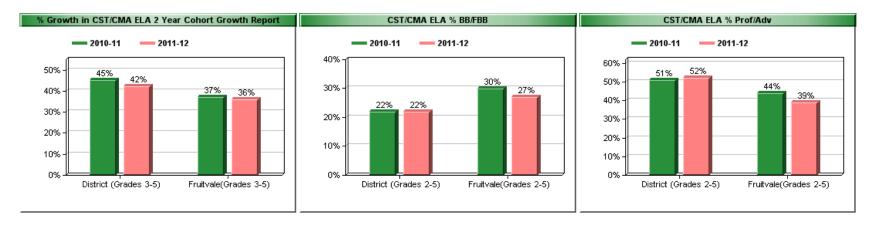

**Benchmark** 

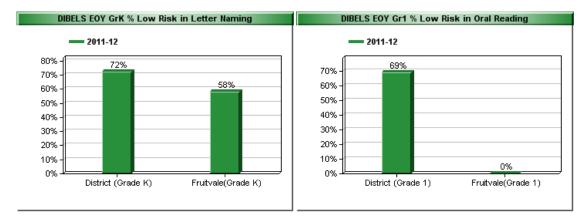

### CELDT

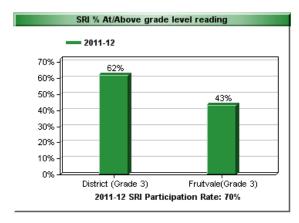

CST

### DIBELS

SRI

#### **School Data**

- •
- •
- SRI Data 3rd 50% of students scoring Basic and above. 4th 57% of students scoring Basic and above. 5th 62% of students scoring Basic and above.
- 31% of all 2-5 students scored at or above on the 2nd ELA 2013 Benchmark.

#### **Data Analysis**

- In 2012 2013 we fully implemented the use of the SRI scores to help increase the lexile level reading of students. This data was useful for our teachers to plan their guided reading groups.
- There was a decrease of students scoring FBB/BB on the CST in 2012
- Our Kinder classes are not performing at district averages and is an area of focus for improving student performance.
- There was a slight decrease in the percentage of students scoring in Prof/Adv in 2012

- Implement Balanced Literacy in daily instruction including Reading Workshop (Independent Reading, Guided Reading, Shared, or Grade Level Reading, and Independent Workstations), Writing Workshop, and Word Work.
- Use DRA to identify student instructional reading level, DIBELS in the primary grades, and District Benchmark assessments.
- Purchase books for classroom libraries and for teacher professional development.
- Participate in Professional Development and on-going observations and feedback cycles with our PALS partners.
- Engage in peer observations using Instructional Rounds walkthrough process to refine and deepen practices.

# Strategic Priority B. Science, Technology, Engineering, Mathematics (STEM)

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

In the past three years, students exhibited steady achievement gains in science and mathematics. More elementary teachers have scheduled science and math instruction into students' school day and are using the district-adopted materials with integrity. While we celebrate the academic gains in science and mathematics, we also recognize their inadequacy and unevenness when we delve deeper into the results for various student populations (e.g., African-American, Latino, English Language Learners), grade spans (middle and high school students) and schools. We are committed to accelerating science and mathematics gains and supporting robust teaching and learning. We plan not only to dramatically improve science and mathematics learning but also to create a deep understanding of Science, Technology, Engineering and Mathematics (STEM) careers and opportunities for linked learning, both in school and the workforce.

#### **District-level Goals**

- 1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
- 2. Move CST FBB students to Basic in one year.
- 3. Move/maintain CST Proficient and Advanced students
- 4. Increase by 10% the number of proficient and advanced students in CST science and by 15% English Language Learners and African American Males

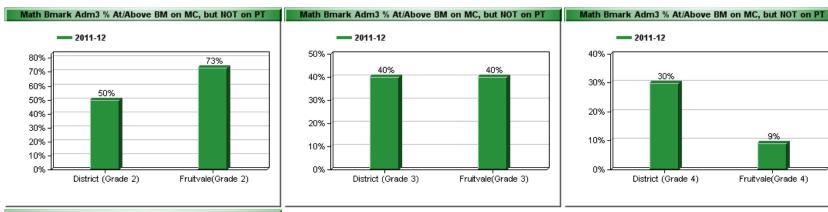

#### **School Federal and State Academic Achievement Goals:**

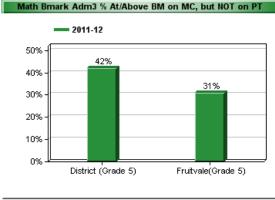

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

School Quality Standards relevant to this Strategic Priority A quality school...

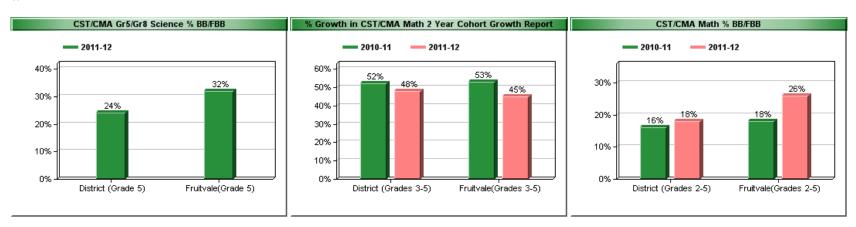

- provides students with curriculum that is meaningful and challenging to them
- uses instructional strategies that make learning active for students and provide them with different ways to learn
- provides and ensures equitable access to curriculum and courses that prepare all students for college

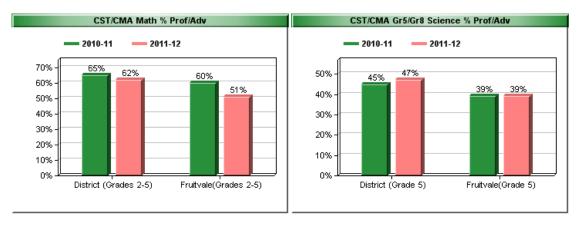

**Benchmark** 

CST

#### **School Data**

- 54% of K-5 students scored at or above on the 1st Math Benchmark
- 52% of EL students scored at or above and 48& of African American boys scored at or above on 1st Math Benchmark in 2013.

### **Data Analysis**

- We had an 8% increase in percentage of students scoring FBB/BB in Math on the CST.
- We had a decrease in the percentage of students scoring Prof/Adv in Math on the CST.
- We had the same percentage of students scoring Prof/Adv in Science from 2011 on the CST.

- We will develop and plan instruction that is aligned to the Common Core Math Standards and that builds in student investigation, interrogation and articulation of Math understandings and connections across the curriculum.
- We will develop and plan Science instruction that is hands-on and is integrated with Literacy and Math. We also incorporate more evidence based writing about Science concepts.
- We will utilize the technology in the school's computer room and library to enhance student's understanding across the curriculum.

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount
Plan instruction that builds in student investigation, interrogation and articulation of Math understandings and connections across the curriculum.	State tests (CST/STAR, PFT)	All Students	Monthly	Leadership Team	4/5/2013	117SQl1B3397	Weekly PLC	N/A			0	\$0.00

# **Strategic Priority C. Transitions & Pathways PreK-12**

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

Too many of OUSD's schools work in isolation and focus little attention on where students have been and where they are going. Early childhood programs need to be aligned to the K-5 continuum and expanded to serve more students. Principals at K-5 schools with early childhood programs will supervise the programs and help to integrate them into the school culture. We must develop transitional kindergarten programming to include curriculum and professional development. College and career readiness doesn't begin in high school. In OUSD, the elementary and middle school academic core must be aligned to what students must know, understand, and be able to do to succeed in college-preparatory courses in high school. Elementary and middle school communities in regions will collaborate to share best practices and to develop robust feeder options. Building on existing programs, OUSD will also seek additional funds to develop a comprehensive "Career Pathways" approach to preparing our young people to be successful in college and careers. In order to attract and hold students and families, we will use the FSCS model to create corridors, networking Pre-K through 12 schools in targeted areas in new and innovative ways.

School Quality Standards relevant to this Strategic Priority A quality school...

- provides students with curriculum that is meaningful and challenging to them
- provides and ensures equitable access to curriculum and courses that prepare all students for college

#### **Data Analysis**

- Many of our students state that they have a hard time transitioning to Middle School based on informal student data.

- We will hold summer meetings for the parents of our Pre-K and Kindergarten parents for a smooth transition in the Fall.
- We will continue to offer parent trainings.
- We will partner with our middle schools for the smooth transition of our fifth grade students.

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount

# Strategic Priority D. College, Career & Workforce

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

In order to make sure that more students graduate, and our graduates are ready for college and career, OUSD will make a significant investment in strategies, structures, and resources to implement core elements of the secondary reform. Career pathways will connect strong academics, Career Technical Education (CTE), work-based learning experiences and support services so that students are prepared for college and career success within the context of a specific, high demand industry sector. Building on the number of career pathways that exist in high schools now, we will increase the number of well-developed and effectively-implemented pathways, which include certificates linked to occupations. OUSD's "Career Pathways" approach will lead to a full range of postsecondary and career opportunities and keep all options open after high school.

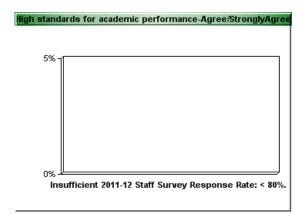

- 1. Combined 4-& 5- year graduation rate will increase by 10%- with graduation rate based on 9th grade enrollment (HS only)
- 2. Increase by 15% the number of African-American Males and Latino Males who pass CAHSEE on the first attempt (HS only)
- 3. 80% of the ninth graders will complete 60 credits (HS only)

School Quality Standards relevant to this Strategic Priority

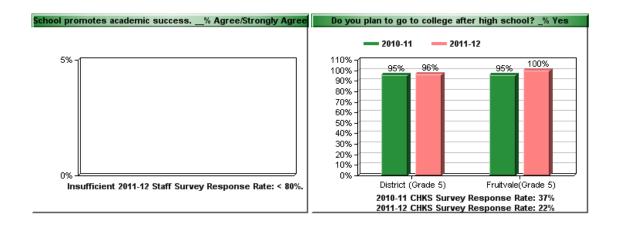

A quality school...

- · provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- provides and ensures equitable access to curriculum and courses that prepare all students for college

#### **Survey - High Standards**

Survey - Success

Strategic Priority E. Accelerating Students through Targeted Approaches\* (Collaborative Teacher Inquiry/African American Male Achievement/Academic Language & Literacy/Focal 15/English Learners/Students with Disabilities/GATE)

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

We need to close the achievement gap through targeted approaches, focusing on literacy development, African American Male Achievement, targeted inquiry, English Language Learners, Students with Disabilities, and Programs for Exceptional Children. The patterns of academic performance we see in our district, schools, and classrooms are evidence of a system that is horribly inadequate. We need to differentiate supports and strategies in order to accelerate achievement and address the disparities in educational and social outcomes for populations of students.

1. Increase the number of African American Male students on the honor roll by 15%

School Quality Standards relevant to this Strategic Priority A quality school...

• provides academic intervention and broader enrichment supports before, during, and after school

#### **Data Analysis**

- Our African-American boys demonstrating higher achievement rates on the SRI compared to the district averages.
- · Our ELL students did not meet their API target.

- We will continue to implement collaborative analysis of students data so that teachers can plan quality instruction for the achievement of our African American male students.
- We will plan and develop instruction that focus on key academic literacy language skills for all learners.
- Our teachers will partner with our SDC classes to mainstream the students in general education classes as much as possible. Also, our resource teachers will work closely with the classroom teachers to deepen curriculum connections.
- We will plan and develop extension lessons that meet the needs of our GATE students.

Strategies	Indicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount

# **Strategic Priority F. Extending Learning Time**

School: Fruitvale Elementary Principal: TERRY EDWARDS

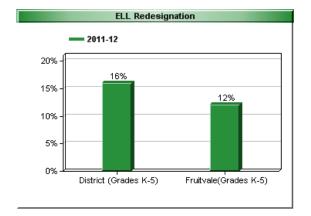

#### From OUSD Strategic Plan:

We want each student to attend a school that offers a comprehensive and integrated approach to education in which the school acts as a hub of partnerships that organizes the resources within the community. We need to build extended learning opportunities whereby the school and community work together to break down barriers to learning and foster true, authentic collaborations in service of thriving students. We envision a system in which schools extend beyond the traditional school day? offering students and families learning opportunities before and after school, on weekends, and during the summer.

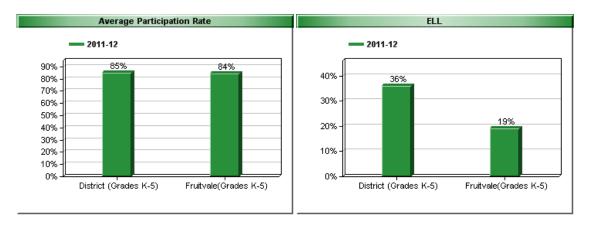

School Quality Standards relevant to this Strategic Priority A quality school...

• provides academic intervention and broader enrichment supports before, during, and after school

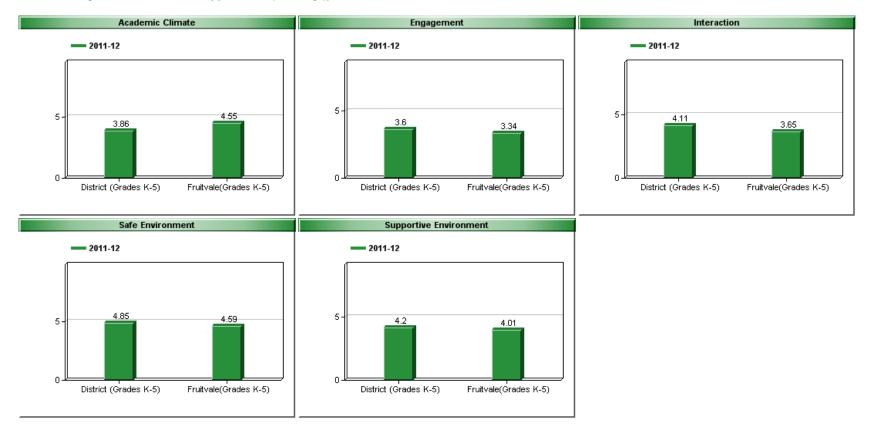

### **After School Program- Student Impact**

**After School Program- Participation** 

After School Program- Point of Service Quality [Scale of 1-5 (low to high)]

# **Data Analysis**

• Mos of our students report a high percentage of satisfaction with the structure and academic environment of our After-School program.

- We will work closely with the extended day program to provide students with different instructional ways of understand key curriculum concepts.
- We will meet the needs of our low performing students in ELA and Math.
- We will ensure that teachers and the extended day program effectively communicate for the success of our students.

# School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

# Strategic Priority A. School Culture (including Meaningful Student Engagement)

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

Full Service Community Schools create a safe and supportive environment where students can thrive academically, socially, and emotionally. Schools offer a comprehensive and integrated approach to education that is founded on caring relationships and high expectations. Healthy school cultures include preventative, early intervention, and intensive services and supports accessible to all students. School-wide positive behavioral and academic supports are augmented by Tier 2 targeted intervention and Tier 3 individualized supports, which are monitored and coordinated through COST and SST. Schools create professional learning structures to support adults to learn the science and practice of teaching Social Emotional Learning (SEL) skills to increase the capacities of students to manage emotions, develop empathy and concern for others, establish positive relationships, make responsible decisions, and handle challenging situations effectively. A thriving school culture also encourages student leadership and motivational programs, such as expanded celebrations of student achievements.

#### **District-level Goals**

• Reduce Disciplinary Hearing Process referrals by 20%

#### **School Safety Plan Goals**

Goal I: To reduce physical encounters by 30%

- Strategy 1.1: Implement Second Step program in all classrooms and a behavior support program in Fourth and Fifth grades
- Strategy 1.2: Train conflict students managers to solve disputes between students.

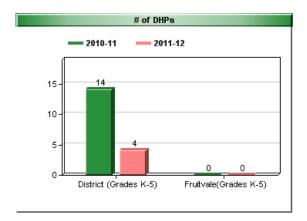

Goal 2: To reduce the number of incidents involving bullying behavior by 50%. This includes the use of racial, sexual orientation and religious slu

- Strategy 2.1: Hold Anti-Bully assembly and designate a month as Anti? Bully month. We will teach students
  the dangers of bullying and how to avoid bullies. This will be a year long topic for
  instruction. We also plan to tie this in with meeting our 95% attendance ra
- Strategy 2.2: Have Oakland Police department conduct school-wide anti-gang/weapon assemblies

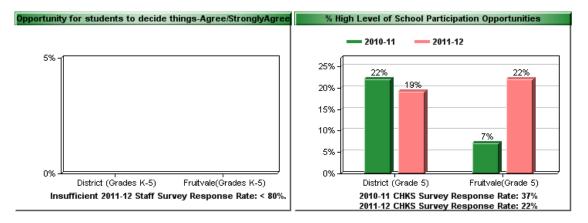

School Quality Standards relevant to this Strategic Priority A quality school...

- is a safe and healthy center of the community, open to community use before, during, and after the school day
- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future
- creates an inclusive, welcoming and caring community, fostering communication that values individual/cultural differences

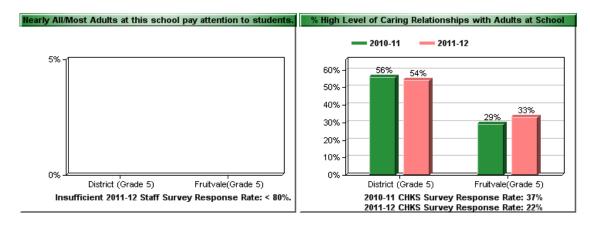

DHP

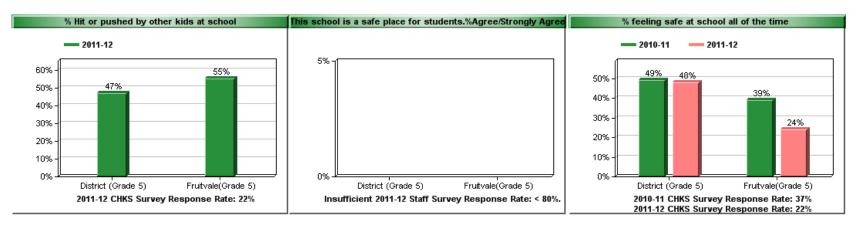

Survey - Engagement

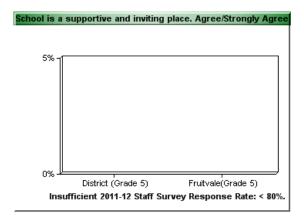

Survey - Relationships

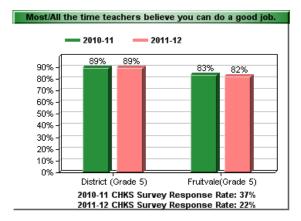

Survey - Safety

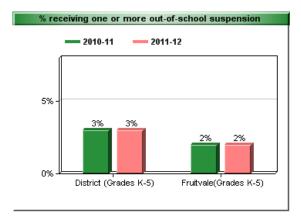

Survey - Welcoming

### **Survey- Beliefs**

Suspensions

### **Data Analysis**

- We were slighlty below the district average in suspensions.
- Some students did not feel safe at school
- Students want to participate in more activites in school.

- We will continue to explore ways of maintaining a welcoming, positive learning environment for all our families.
- We will seek student input to seek ways of redurcing bullying on our campus.
- We will parnter with Lincoln Child Center and Project 180 to meet the social/emotional needs of our students.
- We will actively give instruction based on our three Scholar guiding principles: Caring, Respect, Responsible.

# School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

# **Strategic Priority B. Health & Wellness**

School: Fruitvale Elementary Principal: TERRY EDWARDS

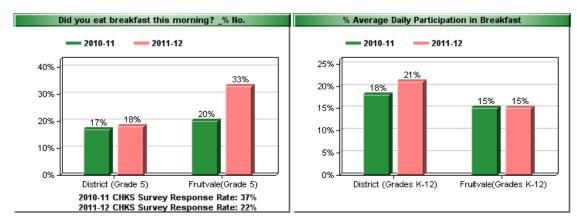

#### From OUSD Strategic Plan:

A Full Service Community School serves the needs of the whole child, providing a range of Health & Wellness programs and services along a continuum from prevention to intervention. OUSD's Wellness Policy provides a framework for creating a physically healthy school environment where students have access to nutritious food, free drinking water, opportunities to be physically active and good indoor air quality. Quality physical education is provided for the required amount of time to all students. In addition, students' health and mental health needs are met on-site or through a robust referral system that connects students and families to community providers. A FSCS also provides health education (e.g., nutrition, gardening, reproductive health) and social-emotional learning (SEL) that is aligned with and supports the core curriculum. Families are engaged around supporting their children's health as well as their own. Staff wellness is seen as integral and is actively fostered.

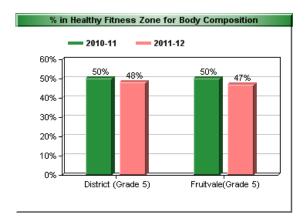

School Quality Standards relevant to this Strategic Priority A quality school...

offers a coordinated and integrated system of academic and learning support services, provided by adults and youth

### School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

### **Strategic Priority C. Interrupting Chronic Absence (Attendance)**

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

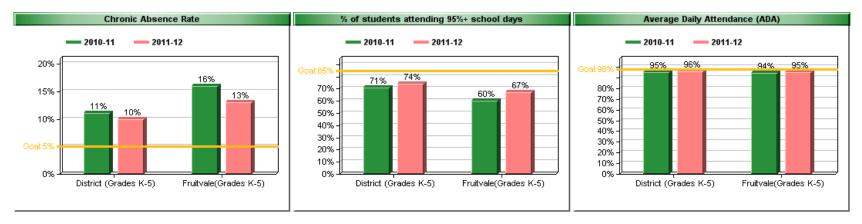

Full Service Community Schools support attendance improvements as part of transforming educational outcomes for students. Chronic absence, defined as missing 10% or more school days for any reason, is a key indicator and area of focus in Full Service Community Schools. Chronic absence, which impacts one in seven Oakland students, is correlated with lowered reading outcomes and graduation rates. If our system begins addressing chronic absence at the Pre-K and K levels, we would see marked differences in student learning by 3rd grade.

- 1. Reduce Chronic Absence (students missing 10% or more of the school year) to 5% or less
- 2. Increase Satisfactory Attendance (percentage of students attending 95% or more of school days) to 85%
- 3. Interrupt patterns of chronic absences and suspensions to reach a 98% attendance rate (ADA)

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future

#### **School Data**

• 12% of all students were chronically absent as of 3/22/2013.

#### **Data Analysis**

• We had a slight increase in ADA.

- Our Chronic Absence rate decreased by 3%.
- We had a 7% increase in the percentage of students attending school 95% or more.

#### Theory of Action

- We will refine or internal structures (COST Team, SST's, Parent Conferences) that provide assistance to our at-risk students and their families, so that all of our students can be successful.
- We will hold more positive attendance campaigns to motivate students to come to school.
- We will review our Chronic Absence list and plan interventions at our bi-weekly COST team meetings.

### School Quality Indicator 3: Learning Communities Focused on Continuous Improvement

### Strategic Priority A. Building Capacity & Leadership (Professional Development/Learning Communities/Coaching/Staff Induction)

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

We want to recruit, retain, and reward high-quality teachers, principals, and other leaders to ensure that all students learn to the best of their abilities. OUSD must become a highly-sought-after place of employment where educational leaders know they will be challenged and supported by colleagues, supervisors, and community members with high expectations. We need to develop aggressive strategies to recruit and retain the best and brightest talent in OUSD. Building on our developing frameworks for effective teaching and school leadership, and furthering the development and capacity of our teachers and principals through various forms of professional development will allow us to sustain effective teachers and leaders committed to Oakland's children.

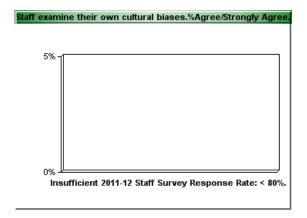

1. Improve the conditions in schools to retain 80% of effective teachers

#### School Quality Standards relevant to this Strategic Priority

A quality school...

- makes sure that teachers work together in professional learning communities focused on student progress
- ensures that staff regularly analyze multiple kinds of data about student performance and their experience of learning
- provides professional development that models effective practices, promotes teacher leadership, and supports teachers to continuously improve their classroom practice
- provides learning opportunities that build capacity of all stakeholders to give input, participate in, or lead key decisions.

#### **Survey - Professional Learning**

#### **Data Analysis**

- Most of our teachers feel that they can do a good job based on the 2011 -2012 survey.
- \_

### Theory of Action

- We will create a learning environment that is built on teacher collaboration and provides teachers with meaningful, high-level professional development.
- We will use the PLC structure to determine the progress of our plans and student achievement.

### School Quality Indicator 4: Meaningful Student, Family, and Community Engagement/Partnerships

### **Strategic Priority A. Family & Community Engagement**

School: Fruitvale Elementary Principal: TERRY EDWARDS

#### From OUSD Strategic Plan:

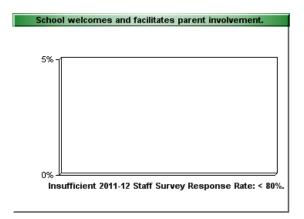

A quality Full Service Community School (FSCS) involves students, families, and the community in the decision-making process as a way to develop collaborative partnerships. A FSCS works with families as partners to understand how the student is progressing and participating in school. Additionally, a Full Service Community School establishes and aligns partnerships with community-based organizations, civic and business partners to strengthen the academic, social-emotional and health outcomes for students and families.

1. 75% or more of parents and guardians are regularly offered trainings and opportunities to actively participate in the academic and social development of their student(s).

School Quality Standards relevant to this Strategic Priority A quality school...

- shares decision-making with its students, their families, and the community, as part of working together in partnership
- provides opportunities for families to understand what their child is learning; why they're learning it; what it looks like to perform well
- builds effective partnerships by using principles of student and family/community engagement

Survey - Welcoming

#### **School Data**

- High attendance rate for daily parent ESL classes. The parents also help out in classrooms.
- 50% increase in parent attendance at school events. These include Back-To-School Nights and Parent-Teacher conferences.

**Data Analysis** 

- We have seen a dramatic increase in the number of Arabic parents participating in school events.
- Our African-American parents have the lowest attendance rates at school events.

#### Theory of Action

- We will seek ways of improving our communication to families about the academic and social progress of their child.
- Increase the participation rate for all parents at school events.

### School Quality Indicator 5: Effective School Leadership & Resource Management

### **Strategic Priority A. Strategic Operational Practices**

School: Fruitvale Elementary Principal: TERRY EDWARDS

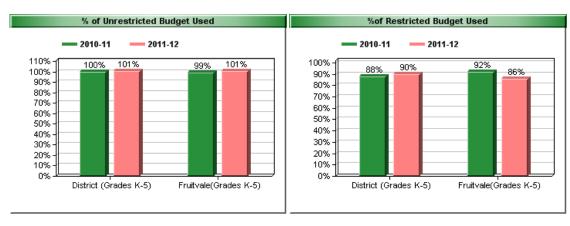

#### From OUSD Strategic Plan:

We need Full Service Community Leaders for OUSD classrooms, schools, regions and the central office. These leaders have to juggle many tasks: they need to manage operations effectively, they need to become highly effective instructional leaders, and they need to build relationships and strategic collaborations with parents and community members. Leaders will need to assess their own levels of expertise with leadership practices, operations, instruction and community engagement and work together to share tools, knowledge and strategies in these areas to accelerate everyone's capacity to deliver on the promise of high quality effective instruction and Full Service Community Schools.

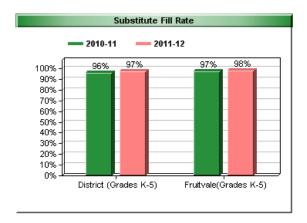

School Quality Standards relevant to this Strategic Priority A quality school...

- creates and sustains equitable conditions for learning and advocates for interrupting patterns of inequities.
- guides and supports the development of quality instruction across the school
- collaboratively develops outcomes, monitors progress, and fosters a culture of accountability.
- is distributed, through professional learning communities, collaborative planning teams, and select individuals

### Fruitvale

### **School-Parent Compact**

Fruitvale has jointly developed with and distributed to parents of Title I students a School-Parent Compact that outlines how parents, the school staff, and students will share the responsibility for improved student academic achievement. It also describes how the school and parents will develop a partnership to help children reach proficiency on the California content standards.

### **Building Parent Capacity for Involvement**

*Fruitvale* engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, and build capacity for parent involvement, it does the following:

- Assists Title I parents in understanding academic content standards, assessments, and how to monitor and improve the achievement of their children.
  - 1) The State of California's academic content standards
  - 2) The State of California's student academic achievement standards
  - 3) The State of California's and Oakland Unified School District's academic assessments, including alternate assessments
  - 4) Academic proficiency levels students are expected to achieve
  - 5) How to monitor their child's progress

We use our Parent- Teacher conference time to inform parents of the standards and expectations.

• Provides materials and training to help Title I Program Parents work with their children to improve their children's academic achievement.

We use our Parent- Teacher conference time to inform parents of the standards and expectations.

• Educates staff, with the assistance of Title I parents, on the value of parent contributions and how to work with parents as equal partners.

Staff meetings PLC time

• Coordinates and integrates the Title I Program Parental Involvement activities with other activities that encourage and support parents to more fully participate in the education of their children.

Community Liaison meets with parents, SSC and ELAC meetings cover this area with parents.

• Distributes to Title I Program parents, in a timely way, program information related to school and parent programs, meetings, and other activities in a form and language that the parents understand.

Community Liaison meets with parents, SSC and ELAC meetings cover this area with parents.

• Provides support, during regularly meetings, for parental activities requested by Title I Program parents.

Community Liaison meets with parents, SSC and ELAC meetings cover this area with parents.

## Accessibility

• Provide opportunities for all Title I parents to participate, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. This includes providing information and school reports in a form and language parents understand.

We inform parents by flyers and offer parent ESL classes daily. Our community liaison also supports this area with our parents.

# Adoption

This School Parental Involvement Policy has been developed jointly with, and agreed upon with, parents of children participating in Title 1, Part A Programs, as evidenced by *SSC Minutes* 

This policy was adopted by the Fruitvale Elementary School Site Counci and will be in effect for the 2013-14 School Year. The school will distribute this policy to all parents of participating Title 1, Part A, children. It will be made available to the local community. The Fruitvale's notification to parents of this policy will be in an understandable uniform format and, to the extent practicable, provided in a language the parents can understand.

(Principal's Signature)	

# **School Compact**

### Fruitvale Elementary School

### Oakland Unified School District

### District and Site Pledge

We believe all students can learn and we will do the following to ensure their success: We will

- create a partnership with every family.
- provide high-quality curriculum and instruction in a supportive and effective learning environment that enable your child to meet the State of California's student academic achievement standards.
- provide motivating and interesting learning experiences.
- use teaching methods and materials that work best for your child.
- make sure all students get help as soon as it is needed.
- make sure students understand homework assignments and what they'll learn from them.
- monitor student progress in reading and math on a regular basis and share updates on a regular basis.
- hold parent-teacher conferences three times a year during which this compact will be discussed as it relates to your child's achievement.
- continually work on our teaching strategies so that we can successfully teach all children.
- provide family involvement opportunities and encourage participation.
- provide parents reasonable access to staff by having the office open from 8:15 – 4:00 every school day

Fruitvale School

# Parent Pledge

I believe that parents and family are the child's first and most important teachers. I will encourage my child's learning and success in school by doing the following: I will

- help my child see how to use reading and math to pursue his/her interests and goals.
- provide a quiet place and time for my child to do homework, and I will review the homework.
- monitor my child's attendance
- when I talk to my child each day about school, ask questions that can't be answered with a yes or no.
- read to my child or have my child read for at least 30 minutes every day.
- help my child learn to solve problems, communicate mathematically and demonstrate reasoning abilities by relating math to everyday life.
- limit the amount of time my child watches television or plays video games to less than 2 hours a day.
- attend Back to School Night, Parent-Teacher-Student conferences, Open House and other school events.
- sign in with the office when visiting my child's school.
- in accordance with the law, be prepared to sit with my child in class in the event that negative behaviors need to be corrected.

Parent signature:\_\_

# **Student Pledge**

I believe that I can be successful in school and I will show it by doing the following: I will

- come to class on time every day.
- come to school ready to learn.
- follow school rules, always show respect and be responsible for my own behavior.
- be a cooperative learner.
- ask for help when I need it.
- carry information between home and school.
- write down assignments, do my homework every day and turn it in when it's due.
- read on my own and with my family every day for at least 30 minutes.
- work on my math and reading skills at home using the materials my teacher sends home.
- write a report each week about a TV program I watched, a book I read, or an activity I did.

2. Instructional Time	2.7 The school/district provides adequate instructional time in the locally-adopted mathematics intervention materials for identified intensive intervention students needing specialized instruction to acquire the mathematics skills and concepts necessary to meet grade-level mathematics standards.	Full implementation means that the school's schedule allocates adequate instructional time for students identified as needing intensive intervention to acquire the grade-level or pre-algebraic skills and concepts necessary to succeed in Algebra I. The district/school uses assessments and placement criteria to determine the instructional needs of intensive intervention students.  • For grades four through seven, students needing intensive intervention are defined as demonstrating proficiency of mathematics standards below two grade levels but unable to master grade-level standards.  • For grade eight, mathematics intensive intervention students are defined as those who are achieving below seventh-grade mathematics standards.  For districts using the 2007 SBE-adoption:  • The locally-adopted grades four through seven intensive intervention materials are not designed as a curriculum to replace basic core instruction. The intensive intervention materials are to be used when additional intervention support is needed.  For districts using the 2001 and 2005 SBE-adoptions:  • Students who have been assessed and identified as needing intensive mathematics intervention should be provided additional time and support using the ancillary materials from the locally-adopted program.	indicate	on of Incident in the control of the	Struc given ons. umbe	3 least 5% comp tion prior	pon al T rity a	At 5 ents ime and plant ition	nal mir ninutes	nutes:

8. Monthly Collaboration	8.1 The school/district facilitates and supports a one-hour structured collaboration meeting	Full implementation means that the school/district, through the principal or designee, uniformly provides and supports structured opportunities to collaborate monthly on a continuous and frequent basis (preferably at least twice a month) for all teachers of reading and language arts, including strategic and intensive intervention, special education, and ELD teachers.  Teachers are trained in collaboration meeting protocols.  Collaboration meetings frequently include using and analyzing timely results from the common school/district assessments:  Entry-level placement and/or diagnostic;  Progress monitoring, including frequent formative and curriculum-embedded; and  Summative benchmark assessments.  Collaborative discussions are centered on strengthening the implementation of the locally-adopted instructional programs, lesson design, and delivery, including the use of research-based strategies, to support the mastery of content standards for all students, including ELs and SWDs.
