**Re: Naming of the Child Development Center being built on the La Escuelita Education Center Campus**

The new center is being built where two original centers by the name of Centro Infantil de la Raza Annex and Yuk Yau Annex once proudly stood. The two original centers were founded by Marcus Foster in order to have a multi-racial, multi-ethnic, and multi-lingual school for all of the children of Oakland. We want to pay homage to this lineage and the contributions of Marcus Foster while at the same time, honor the children and families from Alice Street Learning Center and the new families from all over Oakland who will be members of this new school community. As such, we believe the name below will be both reflective of our past and expressive of our future. We respectfully ask for your support and approval of this motion.
