SUBJECT: Application for Variable Term Waivers-CBEST

ACTION REQUESTED

Approval by the Board of Education of Resolution No. 1516-0056, Application for Variable Term Waiver, CBEST – California Commission on Teacher Credentialing – in behalf of Ericka Duke, Maria Mueller, and Sara Chamberlin for School Year 2015-2016.

BACKGROUND

Since July 1994, the Commission on Teacher Credentialing has had the authority to issue waiver documents that have expressly to do with educator preparation and credentialing and with the ability of employers to employ or assign persons who are not appropriately credentialed for their assignment. All other waivers are under the legal authority of the State Board of Education or the Superintendent of Public Instruction.

A Waiver is issued or denied based upon the Commission's established criteria and factors such as an employer's continuing needs; the support the employer will provide to the applicant; or extenuating, extraordinary and unanticipated circumstances.

When an employing agency reviews its staffing needs and starts recruiting for various positions, all attempts must be made to fill a position with an appropriately credentialed employee. Employing agencies are required to first recruit a candidate who is qualified to participate in and enrolls in an approved internship program in the region of the employing agency and secondly, a candidate who is scheduled to complete preliminary credential requirements within six months.

If a fully credentialed candidate is not available employing agencies must recruit candidates in this order:

- A candidate who is scheduled to complete his or her preliminary credential requirements within six months
- A candidate who is qualified to participate and to enroll in an internship program
- A candidate who qualifies to use a local assignment option
- A candidate who qualifies for the Provisional Internship Permit (PIP) or the Short Term Staff Permit (STSP)

If the employer is unable to find an individual who qualifies for one of the staffing options listed above, the Variable Term Waiver may be requested for the most qualified candidate.

DISCUSSION

The Board of Education, as the Governing Board, may approve an application seeking a Variable Term Waiver, CBEST, from the Commission on Teacher Credentialing, as may be necessary for certain certificated employees of the District. For the 2015-2016 school year, a CBEST waiver is being sought for the following employees:

1. Ericka Duke, Grade 6-9 Business, West Oakland Middle School
2. Maria Mueller, Grades 9-12 World Languages: Spanish, Fremont High School

3. Sara Chamberlin, Grades 9-12 World Languages: French and/or Italian, Oakland Technical High School

Ericka Duke is requesting a Variable Term CBEST Single Subject Business waiver. Ms. Duke graduated from Holy Names with a Bachelor's degree in Business. She is currently enrolled at Mills College completing graduate coursework in Educational Leadership. This waiver will allow her time to complete the CBEST.

Maria Mueller is requesting a Variable Term CBEST World Languages: Spanish waiver. Ms. Mueller graduated from San Francisco State with a Bachelor's degree in Spanish. This waiver will allow her time to complete the CBEST.

Sara Chamberlin is requesting a Variable Term CBEST French waiver and/or Variable Term CBEST World Languages: Italian waiver. Ms. Chamberlin graduated from *Universita Degli Studi di Milano* (University of Milan in Italy) with a degree in Modern Foreign Languages and Literature, Specialization: English. She completed extensive coursework in English, French and Italian. The foreign transcript evaluation indicates the studies completed and credential earned represent a level of learning in the U.S. equivalent to the integrated degrees of Bachelor's and Master's in English. She has passed the Reading and Writing sections of CBEST. The waiver will allow her time to pass the Math Section of CBEST.

FISCAL IMPACT

None.
