Failure to do so will be at the vendor's risk. Each vendor shall furnish the information required by the price request. Statements or communications which serve to qualify or put conditions on any price request, changes or additions to the price request form, alternative bids, or any other modification of the price request form which is not specifically called for may result in the District's rejection of the price request as not being responsive. Non-conforming or qualified price requests (such as stipulation of minimum orders, date specific pricing and/or delivery requirements) are subject to rejection in their entirety.

Any questions regarding this price request shall be directed to Robert Law, Administrative Supervisor, (510) 434-2253 or Glory Nkems (510) 434-2248 prior to the August 18th, 2015 deadline.

1. Award: The purpose of this is to award to a vendor for efficiency in ordering and delivery. Award may be made to one or more vendors, whichever is deemed to be in the best interest of OUSD. Awards will be based on low total cost, quality of the products, service, and delivery requirements. Notwithstanding, the District reserves the right to award price requests as deemed necessary and in best interest of the Nutrition Services Department. As the Fresh Fruit and Vegetable Program (FFVP) is grant funded changes to, including termination of the program, are possible if funds are not allocated to purchase product under this price request.

Price request must be substantially responsive on all items or price request is subject to rejection. The District reserves the right, however, to accept or reject one or more items in the lot. An example may be, but is not limited to, rejection of an alternate item that is not considered equal or removal of a non-critical item that has clearly restricted availability and/or inflated unit pricing.

5. Addendum: If it becomes necessary for the District to revise any part of this price request, an addendum will be provided to all vendors prior to the price request opening. Any addendum will be signed and included with your price request response. Requests to amend any part of this price request must be done in writing prior to the price request opening to allow for appropriate action.

Timely delivery of all orders is expected to school sites and if unable to meet confirmed delivery schedule(s), as agreed upon, then after a one hour grace period, the District reserves the right to assess a penalty payment to the awarded vendor for each instance in the amount of (\$100.) per late delivery, and deduct from the awarded vendors invoice the penalty payment. The District reserves the right to refuse a late delivery and will assume no financial obligation if the delivery is refused.

LOCAL/SMALL LOCAL/ SMALL LOCAL RESIDENT POLICY PARTICIPATION REQUIREMENT

In 2008 the District instituted a local business policy, the Local/Small Local/ Small Local Resident Business Enterprise program ("L/SL/SLRBE"). The S/SL/SLRBE provides economic opportunity to local residents and businesses by supporting local economic development while paying competitive prices for goods and services.

The S/SL/SLRBE establishes a 20% minimum local participation requirement on all contracts and professional service agreements between OUSD and outside vendors. In addition, the program provides for preference points in negotiated professional services contracts and bid discounts in competitively bid contracts, up to 5 points or 50 % as the level of local, small local and small local resident business participation increases. (A copy of the District's S/SL/SLRBE may be found at www.ousd.k12.ca.us).

Prior to the issuance of a formal invitation for bid, the District determines that there are at least three certified businesses listed in the industry, trade or profession that constitutes a major category of work. If at least three L/SL/SLRBEs are not certified, then the requirement may, subject to the discretion of the District, be waived, or the 20% requirement may be re-set from 19% to 0%, depending on the particular circumstances at time of bid.

However, a proposer who demonstrates a minimum 20% small business or local resident employee participation will earn a bid discount 5% off its total bid, affording an advantage over a low bidder with no small business or local resident participation. (Public Contract Code section 2002).

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion: The District certifies to the best of its knowledge and belief, that it and its officials: Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency according to Federal Acquisition Regulation Subpart 9.4, and by signing this contract, certifies that this vendor does not appear on the Excluded Parties List. <https://www.sam.gov/portal/public/SAM>

14. Specifications:

The vendor who is awarded this contract will meet or exceed the following minimum requirements:

- Ability to provide locally-grown produce. For the purpose of this quote, locally-grown is defined as within a 250 mile radius from Oakland, CA. Oakland Unified prefers locally-grown products whenever possible. Provide name and location of farms that items are purchased from one week prior to delivery. Products should be labeled designating local source (grower, address of farm). For the purposes of this quote, "farm" is defined as the location where the produce is grown, not the address of a packing house or aggregation point.
- Vendor to establish written purchasing agreements with school district approved farmers. These agreements should indicate that the vendor is willing and able to purchase produce from these growers whenever possible.
- When asked by OUSD, the vendor to report the net price farmer will receive on a price per pound or price per case basis for product purchased.
- The vendor shall state the brand and item number bid; if none is indicated it is understood that the vendor is quoting the exact brand and number specified. If proposing product "equal to" the brand specified any differences should be clearly noted--include specifications and nutrient analysis. Vendors may propose any product equal to that specified. Certain specifications set forth herein for the purpose of establishing standards are not intended to preclude any vendor from bidding who can meet these specifications and requirements.
- Product specifications are based on products and pack sizes currently in use. Alternate pack sizes may be accepted when pack size specified is not available. Some specifications shown have been established by the Nutrition Services Department based on the Department's research and expertise and/or popularity of the food item; therefore, alternates may not be considered in circumstances where the menu, recipes, or sales may be affected. If proposing an alternate or "generic" item, please quote it in addition to the brand requested, if possible. In any case, the District will be the sole judge as to whether the products are, in fact, substantially equal to the specifications set forth herein and whether such deviations are acceptable to the District.
- Product shelf life shall not be less than three (3) to seven (7) days from date of delivery. Products should be dated, showing a "produced on" or "pull" date.

- Vendors submitting price requests certify that no preservatives are used in the preparation of products.

For the 2015-2016 school year, Nutrition Services has been awarded federal grants for 24 schools to receive a fresh produce snack and nutrition education on the importance of eating fruits and vegetables.
