Thank you for participating in the Box Tops for Education™ program. Attached is a check for your school's earnings for the last submission period (November 2, 2015 - March 1, 2016).

As a reminder, this is the final Box Tops for Education check you will receive this year. But remember, you can still submit more clips anytime! Any clips or bonuses submitted from now until November 1, 2016 will be reflected in the check your school will receive next December.

Please remember to thank your school's Coordinator who has been volunteering time to manage the program and rally community support for your school. We encourage you to also ensure to have a Coordinator lined up for next school year. The Coordinator plays an essential role in your school receiving a check each year!

Congratulations on this check's earnings, we look forward to helping your school get what it needs!

Take Charge of Education"

KOREMATSU DISCOVERY ACADEMY ATTN PRINCIPAL 10315 E STREET OAKLAND, CA 94603-0000

Dear Principal,

Enclosed is your final Take Charge of Education® check. Please cash this check and use it for whatever your school needs most. Turn it into books, field trips, art supplies, new technology, or anything else your school dreams up.

We are thankful for the parents, teachers and other supporters in your community that have made it possible for your school to benefit from this program over the last 19 years. Every time they shopped with their REDcard®, Target® donated 1%* of purchases at Target and Target.com to the eligible K-12 school they designated.

As we continue to look for the most impactful ways to support the causes that are most important to our guests, we previously shared with you that we've decided to end the Take Charge of Education program as of May 14, 2016. This check includes funds remaining in your school's account as of May 14, 2016.

Support of education is still important to us, and will continue to be a part of our giving portfolio. While this is a change in how we give, we remain committed to giving five percent of our profit back to communities, and will continue to design giving programs that make a meaningful difference in the communities where we do business.

I hope you'll stay tuned to see the new partnerships and programs we'll be announcing, including those that benefit schools.

Best wishes,

aysha Ward

Dear Principal,

As you know, Target has ended its Take Charge of Education® program as of May 14, 2016. Because of our commitment to schools and communities, we want to help ease the transition for you and ensure your school has the resources it needs to start the 2016-17 school year off right. Therefore, we are pleased to present you with this additional, unrestricted bonus check. Please cash this check and use it for whatever your school needs most. Schools will receive their final Take Charge of Education® check for funds remaining in each school's account as of May 14, 2016 in the coming weeks.

We are thankful for the parents, teachers and other supporters in your community that have made it possible for your school to benefit from this propgram over the last 19 years. Every time they shopped with their REDcard®, Target® donated 1% of purchases at Target and Target.com to the eligible K-12 school they designated. Support of education is still important to us, and will continue to be a part of our giving portfolio.

While this is a change to how we give, community giving has always been, and continues to be, a cornerstone of our company. Since 1946, Target has given five percent of our profit back to the communities in which our guests and team members live and work.

I hope you'll stay tuned to see the new partnerships and programs we'll be announcing, including those that benefit schools.

LINCOLN ELEMENTARY SCHOOL ATTN PRINCIPAL 225 11TH ST OAKLAND, CA 94607-4409 E C E UV E MAY 1 8 2016

Dear Principal,

As you know, Target has ended its Take Charge of Education® program as an Way 14, 2016 Because of our commitment to schools and communities, we want to help ease the transition for you and ensure your school has the resources it needs to start the 2016-17 school year off tight. Therefore, we are pleased to present you with this additional, unrestricted bonus check. Please cash this check and use it for whatever your school needs most. Schools will receive their final Take Charge of Education® check for funds remaining in each school's account as of May 14, 2016 in the coming weeks.

We are thankful for the parents, teachers and other supporters in your community that have made it possible for your school to benefit from this propgram over the last 19 years. Every time they shopped with their REDcard®, Target® donated 1% of purchases at Target and Target.com to the eligible K-12 school they designated. Support of education is still important to us, and will continue to be a part of our giving portfolio.

While this is a change to how we give, community giving has always been, and continues to be, a cornerstone of our company. Since 1946, Target has given five percent of our profit back to the communities in which our guests and team members live and work.

I hope you'll stay tuned to see the new partnerships and programs we'll be announcing, including those that benefit schools.

Best wishes,

 LINCOLN ELEMENTARY SCHOOL ATTN PRINCIPAL
 225 11TH ST OAKLAND, CA 94607-4409

Dear Principal,

Enclosed is your final Take Charge of Education® check. Please cash this check and use it for whatever your school needs most. Turn it into books, field trips, art supplies, new technology, or anything else your school dreams up.

We are thankful for the parents, teachers and other supporters in your community that have made it possible for your school to benefit from this program over the last 19 years. Every time they shopped with their REDcard®, Target® donated 1%* of purchases at Target and Target.com to the eligible K-12 school they designated.

As we continue to look for the most impactful ways to support the causes that are most important to our guests, we previously shared with you that we've decided to end the Take Charge of Education program as of May 14, 2016. This check includes funds remaining in your school's account as of May 14, 2016.

Support of education is still important to us, and will continue to be a part of our giving portfolio. While this is a change in how we give, we remain committed to giving five percent of our profit back to communities, and will continue to design giving programs that make a meaningful difference in the communities where we do business.

I hope you'll stay tuned to see the new partnerships and programs we'll be announcing, including those that benefit schools.

Best wishes,
