SCOPE OF WORK

Ariel Benavides _____ will provide a maximum of 580.00 hours of services at a rate of \$ 25.00 per hour for a total not to exceed \$ 14,500.00. Services are anticipated to begin on 08/13/2013 and end on 06/30/2014.

- 1. Description of Services to be Provided:** Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what *this* Contractor will do.

The Consultant will provide direct on-site services for the Elmhurst Community Prep Middle School peer RJ program by collaborating with site staff to identify and recruit 5-10 peer RJ youth leaders (11-14 years old) that reflect the racial, ethnic, and academic diversity of the school. The Consultant will organize, create, and design training materials that teach conflict resolution, effective communication, problem solving, and restorative practices, and expect to share them with other Peer RJ coordinators. Peer RJ leaders will work in pairs to help peers involved in a dispute to resolve their differences and repair their relationship. The Consultant will coach the peer RJ leaders to conduct an average of 20-35 restorative circles to respond to harm or conflict and support the school site in creating a safe, healthy and supportive school environment.

- 2. Specific Outcomes:** What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

• The Consultant will provide support to 40-70 youth who are experiencing barriers to learning due to conflict and connect them to restorative justice services. In previous years, almost 100% of these students have graduated from high school. The Peer RJ program augments other efforts within OUSD to reduce truancy and foster academic achievement.

• 5-10 Youth RJ Leaders in the program will learn how to: be a peer leader, practice effective communication skills, express personal feelings and needs, listen without taking sides, problem-solve, improve school climate, and gain experience in civic participation within their school community. These efforts support students in the program to be prepared for success in college and future careers.

• Restorative Justice and Conflict Resolution education is part of the District's overall violence prevention strategy. The strategy also includes implementing the Second Step curriculum. This program will increase the feeling of safety and support in participating schools and aid in raising attendance and graduation rates.
