1. The grant award will be processed upon receipt of the signed Grant Award Notification (AO-400). This AO-400 must be signed by the superintendent or an authorized official and **returned within 10 working days**.
2. All approved program funds must be expended within the dates designated and for the maximum amount indicated on the AO-400. Encumbrances may be made at any time after the beginning date of the grant stated on the AO-400. **No extensions of this grant will be allowed.**
3. The grantee is required to use these funds only for the operation and maintenance of the California Partnership Academy (CPA) at the high school noted in the AO-400 in accordance with the provisions of California *Education Code (EC)* sections 54690 through 54697. These funds may not supplant current fixed costs. Expenditures shall comply with all applicable provisions for federal, state, and local rules, regulations, and policies relating to the administration and accounting for public school funds, including but not limited to the *EC*. These funds are instructional in nature. These funds may not be used for out-of-state travel expenses.
4. The grantee must limit administrative indirect costs to the rate approved by the California Department of Education (CDE) for the applicable fiscal year in which the funds are spent.
5. Upon receipt of the required certifications, scheduled payments of grant funds will be as follows:
 - Fifty percent of the funds will be released upon completion and return of the AO-400. Please allow approximately four weeks for processing.
 - Final payment will be processed after receipt and approval of the California Partnership Academies Annual Report due in October of each year. Maximum reimbursement is based upon the number of qualified students as described in *EC* Section 54691. The reduced amount per qualified student is 13.5 percent (\$779 per qualified student for fully implemented program 10-12). The final payment is adjusted based on the number of qualified students not to exceed the maximum grant amount.
 - The End-of-Project (EOP) Expenditure Report is due after all funds have been expended but no later than 60 days after the end of the grant period. The EOP report is on the CDE CPA Web page at <http://www.cde.ca.gov/ci/gs/hs/cpagrantinfo.asp>.
 - The EOP should include a narrative of the final expenditures. Failure to submit the EOP Expenditure Report with a detailed narrative within 90 days from the end of the grant period will result in a billing from the CDE for the entire amount of any grant funds paid and possible reduction of any subsequent years' grants.
6. At least three key staff members from each CPA are required to attend the CPA Conference to be held March 2-4, 2014 at the Sacramento Convention Center. These funds can be used for that purpose.
7. If the grantee terminates its participation in the program, the grantee shall submit a final expenditure report within 30 days and return the unexpended funds upon receipt of a billing from the CDE. Supplies and equipment purchased with these funds will be redirected to other CPA sites.

Information Needed	School or Department Response
How will this grant contribute to sustained student achievement or academic standards?	<p>California Partnership Academy seeks to inform all students about the career and college options. Prepare them with skills and knowledge they need to enroll in and succeed in college or trade school program. Understand and practice 21st. Century Skills.</p> <p>Internships and job shadowing opportunities are essential to the alignment of academic theory with career related applied learning opportunities. Most of the attached budget is focused on equipment and supplies and student study tours.</p>
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 5.17% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.)	To graduate, students must produce and present a senior project that deals with a topic related to the Academy. The senior project requires students to work directly in fields of study. Moreover students are required to perform community service as a graduation requirement. As a CPA the primary focus for continuous quality improvement is with both our OUSD advisory committee and the advisory committee of the academy site. The advisory meetings that include school district and school administration personnel occur on a regular basis. The academy will develop best practices that motivate partners to commit to activities and provide their services upon request.
Does the grant require any resources from the school(s) or district? If so, describe.	All CPA grants require matching district in-kind support.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU? (If yes, include the district's indirect rate of 4.25% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	No
Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	Students will participate in job shadowing and intern opportunities.
