Our project schedule and fee is based on the scope of work as described above. For any additional scope of work beyond what is described above we may submit a contract modification prior to commencement of the addition scope of work.

I hope that this proposal meets with your expectations. If you have any additional questions, please do not hesitate to call. Our current billing rates are attached for your reference. This proposal is valid for the next 60 days. We are available to begin work immediately upon receipt of your written approval. I look forward to working with you.

Very Truly Yours,
