To Whom It May Concern:

Experience Corps Bay Area submits this Statement of Qualifications to the Oakland Unified School District (OUSD) to support our work in Oakland in a unique intervention program which addresses two of the community’s major challenges: improving academic achievement among at-risk elementary school students and increasing healthy aging behaviors among older adults. Experience Corps Bay Area¹ (ECBA), operating successfully since 1998, is a unique civic engagement program – based on a national model (currently in 20 cities) – which recruits, trains and engages teams of local older adults (50+) to work as tutors and mentors before, during and after school in low-performing schools with students who have poor grades and/or test scores, learning disabilities or are limited English-proficient. Launched in three elementary schools in Oakland in 2005, EC Oakland is now in eight (8) of OUSD’s most vulnerable Title I elementary schools, where significant proportions of children are students of color, economically disadvantaged and/or English language learners. Our mission is to increase the academic performance and self-confidence of these students by providing focused, individualized attention, as well as create an intergenerational bridge between children and older adults, thereby enhancing the school and the overall community. It is a unique multi-level approach to health improvement that has tremendous benefits, and coupled with its youth education focus, serves a dual-benefit to society.

All members of the ECBA staff have either extensive professional experience and/or educational backgrounds, including education, youth development, gerontology, training, and/or program evaluation. For example, all of our Site Coordinators have BA or BS degrees, some Masters degrees, and one a PhD in Education. The Member Support Director has her Masters Degree in English, college-level teaching experience and six years of on-the-ground recruitment experience. Our Literacy Trainer is a credentialed teacher with nearly a decade of experience teaching low-income students. While our Special Projects Coordinator managed the implementation of complex evaluations, including federal grant reporting requirements, and has her degree from UC Davis. Full staff resumes are available upon request.

All ECBA tutors/mentors have completed written applications, been interviewed in person, received fingerprint/background/reference checks (DOJ and FBI), been cleared for TB, and completed pre-service and in-service training in youth development, tutoring techniques, mentoring skills, conflict resolution, behavioral management topics. They also continue to receive on-site support and on-the-job training through our Site Coordinators and monthly team meetings.

In terms of intended outcomes and evaluating our success, the program tracks educational outcomes for students (based on teacher assessments) – for example: ECBA Members impact on students’ concentration in class, students’ attainment of grade level benchmarks, and students’ motivation to learn (as well as the mental and physical health outcomes for older adults). In addition, ECBA members receive regular performance reviews to ensure they are providing high quality services. All of these result in increased academic benchmarks for a greater number of Oakland students as well as improved health benchmarks for local older adults. This intensive focus on results can also make OUSD confident that its support in Experience Corps will be well invested.

If you have any questions or wish to discuss this further, please do not hesitate to reach me at 510-495-4966 or dmoren@aspiranet.org.

Best regards,

David Moren
Director of School Relations, Experience Corps Bay Area

P.S. We are also proud to have been given OUSD’s 2012-13 “Partner Organization of the Year” Award.
